AGREEMENT AND CONSIDERATION

In consideration of *your* application and the timely payment of premiums, *we* will provide benefits to *you*, the *enrollee*, for covered *Healthcare Services* as outlined in this *contract*. Benefits are subject to *contract* definitions, provisions, limitations and exclusions.

GUARANTEED RENEWABLE

In most cases *you* will be moved to a new *contract* each year, however, *we* may decide not to renew the *contract* as of the renewal date if: (1) *we* decide not to renew all *contracts* issued on this form, with a new *contract* at the same metal level with a similar type and level of benefits, to residents of the state where *you* then live or (2) there is fraud or an intentional material misrepresentation made by or with the knowledge of an *enrollee* in filing a claim for *covered services*.

If any services were rendered or claims paid by *us* during the 10 days, *you* are responsible for repaying *us* for such services or claims.

DEFINITIONS

In this *contract*, italicized words are defined. Words not italicized will be given their ordinary meaning.

Wherever used in this *contract*:

Acute rehabilitation means two or more different types of therapy provided by one or more *rehabilitation licensed practitioners* and performed for three or more hours per day, five to seven days per week, while the *enrollee* is confined as an *inpatient* in a *hospital, rehabilitation facility, or extended care facility*.

Acquired Brain Injury means a neurological insult to the brain, which is not hereditary, congenital, or degenerative. Advanced premium tax credit means the tax credit provided by the Affordable Care Act to help *you* afford health coverage purchased through the Health Insurance Marketplace. *Advanced premium tax credits* can be used right away to lower *your* monthly premium costs. If *you* qualify, *you* may choose how much *advanced premium tax credit* to apply to *your* premiums each month, up to the maximum amount. If the amount of *advanced premium tax credits* *you* receive for the year is less than the total premium tax credit *you're* due, *you'll* get the difference as refundable credit when *you* file *your* federal income tax return. If the amount of *advanced premium tax credits* for the year are more than the total tax credit that *you're* due, *you* must repay the excess *advanced premium tax credit* with *your* tax return.

Adverse determination means a decision by *us* which results in:

1. A denial of a request for service.
2. A denial, reduction or failure to provide or make payment in whole or in part for a covered benefit.
3. A determination that an admission, continued stay, or other health care service does not meet *our* requirements for *medical necessity*, appropriateness, health care setting, or level of care or effectiveness.
4. A determination that a service is *experimental, investigational, cosmetic treatment, not medically necessary* or inappropriate.
5. *Our* decision to deny coverage based upon an eligibility determination.
6. A *rescission* of coverage determination as described in the General Provisions section of this *contract*.
7. A prospective review or retrospective review determination that denies, reduces or fails to provide or make payment, in whole or in part, for a covered benefit.

Refer to the Complaint and Appeals Procedures section of this *contract* for information on *your* right to *appeal* an *adverse determination*.

Allogeneic bone marrow transplant or ***BMT*** means a procedure in which bone marrow from a related or non-related donor is infused into the transplant recipient and includes peripheral blood stem cell transplants.

Allowed amount means the *eligible service expense* we will pay for services provided to *you* by a *provider*.

The symptoms are present from early childhood and affect daily functioning as defined by the most recent editions of the Diagnostic and Statistical Manual of Mental Disorders and the International Statistical Classification of Diseases and Related Health Problems (ICD).

Autologous bone marrow transplant or **ABMT** means a procedure in which the bone marrow infused is derived from the same person who is the transplant recipient and includes peripheral blood stem cell transplants.

Bereavement counseling means counseling of *enrollees* of a deceased person's *immediate family* that is designed to aid them in adjusting to the person's death.

Billed charges are the charges for medical care or healthcare services included on a claim submitted by a *physician* or *provider*.

Center of Excellence means a *hospital* that:

1. Specializes in a specific type or types of transplants or other services such as cancer, bariatric or infertility; and
2. Has agreed with *us* or an entity designated by *us* to meet quality of care criteria on a cost efficient basis. The fact that a *hospital* is a *network provider* does not mean it is a *Center of Excellence*.

Chiropractic care involves neuromuscular treatment in the form of manipulation and adjustment of the tissues of the body, particularly of the spinal column and may include physical medicine modalities or use of *durable medical equipment*.

Cognitive communication therapy are services designed to address modalities of comprehension and expression, including understanding, reading, writing, and verbal expression of information.

Complaint means any dissatisfaction expressed orally or in writing by a complainant to an insurer regarding any aspect of the insurer's operation. The term includes dissatisfaction relating to plan administration, procedures related to review or *appeal* of an *adverse determination*, the denial, reduction, or termination of a service for reasons not related to medical necessity, the manner in which a service is provided, and a disenrollment decision. The term does not include a misunderstanding or a problem of misinformation that is resolved promptly by clearing up the misunderstanding or supplying the appropriate information to the satisfaction of the *enrollee*; or a *provider's* or *enrollee's* oral or written expression of dissatisfaction or disagreement with an *adverse determination*.

Complications of pregnancy means:

1. conditions, requiring *hospital* confinement (when the *pregnancy* is not terminated), whose diagnoses are distinct from *pregnancy* but are adversely affected by *pregnancy* or are caused by *pregnancy*, such as acute nephritis, nephrosis, cardiac decompensation, missed abortion, and similar medical and surgical conditions of comparable severity, but shall not include false labor, occasional spotting, *provider* prescribed rest during the period of *pregnancy*, morning sickness, hyperemesis gravidarum, pre-eclampsia, and similar conditions associated with the management of a difficult *pregnancy* not constituting a nosologically distinct complication of *pregnancy*; and
2. non-elective cesarean section, termination of ectopic *pregnancy*, and spontaneous termination of *pregnancy*, occurring during a period of gestation in which a viable birth is not possible.

Contract, when *italicized*, refers to this *contract*, as issued and delivered to *you*. It includes the attached pages, the applications, and any amendments.

Copayment, Copay, or Copayment amount means the specific dollar amount that *you* may be required to pay when *you* receive *covered services*. *Copayment amounts* are shown in the *Schedule of Benefits*. Not all *covered services* have a *copayment amount*.

Cost sharing means the *deductible amount*, *copayment amount* and *coinsurance* that *you* pay for *covered services*. The *cost sharing* amount that *you* are required to pay for each type of *covered services* is limited in the *Schedule of Benefits*.

Cost-sharing reductions lowers the amount *you* have to pay in *deductibles*, *copayments* and *coinsurance*. To qualify for *cost-sharing reductions*, an eligible individual must enroll in a silver level plan through the Health Insurance Marketplace or be a member of a federally recognized American Indian tribe and/or an Alaskan Native enrolled in a *QHP* through the Health Insurance Marketplace.

Covered service or **covered service expenses** means healthcare services, supplies or treatment as described in this *contract* which are performed, prescribed, directed or *authorized* by a *provider*. To be a *covered service* the service, supply or treatment must be:

1. Provided or incurred while the *enrollee's* coverage is in force under this *contract*;
2. Covered by a specific benefit provision of this *contract*; and
3. Not excluded anywhere in this *contract*.

