AGREEMENT AND CONSIDERATION

In consideration of the application and the timely payment of premiums, *we* will provide benefits to *you*, the *member*, for covered *services* as outlined in this *contract*. Benefits are subject to *contract* definitions, provisions, limitations and exclusions.

GUARANTEED RENEWABLE

Annually, we must file this product, the cost share and the rates associated with it for approval. Guaranteed renewable means that your plan will be renewed into the subsequent year's approved product on the anniversary date unless terminated earlier in accordance with contract terms. You may keep this contract (or the new contract you are mapped to for the following year) in force by timely payment of the required premiums. In most cases you will be moved to a new contract each year, however, we may decide not to renew the contract as of the renewal date if: (1) we decide not to renew all contracts issued on this form, with a new contract at the same metal level with a similar type and level of benefits, to residents of the state where you then live; (2) we withdraw from the Service Area or reach demonstrated capacity in a Service Area in whole or in part; or (3) there is fraud or an intentional material misrepresentation made by or with the knowledge of a member in filing a claim for covered services.

In addition to the above, this guarantee for continuity of coverage shall not prevent *us* from cancelling or non-renewing this *contract* in the following events: (1) non-payment of premium; (2) a *member* moves outside the Service Area; (3) a *member* fails to pay any deductible or copayment amount owed to *us* and not the provider of services; (4) a *member* is found to be in material breach of this *contract*; or (5) a change in federal or state law, no longer permits the continued offering of such coverage, such as CMS guidance related to individuals who are Medicare eligible

Rate changes are effective on a *member's* annual renewal date and will be based on each *member's* attained age, family structure, geographic region, tobacco usage and benefit plan at the time of renewal. *We* have the right to change premiums. *We* will notify the *member* in writing at least 45 days prior to the renewal date of any change in premium rates. If *we* discontinue offering and decide not to renew all policies issued on this form, with the same type and level of benefits, for all residents of the state where *you* reside, *we* will provide a written notice to you at least 90 days prior to the date that *we* discontinue coverage.

At least 45 days advanced written notice of any plan to take an action or make a change permitted by this clause will be delivered to *you* at *your* last address as shown in *our* records. *We* will make no change in *your* premium solely because of claims made under this *contract* or a change in a *member's* health. While this *contract* is in force, *we* will not restrict coverage already in force.

TEN DAY RIGHT TO RETURN CONTRACT

Please read *your contract* carefully. If *you* are not satisfied, return this *contract to us* or to *our* agent within 10 days after *you* receive it. All premiums paid will be refunded, less any benefits paid, and the *contract* will be considered null and void from the effective date.

This contract contains a deductible provision

This *contract* contains *prior authorization* requirements. *You* may be required to obtain a referral from a *primary care provider* in order to receive care from a specialist provider. Benefits may be reduced or not covered if the requirements are not met. Please refer to the *Schedule of Benefits* and the Prior Authorization Section.

For *non-network providers*: When a covered service is received from a *non-network provider*, the eligible service expense is the minimum amount required by applicable federal or state law to be paid to the *non-network provider* for the service. If and only if there is no minimum amount required by applicable federal or state law, then the eligible service expense for a *non-network provider* shall be as determined below.

- a. When a *covered service* is received from a *non-network provider* as a result of an *emergency* and there is not a *network provider* reasonably accessible to render the *covered service*, the *eligible service expense* is the lesser of (1) the negotiated fee, if any, that has been mutually agreed upon by *us* and the *non-network provider* as payment in full (*you* will not be billed for the difference between the negotiated fee and the provider's charge), or (2) the amount reasonably accepted by the provider (not to exceed the provider's charge). *You* will not be billed for the difference between the amount paid and the *non-network provider's* charge, but will remain responsible for payment of applicable *copayments*, *coinsurance*, and *deductible*.

- b. When a *covered service* is received from a *non-network provider* as a result of an *emergency* and there is a *network provider* reasonably accessible to render the *covered service*, the *eligible service expense* is the least of (1) the negotiated fee, if any, that has been mutually agreed upon by *us* and the *non-network provider* as payment in full, (2) the amount reasonably accepted by the *non-network provider* (not to exceed the *non-network provider's* charge), or (3) the usual and customary charge for similar services in the community where the *covered services* were provided. *You* will not be billed for the difference between the amount paid and the *non-network provider's* charge, but will remain responsible for payment of applicable *copayments*, *coinsurance*, and *deductible*.

- c. When a *covered service* is received from a *non-network provider* as approved or authorized by *us* that is not the result of an *emergency*, the *eligible service expense* is the negotiated fee, if any, that has been mutually agreed upon by *us* and the *non-network provider* as payment in full (*you* will not be billed for the difference between the negotiated fee and the provider's charge). If there is no negotiated fee agreed to by the *non-network provider* with *us*, the *eligible service expense* is the greater of (1) the amount that would be paid by Medicare, or (2) the contracted amount paid to *network providers* for the covered service. If there is more than one contracted amount with *network providers* for the covered service, the amount is the median of these amounts. *You* may be billed for the

difference between the amount paid and the *non-network provider's* charge, and will also be responsible for payment of applicable *copayments, coinsurance, and deductible*.

d. When a *covered service* that is not the result of an *emergency* is received from a *non-network provider* at a facility that is a *network provider* and you do not have the ability and opportunity to choose an available *network provider* at such facility, the *eligible service expense* is the least of (1) the negotiated fee, if any, that has been mutually agreed upon by *us* and the *non-network provider* as payment in full, (2) the amount reasonably accepted by the *non-network provider* (not to exceed the *non-network provider's* charge), or (3) the usual and customary charge for similar services in the community where the *covered services* were provided (not to exceed the *non-network provider's* charge). You will not be billed for the difference between the amount paid and the *non-network provider's* charge but will remain responsible for payment of applicable *copayments, coinsurance, and deductible*.

e. When a *covered service* is received from a *non-network provider* that is not the result of an *emergency* and is not approved or authorized by *us*, and is not within the scope of services provided by any *network provider*, the *eligible service expense* is the negotiated fee, if any, that has been mutually agreed upon by *us* and the *non-network provider* as payment in full (you will not be billed for the difference between the negotiated fee and the *non-network provider's* charge). If there is no negotiated fee agreed to by the *non-network provider* with *us*, the *eligible service expense* will be an amount that is no less than ten percentage points lower than the percentage rate paid to network providers. This reimbursement rate will be applied to the usual and customary charge in the area. You may be billed for the difference between the amount paid and the *non-network provider's* charge and will also be responsible for payment of applicable *copayments, coinsurance, and deductible*.

In all cases covered by 2(a) and (b) above, your responsibility for payment of applicable copayments, coinsurance, and deductible is the same as your responsibility would have been had the covered emergency service been provided by a network provider.

Emergency means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) which requires immediate (no later than 24 hours after onset) medical or surgical care and such that an average person who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in:

1. Placing the health of the *member* (or, with respect to a pregnancy, the health of the *member* or the unborn child) in serious jeopardy;
2. Serious impairment to bodily functions; or
3. Serious dysfunction of any bodily organ or part.

With Respect to a pregnancy:

1. that there is inadequate time to effect a safe transfer to another hospital prior to delivery;
2. that the transfer may pose a threat to the health and safety of the patient or fetus; or
3. that there is evidence of the onset and persistence of uterine contractions or rupture of the membranes.

Follow-up care is not considered *emergency Care*. Benefits are provided for treatment of *emergency* medical conditions and *emergency* screening and stabilization services without *prior authorization*. Benefits for *emergency care* include facility costs and *physician* services, and supplies and prescription drugs charged by that facility. *You* must notify *us* or verify that *your physician* has notified *us* of *your* admission to a *hospital* within 48 hours or as soon as possible within a reasonable period of time. When *we* are contacted, *you* will be notified whether the *inpatient* setting is appropriate, and if appropriate, the number of days considered *medically necessary*. By contacting *us*, *you* may avoid financial responsibility for any *inpatient* care that is determined to be not *medically necessary* under *your* plan. If *your* provider does not contract with *us* *you* will be financially responsible for any care *we* determine is not *medically necessary*. Care and treatment provided once *you* are medically stabilized is no longer considered *emergency care*. Continuation of care from a non-participating provider beyond that needed to evaluate or stabilize *your* condition in an *emergency* will be covered as a non-network service unless *we authorize* the continuation of care and it is *medically necessary*.

Generally accepted standards of medical practice are standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, relying primarily on controlled clinical trials.

If no credible scientific evidence is available, then standards based on physician specialty society recommendations or professional standards of care may be considered. *We* reserve the right to consult medical professionals in determining whether a health care service, supply, or drug is *medically necessary* and is a *covered service* under the *contract*. The decision to apply physician specialty society recommendations, the choice of medical professional, and the determination of when to use any such opinion, will be determined by *us*.

Telehealth services means the mode of delivering health care services and public health via information and communication technologies to facilitate the diagnosis, consultation, treatment, education, care management, and self-management of a patient's health care while the patient is at the originating site and the provider for telehealth is at a distant site. Telehealth services includes synchronous interactions and asynchronous store and forward transfers.

Terminal illness counseling means counseling of the *immediate family* of a *terminally ill* person for the purpose of teaching the *immediate family* to care for and adjust to the *illness* and impending death of the *terminally ill* person.

Terminally ill means a *provider* has given a prognosis that a *member* has six months or less to live.

