In consideration of *your* application and the timely payment of premiums, *we* will provide benefits to *you*, the *member*, for covered *services* as outlined in this *contract*. Benefits are subject to *contract* definitions, provisions, limitations and exclusions.

GUARANTEED RENEWABLE

Guaranteed renewable means that this *contract* will renew each year on the anniversary date unless terminated earlier in accordance with *contract* terms. *You* may keep this *contract* in force by timely payment of the required premiums. However, *we* may decide not to renew as of the renewal date if: (1) *we* decide not to renew all contracts issued on this form, with the same type and level of benefits, to residents of the state where *you* then live; or (2) there is fraud or an intentional material misrepresentation made by or with the knowledge of a *member* in filing a claim for *contract* benefits.

Annually, *we* may change the rate table used for this *contract* form. Each premium will be based on the rate table in effect on that premium's due date. At least 31 days' notice of any plan to take an action or make a change permitted by this clause will be delivered to *you* at *your* last address as shown in *our* records. *We* will make no change in *your* premium solely because of claims made under this *contract* or a change in a *member's* health. While this *contract* is in force, *we* will not restrict coverage already in force. If *we* discontinue offering and decide not to renew all policies issued on this form, with the same type and level of benefits, for all residents of the state where *you* reside, *we* will provide a written notice to *you* at least 90 days prior to the date that *we* discontinue coverage.

This *contract* contains *prior authorization* requirements. *You* may be required to obtain a referral from a *primary care physician* in order to receive care from a specialist provider. Benefits may be reduced or not covered if the requirements are not met. Please refer to the *Schedule of Benefits* and the Prior Authorization Section.

TEN DAY RIGHT TO RETURN CONTRACT

Please read *your contract* carefully. If *you* are not satisfied, return this *contract* to *us* or to *our* agent within 10 days after *you* receive it. All premiums paid will be refunded, less claims paid, and the *contract* will be considered null and void from the *effective date*.

4. The date that an adopted child is placed with *you* or *your* spouse for the purposes of adoption or *you* or *your* spouse assumes total or partial financial support of the child.

Effective Date for Initial Dependent Members

The *effective date* for your initial *dependent members*, if any, is shown on the *Schedule of Benefits*. Only *dependent members* included in the application for this *contract* will be covered on your *effective date*.

Coverage for a Newborn Child

An *eligible child* born to *you* or a family member *will* be covered from the time of birth until the 31st day after its birth for *loss* due to *injury* and *illness*, including *loss* from complications of birth, premature birth, medically diagnosed congenital defect(s), and birth abnormalities.

Additional premium will be required to continue coverage beyond the 31st day after the date of birth. The required premium will be calculated from the child's date of birth. If notice of the newborn is given to *us* by the Health Insurance Marketplace within the 31 days from birth, an additional premium for coverage of the newborn child will be charged for not less than 31 days after the birth of the child. If notice is not given within the 31 days from birth, *we* will charge an additional premium from the date of birth. If notice is given by the Health Insurance Marketplace within 60 days of the birth of the child, the *contract* may not deny coverage of the child due to failure to notify *us* of the birth of the child or to pre-enroll the child. Coverage of the child will terminate on the 31st day after its birth, unless *we* have received notice by the Health Insurance Marketplace of the child's birth.

Coverage for an Adopted Child

An *eligible child* legally placed for adoption with *you* or *your spouse* will be covered from the date of *placement* until the 31st day after *placement*, unless the *placement* is disrupted prior to legal adoption and the child is removed from *your* or *your spouse's* custody.

The child will be covered for *loss* due to *injury* and *illness*, including *medically necessary* care and treatment of conditions existing prior to the date of *placement*.

Additional premium will be required to continue coverage beyond the 31st day following *placement* of the child and *we* have received notification from the Marketplace. The required premium will be calculated from the date of *placement* for adoption. Coverage of the child will terminate on the 31st day following *placement*, unless *we* have received both: (A) Notification of the addition of the child from the Marketplace within 60 days of the birth or placement and (B) any additional premium required for the addition of the child within 90 days of the date of *placement*.

As used in this provision, "*placement*" means the earlier of:

1. The date that *you* or *your spouse* assume physical custody of the child for the purpose of adoption; or
2. The date of entry of an order granting *you* or *your spouse* custody of the child for the purpose of adoption.

Adding Other Dependent Members

If *you* are enrolled in an off-exchange policy and apply in writing to add a *dependent member* and *you* pay the required premiums, *we* will send *you* written confirmation of the added *dependent member's effective date* of coverage and ID Cards for the added *dependent member*.

ONGOING ELIGIBILITY

For All Members

A *member's* eligibility for coverage under this *contract* will cease on the earlier of:

1. The date that a *member* accepts any direct or indirect contribution or reimbursement, by or on behalf of an employer, for any portion of the premium for coverage under this *contract*;
2. The date a *member's* employer and a *member* treat this *contract* as part of an employer-provided health plan for any purpose, including tax purposes;
3. The primary *member* residing outside the *service area* or moving permanently outside the *service area* of this plan;
4. The date the *member* has performed an act or practice that constitutes fraud or made an intentional misrepresentation of a material fact (e.g., the date that a *member* accepts any direct or indirect contributions or reimbursement by or on behalf of an employer, for any portion of the premium for coverage under this *contract*);
5. The date of a *member's* death;
6. The date that a *member* has failed to pay premiums or contributions in accordance with the terms of this *contract* or the date that we have not received timely premium payments in accordance with the terms of this *contract*; or
7. The date we receive a request from *you* to terminate this *contract*, or any later date stated in *your* request, or if *you* are enrolled through the Marketplace, the date of termination that the Marketplace provides us upon *your* request of cancellation to the Marketplace.

For Dependent Members

A *dependent member* will cease to be a *member* at the end of the premium period in which he or she ceases to be *your dependent member* due to divorce or if a child ceases to be an *eligible child*. For *eligible children*, the coverage will terminate the thirty-first of December the year the dependent turns 26 years of age.

All enrolled *dependent members* will continue to be covered until the age limit listed in the definition of *eligible child*.

A *member* will not cease to be a *dependent eligible child* solely because of age if the *eligible child* is:

1. Not capable of self-sustaining employment due to mental handicap or physical handicap that began before the age limit was reached; and
2. Mainly dependent on *you* for support.

Open Enrollment

There will be an open enrollment period for coverage on the Health Insurance Marketplace. The open enrollment period begins November 1, 2017 and extends through December 15, 2017. *Qualified individuals* who enroll on or before December 15, 2017 will have an *effective date* of coverage on January 1, 2018.

The Health Insurance Marketplace may provide a coverage *effective date* for a *qualified individual* earlier than specified in the paragraphs above, provided that either:

1. The *qualified individual* has not been determined eligible for *advance premium tax credits* or *cost-sharing reductions*; or
2. The *qualified individual* pays the entire premium for the first partial month of coverage as well as all *cost sharing*, thereby waiving the benefit of *advance premium tax credit* and *cost-sharing reduction* payments until the first of the next month. We will send written annual open enrollment notification to each *member* no earlier than the first of September, and no later than the thirtieth of September.

Special and Limited Enrollment

A *qualified individual* has 60 days to report a qualifying event to the Health Insurance Marketplace and could be granted a 60 day Special Enrollment Period as a result of one of the following events:

1. A *qualified individual* or *dependent* loses *minimum essential coverage*; or
2. A *qualified individual* gains a dependent or becomes a *dependent* through marriage, birth, adoption or placement for adoption of a *member* or their spouse; or
3. An individual, who was not previously a citizen, national, or lawfully present individual gains such status; or
4. A *qualified individual*'s enrollment or non-enrollment in a *qualified* health plan is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, or inaction of an officer, employee, or agent of the Health Insurance Marketplace or HHS, or its instrumentalities as evaluated and determined by the Health Insurance Marketplace. In such cases, the Health Insurance Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation, or inaction; or
5. An enrollee adequately demonstrates to the Health Insurance Marketplace that the *qualified* health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to the enrollee; or
6. An individual is determined newly eligible or newly ineligible for *advanced premium tax credits* or has a change in eligibility for *cost-sharing reductions*, regardless of whether such individual is already enrolled in a *qualified* health plan; or
7. A *qualified individual* or enrollee gains access to new qualified health plans as a result of a permanent move; or
8. Qualifying events as defined under section 603 of the Employee Retirement Income Security Act of 1974, as amended; or
9. An Indian, as defined by section 4 of the Indian Health Care Improvement Act, may enroll in a *qualified* health plan or change from one *qualified* health plan to another one time per month; or
10. A *qualified individual* or enrollee demonstrates to the Health Insurance Marketplace, in accordance with guidelines issued by HHS, that the individual meets other exceptional circumstances as the Health Insurance Marketplace may provide.