Custodial Care is treatment designed to assist an *enrollee* with activities of daily living and which can be provided by a layperson and not necessarily aimed at curing or assisting in recovery from a sickness or bodily *injury*.

Custodial care includes (but is not limited to) the following:

1. Personal care such as assistance in walking, getting in and out of bed, dressing, bathing, feeding and use of toilet;
2. Preparation and administration of special diets;
3. Supervision of the administration of medication by a caregiver;
4. Supervision of self-administration of medication; or
5. Programs and therapies involving or described as, but not limited to, convalescent care, rest care, sanatoria care, educational care or recreational care.

Deductible amount or **deductible** means the amount that *you* must pay in a calendar year for *covered expenses* before we will pay benefits. For family coverage, there is a family *deductible amount* which is two times the individual *deductible amount*. Both the individual and the family *deductible amounts* are shown in the *Schedule of Benefits*.

If *you* are a covered *enrollee* in a family of two or more *enrollees*, *you* will satisfy *your deductible amount* when:

1. *You* satisfy *your individual deductible amount*; or
2. *Your* family satisfies the family *deductible amount* for the calendar year.

If *you* satisfy *your individual deductible amount*, each of the other *enrollees* in *your* family are still responsible for the *deductible* until the family *deductible amount* is satisfied for the calendar year.

Dental services means *surgery* or services provided to diagnose, prevent, or correct any ailments or defects of the teeth and supporting tissue and any related supplies or oral appliances. Expenses for such treatment are considered *dental services* regardless of the reason for the services.

Drug discount, coupon or copay card means cards or coupons typically provided by a drug manufacturer to discount the *copay* or *your* other out of pocket costs (e.g. *deductible* or *maximum out-of-pocket*).

Durable medical equipment means items that are used to serve a specific diagnostic or therapeutic purpose in the treatment of an *illness* or *injury*, can withstand repeated use, are generally not useful to a person in the absence of *illness* or *injury*, and are appropriate for use in the patient's home.

Effective date means the date an *enrollee* becomes covered under this *contract* for *covered services*.

Eligible child means the child of an *enrollee*, if that child is less than 26 years of age. As used in this definition, "child" means:

1. A natural child;
2. A stepchild;
3. A legally adopted child and child for which the primary *enrollee* must provide medical support under an order issued under Section 14.061, Family Code, or another order enforceable by a court in Texas;
4. A child placed with *you* for adoption for whom *you* are a party in a suit in which the adoption of the child is sought;
5. A child for whom legal guardianship has been awarded to *you* or *your spouse*. It is *your* responsibility to notify the entity with which *you* enrolled (either the Marketplace or *us*) if *your child* ceases to be an *eligible child*. *You* must reimburse *us* for any benefits that *we* provide or pay for a child at a time when the child did not qualify as an *eligible child*;
6. A child who is a resident of Texas or a full-time student at an accredited higher education institution;
7. A child who is not employed by an employer that offers any health benefit plan under which the *dependent enrollee* is eligible for coverage;
8. A child who is not eligible for coverage under Medicaid or Medicare;
9. Any children of the *enrollee's* children, if those children are dependents of the *enrollee* for federal income tax purposes at the time of application; or
10. A child whose coverage is required by a medical support order.

Eligible service expense means a *covered service expense* as determined below.

1. For *network providers*: When a *covered service* is received from a *network provider*, the *eligible service expense* is the contracted fee with that *provider*.
2. For *non-network providers*:
 - a. When a *covered service* is received from a *non-network provider* as a result of an emergency and a *network provider* cannot reasonably be reached, the *eligible service expense* is the lesser of: (1) the negotiated fee, if any, that has been mutually agreed upon by *us* and the *provider* as payment in full, or (2) the usual and customary rate for such service. *You* may be billed for the amount above the usual and customary rate. If *you* have received *emergency care* provided by a *non-network provider*, Ambetter from Superior HealthPlan will work with the *non-network provider* to resolve the bill so that *you* only have to pay any applicable *copayment*, *coinsurance* or *deductible amounts*. *You* must see a *network provider* for any follow-up care.
 - b. When a *covered service* is received from a *non-network provider* as a result of an emergency and a *network provider* can reasonably be reached, the *eligible service expense* is the lesser of: (1) the negotiated fee, if any, that has been mutually agreed upon by *us* and the *provider* as payment in full, or (2) the usual and customary rate for such service. *You* may be billed

- for the amount above the usual and customary rate. If *you* have received *emergency care* provided by a *non-network provider*, in most cases Ambetter from Superior HealthPlan will work with the *non-network provider* to resolve the bill so that *you* only have to pay any applicable *copayment, coinsurance or deductible amounts*. *You* must see a *network provider* for any follow-up care.
- c. When the service or supply is not the result of an emergency and is not of a type provided by any *network provider* and a *covered service* is received from a *non-network provider* or, if a list of *non-network providers* is provided by *us*, received from a *non-network provider* selected from the list provided by *us*, the *eligible service expense* is the negotiated fee, if any, that has been mutually agreed upon by *us* and the *provider* as payment in full. If there is no negotiated fee agreed to by the *provider* with *us*, the *eligible service expense* is the usual and customary rate for such service. *You* may be billed for the amount above the usual and customary rate. If *you* have received non-emergency care provided by a *non-network provider* selected from a list provided by *us*, Ambetter from Superior HealthPlan will work with the *non-network provider* to resolve the bill so that *you* only have to pay any applicable *copayment, coinsurance or deductible amounts*. *You* must see a *network provider* for any follow-up care.
 - d. When the service or supply is not the result of an emergency and is not of a type provided by any *network provider*, a list of *non-network providers* is provided by *us*, and a *covered service* is received from a *non-network provider* not selected from the list provided by *us*, the *eligible service expense* is the usual or customary charge for such service. *You* may be billed for the amount above the usual or customary charge. Payment of *your* claim will be based on the preferred benefit *coinsurance* level. *Cost sharing you* pay for will apply towards *your* plan's *deductible* and *maximum out-of-pocket amounts* so long as *you* notify and provide *us* with evidence of the payment made to the *provider*. *You* must see a *network provider* for any follow-up care.
 - e. When a *covered service* is received from a *non-network provider* as *approved or authorized* by *us*, the *eligible service expense* is the negotiated fee, if any, that has been mutually agreed upon by *us* and the *provider* as payment in full (*you* will not be billed for the difference between the negotiated fee and the *provider's* charge). If there is no negotiated fee agreed to by the *provider* with *us*, the *eligible service expense* is the usual and customary rate for such service. *You* may be billed for the amount above the usual and customary rate. If *you* have received care provided by a *non-network provider* that is *authorized* by *us*, Ambetter from Superior HealthPlan will work with the *non-network provider* to resolve the bill so that *you* only have to pay any applicable *copayment, coinsurance or deductible amounts*. *You* must see a *network provider* for any follow-up care.
 - f. If a claim for a *covered service* or supply received from a *non-network provider* is eligible for *mediation* under applicable Texas law, we may require *you* to request *mediation* with the *non-network provider*. We will notify *you* when *mediation* is available and inform *you* of how to request *mediation*. We may ask *you* to participate in the *mediation*, but *you* will not be required to participate if *you* choose not to. An *enrollee's* eligibility for coverage under this *contract* will cease on the earlier of:

1. The date that an *enrollee* has failed to pay premiums or contributions in accordance with the terms of this *contract* or the date that *we* have not received timely premium payments in accordance with the terms of this *contract*;
2. The date the *enrollee* has performed an act or practice that constitutes fraud or made an intentional misrepresentation of a material fact;
3. The date of termination that the Marketplace provides *us* upon *your* request of cancellation to the Marketplace, or if *you* enrolled directly with us, the date *we* receive a request from *you* to terminate this contract, or any later date stated in *your* request;
4. The date *we* decline to renew this policy, as stated in the Discontinuance provision; or
5. The date of an *enrollee's* death.