Third party means a person or other entity that is or may be obligated or liable to the *member* for payment of any of the *member's* expenses for *illness* or *injury*. The term "*third party*" includes, but is not limited to, an individual person; a for-profit or non-profit business entity or organization; a government agency or program; and an insurance company. However, the term "*third party*" will not include any insurance company with a policy under which the *member* is entitled to benefits as a named insured person or an insured *dependent member* of a named insured person except in those jurisdictions where statutes or common law does not specifically prohibit *our* right to recover from these sources.

Tobacco use or **use of tobacco** means use of tobacco by individuals who may legally use tobacco under federal and state law on average four or more times per week and within no longer than the six months immediately preceding the date application for this *contract* was completed by the *member*, including all tobacco products but excluding religious and ceremonial uses of tobacco.

Unproven service(s) means services, including medications, which are determined not to be effective for treatment of the medical condition, or not to have a beneficial effect on health outcomes, due to insufficient and inadequate clinical evidence from *well-conducted randomized controlled trials* or *well-conducted cohort studies* in the prevailing published peer-reviewed medical literature.

1. "*Well-conducted randomized controlled trials*" means that two or more treatments are compared to each other, and the patient is not allowed to choose which treatment is received.

2. *"Well-conducted cohort studies"* means patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.

1. To prevent serious deterioration of a *member's* health;
2. As a result of an unforeseen *illness, injury*, or the onset of acute or severe symptoms.

Usual and customary charge means the fair market value of the service provided (i.e. what a willing buyer will pay and a willing seller will accept in an arm's-length transaction). In determining the fair market value of the service provided, we consider, among other things, the amounts reasonably accepted by providers, when available, for the service or similar services in the geographical area in which the service was received.

Utilization review means a process used to monitor the use of, or evaluate the clinical necessity, appropriateness, efficacy, or efficiency of, health care services, procedures, or settings. Areas of review may include ambulatory review, prospective review, second opinion, certification, concurrent review, *care management*, discharge planning, or retrospective review.

DEPENDENT MEMBER COVERAGE

Dependent Member Eligibility

Your *dependent members* become eligible for coverage under this *contract* on the latter of:

1. The date *you* became covered under this *contract*; or
2. The date of marriage to add a spouse; or
3. The date of a newborn's birth; or
4. The date that an adopted child is placed with you or your spouse for the purposes of adoption or you or your spouse assumes total or partial financial support of the child.

Effective Date for Initial Dependent Members

The *effective date* for your initial *dependent members*, will be the same date as your initial coverage date. Only *dependents* included in the application for this *contract* will be covered on your *effective date*.

Coverage for a Newborn Child

An eligible child born to you or your covered family member(s) will be covered from the time of birth until the 31st day after its birth.

Additional premium will be required to continue coverage beyond the 31st day after the date of birth of the child and we have received notification of the addition of the child from the Health Insurance Marketplace. The required premium will be calculated from the date of birth. Coverage of the child will terminate on the 31st day following the date of birth unless we have received both: (A) Notification of the addition of the child from the entity through which you enrolled (either the Marketplace or us) within 60 days of the birth (B) any additional premium required for the addition of the child within 90 days of the date of birth.

Coverage for an Adopted Child

Coverage for children under this *contract* will be provided for the adopted child of a *member* who has family coverage in force. Coverage is provided from the moment of placement to a child the *member* proposes to adopt who is placed in the *member's* residence in compliance with Chapter 63, Florida Statutes. A newborn infant who is adopted by the *member* is covered from the moment of birth if a written agreement to adopt such child has been entered into prior to the birth of the child, whether or not such agreement is enforceable. However, coverage will not be provided in the event the child is not ultimately placed in the *member's* residence in compliance with chapter 63, Florida Statutes.

The *member's* adopted child is covered from the moment of placement in the residence, or if a newborn, from the moment of birth, if the child is enrolled timely as specified in the Special and Limited Enrollment Period provision.

Additional premium will be required to continue coverage beyond the 31st day following *placement* of the child and we have received notification from the Marketplace. The required premium will be calculated from the date of *placement* for adoption. Coverage of the child will terminate on the 31st day following *placement*, unless we have received both: (A) Notification of the addition of the child from the Marketplace within 60 days of the birth or placement and (B) any additional premium required for the addition of the child within 90 days of the date of *placement*

As used in this provision, "*placement*" means the earlier of:

1. The date that *you* or *your spouse* assume physical custody of the child for the purpose of adoption; or

2. The date of entry of an order granting *you* or *your spouse* custody of the child for the purpose of adoption.

Adding Other Dependent Members

If *you* are enrolled in an off-exchange policy and apply in writing to add a *dependent member* and *you* pay the required premiums, *we* will send *you* written confirmation of the added *dependent member's effective date* of coverage and ID Cards for the added *dependent member*.

ONGOING ELIGIBILITY

For All Members

A *member's* eligibility for coverage under this *contract* will cease on the earlier of:

1. The date that a *member* has failed to pay premiums or contributions in accordance with the terms of this *contract* or the date that we have not received timely premium payments in accordance with the terms of this *contract*; or
2. The date the member has performed an act or practice that constitutes fraud or made an intentional misrepresentation of a material fact ; or
3. The date of termination that the Marketplace provides *us* upon *your* request of cancellation to the Marketplace, or if *you* enrolled directly with *us*, the date *we* receive a request from *you* to terminate this *contract*, or any later date stated in *your* request. ; or
4. The date *we* decline to renew this *contract*, as stated in the Discontinuance provision; or
5. The date of a *member's* death; or
6. The date a *member's* eligibility for coverage under this *contract* ceases due to losing network access as the result of a permanent move.

If *you* have material modifications (examples include a change in life event such as marriage, death or other change in family status), or questions related to *your* health insurance coverage, contact the Health Insurance Marketplace (Exchange) at www.healthcare.gov or 1-800-318-2596. If you enrolled through Ambetter contact Member Services at 1-877-687-1169 (Relay FL 1-800-955-8770).

For Dependent Members

A *dependent member* will cease to be a *member* at the end of the premium period in which he or she ceases to be *your dependent member* due to divorce or if a child ceases to be an *eligible child*. For a dependent child reaching the limiting age of 30, coverage under this *contract* will terminate the thirty-first of December the year that the dependent turns 30 years of age.

All enrolled *dependent members* will continue to be covered until the age limit listed in the definition of *eligible child* above.

We must receive notification within 90 days of the date a *dependent member* ceases to be an eligible *dependent member*. If notice is received by *us* more than 90 days from this date, any unearned premium will be credited only from the first day of the *contract*/calendar month in which *we* receive the notice.

A *member* will not cease to be a *dependent eligible child* solely because of age if the *eligible child* is:

1. Not capable of self-sustaining employment due to mental handicap or physical handicap that began before the age limit was reached; and
2. Mainly dependent on *you* for support.

If health benefits are denied for the stated reason that the child has reached the limiting age for dependent coverage specified in this *contract*, the *member* has the burden of establishing that the child continues to meet the criteria specified above. Failure to provide the required proof may result in the dependent's termination of coverage.

The coverage of the handicapped child may be continued, but not beyond the termination date of such incapacity or such dependence. This provision shall in no event limit the application of any other *contract* provisions terminating such child's coverage for any other reason than the attainment of the limiting age.

Prior Coverage

If a member is confined as an inpatient in a hospital on the effective date of this agreement, and prior coverage terminating immediately before the effective date of this agreement furnishes benefits for the hospitalization after the termination of prior coverage, then services and benefits will not be covered under this agreement for that member until the member is discharged from the hospital or benefits under the prior coverage are exhausted, whichever is earlier.

Out of Service Area Dependent Member Coverage

A *dependent member's* coverage will not cease should the *dependent member* live outside the service area if a court order requires the *member* to cover such *dependent member*.

Open Enrollment

There will be an open enrollment period for coverage on the Health Insurance Marketplace. The open enrollment period begins November 1, 2018 and extends through December 15, 2018. *Qualified individuals* who enroll on or before December 15, 2018 will have an *effective date* of coverage on January 1, 2019.

The Health Insurance Marketplace may provide a coverage *effective date* for a *qualified individual* earlier than specified in the paragraphs above, provided that either:

1. The *qualified individual* has not been determined eligible for *advance premium tax credits* or *cost-sharing reductions*; or
2. The *qualified individual* pays the entire premium for the first partial month of coverage as well as all cost sharing, thereby waiving the benefit of *advanced premium tax credit* and *cost-sharing reduction* payments until the first of the next month. We will send written annual open enrollment notification to each *member* no earlier than the first of September, and no later than the thirtieth of September.

Special and Limited Enrollment

A *qualified individual* has 60 days to report a qualifying event to the Health Insurance Marketplace and could be granted a 60 day Special Enrollment Period as a result of one of the following events:

1. A *qualified individual* or *dependent* loses *minimum essential coverage*; or
2. A *qualified individual* gains a dependent or becomes a *dependent* through marriage, birth, adoption or placement for adoption of a member or their spouse; or
3. An individual, who was not previously a citizen, national, or lawfully present individual gains such status; or
4. A *qualified individual's* enrollment or non-enrollment in a *qualified health plan* is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, or inaction of an officer, employee, or agent of the Health Insurance Marketplace or HHS, or its instrumentalities as evaluated and determined by the Health Insurance Marketplace. In such cases, the Health Insurance Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation, or inaction; or
5. An enrollee adequately demonstrates to the Health Insurance Marketplace that the *qualified health plan* in which he or she is enrolled substantially violated a material provision of its contract in relation to the enrollee; or
6. An individual is determined newly eligible or newly ineligible for *advance payments of the premium tax credit* or has a change in eligibility for *cost-sharing reductions*, regardless of whether such individual is already enrolled in a *qualified health plan*; or
7. A *qualified individual* or enrollee gains access to new *qualified health plans* as a result of a permanent move; or

8. Qualifying events as defined under section 603 of the Employee Retirement Income Security Act of 1974, as amended; or
9. An Indian, as defined by section 4 of the Indian Health Care Improvement Act, may enroll in a *qualified health plan* or change from one *qualified health plan* to another one time per month; or
10. A *qualified individual* or enrollee demonstrates to the Health Insurance Marketplace, in accordance with guidelines issued by HHS, that the individual meets other exceptional circumstances as the Health Insurance Marketplace may provide.