The Health Insurance Marketplace may provide a coverage *effective date* for a *qualified individual* earlier than specified in the paragraphs above, provided that either:

1. The *qualified individual* has not been determined eligible for *advanced payments of the premium tax credit* or *cost-sharing reductions*; or
2. The *qualified individual* pays the entire premium for the first partial month of coverage as well as all *cost sharing*, thereby waiving the benefit of *advanced payments of the premium tax credit* and *cost-sharing reduction* payments until the first of the next month.

PREMIUMS

Premium Payment

Each premium is to be paid on or before its due date. The initial premium must be paid prior to the coverage *effective date*, although an extension may be provided during the annual Open Enrollment period.

Grace Period

When a *member* is receiving a premium subsidy:

After the first premium is paid, a grace period of 3 months from the premium due date is given for the payment of premium. Coverage will remain in force during the grace period. If full payment of premium is not received within the grace period, coverage will be terminated as of the last day of the first month during the grace period, if *advance premium tax credits* are received.

We will continue to pay all appropriate claims for *covered services* rendered to the *member* during the first month of the grace period, and may pend claims for *covered services* rendered to the *member* in the second and third month of the grace period. We will notify HHS of the non-payment of premiums, the *member*, as well as providers of the possibility of denied claims when the *member* is in the second and third month of the grace period. We will continue to collect *advance premium tax credits* on behalf of the *member* from the Department of the Treasury, and will return the *advance premium tax credits* on behalf of the *member* for the second and third month of the grace period if the *member* exhausts their grace period as described above. A *member* is not eligible to re-enroll once terminated, unless a *member* has a special enrollment circumstance, such as a marriage or birth in the family or during annual open enrollment periods.

When a *member* is not receiving a premium subsidy:

Premium payments are due in advance, on a calendar month basis. Monthly payments are due on or before the first day of each month for coverage effective during such month. There is a one (1) month grace period. This provision means that if any required premium is not paid on or before the date it is due, it may be paid during the grace period. During the grace period, the *contract* will stay in force; however, claims may pend for *covered services* rendered to the *member* during the grace period. We will notify HHS, as necessary, of the non-payment of premiums, the *member*, as well as providers of the possibility of denied claims when the *member* is in the grace period.

Premium Payments from Third-Party Payors

The member is responsible for payment of premiums to Ambetter from Health Net. We do not accept direct or indirect payment of Premiums from any person or entity other than the Policyholder, his or her dependents, or an Acceptable Third-Party payor. "Acceptable Third Party Payors" are payors which have no incentive for financial gain, no financial relationship or affiliation with providers of covered services or supplies. We will accept payments from the following payors which make payments on behalf of member's needs including the following:

- Ryan White HIV/AIDS Program under Title XXVI of the Public Health Services Act
- Indian tribes, tribal organizations or urban Indian organizations
- Local, State and Federal government programs or grantees under such programs
- Private, not-for-profit foundations, including end stage renal disease providers
- Family members.

Upon discovery that premiums were paid by a person or entity other than those listed above, we will reject the payment and inform the member that the payment was not accepted and that the subscription charges remain due.

Misstatement of Age

If a *member's* age has been misstated, the benefits may be adjusted based on the relationship of the premium paid to the premium that should have been paid, based on the correct age.

Change or Misstatement of Residence

If *you* change *your residence*, *you* must notify the Health Insurance Marketplace of *your* new *residence* within 60 days of the change. As a result *your* premium may change and *you* may be eligible for a Special Enrollment Period. See the section on Special Enrollment Periods for more information.

Misstatement of Tobacco Use

The answer to the tobacco question on the application is material to *our* correct underwriting. If a *member's use of tobacco* has been misstated on the *member's* application for coverage under this *contract*, *we* have the right to rerate the *contract* back to the original *effective date*.

Billing/Administrative Fees

Upon prior written notice, *we* may impose an administrative fee for credit card payments. This does not obligate *us* to accept credit card payments. *We* will charge a \$20 fee for any check or automatic payment deduction that is returned unpaid.

COST SHARING FEATURES

Cost Sharing Features

We will pay benefits for *covered services* as described in the *Schedule of Benefits* and the Major Medical Expense Benefits sections of this *contract*. Benefits we pay will be subject to all conditions, limitations, and *cost sharing* features of this *contract*. *Cost sharing* means that you participate or share in the cost of your healthcare services by paying *deductible amounts*, *copayments* and *coinsurance* for some *covered services*. For example, you may need to pay a *copayment* or *coinsurance* amount when you visit your physician or are admitted into the *hospital*. The *copayment* or *coinsurance* required for each type of service as well as your *deductible amount* is listed in your *Schedule of Benefits*.

Copayments

Members may be required to pay *copayments* at the time of services as shown in the *Schedule of Benefits*. Payment of a *copayment* does not exclude the possibility of an additional billing if the service is determined to be a *non-covered service*. *Copayments* do not apply toward the *deductible amount*, but do apply toward meeting the *maximum out-of-pocket amount*.

Coinsurance Percentage

Members may be required to pay a *coinsurance* percentage in excess of any applicable *deductible amount(s)* for a *covered service* or supply. *Coinsurance* amounts do not apply toward the deductible but do apply toward meeting the *maximum out-of-pocket amount*. When the annual *out-of-pocket* maximum has been met, additional *covered service expenses* will be 100%.

Deductible

The *deductible amount* means the amount of *covered service expenses* that must be paid by each/all members before any benefits are provided or payable. The *deductible amount* does not include any *copayment amount* or *coinsurance* amount. Not all *covered service expenses* are subject to the deductible amount. See your *Schedule of Benefits* for more details.

Refer to your Schedule of Benefits for Coinsurance Percentage and other limitations.

The amount provided or payable will be subject to:

1. Any specific benefit limits stated in the *contract*; and
2. A determination of *eligible service expenses*; and

The applicable *deductible amount(s)*, *cost sharing percentage*, and *copayment amounts* are shown on the *Schedule of Benefits*.

Note: The bill you receive for services or supplies from a *non-network provider* may be significantly higher than the *eligible service expenses* for those services or supplies. In addition to the *deductible amount*, *copayment amount*, and *cost sharing percentage*, you are responsible for the difference between the *eligible service expense* and the amount the *non-network provider* bills you for the services or supplies. Any amount you are obligated to pay to the *non-network provider* in excess of the *eligible service expense* will not apply to your *deductible amount* or *out-of-pocket* maximum.

Health Savings Account (HSA)

A Health Savings Account (HSA) is a special tax-exempt custodial account or trust owned by a *member* where contributions to the account may be used to pay for current and future qualified medical expenses. Please refer to your *Schedule of Benefits* to see if the plan you are enrolled in has an HSA Account. For members enrolled in an HSA compatible plan, the following terms apply.

Individual *members* must satisfy federal HSA eligibility criteria in order to open and contribute to an HSA.

This Evidence of Coverage is administered by Ambetter from MHS and underwritten by Celtic Insurance Company. Neither entity is an HSA trustee, HSA custodian or a designated administrator for HSAs. Celtic Insurance Company, its designee and its affiliates, including Ambetter from MHS, do not provide tax, investment or legal advice to *members*.