For Dependent Enrollees

A *dependent enrollee* will cease to be an *enrollee* at the end of the premium period in which he/she ceases to be *your dependent enrollee*. For *eligible children*, coverage will terminate the thirty-first of December the year that the dependent turns 26 years of age.

An *enrollee* will not cease to be a *dependent eligible child* solely because of age if the *eligible child* is:

1. Not capable of self-sustaining employment due to mental retardation or physical disability; and
2. Mainly dependent on *you* for support and maintenance.

If *you* have material modifications (examples include a change in life event such as marriage, death or other change in family status), or questions related to *your* health insurance coverage, contact the Health Insurance Marketplace at www.healthcare.gov or 1-800-318-2596. If *you* enrolled through Ambetter, please contact 877-687-1196 (Relay Texas/TTY 1-800-735-2989).

Prior Coverage

If an *enrollee* is confined as an *inpatient* in a *hospital* on the *effective date* of this agreement, and prior coverage terminating immediately before the *effective date* of this agreement furnishes benefits for the hospitalization after the termination of prior coverage, then services and benefits will not be covered under this agreement for that *enrollee* until the *enrollee* is discharged from the *hospital* or benefits under the prior coverage are exhausted, whichever is earlier.

Open Enrollment

There will be an open enrollment period for coverage on the Health Insurance Marketplace. The open enrollment period begins November 1, 2018 and extends through December 15, 2018. *Qualified individuals* who enroll on or before December 15, 2018 will have an *effective date* of coverage on January 1, 2019.

The Health Insurance Marketplace may provide a coverage *effective date* for a *qualified individual* earlier than specified in the paragraphs above, provided that either:

1. The *qualified individual* has not been determined eligible for *advanced premium tax credit* or *cost-sharing reductions*; or
2. The *qualified individual* pays the entire premium for the first partial month of coverage as well as all *cost sharing*, thereby waiving the benefit of *advanced premium tax credit* and *cost-sharing*

reduction payments until the first of the next month. We will send written annual open enrollment notification to each *enrollee* no earlier than September 1st, and no later than September 30th.

Special Enrollment

A *qualified individual* has 60 days to report a qualifying event to the Health Insurance Marketplace and could be granted a 60 day Special Enrollment Period as a result of one of the following events:

1. A *qualified individual* or dependent *loses minimum essential coverage*, non-calendar year group or individual health insurance coverage, pregnancy-related coverage, access to healthcare services through coverage provided to a pregnant *enrollee's* unborn child, or medically needed coverage;
2. A *qualified individual* gains a dependent or becomes a dependent through marriage, birth, adoption, placement for adoption, placement in foster care, or a child support order or other court order;
 - a. In the case of marriage, at least one *spouse* must demonstrate having minimum essential coverage as described in 26 CFR § 1.5000A-1(b) for 1 or more days during the 60 days preceding the date of marriage.
3. An individual, who was not previously a citizen, national, or lawfully present individual, gains such status;
4. An individual who is no longer incarcerated or whose incarceration is pending the disposition of charges;
5. A *qualified individual's* enrollment or non-enrollment in a *qualified health plan* is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, or inaction of an officer, employee, or agent of the Health Insurance Marketplace or HHS, or its instrumentalities as evaluated and determined by the Health Insurance Marketplace. In such cases, the Health Insurance Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation, or inaction;
6. An *enrollee* adequately demonstrates to the Health Insurance Marketplace that the *qualified health plan* in which he or she is enrolled substantially violated a material provision of its *contract* in relation to the *enrollee's* decision to purchase the *qualified health plan* based on plan benefits, *service area* or premium;
7. An individual is determined newly eligible or newly ineligible for *advanced premium tax credit* or has a change in eligibility for *cost-sharing reductions*, regardless of whether such individual is already enrolled in a *qualified health plan*;
8. A *qualified individual* or *enrollee* gains access to new *qualified health plans* as a result of a permanent move;
9. Qualifying events as defined under section 603 of the Employee Retirement Income Security Act of 1974, as amended;
 - a. The qualifying events for employees are:
 - i. Voluntary or involuntary termination of employment for reasons other than gross misconduct; or
 - ii. Reduction in the number of hours of employment.
 - b. The qualifying events for *spouses* are:
 - i. Voluntary or involuntary termination of the covered employee's employment for any reason other than gross misconduct;
 - ii. Reduction in the hours worked by the covered employee;
 - iii. Covered employee's becoming entitled to Medicare;
 - iv. Divorce or legal separation of the covered employee; or
 - v. Death of the covered employee.

- c. The qualifying events for dependent children are the same as for the *spouse* with one addition:
 - i. Loss of dependent child status under the plan rules.
- 10. An Indian, as defined by section 4 of the Indian Health Care Improvement Act, may enroll in a *qualified health plan* or change from one *qualified health plan* to another one time per month;
- 11. A *qualified individual* or *enrollee* demonstrates to the Health Insurance Marketplace, in accordance with guidelines issued by HHS, that the individual meets other exceptional circumstances as the Health Insurance Marketplace may provide;
- 12. A *qualified individual* or dependent is a victim of domestic abuse or spousal abandonment and would like to enroll in coverage separate from the perpetrator of the abuse or abandonment;
- 13. A *qualified individual* or dependent is determined to be potentially eligible for Medicaid or Children's Health Insurance Program (CHIP), but is subsequently determined to be ineligible after the open enrollment period has ended or more than 60 days after the qualifying event; or
- 14. At the option of the Health Insurance Marketplace, a *qualified individual* provides satisfactory documentary evidence to verify his or her eligibility for an insurance affordability program or enrollment in a *qualified health plan* through the Health Insurance Marketplace following termination of Marketplace enrollment due to a failure to verify such status within the time period specified in 45 CFR § 155.315 or is under 100 percent of the federal poverty level and did not enroll in coverage while waiting for HHS to verify his or her citizenship, status as a national, or lawful presence.

The Health Insurance Marketplace may provide a coverage *effective date* for a *qualified individual* earlier than specified in the paragraphs above, provided that either:

- 1. The *qualified individual* has not been determined eligible for *advanced premium tax credit* or *cost-sharing reductions*; or
- 2. The *qualified individual* pays the entire premium for the first partial month of coverage as well as all *cost sharing*, thereby waiving the benefit of *advanced premium tax credit* and *cost-sharing reduction* payments until the first of the next month.