The Health Insurance Marketplace may provide a coverage *effective date* for a *qualified individual* earlier than specified in the paragraphs above, provided that either:

1. The *qualified individual* has not been determined eligible for *advanced payments of the premium tax credit* or *cost-sharing reductions*; or
2. The *qualified individual* pays the entire premium for the first partial month of coverage as well as all *cost sharing*, thereby waiving the benefit of *advanced payments of the premium tax credit* and *cost-sharing reduction* payments until the first of the next month.

PREMIUMS

Premium Payment

Each premium is to be paid on or before its due date. The initial premium must be paid prior to the coverage *effective date*, although an extension may be provided during the annual Open Enrollment period.

Grace Period

When a member is receiving a premium subsidy:

After the first premium is paid, a grace period of three (3) months from the premium due date is given for the payment of premium. Coverage will remain in force during the grace period. If full payment of premium is not received within the grace period, coverage will be terminated as of the last day of the first month during the grace period, if advance premium tax credits are received.

We will continue to pay all appropriate claims for *covered services* rendered to the *member* during the first month of the grace period, and may pend claims for *covered services* rendered to the *member* in the second and third month of the grace period. We will notify HHS of the non-payment of premiums, the *member*, as well as providers of the possibility of denied claims when the *member* is in the second and third month of the grace period. We will continue to collect advance premium tax credits on behalf of the *member* from the Department of the Treasury, and will return the advance premium tax credits on behalf of the *member* for the second and third month of the grace period if the *member* exhausts their grace period as described above. A member is not eligible to re-enroll once terminated, unless a member has a special enrollment circumstance, such as a marriage or birth in the family or during annual open enrollment periods.

When a member is not receiving a premium subsidy:

Premium payments are due in advance, on a calendar month basis. Monthly payments are due on or before the first day of each month for coverage effective during such month. There is a one (1) month grace period. This provision means that if any required premium is not paid on or before the date it is due, it may be paid during the grace period. During the grace period, the *Contract* will stay in force. We will notify HHS, as necessary, of the non-payment of premiums, the *member*, as well as providers of the possibility of denied claims when the *member* is in the grace period.

Third Party Premiums

Ambetter requires each policy holder to pay his or her premiums and this is communicated on *your* monthly billing statements. Ambetter payment policies were developed based on guidance from the Centers for Medicare and Medicaid Services (CMS) recommendations against accepting third party premiums. Consistent with CMS guidance, the following are the ONLY acceptable third parties who may pay Ambetter premiums on *your* behalf:

1. Ryan White HIV/AIDS Program under title XXVI of the Public Health Service Act;
2. Indian tribes, tribal organizations or urban Indian organizations;
3. State and Federal Government programs; or
4. Family members.
5. Private, not-for-profit foundations which have no incentive for financial gain, no financial relationship, or affiliation with providers of covered services and supplies on behalf of members, where eligibility is determined based on defined criteria without regard to health status and where payments are made in advance for a coverage period from the effective date of eligibility through the remainder of the calendar year.

Upon discovery that premiums were paid by a person or entity other than those listed above, we will reject the payment and inform the member that the payment was not accepted and that the subscription charges remain due.

Misstatement of Age

If a *member's* age has been misstated, the *member's* premium may be adjusted to what it should have been based on the *member's* actual age.

Change or Misstatement of Residence

If you change *your residence*, you must notify the Health Insurance Marketplace of *your* new *residence* within 60 days of the change. As a result your premium may change and you may be eligible for a Special Enrollment Period. See the section on Special Enrollment Periods for more information.

Misstatement of Tobacco Use

The answer to the tobacco question on the application is material to *our* correct underwriting. If a *member's use of tobacco* has been misstated on the *member's* application for coverage under this *contract*, we have the right to rerate the *contract* back to the original *effective date*.

COST SHARING FEATURES

Cost Sharing Features

We will pay benefits for *covered services* as described in the *Schedule of Benefits* and the Major Medical Expense Benefits section of this *contract*. Benefits we pay will be subject to all conditions, limitations, and *cost sharing* features of this *contract*. *Cost sharing* means that *you* participate or share in the cost of *your* healthcare services by paying *deductible amounts*, *copayments* and *coinsurance* for some *covered services*. For example, *you* may need to pay a *copayment* or *coinsurance* amount when *you* visit *your* provider or are admitted into the *hospital*. The *copayment* or *coinsurance* required for each type of service as well as *your deductible* is listed in *your Schedule of Benefits*.

Copayments

Members may be required to pay *copayments* at the time of services as shown in the *Schedule of Benefits*. Payment of a *copayment* does not exclude the possibility of an additional billing if the service is determined to be a *non-covered service*. *Copayments* do not apply toward the *deductible amount*, but do apply toward meeting the *maximum out-of-pocket amount*.

Deductible

The *deductible amount* means the amount of *covered service expenses* that must be paid by each/all *members* before any benefits are provided or payable. The *deductible amount* does not include any *copayment amount* or *coinsurance* amount. Not all *covered service expenses* are subject to the *deductible amount*. See your *Schedule of Benefits* for more details. *Deductible amounts* are applied for a calendar year and do not roll over to the next calendar year.

Refer to your *Schedule of Benefits* for Coinsurance Percentage and other limitations.

The amount provided or payable will be subject to:

1. Any specific benefit limits stated in the *contract*; and
2. A determination of *eligible service expenses*.

The applicable *deductible amount(s)*, *cost sharing percentage*, and *copayment amounts* are shown on the *Schedule of Benefits*.

Note: The bill *you* receive for services or supplies from a *non-network provider* may be significantly higher than the *eligible service expenses* for those services or supplies. In addition to the *deductible amount*, *copayment amount*, and *cost sharing percentage*, *you* are responsible for the difference between the *eligible service expense* and the amount the *non-network provider* bills *you* for the services or supplies. Any amount *you* are obligated to pay to the *non-network provider* in excess of the *eligible service expense* will not apply to *your deductible amount* or *maximum out-of-pocket*.

ACCESS TO CARE

Primary Care Provider

In order to obtain benefits, *you* must designate a *network primary care provider* for each *member*. *You* may select any *network primary care provider* who is accepting new patients. However, *you* may not change *your* selection more frequently than once each month. If *you* do not select a *network primary care provider* for each *member*, one will be assigned. *You* may obtain a list of *network primary care providers* at our website or by contacting our Member Services department.

Your network primary care provider will be responsible for coordinating all covered health services with other *network providers*. *You* do not need a referral from *your network primary care provider* for mental or behavioral health services, obstetrical or gynecological treatment and may seek care directly from a *network* obstetrician or gynecologist.

You may change *your network primary care provider* by submitting a written request, online at our website, or by contacting our office at the number shown on *your* identification card. The change to *your network primary care provider* of record will be effective no later than 30 days from the date we receive *your* request.

Network Availability

Your network is subject to change upon advance written notice. A *network service area* may not be available in all areas. If *you* move to an area where we are not offering access to a *network*, the *network* provisions of the *contract* will no longer apply. In that event, benefits will be calculated based on the *eligible service expense*, subject to the *deductible amount* for *network providers*. *You* will be notified of any increase in premium.

Coverage Under Other Policy Provisions

Charges for services and supplies that qualify as *covered service expenses* under one benefit provision will not qualify as *covered service expenses* under any other benefit provision of this *contract*.

MAJOR MEDICAL EXPENSE BENEFITS

The plan provides coverage for healthcare services for a *member* or covered dependent. Some services require *prior authorization*. *Copayment amounts* must be paid to *your network provider* at the time *you* receive services. All *covered services* are subject to conditions, exclusions, limitations, terms and provisions of this *contract*. *Covered services* must be *medically necessary* and not *experimental or investigational*.

The coverage described below is intended to comply with requirements under the Paul Wellstone-Pete Domenici Mental Health Parity and Addiction Equity Act of 2008.

Mental health services will be provided on an inpatient and outpatient basis and include treatable mental health conditions. If you need mental health and/or substance use disorder treatment, you may choose any provider participating in our behavioral health network. *Deductible* amounts, *copayment* or *coinsurance* amounts and treatment limits for covered mental health and substance use disorder benefits will be applied in the same manner as physical health service benefits.

When making coverage determinations, our utilization management staff employ established level of care guidelines and medical necessity criteria that are based on currently accepted standards of practice and take into account legal and regulatory requirements. They utilize McKesson's Interqual criteria for mental health determinations and American Society of Addiction Medicine (ASAM) criteria for substance abuse determinations. Services should always be provided in the least restrictive clinically appropriate setting. Newborns’ and Mothers’ Health Protection Act Statement of Rights

Health Insurance Issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Maternity Care

An inpatient stay is covered for mother and newborn for a minimum of 48 hours following a vaginal delivery and 96 hours following a delivery by cesarean section. We do not require that a *physician* or other healthcare provider obtain prior authorization. An inpatient stay longer than 48 hours for a vaginal delivery or 96 hours for a cesarean delivery will require prior authorization.