MEMBERS ARE SOLELY RESPONSIBLE FOR ADHERING TO ALL FEDERAL REGULATIONS AND GUIDELINES CONCERNING HSA MAXIMUM ALLOWABLE AMOUNT, CONTRIBUTIONS AND QUALIFIED WITHDRAWALS. IN ADDITION, EACH MEMBER WITH AN HSA IS RESPONSIBLE FOR NOTIFYING HIS/HER HSA CUSTODIAN OR TRUSTEE IF ENROLLMENT UNDER THEIR HSA PLAN HAS BEEN CANCELED OR TERMINATED.

THE TERMS OF THIS EVIDENCE OF COVERAGE ARE CONFINED TO THE BENEFITS PROVIDED HEREIN AND DO NOT ENCOMPASS ANY INDIVIDUAL HSA FEE ARRANGEMENTS, ACCOUNT MAINTENANCE OR CONTRIBUTION REQUIREMENTS, APPLICATION PROCEDURES, TERMS, CONDITIONS, WARRANTIES, OR LIMITATIONS THERETO, GRIEVANCES OR CIVIL DISPUTES WITH ANY HSA CUSTODIAN OR TRUSTEE.

PLEASE CONSULT A PROFESSIONAL TAX ADVISOR FOR MORE INFORMATION ABOUT THE TAX IMPLICATIONS OF AN HSA OR HSA PROGRAM.

ACCESS TO CARE

Primary Care Physician

In order to obtain benefits, *you* must designate a *network primary care physician* for each *member*. *You* may select any *network primary care physician* who is accepting new patients. However, *you* may not change *your* selection more frequently than once each month. If *you* do not select a *network primary care physician* for each *member*, one will be assigned. *You* may obtain a list of *network primary care physicians* at *our* website or by contacting *our* Member Services department.

Your network primary care physician will be responsible for coordinating all covered health services and making referrals for services from other *network providers*. *You* do not need a referral from *your network primary care physician* for obstetrical or gynecological treatment and may seek care directly from a *network obstetrician or gynecologist*.

You may change *your network primary care physician* by submitting a written request, online at *our* website, or by contacting *our* office at the number shown on *your* identification card. The change to *your network primary care physician* of record will be effective no later than 30 days from the date *we* receive *your* request.

Referral Required For Maximum Benefits

You do not need a referral from *your network primary care physician* for obstetrical or gynecological treatment from a *network obstetrician or gynecologist*. For all other *network specialist physicians*, *you* may be required to obtain a referral from *your network primary care physician* for benefits to be payable under *your policy* or benefits payable under this *contract* may be denied. Please refer to the *Schedule of Benefits*.

Network Availability

Your network is subject to change upon advance written notice. A *network service area* may not be available in all areas. If *you* move to an area where *we* are not offering access to a *network*, the *network* provisions of the *policy* will no longer apply. In that event, benefits will be calculated based on the *eligible service expense*, subject to the *deductible amount* for *network providers*. *You* will be notified of any increase in premium. *You* may be balance billed and have to pay the difference between *our* payment and the provider billed amount.

Durable Medical Equipment, Prosthetics, and Orthotic Devices

The supplies, equipment and appliances described below are covered services under this benefit. If the supplies, equipment and appliances include comfort, luxury, or convenience items or features which exceed what is *medically necessary* in *your* situation or needed to treat *your* condition, reimbursement will be based on the maximum allowable amount for a standard item that is a covered service, serves the same purpose, and is *medically necessary*. Any expense that exceeds the maximum allowable amount for the standard item which is a covered service is *your* responsibility. For example, the reimbursement for a motorized wheelchair will be limited to the reimbursement for a standard wheelchair, when a standard wheelchair adequately accommodates *your* condition. Repair, adjustment and replacement of purchased equipment, supplies or appliances as set forth below may be covered, as approved by *us*. The repair, adjustment or replacement of the purchased equipment, supply or appliance is covered if:

- The equipment, supply or appliance is a covered service;
- The continued use of the item is *medically necessary*; and

In addition, replacement of purchased equipment, supplies or appliance may be covered if:

1. The equipment, supply or appliance is worn out or no longer functions.
2. Repair is not possible or would equal or exceed the cost of replacement. An assessment by a habilitation equipment specialist or vendor should be done to estimate the cost of repair.

4. The equipment, supply or appliance is damaged and cannot be repaired.

Benefits for repairs and replacement do not include the following:

Prescription Drug Exception Process

Standard exception request

A *member*, a *member's* designee or a *member's* prescribing *physician* may request a standard review of a decision that a drug is not covered by the plan or a protocol exception for step therapy. The request can be made in writing or via telephone. Within 72 hours of the request being received, *we* will provide the *member*, the *member's* designee or the *member's* prescribing *physician* with *our* coverage determination. Should the standard exception request or step therapy protocol exception request be granted, *we* will provide coverage of the non-formulary drug for the duration of the prescription, including refills, or of the drug that is the subject of the protocol exception.

Expedited exception request

A *member*, a *member's* designee or a *member's* prescribing *physician* may request an expedited review based on exigent circumstances. Exigent circumstances exist when a *member* is suffering from a health condition that may seriously jeopardize the enrollee's life, health, or ability to regain maximum function or when an enrollee is undergoing a current course of treatment using a non-formulary drug. Within 24 hours of the request being received, *we* will provide the *member*, the *member's* designee or the *member's* prescribing *physician* with *our* coverage determination. Should the standard exception or step therapy protocol exception request be granted, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the exigency.

External exception request review

If *we* deny a request for a standard exception or for an expedited exception, the *member*, the *member's* designee or the *member's* prescribing *physician* may request that the original exception request and subsequent denial of such request be reviewed by an independent review organization. *We* will make *our* determination on the external exception request and notify the *member*, the *member's* designee or the *member's* prescribing *physician* of *our* coverage determination no later than three business days following receipt of the request, if the original request was a standard exception, and no later than one business day following its receipt of the request, if the original request was an expedited exception.

If *we* grant an external exception review of a standard exception or step therapy protocol exception request, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the prescription. If *we* grant an external exception review of an expedited exception request, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the exigency.

Protocol exception for step therapy.

Requests for exceptions to step therapy protocol will be granted if any of the following apply:

- (A) A *preceding prescription drug* is contraindicated or will likely cause an adverse reaction or physical or mental harm to the insured.
- (B) A *preceding prescription drug* is expected to be ineffective, based on both of the following:
- (i) The known clinical characteristics of the insured.
 - (ii) Known characteristics of the *preceding prescription drug*, as found in sound clinical evidence.
- (C) The insured has previously received:
- (i) a *preceding prescription drug*; or
 - (ii) another prescription drug that is in the same pharmacologic class or has the same mechanism of action as a *preceding prescription drug*;
and the prescription drug was discontinued due to lack of efficacy or effectiveness, diminished effect, or an adverse event.
- (D) Based on clinical appropriateness, a preceding prescription drug is not in the best interest of the *member* because the *member's* use of the *preceding prescription drug* is expected to:
- (i) cause a significant barrier to the insured's adherence to or compliance with the *member's* plan of care;
 - (ii) worsen a comorbid condition of the *member*; or
 - (iii) decrease the *member's* ability to achieve or maintain reasonable functional ability in performing daily activities.

If the protocol exception request is denied, *we* will provide to the *member* and the *member's* treating health care provider notice of the denial, including a detailed, written explanation of the reason for the denial and the clinical rationale that supports the denial.

We may request a copy of relevant documentation from the *member's* medical record in support of a protocol exception.

Covered service expenses are expanded to include the charges incurred by a *member* for the following preventive health services if appropriate for that *member* in accordance with the following recommendations and guidelines:

Examples of these services are screenings for breast cancer, cervical cancer, colorectal cancer, high blood pressure, type 2 diabetes mellitus, cholesterol, prostate specific antigen testing and screenings for child and adult obesity.

If a service is considered diagnostic or non-preventive care, your “plan” copayment, coinsurance and deductible will apply. It’s important to know what type of service you’re getting. If a diagnostic or non-preventive service is performed during the same healthcare visit as a preventive service, you may have copayment and coinsurance charges.