PREMIUMS

Premium Payment

Each premium is to be paid on or before its due date. The initial premium must be paid prior to the coverage *effective date*, although an extension may be provided during the annual Open Enrollment period.

Grace Period

When an *enrollee* is receiving a premium subsidy:

Grace Period: A grace period of 90 days will be granted for the payment of each premium due after the first premium. During the grace period, the policy continues in force.

If full payment of premium is not received within the grace period, coverage will be terminated as of the last day of the first month during the grace period, if *advanced premium tax credits* are received.

We will continue to pay all appropriate claims for *covered services* rendered to the *enrollee* during the first and second month of the grace period, and may pend claims for *covered services* rendered to the *enrollee* in the third month of the grace period. We will notify HHS of the non-payment of premiums, the *enrollee*, as well as *providers* of the possibility of denied claims when the *enrollee* is in the third month of the grace period. We will continue to collect *advanced premium tax credits* on behalf of the *enrollee* from the Department of the Treasury, and will return the *advanced premium tax credits* on behalf of the *enrollee* for the second and third month of the grace period if the *enrollee* exhausts their grace period as described above. An *enrollee* is not eligible to re-enroll once terminated, unless an *enrollee* has a special enrollment circumstance, such as a marriage or birth in the family or during annual open enrollment periods.

When an *enrollee* is not receiving a premium subsidy:

Grace Period: A grace period of 30 days will be granted for the payment of each premium due after the first premium. During the grace period, the policy continues in force.

Premium payments are due in advance, on a calendar month basis. Monthly payments are due on or before the first day of each month for coverage effective during such month. This provision means that if any required premium is not paid on or before the date it is due, it may be paid during the grace period. During the grace period, the *contract* will stay in force; however, claims may pend for *covered services* rendered to the *enrollee* during the grace period. We will notify HHS, as necessary, of the non-payment of premiums, the *enrollee*, as well as *providers* of the possibility of denied claims when the *enrollee* is in the grace period.

Third Party Payment of Premium

Ambetter requires each *enrollee* to pay his or her premiums and this is communicated on *your* monthly billing statements. Ambetter payment policies were developed based on guidance from the Centers for Medicare and Medicaid Services (CMS) recommendations against accepting *third party* premiums. Consistent with CMS guidance, the following are the ONLY acceptable third parties who may pay Ambetter premiums on *your* behalf:

1. Ryan White HIV/AIDS Program under title XXVI of the Public Health Service Act;
2. Indian tribes, tribal organizations or urban Indian organizations;
3. State and Federal Government programs;

4. Family members; or
5. Private, not-for-profit foundations which have no incentive for financial gain, no financial relationship, or affiliation with *providers of covered services* and supplies on behalf of *enrollees*, where eligibility is determined based on defined criteria without regard to health status and where payments are made in advance for a coverage period from the *effective date* of eligibility through the remainder of the calendar year.

Upon discovery that premiums were paid by a person or entity other than those listed above, *we* will reject the payment and inform the *enrollee* that the payment was not accepted and that the subscription charges remain due.

Misstatement of Age

If an *enrollee's* age has been misstated, the *enrollee's* premium may be adjusted to what it should have been based on the *enrollee's* actual age.

Change or Misstatement of Residence

If *you* change *your residence*, *you* must notify the Health Insurance Marketplace of *your* new *residence* within 60 days of the change. As a result *your* premium may change and *you* may be eligible for a Special Enrollment Period. See the section on Special Enrollment Periods for more information.

Misstatement of Tobacco Use

The answer to the tobacco question on the application is material to *our* correct underwriting. If an *enrollee's use of tobacco* has been misstated on the *enrollee's* application for coverage under this *contract*, *we* have the right to rerate the *contract* back to the original *effective date*.

Billing/Administrative Fees

Upon prior written notice, *we* may impose an administrative fee for credit card payments. This does not obligate *us* to accept credit card payments. *We* will charge a \$20 fee for any check or automatic payment deduction that is returned unpaid.

COST SHARING FEATURES

Cost Sharing Features

We will pay benefits for *covered services* as described in the *Schedule of Benefits* and the *covered services* sections of this *contract*. All benefits we pay will be subject to all conditions, limitations, and *cost sharing* features of this *contract*. *Cost sharing* means that you participate or share in the cost of your healthcare services by paying *deductible amounts*, *copayments* and *coinsurance* for some *covered services*. For example, you may need to pay a *copayment* or *coinsurance* amount when you visit your *physician* or are admitted into the *hospital*. The *copayment* or *coinsurance* required for each type of service as well as your *deductible* is listed in your *Schedule of Benefits*.

Copayments

Enrollees may be required to pay *copayments* at the time of services as shown in the *Schedule of Benefits*. Payment of a *copayment* does not exclude the possibility of an additional billing if the service is determined to be a *non-covered service*. *Copayments* do not apply toward the *deductible amount*, but do apply toward meeting the *maximum out-of-pocket amount*.

Deductibles

The benefits of the plan will be available after satisfaction of the applicable *deductibles* as shown on your *Schedule of Benefits*. The *deductibles* are explained as follows:

Calendar Year Deductible: The individual *deductible amount* shown under “Deductibles” on your *Schedule of Benefits* must be satisfied by each *enrollee* under your coverage each calendar year.

This *deductible*, unless otherwise indicated, will be applied to all categories of *eligible service expenses* before benefits are available under the plan.

The following are exceptions to the *deductibles* described above:

1. If you have several covered dependents, all charges used to apply toward an “individual” *deductible amount* will be applied toward the “family” *deductible amount* shown on your *Schedule of Benefits*.
2. When that family *deductible amount* is reached, no further individual *deductibles* will have to be satisfied for the remainder of that calendar year. No *enrollee* will contribute more than the individual *deductible amounts* to the “family” *deductible amount*.

The *deductible amount* does not include any *copayment amount*.

Coinsurance Stop-Loss Amount

Most of your *eligible service expense* payment obligations, including *copayment amounts*, are considered *coinsurance* amounts and are applied to the *coinsurance* stop-loss amount maximum.

Your *coinsurance* stop-loss amount will **not** include:

1. Services, supplies, or charges limited or excluded by the plan;
2. Expenses not covered because a benefit maximum has been reached;
3. Any *eligible service expenses* paid by the primary plan when Ambetter from Superior HealthPlan is the secondary plan for purposes of coordination of benefits;
4. Any *deductibles*;

5. Penalties applied for failure to receive *authorization*;
6. Any *copayment amounts* paid under the Pharmacy Benefits; or
7. Any remaining unpaid Medical/ Surgical Expense in excess of the benefits provided for covered drugs.

Individual Coinsurance Stop-Loss Amount

When the *coinsurance* amount for the in-network or out-of-network benefits level for an *enrollee* in a calendar year equals the “individual” “*coinsurance stop-loss amount*” shown on *your Schedule of Benefits* for that level, the benefit percentages automatically increase to 100% for purposes of determining the benefits available for additional *eligible service expenses* incurred by that *enrollee* for the remainder of that calendar year for that level.