Other maternity benefits which may require prior authorization include:

- a. Outpatient and inpatient pre- and post-partum care including exams, prenatal diagnosis of genetic disorder, laboratory and radiology diagnostic testing, health education, nutritional counseling, risk assessment, and childbirth classes.
- b. Physician Home Visits and Office Services.
- c. Parent education, assistance, and training in breast or bottle feeding and the performance of any necessary and appropriate clinical tests.
- d. Complications of pregnancy.
- e. Hospital stays for other medically necessary reasons associated with maternity care.

Note: This provision does not amend the contract to restrict any terms, limits, or conditions that may otherwise apply to covered service expenses for maternity care. This provision also does not require an enrollee who is eligible for coverage under a health benefit plan to:

- (1) give birth in a hospital or other healthcare facility; or
- (2) remain under inpatient care in a hospital or other healthcare facility for any fixed term following the birth of a child.

Clinical Trial Coverage

Clinical Trial Coverage includes routine patient care costs incurred as the result of an approved phase I, II, III or phase IV clinical trial and the clinical trial is undertaken for the purposes of prevention, early detection, or treatment of cancer or other life-threatening disease or condition. Coverage will include routine patient care costs incurred for (1) drugs and devices that have been approved for sale by the Food and Drug Administration (FDA), regardless of whether approved by the FDA for use in treating the patient's particular condition, (2) reasonable and *medically necessary* services needed to administer the drug or use the device under evaluation in the clinical trial and (3) all items and services that are otherwise generally available to a qualified individual that are provided in the clinical trial except:

- The investigational item or service itself;
- Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; and
- Items and services customarily provided by the research sponsors free of charge for any enrollee in the trial.

Phase I and II clinical trials must meet the following requirements:

- Phase I and II of a clinical trial is sanctioned by the National Institutes of Health (NIH) or National Cancer Institute (NCI) and conducted at academic or National Cancer Institute Center; and
- The insured is enrolled in the clinical trial. This section shall not apply to insureds who are only following the protocol of phase I or II of a clinical trial, but not actually enrolled.

Phase III and IV clinical trials must be approved or funded by one of the following entities:

- One of the National Institutes of Health (NIH);
- The Centers for Disease Control and Prevention;
- The Agency for Health Care Research and Quality;
- The Centers for Medicare & Medicaid Services;

- An NIH Cooperative Group or Center;
- The FDA in the form of an investigational new drug application;
- The federal Departments of Veterans' Affairs, Defense, or Energy;
- An institutional review board in this state that has an appropriate assurance approved by the Department of Health and Human Services assuring compliance with and implementation of regulations for the protection of human subjects; or
- A qualified non-governmental research entity that meets the criteria for NIH Center support grant eligibility.

In a clinical trial, the treating facility and personnel must have the expertise and training to provide the treatment and treat a sufficient volume of patients. There must be equal to or superior, noninvestigational treatment alternatives and the available clinical or preclinical data must provide a reasonable expectation that the treatment will be superior to the noninvestigational alternatives.

Providers participating in clinical trials shall obtain a patient's informed consent for participation in the clinical trial in a manner that is consistent with current legal and ethical standards.

Transplant Expense Benefits

Covered Services For transplant service expenses:

If we determine that a *member* is an appropriate candidate for a *medically necessary transplant*, medical service expense benefits will be provided for:

1. Pre-transplant evaluation;
2. Pre-transplant harvesting;
3. Pre-transplant stabilization, meaning an *inpatient* stay to medically stabilize a *member* to prepare for a later transplant, whether or not the transplant occurs;
4. High dose chemotherapy;
5. Peripheral stem cell collection;
6. The transplant itself, not including the acquisition cost for the organ or bone marrow (except at a *Center of Excellence*); and
7. Post-transplant follow-up.

Transplant Donor Expenses:

We will cover the medical expenses incurred by a live donor as if they were medical expenses of the *member* if:

1. They would otherwise be considered *covered service expenses* under the *contract*;
2. The *member* received an organ or bone marrow of the live donor; and
3. The transplant was a *medically necessary transplant*.

Ancillary "Center Of Excellence" Service Benefits:

A *member* may obtain services in connection with a *medically necessary transplant* from any physician.

However, if a *medically necessary transplant* is performed in a *Center of Excellence*:

1. *Covered service expenses* for the *medically necessary transplant* will include the acquisition cost of the organ or bone marrow.
2. We will pay a maximum amount shown in the *Schedule of Benefits* for the following services:
 - a. Transportation for the *member*, any live donor, and the *immediate family* to accompany the *member* to and from the *Center of Excellence*.
 - b. Lodging at or near the *Center of Excellence* for any live donor and the *immediate family* accompanying the *member* while the *member* is confined in the *Center of Excellence*. We will pay the costs directly for transportation and lodging, however, *you* must make the arrangements.

Non-Covered Services and Exclusions:

No benefits will be provided or paid under these Transplant Expense Benefits:

1. For search and testing in order to locate a suitable donor.
2. For a prophylactic bone marrow harvest or peripheral blood stem cell collection when no *medically necessary transplant* occurs.
3. For animal to human transplants.

5. For procurement or transportation of the organ or tissue, unless expressly provided for in this provision.
6. To keep a donor alive for the transplant operation.
7. For a live donor where the live donor is receiving a transplanted organ to replace the donated organ.
8. Related to transplants not included under this provision as a *medically necessary transplant*.
9. For a *medically necessary transplant* under study in an ongoing phase I or II clinical trial as set forth in the United States Food and Drug Administration ("*FDA*") regulation, regardless of whether the trial is subject to *FDA* oversight. Note: This exclusion does not apply to bone marrow transplants.
10. Left Ventricular Artificial Devices (LVAD) when used as destination.
11. Total artificial heart is not covered (even though it is a bridge to transplant).

Limitations on Transplant Service Expense Benefits:

In addition to the exclusions and limitations specified elsewhere in this section:

1. Bone marrow transplant coverage for the reasonable costs of searching for a donor will be limited to a search among family members and donors identified through the National Bone Marrow Donor Program.
2. If a designated *Center of Excellence* is not used, the acquisition cost for the organ or bone marrow is not covered.

PRIOR AUTHORIZATION

Prior Authorization Required

Some *covered service expenses* require *prior authorization*. *Network providers* must obtain *authorization* from *us* prior to providing a service or supply to a *member*. However, there are some *network eligible service expenses* for which *you* must obtain the prior authorization.

For services or supplies that require *prior authorization*, as shown on the *Schedule of Benefits*, *you* must obtain authorization from *us* before *you* or *your dependent member*:

1. Receives a service or supply from a *non-network provider*;
2. Are admitted into a *network facility* by a *non-network provider*; or
3. Receive a service or supply from a *network provider* to which *you* or *your dependent member* were referred by a *non-network provider*.

Prior Authorization requests must be received by phone, efax, or Provider portal as follows:

1. At least 5 days prior to an elective admission as an *inpatient* in a *hospital*, *extended care* or *rehabilitation facility*, or *hospice facility*.
2. At least 30 days prior to the initial evaluation for organ transplant services.
3. At least 30 days prior to receiving clinical trial services.
4. Within 24 hours of any inpatient admission, including emergent inpatient admissions.
5. At least 5 days prior to the start of *home health care* except those members needing home health care after hospital discharge.

After *prior authorization* has been requested and all required or applicable documentation has been submitted, *we* will notify *you* and *your provider* if the request has been approved as follows:

1. For immediate request situations, within 1 business day, when the lack of treatment may result in an emergency room visit or *emergency* admission.
2. For urgent concurrent review within 24 hours of receipt of the request.
3. For urgent pre-service, within 72 hours from date of receipt of request.
4. For non-urgent pre-service requests within 5 days but no longer than 15 days of receipt of the request.
5. For post-service requests, with in 30 calendar days of receipt of the request.

How to Obtain Prior Authorization

To obtain prior authorization or to confirm that a *network provider* has obtained *prior authorization*, contact *us* by telephone at the telephone number listed on *your* health insurance identification card before the service or supply is provided to the *member*.

Failure to Obtain Prior Authorization

Failure to comply with the *prior authorization* requirements will result in benefits being reduced.

Network providers cannot bill *you* for services for which they fail to obtain *prior authorization* as required.

In cases of emergency, benefits will not be reduced for failure to comply with *prior authorization* requirements. However, *you* must contact *us* as soon as reasonably possible after the *emergency* occurs.

Prior Authorization Does Not Guarantee Benefits

Our authorization does not guarantee either payment of benefits or the amount of benefits. Eligibility for, and payment of, benefits are subject to all terms and conditions of the *contract*.

Requests for Predeterminations

You may request a predetermination of coverage. We will provide one if circumstances allow us to do so. However, we are not required to make a predetermination of either coverage or benefits for any particular treatment or medical expense. Any predetermination we may make will be reviewed after the medical expense is incurred and a claim is filed. A review that shows one or more of the following may cause us to reverse the predetermination:

1. The predetermination was based on incomplete or inaccurate information initially received by us.
2. Another party has already paid or is responsible for payment of the medical expense.

We will make all benefit determinations after a loss in good faith. All benefit determinations are subject to our receipt of proper proof of loss.

Services from Non- Network Providers

Except for emergency medical services and nonparticipating facility-based physician and provider, unless covered services are not available from network providers within a reasonable proximity such services will not be covered. If required medically necessary services are not available from network providers you or the network provider must request prior authorization from us before you may receive services from non-network providers. Otherwise you will be responsible for all charges incurred.