Mammography

Covered service expenses for routine screenings for breast cancer shall include screenings at the following intervals: one (1) Baseline breast cancer screening mammography for a *covered person* between the ages of thirty-five (35) and forty (40) years. Benefits for *covered expenses* for preventive care expense and chronic disease management benefits may include the use of reasonable medical management techniques authorized by federal law to promote the use of high value preventive services from *network providers*. Other maternity benefits include *complications of pregnancy*, parent education, assistance, and training in breast or bottle feeding and the performance of any necessary and appropriate clinical tests. Coverage will only be provided for maternity services or care of the newborn child when such services have been authorized by *your* participating health care provider.

Under federal law, health insurance issuers generally may not restrict benefits otherwise provided for any *hospital* length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a delivery by cesarean section. However, we may provide benefits for *covered service expenses* incurred for a shorter stay if the attending provider (e.g., *your physician*, nurse midwife or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

The level of benefits and out-of-pocket costs for any later part of the 48-hour (or 96-hour) stay will not be less favorable to the mother or newborn than any earlier part of the stay. We do not require that a *physician* or other health care provider obtain *authorization* for prescribing a length of stay of up to 48 hours (or 96 hours).

Note: This provision does not amend the *contract* to restrict any terms, limits, or conditions that may otherwise apply to *covered service expenses* for childbirth.

Clinical Trial Coverage

Clinical Trial Coverage includes routine patient care costs incurred as the result of an approved phase I, II, III or phase IV clinical trial and the clinical trial is undertaken for the purposes of prevention, early detection, or treatment of cancer or other life-threatening disease or condition. Coverage will include routine patient care costs incurred for (1) drugs and devices that have been approved for sale by the Food and Drug Administration (FDA), regardless of whether approved by the FDA for use in treating the patient's particular condition, (2) reasonable and *medically necessary* services needed to administer the drug or use the device under evaluation in the clinical trial and (3) all items and services that are otherwise generally available to a qualified individual that are provided in the clinical trial except:

- The investigational item or service itself;
- Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; and
- Items and services customarily provided by the research sponsors free of charge for any enrollee in the trial.

Phase I and II clinical trials must meet the following requirements:

- Phase I and II of a clinical trial is sanctioned by the National Institutes of Health (NIH) or National Cancer Institute (NCI) and conducted at academic or National Cancer Institute Center; and
- The insured is enrolled in the clinical trial. This section shall not apply to insured's who are only following the protocol of phase I or II of a clinical trial, but not actually enrolled.

Phase III and IV clinical trials must be approved or funded by one of the following entities:

- One of the National Institutes of Health (NIH);
- The Centers for Disease Control and Prevention;
- The Agency for Health Care Research and Quality;
- The Centers for Medicare & Medicaid Services;
- An NIH Cooperative Group or Center;
- The FDA in the form of an investigational new drug application;
- The federal Departments of Veterans' Affairs, Defense, or Energy;
- An institutional review board in this state that has an appropriate assurance approved by the Department of Health and Human Services assuring compliance with and implementation of regulations for the protection of human subjects; or
- A qualified non-governmental research entity that meets the criteria for NIH Center support grant eligibility.

In a clinical trial, the treating facility and personnel must have the expertise and training to provide the treatment and treat a sufficient volume of patients. There must be equal to or superior, noninvestigational treatment alternatives and the available clinical or preclinical data must provide a reasonable expectation that the treatment will be superior to the noninvestigational alternatives.

Providers participating in clinical trials shall obtain a patient's informed consent for participation in the clinical trial in a manner that is consistent with current legal and ethical standards.

Wellness and Other Program Benefits

Benefits may be available from time to time to *members* for participating in certain programs that we may make available in connection with this *contract*. Such programs may include wellness programs, disease or case management programs, and other programs. The benefits available to *members* for participating in such programs are described on the *Schedule of Benefits*. *You* may obtain information regarding the particular programs available at any given time by visiting *our* website at Ambetter.mhsindiana.com or by contacting Member Services by telephone at 1-877-687-1182. The programs and benefits available at any given time are made part of this *contract* by this reference and are subject to change from time to time by *us* through an update to program information available on *our* website or by contacting *us*.

PRIOR AUTHORIZATION

Prior Authorization Required

Some *covered service expenses* require *prior authorization*. In general, *network providers* must obtain *authorization* from *us* prior to providing a service or supply to a *member*. However, there are some *network eligible service expenses* for which *you* must obtain the *prior authorization*.

For services or supplies that require *prior authorization*, as shown on the *Schedule of Benefits*, *you* must obtain *authorization* from *us* before *you* or *your dependent member*:

1. Receive a service or supply from a *non-network provider*;
2. Are admitted into a *network facility* by a *non-network provider*; or
3. Receive a service or supply from a *network provider* to which *you* or *your dependent member* were referred by a *non-network provider*.

Prior Authorization requests must be received by telephone, efax or provider web portal as follows:

1. At least 5 days prior to an elective admission as an inpatient in a *hospital*, extended care or rehabilitation facility, or hospice facility.
2. At least 30 days prior to the initial evaluation for organ transplant services.
3. At least 30 days prior to receiving clinical trial services.
4. Within 24 hours of an admission for inpatient mental health or substance abuse treatment.
5. At least 5 days prior to the start of *home health care*.

After *prior authorization* has been requested and all required or applicable documentation has been submitted, *we* will notify *you* and *your provider* if the request has been approved as follows:

1. For immediate request situations, within 1 business day, when the lack of treatment may result in an *emergency room visit* or *emergency admission*.
2. For urgent concurrent review within 24 hours of receipt of the request.
3. For urgent pre-service, within 72 hours from date of receipt of request.
4. For non-urgent pre-service requests within 5 days but no longer than 15 days of receipt of the request.

How to Obtain Prior Authorization

To obtain *prior authorization* or to confirm that a *network provider* has obtained *prior authorization*, contact *us* by telephone at the telephone number listed on *your* health insurance identification card before the service or supply is provided to the *member*.

Failure to Obtain Prior Authorization

Failure to comply with the *prior authorization* requirements will result in benefits being denied. A *non-network provider* can balance bill *you* for these services. .

Network providers cannot bill *you* for services for which they fail to obtain *prior authorization* as required.

Benefits will not be reduced for failure to comply with *prior authorization* requirements prior to an *emergency*. However, *you* must contact *us* as soon as reasonably possible after the *emergency* occurs.

Prior Authorization Does Not Guarantee Benefits

Our authorization does not guarantee either payment of benefits or the amount of benefits. Eligibility for, and payment of, benefits are subject to all terms and conditions of the *contract*.

Requests for Predeterminations

You may request a predetermination of coverage. We will provide one if circumstances allow us to do so. However, we are not required to make a predetermination of either coverage or benefits for any particular treatment or medical expense. Any predetermination we may make will be reviewed after the medical expense is incurred and a claim is filed. A review that shows one or more of the following may cause us to reverse the predetermination:

1. The predetermination was based on incomplete or inaccurate information initially received by us.
2. Another party has already paid or is responsible for payment of the medical expense.

We will make all benefit determinations after a loss in good faith. All benefit determinations are subject to our receipt of proper proof of loss.

Services from Non- Network Providers

Except for emergency medical services, unless covered services are not available from network providers within a reasonable proximity such services will not be covered. If required medically necessary services are not available from network providers you or the network provider must request prior authorization from us before you may receive services from non-network providers. Otherwise you will be responsible for all charges incurred.

HOSPITAL BASED PROVIDERS

When receiving care at an Ambetter participating hospital it is possible that some hospital-based providers (for example, anesthesiologists, some emergency room physicians, radiologists, pathologists) may not be under contract with Ambetter as participating providers. These providers may bill you for the difference between Ambetter's allowed amount and the providers billed charge – this is known as "balance billing". We encourage you to inquire about the providers who will be treating you before you begin your treatment, so you can understand their participation status with Ambetter.