Family Coinsurance Stop-Loss Amount

When the *coinsurance* amount for the in-network or out-of-network benefits level for all *enrollees* under *your* coverage in a calendar year equals the “family” “*coinsurance stop-loss amount*” shown on *your Schedule of Benefits* for that level, the benefit percentages automatically increase to 100% for purposes of determining the benefits available for additional *eligible service expenses* incurred by all family *enrollees* for the remainder of that calendar year for that level. No *enrollee* will be required to contribute more than the individual *coinsurance* amount to the family *coinsurance stop-loss amount*.

Coinsurance Percentage

We will pay the applicable *coinsurance* in excess of the applicable *deductible amount(s)* and *copayment amount(s)* for a service or supply that:

1. Qualifies as a *covered service expense* under one or more benefit provisions; and
2. Is received while the *enrollee's* insurance is in force under the *contract* if the charge for the service or supply qualifies as an *eligible service expense*.

When the annual out-of-pocket maximum has been met, additional *covered service expenses* will be provided or payable at 100% of the allowable expense.

The amount provided or payable will be subject to:

1. Any specific benefit limits stated in the *contract*;
2. A determination of *eligible service expenses*.

The applicable *deductible amount(s)*, *coinsurance*, and *copayment amounts* are shown on the *Schedule of Benefits*.

Note: The bill *you* receive for services or supplies from a *non-network provider* may be significantly higher than the *eligible service expenses* for those services or supplies. In addition to the *deductible amount*, *copayment amount*, and *coinsurance*, *you* are responsible for the difference between the *eligible service expense* and the amount the *provider* bills *you* for the services or supplies. Any amount *you* are obligated to pay to the *provider* in excess of the *eligible service expense* will not apply to *your deductible amount* or out-of-pocket maximum.

Changing the Deductible

You may increase the *deductible* to an amount currently available only if enrolled through a special enrollment period. A request for an increase in the *deductible* between the first and fifteenth day of the month will become effective on the first day of the following month. Requests between the sixteenth and last day of the month will become effective on the first day of the second following month. *Your* premium will then be adjusted to reflect this change.

Coverage Under Other Policy Provisions

Charges for services and supplies that qualify as *covered service expenses* under one benefit provision will not qualify as *covered service expenses* under any other benefit provision of this *contract*.

MANAGING YOUR HEALTHCARE

Continuity of Care

In the event an *enrollee* is under the care of a *network provider* at the time such *provider* stops participating in the *network* and at the time of the *network provider's* termination, the *enrollee* has *special circumstances* such as a (1) disability, (2) undergoing active treatment for a chronic or acute medical condition, (3) life-threatening *illness*, or (4) second (2nd) or third (3rd) trimester of *pregnancy* and is receiving treatment in accordance with the dictates of medical prudence, Ambetter will continue providing coverage for that *provider's* services at the in-network benefit level.

Special circumstances means a condition such that the treating *physician* or healthcare *provider* reasonably believes that discontinuing care by the treating *physician* or *provider* could cause harm to the *enrollee* who is a patient. Examples of an *enrollee* who has a special circumstance include an *enrollee* with a disability, acute condition, life-threatening *illness*, or who is past the 24th week of *pregnancy*.

Special circumstances shall be identified by the treating *physician* or healthcare *provider*, who must request that the *enrollee* be permitted to continue treatment under the *physician's* or *provider's* care and agree not to seek payment from the *enrollee* of any amounts for which the *enrollee* would not be responsible if the *physician* or *provider* were still a *network provider*.

The continuity of coverage under this subsection will not extend for more than ninety (90) days, or more than nine (9) months, if the *enrollee* has been diagnosed with a terminal *illness*, beyond the date the *provider's* termination from the *network* takes effect. If an *enrollee* is past the 24th week of *pregnancy* at the time the *provider's* termination takes effect, continuity of coverage may be extended through delivery of the child, immediate postpartum care, and the follow-up check-up within the first six (6) weeks after delivery.

Primary Care Provider

All *enrollees* are encouraged to select a *primary care provider*. You may select any *network primary care provider* who is accepting new patients, or you may select a *network provider* of which you are a current patient. If you do not select a *network primary care provider* for each *enrollee*, one may be assigned. You may obtain a list of *network primary care providers* at our website or by contacting our Customer Service department.

Your *network primary care provider* will assist you in coordinating all covered health services with other *network providers*, if necessary. Should *medically necessary* covered healthcare services not be available through *network providers*, upon the request of a *network primary care provider*, within the time appropriate to the circumstances relating to the delivery of the healthcare services and your condition, but in no event to exceed five (5) business days after receipt of reasonably requested documentation, we shall allow a referral to a *non-network provider* and shall fully reimburse the *non-network provider* at the usual and customary rate or agreed rate.

Prior Authorization

Some *covered services* require *prior authorization*. In general, *network providers* must obtain *authorization* from us prior to providing a service or supply to an *enrollee*. However, there are some *covered services* for which you must obtain the *prior authorization*.

For services or supplies that require *prior authorization*, as shown on the *Schedule of Benefits*, you must obtain *authorization* from us before you or your *dependent enrollee*:

1. Receives a service or supply from a *non-network provider*;
2. Are admitted into a *network facility* by a *non-network provider*; or
3. Receives a service or supply from a *network provider* to which *you* or *your dependent enrollee* were referred by a *non-network provider*.

We suggest that *prior authorization* requests are submitted to us by phone/efax/Provider Portal as follows:

1. At least 5 days prior to an elective admission as an *inpatient* in a *hospital, extended care or rehabilitation facility, or hospice facility*.
2. At least 30 days prior to the initial evaluation for organ transplant services.
3. At least 30 days prior to receiving clinical trial services.
4. Within 24 hours of any *inpatient* admission, including emergent *inpatient* admissions.
5. At least 5 days prior to the scheduled start of *home health services*, except those *enrollees* needing *home health services* after *hospital* discharge.

After *prior authorization* has been requested and all required or applicable documentation has been submitted, we will notify *you* and *your provider* if the request has been *approved* as follows:

1. For services that require *prior authorization*, within 3 business days of receipt.
2. For concurrent review, within 24 hours of receipt of the request.
3. For post-stabilization treatment or life-threatening condition, within the timeframe appropriate to the circumstances and condition of the *enrollee*, but not to exceed one hour of receipt of the request.
4. For post-service requests, within 30 calendar days of receipt of the request.

How to Obtain Prior Authorization

To obtain *prior authorization* or to confirm that a *network provider* has obtained *prior authorization*, contact us by telephone at the telephone number listed on *your* health insurance identification card before the service or supply is provided to the *enrollee*.

Failure to Obtain Prior Authorization

Failure to comply with the *prior authorization* requirements will result in benefits being reduced or not covered.

Network providers cannot bill *you* for services for which they fail to obtain *prior authorization* as required.