Florida law requires that we provide you with the following disclosure about your health benefit plan coverage. "WARNING: LIMITED BENEFITS WILL BE PAID WHEN NONPARTICIPATING PROVIDERS ARE USED. You should be aware that when you elect to utilize the services of a nonparticipating provider for a covered nonemergency service, benefit payments to the provider are not based upon the amount the provider charges. The basis of the payment will be determined according to your policy's out-of-network reimbursement benefit. Nonparticipating providers may bill insureds for any difference in the amount. YOU MAY BE REQUIRED TO PAY MORE THAN THE COINSURANCE OR COPAYMENT AMOUNT.

Participating providers have agreed to accept discounted payments for services with no additional billing to you other than coinsurance, copayment, and deductible amounts. You may obtain further information about the providers who have contracted with your insurance plan by consulting your insurer's website or contacting your insurer or agent directly."

Hospital Based Providers

When receiving care at an Ambetter participating hospital it is possible that some hospital-based providers (for example, anesthesiologists, radiologists, hospitalists, pathologists) may not be under contract with Ambetter as participating providers. These providers may not bill you for the difference between Ambetter's allowed amount and the providers billed charge – this is known as "balance billing". However, we encourage you to inquire about the providers who will be treating you before you begin your treatment, so you can understand their participation status with Ambetter.

GENERAL NON-COVERED SERVICES AND EXCLUSIONS

No benefits will be provided or paid for:

1. Any service or supply that would be provided without cost to the *member* in the absence of insurance covering the charge.
2. Expenses, fees, taxes or surcharges imposed on the *member* by a provider (including a *hospital*) but that are actually the responsibility of the provider to pay.

21. For treatment received outside the United States, except for a medical *emergency* while traveling for up to a maximum of 90 consecutive days.
22. As a result of an *injury or illness* arising out of, or in the course of, employment for wage or profit, if the *member* is insured, or is required to be insured, by workers' compensation insurance pursuant to applicable state or federal law. If *you* enter into a settlement that waives a *member's* right to recover future medical benefits under a workers' compensation law or insurance plan, this exclusion will still apply. In the event that the workers' compensation insurance carrier denies coverage for a *member's* workers' compensation claim, this exclusion will still apply unless that denial is appealed to the proper governmental agency and the denial is upheld by that agency.

Limitations on Benefits for Services Provided By Medicare Opt-Out Practitioners

Benefits for *covered service expenses* incurred by a Medicare-eligible individual for services and supplies provided by a *Medicare opt-out practitioner* will be determined as if the services and supplies had been provided by a *Medicare participating practitioner*. (Benefits will be determined as if Medicare had, in fact, paid the benefits it would have paid if the services and supplies had been provided by a *Medicare participating practitioner*.)

PLAN ADMINISTRATION

In consideration of the payment of premiums, we will provide coverage for the *member* and any *eligible dependents*. In doing so, we may enter into agreements with providers of health care and such other individuals and entities as may be necessary to enable us to fulfill *our* obligations under this *contract*.

We agree to provide coverage without discrimination because of race, color, national origin, disability, sex, gender identity, sexual orientation, religion, or any other basis prohibited by law.

Commencement of Coverage

Commencing on the *contract effective date* we agree to provide the coverage stipulated in this *contract* to the *member* and his/her *dependents*, if any. Such coverage begins on the *member's* effective date, which will be the first of the month after the receipt and approval of the application by us, unless this *contract* specifies a date other than the first of the month. We accept no liability for benefits related to expenses incurred prior to *your* effective date or after *your* termination date, which will be on the last day of the coverage month, except or as specified in the Terms of Renewal provision.

Plan Renewal

This *contract* is guaranteed renewable. Guaranteed renewable means that this *contract* will renew each year on the anniversary date unless terminated earlier in accordance with *contract* terms. You may keep this *contract* in force by timely payment of the required premiums. We may decide not to renew as of the renewal date if: (1) we decide not to renew all *contracts* issued on this form, with the same type and level of benefits, to residents of the state where you then live; or (2) there is fraud or an intentional material misrepresentation made by or with the knowledge of a *member* in filing a claim for *contract* benefits. Rate changes are effective on a *member's* annual renewal date and will be based on each *member's* attained age, family structure, geographic region, tobacco usage and benefit plan at the time of renewal. We will notify the *member* in writing at least forty-five (45) days prior to the renewal date of any change in premium rates.

For *members* who have elected the electronic funds transfer option of payment, should premiums change at renewal, we will continue to draft the new monthly premium.

Term of Renewal

We guarantee the *member* the right to renew the *contract* each year, at the *member's* option. However, we may refuse to renew this *contract*, and all coverage provided under this *contract*, if one of the following circumstances has occurred:

1. Failure to timely pay premium in accordance with the terms of the contract;
2. We cease offering this contract to all *members*;
3. The *member* has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of this contract;
4. The *member* no longer lives in our geographic service area;
5. We elect to discontinue all individual health coverage in the State of Florida; and
6. We elect to discontinue offering individual health coverage through the Health Insurance Marketplace.

With the exception of non-payment of premium or loss of eligibility, if we decides to terminate or non-renew this contract for any of the reasons set forth in this *contract*, we will give the *member* at least forty-five (45) days advance written notice prior to renewal. If we discontinue offering all individual coverage in Florida, we will give all *members* and the Office of Insurance Regulation 180 day's written notice prior to the *contract* non-renewal date.

Termination of This Contract by the Member

The *member* may terminate this *contract* at any time with appropriate notice of at least fourteen (14) days to either *us* or the Health Insurance Marketplace. Coverage will terminate on the date specified by the *member*, or fourteen (14) days after termination is requested, whichever is later. If the *member* requests termination in fewer than fourteen (14) days, and *we* can effectuate this request in a shorter period of time, then coverage will terminate on the date determined by *us*. No benefits will be provided as of the effective date of termination of this *contract* for whatever reason.

Should the *member* or any covered dependents terminate coverage because of eligibility for Medicaid, Children's Health Insurance Program (CHIP) or a Basic Health Plan or termination is due to the *member* moving from one *qualified health plan* to another during an Annual or Special Enrollment Period, the termination effective date will be the day before the effective date of the new coverage.

Discontinuance of a Benefit Plan

We may discontinue offering a particular benefit plan to all *members* if:

1. We provide at least ninety (90) day notice to each *member* prior to the contract renewal date;
2. We offer each *member* the option to purchase any other coverage offered in the individual Health Maintenance Organization (HMO) market; and
3. We act uniformly without regard to any health status-related factor of each *member*.

Discontinuance of All Coverage in the Individual Market

We may discontinue offering all coverage in Florida if:

1. We provide notice to the Office of Insurance Regulation and each *member* and enrollee 180 days prior to renewal; and
2. All health coverage issued or delivered for issuance in Florida is discontinued and coverage under such health coverage is not renewed.

Termination of this Plan by Us

Except for nonpayment of premium or termination of eligibility, *we* may not cancel or terminate or non-renew this *contract* without giving the *member* at least forty-five (45) days written notice. The written notice will state the reason or reasons for the cancellation, termination or non-renewal.

We may terminate this *contract* as of any premium due date if the *member* has not paid the required premium by the end of the Grace Period, as defined in the Grace Period provision. The *member* is liable to *us* for any unpaid premium for the time the Plan was in force.

Upon termination of coverage, *we* will have no further liability for the payment of any covered services provided after the date of the *member's* termination.

Plan Termination Due to Non-Payment of Premium

If the *member* is receiving premium subsidies, the following provision applies:

- If the required monthly premium is not received by the end of the ninety (90) day Grace Period, *we* will terminate coverage effective at midnight on the last day of the first month of the three (3) month grace period.

If the *member* is not receiving premium subsidies, the following provision applies:

- If the required monthly premium is not received by the end of the thirty (30) day grace period, we will terminate this *contract*, without prior notification, retroactive to the last date for which premium was received, subject to the Grace Period provision. Termination will be effective as of midnight of the date that the premium was due provided we mail written notice of termination to the *member* prior to forty-five (45) days after the date the premium was due.

Termination of Coverage by the Health Insurance Marketplace or Us

The Health Insurance Marketplace may terminate coverage in a qualified health plan and will also permit us to terminate coverage for any of the following reasons.

1. Loss of eligibility to purchase a qualified health plan through the Health Insurance Marketplace.
2. Nonpayment of premiums provided that the grace period has elapsed.
3. Coverage is rescinded.
4. We terminate or are decertified by the Health Insurance Marketplace.
5. An enrollee switches to another qualified health plan during an Annual Open Enrollment Period or a Special Enrollment Period.

Terms of Renewal

We guarantee the *member* the right to renew the *contract* each year, at the *member's* option. However, we may refuse to renew this *contract*, and all coverage provided under this contract, if one of the following circumstances has occurred:

1. The *member* fails to timely pay premium in accordance with the terms of the contract;
2. We cease offering this contract to all *members*;
3. The *member* has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of this *contract*;
4. The *member* no longer lives or works in our geographic *service area*; and
5. We elect to discontinue all individual health coverage in the State of Florida.

With the exception of non-payment of premium or loss of eligibility, if we decide to terminate or non-renew this *contract* for any of the reasons set forth in this *contract*, we will give the *member* at least forty-five (45) days advance written notice.

Discontinuance

90-Day Notice: If we discontinue offering and refuse to renew all contracts issued on this form, with the same type and level of benefits, for all residents of the state where *you* reside, we will provide a written notice to *you* and all enrollees at least 90 days prior to the date that we discontinue coverage. *You* will be offered an option to purchase any other coverage in the individual market we offer in *your* state at the time of discontinuance of this *contract*. This option to purchase other coverage will be on a guaranteed issue basis without regard to health status.