Although health care services may be or have been provided to you at a health care facility that is a member of the provider network used by Ambetter, other professional services may be or have been provided at or through the facility by physicians and other medical practitioners who are not members of that network. You may be responsible for payment of all or part of the fees for those professional services that are not paid or covered by Ambetter.

We will reinstate a *contract* when it is erroneously terminated or cancelled. The reinstatement will result in restoration of the enrollment with no break in coverage.

Benefits After Coverage Terminates

Benefits for *covered service expenses* incurred after a *member* ceases to be covered are provided for certain *illnesses* and *injuries*. However, no benefits are provided if this *contract* is terminated because of:

1. A request by *you*;
2. Fraud or material misrepresentation on *your* part; or

In addition to the above, if this *contract* is terminated because *we* refuse to renew all contracts issued on this form, to residents of the state where *you* live, termination of this *contract* will not prejudice a claim for a *continuous loss* that begins before coverage of the *member* ceases under this *contract*. In this event, benefits will be extended for that *illness* or *injury* causing the *continuous loss*, but not beyond the earlier of:

1. The date the *continuous loss* ends; or
2. 12 months after the date renewal is declined.

SUBROGATION AND RIGHT OF REIMBURSEMENT

As used herein, the term “*third party*” means any party that is, or may be, or is claimed to be responsible for *injuries* or *illness* to a *member*. Such *injuries* or *illness* are referred to as “*third party injuries*.” *Third party* includes any parties actually, possibly or potentially responsible for payment of expenses associated with the care or treatment of *third party injuries*.

If this plan provides benefits under this *contract* to a *member* for expenses incurred due to *third party injuries*, then Celtic retains the right to repayment of the full cost of all benefits provided by this plan on behalf of the *member* that are associated with the *third party injuries*. Celtic’s rights of recovery apply to any recoveries made by or on behalf of the *member* from any sources, including but not limited to:

- Payments made by a *third party* or any insurance company on behalf of the *third party*;
- Any payments or awards under an uninsured or underinsured motorist coverage policy;
- Any Workers’ Compensation or disability award or settlement;
- Medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; and
- Any other payments from a source intended to compensate a *member* for *third party injuries*.

By accepting benefits under this plan, the *member* specifically acknowledges Celtic’s right of subrogation. When this plan provides health care benefits for expenses incurred due to *third party injuries*, Celtic shall be subrogated to the *member’s* rights of recovery against any party to the extent of the full cost of all benefits provided by this plan. Celtic may proceed against any party with or without the *member’s* consent.

By accepting benefits under this plan, the *member* also specifically acknowledges Celtic’s right of reimbursement. This right of reimbursement attaches when this plan has provided health care benefits for expenses incurred due to *third party injuries* and the *member* or the *member’s* representative has recovered any amounts from any source. By providing any benefit under this plan, Celtic is granted an assignment of the proceeds of any settlement, judgment or other payment received by *you* to the extent of the full cost of all benefits provided by this plan. Celtic’s right of reimbursement is cumulative with and not exclusive of Celtic’s subrogation right and Celtic may choose to exercise either or both rights of recovery.

As a condition for *our* payment, the *member* or anyone acting on his or her behalf (including, but not limited to, the guardian, legal representatives, estate, or heirs) agrees:

1. To fully cooperate with *us* in order to obtain information about the *loss* and its cause.
2. To immediately inform *us* in writing of any claim made or lawsuit filed on behalf of a *member* in connection with the *loss*.
3. To include the amount of benefits paid by *us* on behalf of a *member* in any claim made against any *third party*.
4. To give Celtic a first-priority lien on any recovery, settlement or judgment or other sources of compensation which may be had from any party to the extent of the full cost of all benefits associated with *third party injuries* provided by this plan (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement).
5. To pay, as the first priority, from any recovery, settlement, judgment, or other source of compensation, any and all amounts due Celtic as reimbursement for the full cost of all benefits associated with *third party injuries* provided by this plan (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement).
6. That we:
 - a. Will have a lien on all money received by a *member* in connection with the *loss* equal to the benefit amount *we* have provided or paid.

- b. May give notice of that lien to any *third party* or *third party's* agent or representative.
 - c. Will have the right to intervene in any suit or legal action to protect *our* rights.
 - d. Are subrogated to all of the rights of the *member* against any *third party* to the extent of the benefits paid on the *member's* behalf.
 - e. May assert that subrogation right independently of the *member*.
- 7. To take no action that prejudices *our* reimbursement and subrogation rights including, but not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits provided by this plan.
 - 8. To sign, date, and deliver to *us* any documents *we* request that protect *our* reimbursement and subrogation rights.
 - 9. To not settle any claim or lawsuit against a *third party* without providing *us* with written notice of the intent to do so.
 - 10. To reimburse *us* from any money received from any *third party*, to the extent of benefits *we* paid for the *illness* or *injury*, whether obtained by settlement, judgment, or otherwise, and whether or not the *third party's* payment is expressly designated as a payment for medical expenses.
 - 11. That *we* may reduce other benefits under the *contract* by the amounts a *member* has agreed to reimburse *us*.

We will not pay attorney fees or costs associated with the *member's* claim or lawsuit. In the event *you* or *your* representative fail to cooperate with Celtic, *you* shall be responsible for all benefits paid by this plan in addition to costs and attorney's fees incurred by Celtic in obtaining repayment.

If a dispute arises as to the amount a *member* must reimburse *us*, the *member* (or the guardian, legal representatives, estate, or heirs of the *member*) agrees to place sufficient funds in an escrow or trust account to satisfy the maximum lien amount asserted by *us* until the dispute is resolved.

Celtic may recover full cost of all benefits paid by this plan without regard to any claim of fault on *your* part, whether by comparative negligence or otherwise. In the event *you* or *your* representative fail to cooperate with Celtic, *you* shall be responsible for all benefits paid by this plan in addition to costs and attorney's fees incurred by Celtic in obtaining repayment.

COORDINATION OF BENEFITS

Ambetter coordinates benefits with other payers when a *member* is covered by two or more group health benefit plans. Coordination of Benefits (COB) is the industry standard practice used to share the cost of care between two or more carriers when a *member* is covered by more than one health benefit plan.

It is a contractual provision of a majority of health benefit contracts. Ambetter complies with Federal and state regulations for COB and follows COB guidelines published by National Association of Insurance Commissioners (NAIC).

Under COB, the benefits of one plan are determined to be primary and are first applied to the cost of care. After considering what has been covered by the primary plan, the secondary plan may cover the cost of care up to the fully allowed expense according to the plan's payment guidelines. Ambetter Claims COB and Recovery Unit procedures are designed to avoid payment in excess of allowable expense while also making sure claims are processed both accurately and timely.

"Allowable expense" is the necessary, reasonable, and customary item of expense for health care, when the item is covered at least in part under any of the plans involved, except where a statute requires a different definition. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered as both an allowable expense and a benefit paid.

"Plan" is a form of coverage written on an expense-incurred basis with which coordination is allowed.

The term "Plan" includes:

1. Group health insurance benefits and group blanket or group remittance health benefits coverage, whether uninsured arrangements of group coverage, insured, self-insured, or self-funded. This includes group HMO insurance and other prepayment, group practice and individual practice plans, and blanket contracts, except as excluded below.
2. Plan includes medical benefits coverage, in group and individual automobile "no-fault" and traditional liability "fault" type contracts.
3. Plan includes *hospital*, medical, and surgical benefits coverage of Medicare or a governmental plan offered, required, or provided by law, except Medicaid.
4. Plan does not include blanket school accident coverage or coverages issued to a substantially similar group (e.g., Girl Scouts, Boy Scouts) where the school or organization pays the premiums.
5. Plan does not include Individual or Family: Insurance contracts, direct payment subscriber contracts, coverage through health maintenance organizations (HMO's) or coverage under other prepayment, group practice and individual practice plans.
6. Plan whose benefits are by law excess to any private benefits coverage.