In cases of emergency, benefits will not be reduced for failure to comply with *prior authorization* requirements. However, *you* must contact us as soon as reasonably possible after the emergency occurs.

Prior Authorization Does Not Guarantee Benefits

Our authorization does not guarantee either payment of benefits or the amount of benefits and is only a statement that proposed services are *medically necessary* and appropriate. If a *provider* materially misrepresents the proposed medical or healthcare services, or has substantially failed to perform the proposed medical or healthcare services, we may deny or reduce payment to the *provider*. Eligibility for and payment of benefits are subject to all terms and conditions of the *contract*.

Hospital Based Providers

When receiving care at a *network hospital* or other *facility*, it is possible that some *hospital-based providers* (for example, anesthesiologists, emergency room *providers*, radiologists, pathologists) may not be under contract with Ambetter as *network providers*. These *providers* may bill *you* for the difference between

Ambetter's *eligible service expense* and the *provider's billed charge* – this is known as “*balance billing*”. We encourage *you* to inquire about the *providers* who will be treating *you* before *you* begin *your* treatment, so *you* can understand their *network* status with Ambetter.

Although healthcare services may be or have been provided to *you* at a healthcare *facility* that is a member of the *provider network* used by Ambetter, other professional services may be or have been provided at or through the *facility* by *physicians* and other medical practitioners who are not members of that *network*. *You* may be responsible for payment of all or part of these fees for those professional services that are not paid or covered by Ambetter.

If *you* receive a bill for *emergency care* rendered at a non-*network facility* or by a non-*network provider*, *you* must submit that bill and all related documentation to the Texas Department of Insurance to initiate a request for *balance billing mediation*. A copy of the request form may be obtained by calling 1-800-252-3439.

COVERED HEALTHCARE SERVICES AND SUPPLIES

The plan provides coverage for healthcare services for *you* and *your* covered dependents when received from *network providers*. Some services require *prior authorization*.

Copayment amounts must be paid to *your network provider* at the time *you* receive services.

The benefit percentages of *your* total eligible healthcare services shown on the *Schedule of Benefits* in excess of *your copayment amounts*, *coinsurance* amounts, and any applicable *deductibles* shown are the plan's obligation. The remaining unpaid Medical/ Surgical Expense in excess of the *copayment amounts*, *coinsurance* amounts, and any *deductibles* is *your* obligation to pay.

To calculate *your* benefits, subtract any applicable *copayment amounts* and *deductibles* from *your* total eligible Medical/ Surgical Expense and then multiply the difference by the benefit percentage shown on *your Schedule of Benefits*. Most remaining unpaid healthcare services in excess of the *copayment amounts* and *deductible* is *your coinsurance* amount.

All *covered services* are subject to conditions, exclusions, limitations, terms and provision of this *contract*. *Covered services* must be *medically necessary* and not *experimental* or *investigational*.

Benefit Limitations

Limitations may also apply to some *covered services* that fall under more than one *covered service* category. Please review all limits carefully. Ambetter from Superior HealthPlan will not pay benefits for any of the services, treatments, items or supplies that exceed benefit limits.

Acquired Brain Injury Services

Benefits for *eligible service expenses* incurred for *medically necessary* treatment of an *Acquired Brain Injury* will be determined on the same basis as treatment for any other physical condition. *Cognitive rehabilitation therapy, cognitive communication therapy, neurocognitive therapy and rehabilitation; neurobehavioral, neuropsychological, neurophysiological and psychophysiological testing and treatment; neurofeedback therapy*, remediation required for and related to treatment of an *Acquired Brain Injury*, post-acute transition services and *community reintegration services*, including *outpatient day treatment services*, or any other post-acute treatment services are covered, if such services are necessary as a result of and related to an *Acquired Brain Injury*.

Treatment for an *Acquired Brain Injury* may be provided at a *hospital*, an acute or post-acute *rehabilitation hospital*, an assisted living *facility* or any other *facility* at which appropriate *services* or *therapies* may be provided. *Service* means the work of testing, treatment, and providing therapies to an individual with an *Acquired Brain Injury*. *Therapy* means the scheduled remedial treatment provided through direct interaction with the individual to improve a pathological condition resulting from an *Acquired Brain Injury*.

To ensure that appropriate post-acute care treatment is provided, this plan includes coverage for reasonable expenses related to periodic reevaluation of the care of an individual covered who:

1. Has incurred an *Acquired Brain Injury*;
2. Has been unresponsive to treatment; and
3. Becomes responsive to treatment at a later date.

Treatment goals for services may include the maintenance of functioning or the prevention of or slowing of further deterioration.

Ambulance Services

Covered service expenses will include ambulance services for local transportation:

1. To the nearest *hospital* that can provide services appropriate to the *enrollee's illness or injury*, in cases of emergency.
2. To the nearest neonatal special care unit for newborn infants for treatment of *illnesses, injuries, congenital birth defects, or complications of premature birth* that require that level of care.
3. Transportation between *hospitals* or between a *hospital* and skilled nursing or *rehabilitation facility* when *authorized* by Ambetter from Superior HealthPlan.

Benefits for air ambulance services are limited to:

1. Services requested by police or medical authorities at the site of an emergency.
2. Those situations in which the *enrollee* is in a location that cannot be reached by ground ambulance.

Exclusions:

No benefits will be paid for:

1. Expenses incurred for ambulance services covered by a local governmental or municipal body, unless otherwise required by law.
2. Non-emergency air ambulance.
3. Air ambulance:
 - a. Outside of the 50 United States and the District of Columbia;
 - b. From a country or territory outside of the United States to a location within the 50 United States or the District of Columbia; or
 - c. From a location within the 50 United States or the District of Columbia to a country or territory outside of the United States.
4. Ambulance services provided for an *enrollee's* comfort or convenience.
5. Non-emergency transportation excluding ambulances.

Autism Spectrum Disorder Benefits

Generally recognized services prescribed in relation to *autism spectrum disorder* by the *enrollee's physician* or Behavioral Health Practitioner in a treatment plan recommended by that *physician* or Behavioral Health Practitioner.

Individuals providing treatment prescribed under that plan must be a healthcare practitioner:

1. who is licensed, certified, or registered by an appropriate agency of the state of Texas;
2. whose professional credential is recognized and accepted by an appropriate agency of the United States; or
3. who is certified as a *provider* under the TRICARE military health system.

For purposes of this section, generally recognized services may include services such as:

1. evaluation and assessment services;
2. *applied behavior analysis*;
3. behavior training and behavior management;
4. speech therapy;
5. occupational therapy;
6. physical therapy; or

7. medications or nutritional supplements used to address symptoms of *autism spectrum disorder*.

Eligible service expenses, as otherwise covered under this *contract*, will be available. All provisions of this *contract* will apply, including but not limited to, defined terms, limitations and exclusions, *prior authorizations* and benefit maximums.

Mental Health and Substance Use Disorder Benefits

The coverage described below is intended to comply with requirements under the Paul Wellstone-Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 as well as House Bill 10, which was enacted by the 85th Texas legislature.