180-Day Notice: If we discontinue offering and refuse to renew all individual contracts in the individual market in the state where *you* reside, we will provide a written notice to *you*, all enrollees, and the Commissioner of Insurance at least 180 days prior to the date that we stop offering and terminate all existing individual contracts in the individual market in the state where *you* reside.

Notification Requirements

It is the responsibility of *you* or *your* former *dependent member* to notify us within 31 days of *your* legal divorce or *your dependent member's* marriage.

Benefits After Coverage Terminates

If a *network provider* terminates his or her contract with Ambetter from Sunshine Health or is terminated by *us* for any reason other than for cause, a *member* receiving active treatment may continue coverage and care with that *network provider* when *medically necessary* and through completion of treatment of a condition for which the *member* was receiving care at the time of the termination until:

1. The *member* selects another treating provider or during the next open enrollment period, whichever is longer, but not longer than ninety (90) days (or additional if approved by Ambetter from Sunshine Health) after termination of the provider's contracts;
2. The *member* who is pregnant and who has initiated a course of prenatal care regardless of the trimester in which care was initiated, completes postpartum care.

A *network provider* may refuse to continue to provide care to a *member* who is abusive, non-compliant, or in arrears in payment for services provided.

SUBROGATION AND RIGHT OF REIMBURSEMENT

As used herein, the term “*third party*” means any party that is, or may be, or is claimed to be responsible for *injuries* or *illness* to a *member*. Such injuries or *illness* are referred to as “*third party injuries*.” “Responsible party” includes any parties actually, possibly or potentially responsible for payment of expenses associated with the care or treatment of *third party injuries*.

Celtic retains the right to repayment of the full cost of all benefits provided by this plan on behalf of the *member* that are associated with the *third party injuries*. Celtic’s rights of recovery apply to any recoveries made by or on behalf of the *member* from any sources, including but not limited to:

- Payments made by a *third party* or any insurance company on behalf of the *third party*;
- Any payments or awards under an uninsured or underinsured motorist coverage policy;
- Any Workers’ Compensation or disability award or settlement;
- Medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; and
- Any other payments from a source intended to compensate a *member* for *third party injuries*.

By accepting benefits under this plan, the *member* specifically acknowledges Celtic’s right of subrogation. When this plan provides health care benefits for expenses incurred due to *third party injuries*, Celtic shall be subrogated to the *member’s* rights of recovery against any party to the extent of the full cost of all benefits provided by this plan. Celtic may proceed against any party with or without the *member’s* consent.

By accepting benefits under this plan, the *member* also specifically acknowledges Celtic’s right of reimbursement. This right of reimbursement attaches when this plan has provided health care benefits for expenses incurred due to *third party injuries* and the member or the *member’s* representative has recovered any amounts from any source. Celtic’s right of reimbursement is cumulative with and not exclusive of Celtic’s subrogation right and Celtic may choose to exercise either or both rights of recovery.

As a condition for *our* payment, the *member* or anyone acting on his or her behalf (including, but not limited to, the guardian, legal representatives, estate, or heirs) agrees:

1. To fully cooperate with *us* in order to obtain information about the *loss* and its cause;
2. To immediately inform *us* in writing of any claim made or lawsuit filed on behalf of a *member* in connection with the *loss*;
3. To include the amount of benefits paid by *us* on behalf of a *member* in any claim made against any *third party*;
4. To give Celtic a first-priority lien on any recovery, settlement or judgment or other sources of compensation which may be had from any party to the extent of the full cost of all benefits associated with *third party injuries* provided by this plan (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement);
5. To pay, as the first priority, from any recovery, settlement, judgment, or other source of compensation, any and all amounts due Celtic as reimbursement for the full cost of all benefits associated with *third party injuries* provided by this plan (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement, and regardless of whether such payment will result in a recovery to the *member* which is insufficient to make the *member* whole or to compensate the member in part or in whole for the damages sustained);
6. That we:
 - a. Will have a lien on all money received by a *member* in connection with the *loss* equal to the benefit amount *we* have provided or paid;
 - b. May give notice of that lien to any *third party* or *third party’s* agent or representative.
 - c. Will have the right to intervene in any suit or legal action to protect *our* rights;
 - d. Are subrogated to all of the rights of the *member* against any *third party* to the extent of the benefits paid on the *member’s* behalf; and
 - e. May assert that subrogation right independently of the *member*.

7. To take no action that prejudices *our* reimbursement and subrogation rights. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits provided by this plan;
8. To sign, date, and deliver to *us* any documents *we* request that protect *our* reimbursement and subrogation rights;
9. To not settle any claim or lawsuit against a *third party* without providing *us* with written notice of the intent to do so;
10. To reimburse *us* from any money received from any *third party*, to the extent of benefits *we* paid for the *illness* or *injury*, whether obtained by settlement, judgment, or otherwise, and whether or not the *third party's* payment is expressly designated as a payment for medical expenses;
11. That *we* may reduce other benefits under the *contract* by the amounts a *member* has agreed to reimburse *us*.

We have a right to be reimbursed in full regardless of whether or not the *member* is fully compensated by any recovery received from any *third party* by settlement, judgment, or otherwise.

We will not pay attorney fees or costs associated with the *member's* claim or lawsuit. In the event *you* or *your* representative fail to cooperate with Celtic, *you* shall be responsible for all benefits paid by this plan in addition to costs and attorney's fees incurred by Celtic in obtaining repayment.

If a dispute arises as to the amount a *member* must reimburse *us*, the *member* (or the guardian, legal representatives, estate, or heirs of the *member*) agrees to place sufficient funds in an escrow or trust account to satisfy the maximum lien amount asserted by *us* until the dispute is resolved.

COORDINATION OF BENEFITS

Ambetter from Sunshine Health coordinates benefits with other payers when a *member* is covered by two or more group health benefit plans. Coordination of Benefits (COB) is the industry standard practice used to share the cost of care between two or more carriers when a *member* is covered by more than one health benefit plan.

It is a contractual provision of a majority of health benefit contracts. Ambetter from Sunshine Health complies with Federal and state regulations for COB and follows COB guidelines published by National Association of Insurance Commissioners (NAIC).

Under COB, the benefits of one plan are determined to be primary and are first applied to the cost of care. After considering what has been covered by the primary plan, the secondary plan may cover the cost of care up to the fully allowed expense according to the plan's payment guidelines. Ambetter from Sunshine Health Claims COB and Recovery Unit procedures are designed to avoid payment in excess of allowable expense while also making sure claims are processed both accurately and timely.

"Allowable expense" is the necessary, reasonable, and customary item of expense for health care, when the item is covered at least in part under any of the plans involved, except where a statute requires a different definition. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered as both an allowable expense and a benefit paid.

"Plan" is a form of coverage written on an expense-incurred basis with which coordination is allowed.

The term "Plan" includes:

1. Group and non-group health insurance benefits and group blanket or group remittance health benefits coverage, whether uninsured arrangements of group coverage, insured, self-insured, or self-funded. This includes group and individual HMO insurance and other prepayment, group practice and individual practice plans, and blanket contracts, except as excluded below.
2. Plan includes medical benefits coverage, in group and individual automobile "no-fault" and traditional liability "fault" type contracts.
3. Plan includes hospital, medical, and surgical benefits coverage of Medicare or a governmental plan offered, required, or provided by law, except Medicaid.
4. Plan does not include blanket school accident coverage or coverages issued to a substantially similar group (e.g., Girl Scouts, Boy Scouts) where the school or organization pays the premiums.
5. Plan does not include coverage, which by law, provides benefits that are in excess of those of any private insurance plan or other nongovernment plan.

"Primary plan" is one whose benefits must be determined without taking the existence of any other plan into consideration. A plan is primary if either:

- (1) The Plan has no order of benefits rules or its rules differ from those required by regulation; or (2) all plans which cover the person use the order of benefits rules required by regulation and under those rules the plan determines its benefits first. More than one plan may be a primary plan (for example, two plans which have no order of benefit determination rules).

"Secondary plan" is one which is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules decide the order in which their benefits are determined in

relation to each other.

Order of Benefit Determination Rules

The first of the rules listed below in paragraphs 2-9 that applies will determine which plan will be primary:

1. The primary plan pays or provides its benefits as if the Secondary plan or plans did not exist. A Plan may consider benefits paid or provided by another Plan in determining its benefits only when it is secondary to that other Plan.
2. If the other plan does not contain a coordination of benefits provision that is consistent with this provision is always primary. There are two exceptions:
 - a. Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder; and
 - b. Any noncontributory group or blanket insurance coverage which is in force on January 1, 1987 which provides excess major medical benefits intended to supplement any basic benefits on a covered person may continue to be excess to such basic benefits.
3. If the person receiving benefits is the *member* and is only covered as an *eligible dependent* under the other plan, this *contract* will be primary.
4. However, if the person is also a Medicare beneficiary, and if the rule established under the Social Security Act of 1965, as amended, makes Medicare secondary to the plan covering the person as a dependent of an active employee (a Medicare beneficiary also has another group plan), then the order of benefit determination is:
 - a. First, benefits of a plan covering a person as an employee, member, or subscriber.
 - b. Second, benefits of a plan of an active worker covering a person as a dependent;
 - c. Third, Medicare benefits.
5. If a child is covered under the plans of both parents and the parents are not separated or divorced, the plan of the parent whose birthday falls earlier in the year (excluding year of birth) shall be primary.
 - a. If both parents have the same birthday, the plan which covered the parent longer will be primary.
 - b. To determine whose birthday falls earlier in the year, only the month and day are considered. However, if the other plan does not have this birthday rule, but instead has a rule based on the sex of the parent and as a result the plans do not agree on which is primary, then the rule in the other plan will determine which plan is primary.
6. If a child is covered by both parents' plans, the parents are separated or divorced, and there is no court decree between the parents that establishes financial responsibility for the child's health care expenses:
 - a. The plan of the parent who has custody will be primary;
 - b. If the parent with custody has remarried, and the child is also covered as a child under the step-parent's plan, the plan of the parent with custody will pay first, the step-parent's plan will pay second, and the plan of the parent without custody will pay third.
7. If a child's coverage is based on a court decree, and the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the child and if the entity obliged to pay or provide the benefits of the policy or plan of that parent has actual knowledge of those terms, the benefits of that policy or plan are determined first. The parent with responsibility that has no health care coverage for the dependent child's health care expenses, but that parent's spouse does, that parent's spouse's plan is the primary plan.
8. If the person receiving services is covered under one plan as an active employee or *member* (i.e., not laid-off or retired), or as the spouse or child of such an active employee, and is also covered under another plan as a laid-off or retired employee or as the spouse or child of such a laid-off or retired

employee, the plan that covers such person as an active employee or spouse or child of an active employee will be primary. If the other plan does not have this rule, and as a result the plans do not agree on which will be primary, this rule will be ignored.