"Primary plan" is one whose benefits must be determined without taking the existence of any other plan into consideration. A plan is primary if either:

1. The plan has no order of benefits rules or its rules differ from those required by regulation; or
2. All plans which cover the person use the order of benefits rules required by regulation and under those rules the plan determines its benefits first. More than one plan may be a primary plan (for

example, two plans which have no order of benefit determination rules).

“Secondary plan” is one which is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules decide the order in which their benefits are determined in relation to each other.

Order of Benefit Determination Rules

The first of the rules listed below in paragraphs 1-6 that applies will determine which plan will be primary:

1. The Primary plan pays or provides its benefits as if the Secondary plan or plans did not exist. A Plan may consider benefits paid or provided by another Plan in determining its benefits only when it is secondary to that other Plan.
2. If the other plan does not contain a coordination of benefits provision that is consistent with this provision is always primary. There are two exceptions:
 - a. Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder, and
 - b. Any noncontributory group or blanket insurance coverage which is in force on January 1, 1987 which provides excess major medical benefits intended to supplement any basic benefits on a covered person may continue to be excess to such basic benefits.

The first of the following rules that describes which Plan pays its benefits before another Plan is the rule to use.

3. If the person receiving benefits is the *member* and is only covered as *an eligible dependent* under the other plan, this *contract* will be primary.
4. Subject to State Statutes: Social Security Act of 1965, as amended makes Medicare secondary to the plan covering the person as a dependent of an active employee, the order of benefit determination is:
 - a. If a child is covered under the plans of both parents and the parents are not separated or divorced, the plan of the parent whose birthday falls earlier in the year (excluding year of birth) shall be primary.
 - b. If both parents have the same birthday, the plan which covered the parent longer will be primary. To determine whose birthday falls earlier in the year, only the month and day are considered. However, if the other plan does not have this birthday rule, but instead has a rule based on the sex of the parent and as a result the plans do not agree on which is primary, then the rule in the other plan will determine which plan is primary.
5. If a child is covered by both parents' plans, the parents are separated or divorced, and there is no court decree between the parents that establishes financial responsibility for the child's health care expenses:
 - a. The plan of the parent who has custody will be primary;
 - b. If the parent with custody has remarried, and the child is also covered as a child under the step-parent's plan, the plan of the parent with custody will pay first, the step-parent's plan will pay second, and the plan of the parent without custody will pay third;
 - c. If a court decree between the parents says which parent is responsible for the child's

health care expenses, then that parent's plan will be primary if that plan has actual knowledge of the decree.

6. If the person receiving services is covered under one plan as an active employee or *member* (i.e., not laid-off or retired), or as the spouse or child of such an active employee, and is also covered under another plan as a laid-off or retired employee or as the spouse or child of such a laid-off or retired employee, the plan that covers such person as an active employee or spouse or child of an active employee will be primary. If the other plan does not have this rule, and as a result the plans do not agree on which will be primary, this rule will be ignored.
7. If none of the above rules determine which plan is primary, the plan that covered the person receiving services longer will be primary.

Effects of Coordination

When this plan is secondary, its benefits will be reduced so that the total benefits paid by the primary plan and this plan during a claim determination period will not exceed Ambetter's maximum available benefit for each Covered Service. Also, the amount Ambetter pays will not be more than the amount Ambetter would pay if Ambetter were primary. As each claim is submitted, Ambetter will determine its obligation to pay for allowable expenses based upon all claims that have been submitted up to that point in time during the claim determination period.

Right to Receive and Release Needed Information

Certain fact about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and other Plans. *We* may get the facts *we* need from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and other Plans covering the person claiming benefits. *We* need not tell or get the consent of, any person to do this.

CLAIMS

Notice of Claim

We must receive notice of claim within 30 days of the date the *loss* began or as soon as reasonably possible.

Proof of Loss

We must receive written *proof of loss* within 90 days of the *loss* or as soon as is reasonably possible. *Proof of loss* furnished more than one year late will not be accepted, unless *you* or *your* covered *dependent member* had no legal capacity to submit such proof during that year.

Cooperation Provision

Each *member*, or other person acting on his or her behalf, must cooperate fully to assist *us* in determining *our* rights and obligations under the *contract* and, as often as may be reasonably necessary:

1. Sign, date and deliver to *us* authorizations to obtain any medical or other information, records or documents *we* deem relevant from any person or entity.
2. Obtain and furnish to *us*, or *our* representatives, any medical or other information, records or documents *we* deem relevant.
3. Answer, under oath or otherwise, any questions *we* deem relevant, which *we* or *our* representatives may ask.
4. Furnish any other information, aid or assistance that *we* may require, including without limitation, assistance in communicating with any person or entity (including requesting any person or entity to promptly provide to *us*, or *our* representative, any information, records or documents requested by *us*).

If any *member*, or other person acting on his or her behalf, fails to provide any of the items or information requested or to take any action requested, the claim(s) will be closed and no further action will be taken by *us* unless and until the item or information requested is received or the requested action is taken, subject to the terms and conditions of the *contract*.

In addition, failure on the part of any *member*, or other person acting on his or her behalf, to provide any of the items or information requested or to take any action requested may result in the denial of the claim at issue to the *member*.

Time for Payment of Claims

Benefits will be paid within 30 days for clean claims filed electronically, or 45 days for clean claims filed on paper. "Clean claims" means a claim submitted by *you* or a provider that has no defect, impropriety, or particular circumstance requiring special treatment preventing payment. If *we* have not received the information *we* need to process a claim, *we* will ask for the additional information necessary to complete the claim. *You* will receive a copy of that request for additional information. In those cases, *we* cannot complete the processing of the claim until the additional information requested has been received. *We* will make *our* request for additional information within 30 days of *our* initial receipt of the claim and will complete *our* processing of the claim within 15 days after *our* receipt of all requested information.

Payment of Claims

Except as set forth in this provision, all benefits are payable to *you*. Any accrued benefits unpaid at *your* death, or *your dependent member's* death may, at *our* option, be paid either to the beneficiary or to the estate. If any benefit is payable to *your* or *your dependent member's* estate, or to a beneficiary who is a minor or is otherwise not competent to give valid release, *we* may pay up to \$1,000 to any relative who, in *our* opinion, is entitled to it.

We may pay all or any part of the benefits provided by this *contract* for *hospital*, surgical, nursing, or medical services, directly to the *hospital* or other person rendering such services.

Any payment made by *us* in good faith under this provision shall fully discharge *our* obligation to the extent of the payment. We reserve the right to deduct any overpayment made under this *contract* from any future benefits under this *contract*.

Foreign Claims Incurred For Emergency Care

Claims incurred outside of the United States for *emergency* care and treatment of a *member* must be submitted in English or with an English translation. Foreign claims must also include the applicable medical records in English to show proper *proof of loss* and evidence of payment to the provider.

Assignment

We will reimburse a *hospital* or health care provider if:

1. Your health insurance benefits are assigned by *you* in writing; and
2. We approve the assignment.

Any assignment to a *hospital* or person providing the treatment, whether with or without *our* approval, shall not confer upon such *hospital* or person, any right or privilege granted to *you* under the *contract* except for the right to receive benefits, if any, that *we* have determined to be due and payable.

Medicaid Reimbursement

The amount provided or payable under this *contract* will not be changed or limited for reason of a *member* being eligible for coverage under the Medicaid program of the state in which he or she lives.

We will pay the benefits of this *contract* to the state if:

1. A *member* is eligible for coverage under his or her state's Medicaid program; and
2. We receive proper *proof of loss* and notice that payment has been made for *covered service expenses* under that program.

Our payment to the state will be limited to the amount payable under this *contract* for the *covered service expenses* for which reimbursement is due. Payment under this provision will be made in good faith. It will satisfy *our* responsibility to the extent of that payment.

Custodial Parent

This provision applies if the parents of a covered *eligible child* are divorced or legally separated and both the custodial parent and the non-custodial parent are subject to the same court or administrative order establishing custody. The custodial parent, who is not a *member*, will have the rights stated below if *we* receive a copy of the order establishing custody.