Mental health services will be provided on an *inpatient* and outpatient basis and include treatable mental health conditions. These conditions affect the *enrollee's* ability to cope with the requirements of daily living. If you need *mental health* and/or *substance use disorder* treatment, you may choose any *provider* participating in our behavioral health *network*. *Deductible amounts*, *copayment* or *coinsurance* amounts and treatment limits for covered *mental health* and *substance use disorder* benefits will be applied in the same manner as physical health service benefits.

Covered services for *mental health* and *substance use disorder* are included on a non-discriminatory basis for all *enrollees* for the diagnosis and *medically necessary* and active treatment of mental, emotional, or *substance use disorders* as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM) of the American Psychiatric Association or the International Statistical Classification of Diseases and Related Health Problems (ICD).

When making coverage determinations, *our* utilization management staff employ established level of care guidelines and medical necessity criteria that are based on currently accepted standards of practice and take into account legal and regulatory requirements. They utilize McKesson's Interqual criteria for mental health determinations and American Society of Addiction Medicine (ASAM) criteria for substance abuse determinations. Services should always be provided in the least restrictive clinically appropriate setting. Any determination that requested services are not *medically necessary* will be made by a qualified licensed mental health professional.

Chiropractic Services

Chiropractic services are covered when a participating chiropractor finds that the services are *medically necessary* to treat or diagnose neuromusculoskeletal disorders on an outpatient basis. See the *Schedule of Benefits* for benefit levels or additional limits. *Covered service expenses* are subject to all other terms and conditions of the *contract*, including the Deductibles and Coinsurance Percentage provisions.

Dialysis Services

Medically necessary acute and chronic dialysis services are covered benefits unless other coverage is primary, such as Medicare for dialysis. There are two types of treatment provided *you* meet all the criteria for treatment. *You* may receive hemodialysis in an in-network dialysis *facility* or peritoneal dialysis in *your* home from a *network provider* when *you* qualify for home dialysis.

Covered service expenses and supplies include:

1. Services provided in an outpatient dialysis *facility* or when services are provided in the home;

Emergency Care and Treatment of Accidental Injury

Benefits for Emergency Care and Treatment of Accidental Injury

The plan provides coverage for medical emergencies wherever they occur. Examples of medical emergencies are unusual or excessive bleeding, broken bones, acute abdominal or chest pain, unconsciousness, convulsions, difficult breathing, suspected heart attack, sudden persistent pain, severe or

multiple *injuries* or burns, and poisonings.

If reasonably possible, contact *your network provider* or Behavioral Health Practitioner before going to the *hospital* emergency room/treatment room. They can help *you* determine if *you* need *emergency care* or treatment of an accidental *injury* and recommend that care. If not reasonably possible, go to the nearest emergency *facility*, whether or not the *facility* is in the *network*.

Whether *you* require hospitalization or not, *you* should notify *your network provider* or Behavioral Health Practitioner within 48 hours, or as soon as reasonably possible, of any emergency medical treatment so he or she can recommend the continuation of any necessary medical services.

All treatment received from a *non-network provider* for an emergency medical condition prior to stabilization, and including services originating in an emergency *facility* following treatment or stabilization of an emergency medical condition, will be treated as *covered services* received from a *network provider*.

Treatment provided by *non-network providers* after stabilization of the emergency medical condition, and not originating in the emergency *facility*, requires *prior authorization*. We will facilitate transfer to a *network facility* for necessary *inpatient* care following stabilization of an emergency medical condition treated at a *non-network facility*. Please notify *us* as soon as reasonably possible upon receiving treatment for an emergency medical condition. Unless *authorized by us*, services received from a *non-network provider* following stabilization of an emergency medical condition are not *covered services*.

For example, the reimbursement for a motorized wheelchair will be limited to the reimbursement for a standard wheelchair, when a standard wheelchair adequately accommodates *your* condition. Repair, adjustment and replacement of purchased equipment, supplies or appliances as set forth below may be covered, as *approved* by *us*. The repair, adjustment or replacement of the purchased equipment, supply or appliance is covered if:

The Plan will not pay for rental for a longer period of time than it would cost to purchase equipment. The cost for delivering and installing the equipment are *covered services*. Payment for related supplies is a *covered service* only when the equipment is a rental, and medically fitting supplies are included in the rental; or the equipment is owned by the *enrollee*; medically fitting supplies may be paid separately. Maternity Care

An *inpatient* stay is covered for the mother and newborn for at least 48 hours following an uncomplicated vaginal delivery, and for at least 96 hours following an uncomplicated caesarean delivery. *We do not require that a physician or other healthcare provider obtain prior authorization.* However, an *inpatient* stay longer than 48 hours for a vaginal delivery or 96 hours for a cesarean delivery will require *prior authorization*.

5. *Hospital stays for other medically necessary reasons associated with maternity care.*

Note: This provision does not amend the *contract* to restrict any terms, limits, or conditions that may otherwise apply to *covered service expenses* for childbirth. This provision also does not require an *enrollee* who is eligible for coverage under a health benefit plan to:

1. give birth to a child in a *hospital* or other healthcare *facility*; or
2. remain under *inpatient* care in a *hospital* or other healthcare *facility* for any fixed term following the birth of a child.

In the event we cancel or do not renew this policy, there will be an extension of *pregnancy* benefits for a *pregnancy* commencing while the policy is in force and for which benefits would have been payable had the policy remained in force.

Newborns' and Mothers' Health Protection Act Statement of Rights

Health Insurance Issuers generally may not, under federal law, restrict benefits for any *hospital* length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending *provider*, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a *provider* obtain *authorization* from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Second Medical Opinion

Enrollees are entitled to a second medical opinion under the following conditions:

1. Whenever a minor *surgical procedure* is recommended to confirm the need for the procedure;
2. Whenever a serious *injury* or *illness* exists; or
3. Whenever *you* find that *you* are not responding to the current treatment plan in a satisfactory manner.

If requested, the second opinion consultation is to be provided by a *physician* of the *enrollee's* choice. The *enrollee* may select a *network provider* listed in the Healthcare Provider Directory. If an *enrollee* chooses a *network provider*, he or she will only be responsible for the applicable *cost sharing* for the consultation. Any lab tests and/or diagnostic and therapeutic services are subject to the additional *cost sharing*. If a second medical opinion is obtained by a *non-network provider*, *prior authorization* must be obtained before services are considered an *eligible service expense*. If *prior authorization* is not obtained for a second medical opinion from a *non-network provider*, *you* will be responsible for the related expenses.

Clinical Trial Coverage

Clinical Trial Coverage includes *routine patient care costs* incurred as the result of an approved phase I, II, III or phase IV clinical trial and the clinical trial is undertaken for the purposes of prevention, early detection, or treatment of cancer or other life-threatening disease or condition. Coverage will include *routine patient care costs* incurred for (1) drugs and devices that have been approved for sale by the Food and Drug Administration (FDA), regardless of whether approved by the FDA for use in treating the patient's particular condition, (2) reasonable and *medically necessary* services needed to administer the drug or use the device under evaluation in the clinical trial and (3) all items and services that are otherwise generally available to a *qualified individual* that are provided in the clinical trial except:

1. The *investigational* item or service itself;
2. Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; and
3. Items and services customarily provided by the research sponsors free of charge for any *enrollee* in the trial.