9. If none of the above rules determine which plan is primary, the plan that covered the person receiving services longer will be primary.

Effects of Coordination

When this plan is secondary, its benefits will be reduced so that the total benefits paid by the primary plan and this plan during a claim determination period will not exceed Ambetter's maximum available benefit for each Covered Service. Also, the amount Ambetter pays will not be more than the amount Ambetter would pay if Ambetter were primary. As each claim is submitted, Ambetter will determine its obligation to pay for allowable expenses based upon all claims that have been submitted up to that point in time during the claim determination period.

In the event of multiple forms of coverage, Ambetter reserves the right to reduce or refuse to pay benefits otherwise payable on the account of existing of similar benefits provided under insurances policies issued by the same or another insurer, in accordance with state and federal laws. As a condition of coordinating benefits, the insurers together pay 100 percent of the total reasonable expenses actually incurred of the type of expense within the benefits described in the policies and presented to the insurer for payment.

Effect of Medicare

Medicare primary/secondary payer guidelines and regulations will determine primary/secondary payer status, and will be adjudicated by us as set forth in this section. When Medicare, Part A and Part B or Part C is primary, Medicare's allowable amount is the highest allowable expense.

Members may no longer be eligible to receive a premium subsidy for the Health Insurance Marketplace plan once Medicare coverage becomes effective.

Right to Receive and Release Needed Information

Certain fact about heath care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and other plans. We may get the facts we need from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and other plans covering the person claiming benefits. *We* need not tell or get the consent of, any person to do this.

CLAIMS

Notice of Claim

When a *non-participating provider* renders services, notice of a claim for benefits must be given to *us*. The notice must be in writing, should include the name of the insured and *member* identification number, and any claim will be based on that written notice. The notice must be received by *us* within 20 days after the date of the injury or the first treatment date for the sickness on which the claim is based and may be given to *us* or *your* agent. If this required notice is not given in time, the claim may be reduced or invalidated. If it can be shown that it was not reasonably possible to submit the notice within the 20 day period and that notice was given as soon as possible, the claim will not be reduced or invalidated.

Proof of Loss

We must receive written *proof of loss* within 90 days of the *loss* or as soon as is reasonably possible. *Proof of loss* furnished more than one year late will not be accepted, unless *you* had no legal capacity to submit such proof during that year.

Cooperation Provision

Each *member*, or other person acting on his or her behalf, must cooperate fully to assist *us* in determining *our* rights and obligations under the *contract* and, as often as may be reasonably necessary:

1. Sign, date and deliver to *us* authorizations to obtain any medical or other information, records or documents *we* deem relevant from any person or entity.
2. Obtain and furnish to *us*, or *our* representatives, any medical or other information, records or documents *we* deem relevant.
3. Answer, under oath or otherwise, any questions *we* deem relevant, which *we* or *our* representatives may ask.
4. Furnish any other information, aid or assistance that *we* may require, including without limitation, assistance in communicating with any person or entity (including requesting any person or entity to promptly provide to *us*, or *our* representative, any information, records or documents requested by *us*).

If any *member*, or other person acting on his or her behalf, fails to provide any of the items or information requested or to take any action requested, the claim(s) will be closed and no further action will be taken by *us* unless and until the item or information requested is received or the requested action is taken, subject to the terms and conditions of the *contract*.

In addition, failure on the part of any *member*, or other person acting on his or her behalf, to provide any of the items or information requested or to take any action requested may result in the denial of the claim at issue to the covered person.

Time for Payment of Claims

Benefits will be paid as soon as *we* receive proper *proof of loss*. *We* will reimburse all claims or any portion of any claim within 45 days after receipt of the claim. If a claim or a portion of a claim is contested, *you* or *your* assignees shall be notified, in writing, that the claim is contested or denied, within 45 days after *we* receive the claim from *you*. The notice that a claim is contested shall identify the contested portion of the claim and the reasons for contesting the claim. Upon receipt of the additional information requested *you* or *your* assignees, *we* shall pay or deny the contested claim or portion of the contested claim, within 60 days.

"Clean claims" means a claim submitted by you or a provider that has no defect, impropriety, or particular circumstance requiring special treatment preventing payment. If we have not received the information we need to process a claim, we will ask for the additional information necessary to complete the claim. You will receive a copy of that request for additional information. In those cases, we cannot complete the processing of the claim until the additional information requested has been received. We will make our request for additional information within 30 days of our initial receipt of the claim and will complete our processing of the claim within 15 days after our receipt of all requested information.

We shall pay or deny any claim no later than 120 days after receiving the claim. Payment shall be treated as being made on the date a draft or other valid instrument which is equivalent to payment was placed in the United States mail in a properly addressed, postpaid envelope or, if not so posted, on the date of delivery. All overdue payments shall bear simple interest at the rate of 10 percent per year.

Upon *your* written notification, we will investigate any claim of improper billing by a *physician, hospital*, or other health care provider. We will determine if *you* were properly billed for only those procedures and services that the *covered person* actually received. If we determine that *you* have been improperly billed, we shall notify *you* and the provider of our findings and shall reduce the amount of payment to the provider by the amount determined to be improperly billed. If a reduction is made due to such notification by us, we shall pay to *you* 20 percent of the amount of the reduction up to \$500.

Payment of Claims

We may elect to pay, in our discretion, all or any part of the benefits provided by this contract for hospital, surgical, nursing, or medical services, directly to the hospital or other party providing such services to you. By reserving the right to pay, in our discretion, all or any part of the benefits provided for in this contract directly to a hospital or other person providing surgical, nursing, or medical services to you, we are not granting any hospital or other person rendering surgical, nursing or medical services any right to demand direct payment or any right to enforce any provision of this contract; nor are we waiving the Non-Assignment provision of this contract set forth below.

Foreign Claims Incurred for Emergency Care

Claims incurred outside of the United States for *emergency* care and treatment of a *member* must be submitted in English or with an English translation. Foreign claims must also include the applicable medical records in English to show proper *proof of loss* and evidence of payment to the provider.

Non-Assignment

The coverage, rights, privileges and benefits provided for under this *contract* are not assignable by *you* or anyone acting on *your* behalf. Any assignment or purported assignment of coverage, rights, privileges and benefits provided for under this *contract* that *you* may provide or execute in favor of any *hospital, provider*, or any other person or entity shall be null and void and shall not impose any obligation on *us*.

Notwithstanding the foregoing, *you* may specifically authorize, in writing, the payment of benefits that we have determined to be due and payable directly to any *hospital, provider*, or other person who provided *you* with any covered service and we will honor this specific direction and make such payment directly to the designated provider of the covered service.

No Third Party Beneficiaries

This *contract* is not intended to, nor does it, create or grant any rights in favor of any third party, including but not limited to any *hospital, provider* or *medical practitioner* providing services to *you*, and this *contract* shall not be construed to create any third party beneficiary rights.

Medicaid Reimbursement

The amount provided or payable under this *contract* will not be changed or limited for reason of a *member* being eligible for coverage under the Medicaid program of the state in which he or she lives.

We will pay the benefits of this *contract* to the State if:

1. A *member* has coverage under his or her state's Medicaid program; and
2. We receive proper *proof of loss* and notice that payment has been made for *covered service expenses* under that program.

Our payment to the State will be limited to the amount payable under this *contract* for the *covered service expenses* for which reimbursement is due. Payment under this provision will be made in good faith. It will satisfy *our* responsibility to the extent of that payment.

Custodial Parent

This provision applies if the parents of a covered *eligible child* are divorced or legally separated and both the custodial parent and the non-custodial parent are subject to the same court or administrative order establishing custody. The custodial parent, who is not a *member*, will have the rights stated below if we receive a copy of the order establishing custody.

Upon request by the custodial parent, we will:

1. Provide the custodial parent with information regarding the terms, conditions, benefits, exclusions and limitations of the *contract*;
2. Accept claim forms and requests for claim payment from the custodial parent; and
3. Make claim payments directly to the custodial parent for claims submitted by the custodial parent. Payment of claims to the custodial parent, which are made under this provision, will fully discharge *our* obligations.

A custodial parent may, with *our* approval, assign claim payments to the *hospital* or *medical practitioner* providing treatment to an *eligible child*.

Physical Examination

We shall have the right and opportunity to examine a *member* while a claim is pending or while a dispute over the claim is pending. These examinations are made at *our* expense and as often as *we* may reasonably require.