Upon request by the custodial parent, *we* will:

1. Provide the custodial parent with information regarding the terms, conditions, benefits, exclusions and limitations of the *contract*;
2. Accept claim forms and requests for claim payment from the custodial parent; and
3. Make claim payments directly to the custodial parent for claims submitted by the custodial parent. Payment of claims to the custodial parent, which are made under this provision, will fully discharge *our* obligations.

A custodial parent may, with *our* approval, assign claim payments to the *hospital* or *medical practitioner* providing treatment to an *eligible child*.

Physical Examination

We shall have the right and opportunity to examine a *member* while a claim is pending or while a dispute over the claim is pending. These examinations are made at *our* expense and as often as *we* may reasonably require.

Legal Actions

No suit may be brought by *you* on a claim sooner than 60 days after the required *proof of loss* is given. No suit may be brought more than three years after the date *proof of loss* is required.

A *grievance* may be filed in writing by mail at the address below or file the *grievance* in person at:

Grievances and Appeals Coordinator

The claimant may provide comments, documents, records, and other information relating to the claim for benefits. Claimants have the right to review the claim file and to present evidence and testimony as part of the internal review process. A *grievance* may be filed by calling *our* toll-free Member Services number at 1-877-687-1182. *Members* may request assistance in filing a *grievance* with *our* health plan.

Grievances will be promptly investigated and presented to the internal *grievance* committee. A plan that is providing benefits for an ongoing course of treatment cannot be reduced or terminated without providing advance notice and an opportunity for advance review. The plan is required to provide continued coverage pending the outcome of a *grievance*.

Process and Resolution Timeframes

1. *We* will offer an acknowledgement of the *grievance* within 3 (three) business days of initial receipt of the *grievance*, either orally or in written form, to the covered individual. When acknowledging a *grievance* filed by an authorized representative, the acknowledgement shall include a clear and prominent notice that health care information or medical records may be disclosed only if permitted by law.
 - (1) The acknowledgement shall state that unless otherwise permitted under applicable law, informed consent is required and the acknowledgement shall include an informed consent form for that purpose.
 - (2) If such disclosure is prohibited by law, health care information or medical records may be withheld from an authorized representative, including information contained in its resolution of the *grievance*.
 - (3) A *grievance* submitted by an authorized representative will be processed regardless of whether health care information or medical records may be disclosed to the authorized representative under applicable law.
2. *Grievances* regarding quality of care, quality of service, or *rescission* of coverage will be resolved within 20 business days of receipt of all necessary information. The time period may be extended for an additional 10 business days if *we* provide the claimant and the claimant's authorized representative, if applicable, written notification of the following within the first 20 business days:
 - a. That *we* have not resolved the *grievance*;
 - b. When *our* resolution of the *grievance* may be expected; and
 - c. The reason why the additional time is needed.
3. All other *grievances* will be resolved and *we* will notify the claimant in writing with the appeal decision within 5 (five) business days after completing an investigation.

A claimant shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits. All comments, documents, records and other information submitted by the claimant relating to the claim for benefits,

regardless of whether such information was submitted or considered in the initial *adverse benefit determination*, will be considered in the internal appeal.

1. The claimant will receive from the plan, as soon as possible, any new or additional evidence considered by the reviewer. The claimant will receive from the plan, as soon as possible, any new or additional medical rationale considered by the reviewer.

Expedited Grievance

An *expedited grievance* may be submitted orally or in writing. All necessary information, including *our* determination on review, will be transmitted between the claimant and *us* by telephone, facsimile, or other available similarly expeditious method.

An *expedited grievance* shall be resolved as expeditiously as the *claimant's* health condition requires but not more than 48 hours after receipt of the *grievance*.

Due to the 48-hour resolution timeframe, the standard requirements for notification and acknowledgement do not apply to *expedited grievances*.

Upon written request, *we* will mail or electronically mail a copy of the claimant's complete *contract* to the claimant or the claimant's authorized representative as expeditiously as the *grievance* is handled.

Written Grievance Response from Us

Grievance response letters shall describe, in detail, the *grievance* procedure and the notification shall include the specific reason for the denial of the benefit(s) or service(s), determination of the benefit(s) or service(s), decision on an issue, or initiation of disenrollment.

The health plan's written decision to the grievant must include:

1. A clear statement of the decision;
2. The disposition of and the specific reason or reasons, including policies and procedures that apply, for the decision;
3. Any corrective action taken on the *grievance*;
4. Notice of the individual's right to appeal the *grievance* decision; and
5. Correspondence information should the covered individual choose to appeal the decision.

INTERNAL APPEALS:

A *member* or Authorized Representative may appeal when he or she has a concern regarding a claim denial or other action by Ambetter from MHS under the *contract* and wishes to have it reviewed. There is an Internal Appeal, as well as additional voluntary Appeal level available. Certain matters requiring quicker consideration may qualify for a level of Expedited Appeal and are described separately later in this section.

An Internal Appeal is a form of *grievance*. The term *appeal* is defined as a request for a review of an action of an Adverse Determination. An Adverse Determination is a decision that was made, based on review of information that was provided, to deny, reduce, modify, or terminate an admission, continued *inpatient* stay, or the availability of any other healthcare services, for failure to meet the requirements for coverage based on medical necessity, appropriateness of healthcare setting and level of care, or effectiveness. An Internal Appeal is reviewed as either a Standard/Non-expedited Internal Appeal or as an Expedited Internal Appeal. If a decision on an Appeal is required immediately due to *your* health needs, an expedited Appeal may be requested. A *member*, or a *member's* authorized representative, may request an Expedited External Review at the same time as they are requesting an Expedited Internal Appeal. The following outlines the process for each.

Appeals can be initiated through either written or verbal request. A written request may be sent via facsimile to 855-685-6513 or e-mailed to: appeals@mhsindiana.com or mailed to Ambetter from MHS at:

Ambetter from MHS Grievance and Appeals Coordinator
550 North Meridian Street
Suite 101
Indianapolis, IN 46204

Verbal requests can be made by calling *us* at 1-877-687-1182. An Internal Appeal submitted by phone or in person will be received by a Member Services Representative who will write a summary of the Internal Appeal request. *You* may request a copy of this summary to be mailed to *you*. An acknowledgement letter, of the appeal, will be sent within five (5) business days of receipt of the Internal Appeal.

Internal Appeals, including Expedited Appeals, must be pursued within 180 days of receipt of the original determination. If *your* request for Appeal is not received within this time period, *you* will not be able to continue to pursue the Appeal process and may jeopardize *your* ability to pursue the matter in any forum. *We* will send *you* written acknowledgement letter within five (5) business day of receipt of *your* appeal. If *you* or *your* treating provider determines that *your* health could be jeopardized by waiting for a decision under the regular Appeal process, *you* or *your* provider may specifically request an Expedited Appeal. Please see Expedited Appeals later in this section for more information.

INTERNAL APPEAL CONTINUATION OF CARE

If *you* are still receiving the services that are under appeal, and the services are *covered services*, the services may continue until a decision is made on the Internal Appeal. Ambetter from MHS will pay for the cost of continued services regardless of the outcome minus any applicable *copays* or *deductible amounts*. This continuation of coverage or treatment applies only to those services which, at the time of the service initiation, were approved by Ambetter from MHS and were not terminated because benefit coverage for the service was exhausted.

INTERNAL APPEAL REVIEW

The content of the Internal Appeal request including all clinical care aspects involved will be fully reviewed and documented. *You* or *your* authorized representative will have the right to submit comments, documentation, records, and other information relevant to the Internal Appeal in person or in writing. *You* have the right to appear in person before the committee reviewing the appeal, or to provide appropriate communication and documentation to the committee. A provider or other appropriate clinical peer of a same-or-similar specialty, who was not involved in the initial decision, will evaluate medical necessity decision of a final determination. Ambetter from MHS will review, resolve and provide the *member* with written or electronic notification of the appeal decision as quickly as the *member's* health condition requires but no later than:

Pre-service appeals

- 30 calendar days (or per state timeframes if more stringent)

Post-service appeals

- 60 calendar days (or per state timeframes if more stringent)

from notification from the claimant of the appeal. *We* will notify *you* of the review decision within 5 business days of completion of the investigation.

Internal Appeal Committee

Upon receipt of an appeal, *your* appeal will be assigned to one or more individuals to review. The committee will include individuals that:

- Have knowledge of the medical condition, procedure, or treatment that is under issue;
- Are licensed in the same profession or clinical background as the provider that is requesting the proposed service(s) or benefit(s);

- Are not involved or have not been involved in the matter which created the appeal and were not involved in the initial appeal investigation of the matter; and,
- Do not have a direct business or personal relationship with the *member* or the provider who recommended the service(s) or benefit(s).

INTERNAL APPEAL DETERMINATION NOTIFICATION

- The Plan must resolve a **pre-service appeal** and provide the *member* with written or electronic notification of the decision within 30 calendar days of the pre-service appeal request (or per state regulation timeframes, if more stringent).
- **Post-service appeal** resolution and notification must be made in writing or electronically within 60 calendar days of receipt of the appeal request (or per state regulation timeframes, if more stringent).

The written notification of the resolution of the standard Internal Appeal will include:

- A clear statement outlining the decision reached by the health plan about *your* appeal.
- The specific medical and scientific reasons, including policies and procedures used, in coming to the decision.
- Criteria or clinical guidelines or standards of care used in making the determination.
- The right to receive a copy of the criteria or all information in the appeal file, free of charge.
- A list of titles and qualifications, including specialties, of individuals participating in the appeal review.
- The *member's* right to obtain an independent External Review through the IRO including the timeframe for filing.
- Contact information, including address and telephone number, to obtain additional information on the appeal or for filing an external review.

If the Internal Appeal request was not over-turned or resolved to *you* or *your* authorized representative's satisfaction, an External Review by an Independent Review Organization (IRO) may be requested. Information for pursuing an External Review is included in the Internal Appeal determination letter. If *you* do not receive a response to *your* Internal Appeal within the timeframes outlined, or those that are mutually agreed upon, *your* Appeal will be deemed to be decided in *your* favor.

EXPEDITED INTERNAL APPEAL

If a decision on an Appeal is required urgently (within 48 hours) due to *your* health needs which cannot wait with the standard resolution time, an Expedited Internal Appeal may be requested. An Expedited Internal Appeal may be requested if:

- *You* are currently receiving or are prescribed treatment for a medical condition; and *your* treating provider believes the application of regular Appeal timeframes on a pre-service or concurrent care claim could seriously jeopardize *your* life, overall health or ability to regain maximum function, or would subject *you* to severe and intolerable pain; or
- The Appeal is regarding an issue related to admission, availability of care, continued stay or health care services received on an *emergency* basis where *you* have not been discharged. Expedited appeals are available to *members* for any urgent care requests. Expedited appeal decisions and notification will be made as expeditiously as the *member's* medical condition requires, but no later than 72 hours after the appeal request (or per state timeframes if more stringent). Expedited appeals are not available for post-service requests.
- The timeframe for disposition of standard appeals may be extended for up to 14 calendar days and 48 hours for expedited appeals if the *member*, the *member's* authorized representative, or health care practitioner acting on behalf of the *member* requests the extension or voluntarily agrees to the extension. For any extension not requested by the *member*, Marketplace Health Plans will give the *member* written notice of the reason for the delay and obtain the *member's* consent for the

extension. If the *member* does not consent to the extension, the appeal will be decided with the information available before the timeframe expires. An appeal may be withdrawn by written request from the person who filed the appeal.

EXPEDITED INTERNAL APPEAL SUBMISSION and PROCESS

An Expedited Internal Appeal is requested, handled, and processed in the same manner as a Standard Internal Appeal. For an Expedited Internal Appeal in which *you* are currently an inpatient in a *hospital*, a provider may act as *your* authorized representative without a signed written consent from *you*.

If *you* are currently receiving covered services, *you* may continue to receive services at the expense of Ambetter from MHS through the completion of the Expedited Internal Appeal process if the Expedited Internal Appeal is filed timely and the service was previously *authorized* by Ambetter from MHS.

External Review

If *you*, or *your* authorized representative, are not satisfied with the final outcome of the Internal Appeal, an External Review by an Independent Review Organization may be requested. *You*, or *your* authorized representative, can request an External Review when the Appeal is of *adverse benefit determinations* based on medical necessity, appropriateness, health care setting, level of care, or that the requested service or supply is not efficacious or otherwise unjustified under evidence-based medical criteria. Filing an External Review will **not** affect *your* healthcare services. *We* want to know *your* concerns so *we* can improve *our* services.

An external review decision is binding on *us*. *We* will pay for the costs of the external review performed by the independent reviewer.

Applicability/Eligibility

The External Review Appeals procedures apply to:

1. Any *hospital* or medical policy or certificate; excluding accident only or disability income only insurance.
2. The request for an IRO must be submitted within one hundred twenty (120) calendar days from the date of the notice of action regarding their expedited or standard appeal (or per state timeframes if more stringent). The request must be submitted within ten (10) calendar days of the date of the notice of resolution, if the *member* wishes to have continuation of benefits during the external independent review. The Plan will assist the *member* or their representative with filing the appeal, as requested.
3. Claimants may request an expedited external review from an Independent Review Organization (IRO) should the issue at question be related to disease, illness, injury, health condition, or a disability that the decision would seriously jeopardize the individual's health, life, or ability to reach or maintain maximum function.

External review is available for *appeals* that involve:

1. Medical judgment, including but not limited to those based upon requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness of a covered benefit; or the determination that a treatment is experimental or investigational, as determined by an external reviewer; or
2. *Rescissions* of coverage.

External Review Process

We have fifteen (15) business days following receipt of the request to provide a final and binding decision made by the IRO to the individual. The decision from the IRO will be based upon information from the

insurer, the insured individual or authorized representative, the treating health care provider, and any other information the IRO deems appropriate and relevant to the issue.

The IRO will also provide notification to the individual and the health plan within 72 hours of completion of their review. The IRO will include:

- A clear statement of the binding decision;
- Standards used in the decision, including objective clinical evidence; and,
- Any applicable terms or eligibility of the individual's insurance policy.

Expedited External Review Process

An expedited external review may be requested by the *member* should the issue be thought to seriously jeopardize the individual's health or life, or ability to maintain or achieve maximum function. An expedited review will follow the same process as outline above. For an expedited external review, both the determination and notification to the *member* and *covered person* must be provided within 72 hours of the claim being filed.

Member Rights & Responsibilities When Requesting an External Review

You have the right to request an external review provided by an Independent Review Organization (IRO). *We* will cover all costs associated with an external review. *You* shall not face any type of retaliation from *us* for filing an external review. *You* may continue to utilize any other covered benefits associated with *your* health insurance *contract*. *You* may also submit any new or additional information as a part of the external review process for further consideration of *your* appeal. *You* are expected to cooperate with any requests from the IRO, such as providing any requested medical information or signing releases for additional medical records. *We* will also fully cooperate with the IRO for any such requests of information related to the appeal, or *your* care provided by *us*.

You may also request *your* case information from the IRO to better understand the effect of the determination and what response *you* should expect from *us*.

Rescissions

No misrepresentation of fact made regarding a *member* during the application process that relates to insurability will be used to void/rescind the coverage or deny a claim unless:

1. The misrepresented fact is contained in a written application, including amendments, signed by a *member*;
2. A copy of the application has been furnished to the *member(s)*, or to their beneficiary; and
3. The misrepresentation of fact was intentionally made and material to *our* determination to issue coverage to any *member*. A *member's* coverage will be voided/rescinded and claims denied if that person performs an act or practice that constitutes fraud. "Rescind" has a retroactive effect and means the coverage was never in effect.

Repayment for Fraud, Misrepresentation or False Information