Legal Actions

No suit may be brought by *you* on a claim sooner than 60 days after the required *proof of loss* is given. No suit may be brought more than five years after the date *proof of loss* is required.

Prior to initiating any action at law, *you* are encouraged to first complete all the steps in the complaint/*grievance* procedures made available to resolve disputes in Florida under the *contract*. After completing that complaint/*grievance* procedures process, if *you* want to bring legal action against *us* on that dispute, *you* must do so within five years of the date *we* notified *you* of the final decision on *your* complaint/*grievance*.

After exhausting the internal review process, the claimant can make a written request to the Appeals & Grievance Department for external review after the date of receipt of *our* internal response. *We* will send *your* request to the IRO. *You* must contact the IRO or *us* within 120 calendar days (4 months) of the date of your appeal resolution letter. If *you* do not file *your* appeal for an external independent review within 120 days, it cannot be reviewed. If *you* are not sure whether *your* appeal is eligible, or if *you* want more information, please contact Ambetter from Sunshine Health.

1. The internal appeal process must be exhausted before the claimant may request an external review unless the claimant files a request for an expedited external review at the same time as an internal *expedited grievance* or *we* either provide a waiver of this requirement or fail to follow the appeal process.
2. A health plan must allow a claimant to make a request for an expedited external review with the plan at the time the claimant receives:

- a. An *adverse benefit determination* if the determination involves a medical condition of the claimant for which the timeframe for completion of an internal *expedited grievance* would seriously jeopardize the life or health of the claimant or would jeopardize the claimant's ability to regain maximum function and the claimant has filed a request for an internal *expedited grievance*.
 - b. A final internal *adverse benefit determination*, if the claimant has a medical condition where the timeframe for completion of a standard external review would seriously jeopardize the life or health of the claimant or would jeopardize the claimant's ability to regain maximum function, or if the final internal *adverse benefit determination* concerns an admission, availability of care, continued stay, or health care item or service for which the claimant received emergency services, but has not been discharged from a facility.
3. Claimants may request an expedited external review at the same time the internal *expedited grievance* is requested and an Independent Review Organization (IRO) will determine if the internal *expedited grievance* needs to be completed before proceeding with the expedited external review.

External Review Process

1. We have five (5) business days (immediately for expedited) following receipt of the request to conduct a preliminary review of the request to determine whether:
 - a. The individual was a *covered person* at the time the item or service was requested;
 - b. The service is a *covered service* under the claimant's health plan but for the plan's *adverse benefit determination* with regard to *medical necessity experimental or investigational*, medical judgment, or *rescission*;
 - c. The claimant has exhausted the internal process; and
 - d. The claimant has provided all of the information required to process an external review.
2. Within one (1) business day (immediately for expedited) after completion of the preliminary review, we will notify the claimant in writing as to whether the request is complete but not eligible for external review and the reasons for its ineligibility or , if the request is not complete, the additional information needed to make the request complete. We will include notification of the *member's* right to submit written testimony to be included in the materials sent to the IRO.
3. We must allow a claimant to perfect the request for external review within the four-month filing period or within the 48-hour period following the receipt of notification.
4. We will assign an IRO on a rotating basis from *our* list of contracted IROs.
5. Within five business days after the date of assignment of the IRO, we must provide the documents and any information considered in making the *adverse benefit determination* to the IRO.
Note: For expedited, after assignment of the IRO, we must provide the documents and any information considered in making the *adverse benefit determination* to the IRO electronically or by telephone or facsimile or any other available expeditious method.
6. If we fail to timely provide the documents and information, the IRO may terminate the external review and make a decision to reverse the *adverse benefit determination*.
7. Within 10 business days, the assigned IRO will timely notify the claimant in writing of the request's eligibility and acceptance for external review. The notice will include a statement that the claimant may submit in writing additional information to the IRO to consider.
8. Upon receipt of any information submitted by the claimant, the IRO must forward the information to us within one business day.
9. Upon receipt of the information, we may reconsider *our* determination. If we reverse our *adverse benefit determination*, we must provide written notice of the decision to the claimant and the IRO within one business day after making such decision. The external review would be considered terminated.

10. Within 45 days (72 hours for expedited) after the date of receipt of the request for an external review by the health plan, the IRO will review all of the information and provide written notice of its decision to uphold or reverse the *adverse benefit determination* to the claimant and to us. If the notice for an expedited review is not in writing, the IRO must provide written confirmation within 48 hours after the date of providing the notice.
11. Upon receipt of a notice of a decision by the IRO reversing the *adverse benefit determination*, we will approve the covered benefit that was the subject of the *adverse benefit determination*.

After *you* receive a decision from Ambetter by Sunshine Health concerning *your* benefits and feel further action is needed, *you* have the right to file a complaint with the Department of Financial Services, Division of Consumer Services.

You may request assistance of the Department of Financial Services, Division of Consumer Services by telephone at 1-877-MY-FL-CFO (1-877-693-5236), or if calling from outside of Florida (1-850-413-3089), by email at ConsumerServices@myfloridacfo.com, or online at: <http://www.myfloridacfo.com/Division/Consumers/>

You, or someone *you* authorized to do so, shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits. All comments, documents, records and other information submitted by the claimant relating to the claim for benefits, regardless of whether such information was submitted or considered in the initial *adverse benefit determination*, will be considered in the internal appeal.

Grievance Panel

The internal process requires that *your* appeal is handled by a grievance panel that does not include the person who made the initial determination or a subordinate of the original reviewer. During the grievance process, the initial decision maker may be consulted. The majority of the panel will consist of providers with the appropriate expertise. The panel must be requested within 30 days after Ambetter from Sunshine Health's transmission of an adverse determination. The panel will also provide a notice to the *member* and to the provider, if any, who filed on behalf of the *member*. In any case where the review process does not resolve a difference of opinion between Ambetter from Sunshine Health and the *member*, the member (or provider) may submit a written grievance through an external review process. *Members* may voluntarily pursue binding arbitration (which *you* may incur some costs for this arbitration) after completing Ambetter from Sunshine Health's grievance procedure and as an alternative to the external review process (refer to the External Review section for more information). Arbitration shall not preclude review pursuant to Rule 690-191.081 and shall be conducted pursuant to Ch. 682, F.S.

When the *adverse benefit determination* is based in whole or in part on a medical judgment, the *grievance* panel will consult with a licensed health care provider with expertise in the field relating to the *grievance* and who was not consulted in connection with the original *adverse benefit determination*.

Expedited Appeal

An *expedited appeal* may be submitted orally or in writing. All necessary information, including *our* determination on review, will be transmitted between the claimant and *us* by telephone, facsimile, or other available similarly expeditious method.

For an appeal to be processed as expedited at least one of the following must apply:

1. The duration of the standard resolution process will result in serious jeopardy to the life or health of the *claimant* or the ability of the claimant to regain maximum function.

2. In the opinion of a *physician* with knowledge of the claimant's medical condition, the claimant is subject to severe pain that cannot be adequately managed without the care or treatment that is the subject of the *grievance*.
3. A *physician* with knowledge of the claimant's medical condition determines that the *grievance* shall be treated as an *expedited grievance*.

An *expedited appeal* provides for evaluation by appropriate clinical peers or peer (who were not involved in the initial adverse determination) within 24 hours. An *expedited appeal* shall be resolved as expeditiously as the *claimant's* health condition requires but not more than 72 hours after receipt of the *appeal*. Written notification of the decision must be provided no later than 2 business days or three calendar days if the initial notification was not in writing.

A *member* has the right to request both an internal and external level expedited appeal, related to the denial of a service requiring medical review, simultaneously. If the expedited appeal is unresolved, the *member* may appeal through the external review process (refer to the External Review section for more information).

Upon written request, we will mail or electronically mail a copy of the claimant's complete contract to the claimant or the claimant's authorized representative as expeditiously as the *appeal* is handled.

Written Grievance/Appeal Response

Grievance and *appeal* response letters shall describe, in detail, the *grievance and appeal* procedure and the notification shall include the specific reason for the denial, determination or initiation of disenrollment.

The panel's written decision must include:

1. The disposition of and the specific reason or reasons for the decision;
2. Any corrective action taken on the *grievance or appeal*;
3. The signature of one voting *member* of the panel;
4. A written description of position titles of panel *members* involved in making the decision;
5. If upheld or partially upheld, it is also necessary to include:
 - a. A clear explanation of the decision;
 - b. Reference to the specific plan provision on which the determination is based;
 - c. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits;
 - d. If an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of the rule, guideline, protocol, or other similar criterion will be provided free of charge to the claimant upon request;
 - e. If the *adverse benefit determination* is based on a *medical necessity* or *experimental treatment* or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request;
 - f. Identification of medical experts whose advice was obtained on behalf of the health plan, without regard to whether the advice was relied upon in making the *adverse benefit determination*;
 - g. The date of service;
 - h. The health care provider's name;

- i. The claim amount;
- j. The diagnosis and procedure codes with their corresponding meanings, or an explanation that the diagnosis or procedure codes are available upon request;
- k. The health plan's denial code with corresponding meaning;
- l. A description of any standard used, if any, in denying the claim;
- m. A description of the external review procedures, if applicable;
- n. The right to bring a civil action under state or federal law;
- o. A copy of the form that authorizes the health plan to disclose protected health information, if applicable;
- p. That assistance is available by contacting the specific state's consumer assistance department, if applicable; and
- q. A culturally linguistic statement based upon the claimant's county or state of *residence* that provides for oral translation of the *adverse benefit determination*, if applicable.