Phase I and II clinical trials must meet the following requirements:

1. Phase I and II of a clinical trial is sanctioned by the National Institutes of Health (NIH) or National Cancer Institute (NCI) and conducted at academic or National Cancer Institute Center; and
2. The *enrollee* is enrolled in the clinical trial. This section shall not apply to *enrollees* who are only following the protocol of phase I or II of a clinical trial, but not actually enrolled.

Phase III and IV clinical trials must be approved or funded by one of the following entities:

1. One of the National Institutes of Health (NIH);
2. The Centers for Disease Control and Prevention;
3. The Agency for Health Care Research and Quality;
4. The Centers for Medicare & Medicaid Services;
5. An NIH Cooperative Group or Center;
6. The FDA in the form of an *investigational* new drug application;

8. An institutional review board in this state that has an appropriate assurance approved by the Department of Health and Human Services assuring compliance with and implementation of regulations for the protection of human subjects; or
9. A qualified non-governmental research entity that meets the criteria for NIH Center support grant eligibility.

In a clinical trial, the treating *facility* and personnel must have the expertise and training to provide the treatment and treat a sufficient volume of patients. There must be equal to or superior, non-*investigational treatment* alternatives and the available clinical or preclinical data must provide a reasonable expectation that the treatment will be superior to the non-*investigational* alternatives.

Prescription Drug Benefits

Covered service expenses and supplies in this benefit subsection are limited to charges from a licensed pharmacy for:

1. A *prescription drug*.
2. Any drug that, under the applicable state law, may be dispensed only upon the written prescription of a medical practitioner.

Such *covered service expenses* shall include those for prescribed, orally administered anticancer medications. The *covered service expenses* shall be no less favorable than for intravenously administered or injected cancer medications that are covered as medical benefits under this *contract*. See the *Schedule of Benefits* and Ambetter Drug Formulary for benefit levels or additional limits.

Formulary means *our* list of covered drugs available on *our* website at Ambetter.SuperiorHealthPlan.com or by calling *our* Customer Service department. The drug Formulary (approved drug list) is a list of *prescription drugs* that are covered by this policy. The Formulary includes drugs for a variety of disease states and conditions. Periodically, the Formulary is reviewed and updated to assure that the most current and clinically appropriate drug therapies are being used. Sometimes it is *medically necessary* for an *enrollee* to use a drug that is not on the Formulary, or has been removed from the Formulary. When this occurs, the prescribing *provider* may request an exception for coverage through *our* Customer Service department. For a list of covered drugs please visit Ambetter.SuperiorHealthPlan.com or contact *our* Customer Service department. In addition, some covered drugs on the formulary may require *prior authorization* to ensure it is clinically appropriate for an *enrollee*.

The appropriate drug choice for an *enrollee* is a determination that is best made by the *enrollee* and his or her *physician*.

Coverage is provided for any *prescription drug* that was *approved* or covered under the plan Formulary for a medical condition or mental *illness*, regardless of whether the drug has been removed from the plan's drug Formulary, at the contracted benefit level until the plan renewal date.

Certain specialty and non-specialty generic medications may be covered at a higher *cost share* than other generic products. Please reference the formulary and *Schedule of Benefits* for additional information. For purposes of this section, the tier status as indicated by the formulary will be applicable.

You will not be required to pay more than the applicable *copayment*, allowable claim amount, or amount required without insurance or discounts at the time of purchase.

For prescription eye drops to treat a chronic eye disease or condition, refills are dispensed on or before the last day of the prescribed dosage period, but not earlier than the following:

1. 21st day after the date a prescription for a 30-day supply of eye drops is dispensed;
2. 42nd day after the date a prescription for a 60-day supply of eye drops is dispensed; or
3. 63rd day after the date a prescription for a 90-day supply of eye drops is dispensed.

Drug Discount, Coupon or Copay Card

Cost sharing paid on *your* behalf for any *prescription drugs* obtained by *you* through the use of a *drug discount, coupon, or copay card* provided by a *prescription drug* manufacturer will not apply toward *your* plan deductible or *your* maximum out-of-pocket.

Non-Formulary and Tiered Formulary Contraceptives:

Under Affordable Care Act, *you* have the right to obtain contraceptives that are not listed on the formulary (otherwise known as “non-formulary drugs”) and tiered contraceptives (those found on a formulary tier other than “Tier 0 – no *cost share*”) at no cost to *you* on *you* or *your* medical practitioner’s request. To exercise this right, please get in touch with *your* medical practitioner. *Your* medical practitioner can utilize the usual *prior authorization* request process. See “Prior Authorization” below for additional details.

Non-Formulary Prescription Drugs:

Under Affordable Care Act, *you* have the right to request coverage of *prescription drugs* that are not listed on the plan formulary (otherwise known as “non-formulary drugs”). To exercise this right, please get in touch with *your* medical practitioner. *Your* medical practitioner can utilize the usual *prior authorization* request process. See “Prior Authorization” below for additional details.

Prescription Drug Synchronization

Under Texas law, *you* have the right to request synchronization of *your* medications. Synchronization is alignment of *your* fill dates so that all of *your* medication-refill dates are on the same day. For example, if *you* fill medication A on the 5th of each month and *your* prescriber prescribes *you* a new prescription B on the 20th of the month, *you* have the right to request a refill for prescription B that is shorter or longer than 30 days. This may help *you* adjust your fill dates for medication B and synchronize the fill dates with medication A. *We* will adjust *copays* to reflect shorter or longer coverage. If *you* would like to exercise this right, please call *our* Customer Service department.

Prescription Drug Exception Process

Standard exception request

An *enrollee*, an *enrollee's* designee or an *enrollee's* prescribing *provider* may request a standard review of a decision that a drug is not covered by the plan. The request can be made in writing or by telephone. Within 72 hours of the request being received, *we* will provide the *enrollee*, the *enrollee's* designee or the *enrollee's* prescribing *provider* with *our* coverage determination. If *we* do not deny a standard exception request within 72 hours, the request is considered granted. Should the standard exception request be granted, *we* will provide coverage of the non-formulary drug for the duration of the prescription, including refills.

Expedited exception request

An *enrollee*, an *enrollee's* designee or an *enrollee's* prescribing *provider* may request an expedited review based on exigent circumstances. Exigent circumstances exist when an *enrollee* is suffering from a health condition that may seriously jeopardize the *enrollee's* life, health, or ability to regain maximum function or when an *enrollee* is undergoing a current course of treatment using a non-formulary drug. Within 24 hours of the request being received, *we* will provide the *enrollee*, the *enrollee's* designee or the *enrollee's* prescribing *provider* with *our* coverage determination. If *we* do not deny an expedited exception request within 24 hours, the request is considered granted. Should the expedited exception request be granted, *we* will provide coverage of the non-formulary drug for the duration of the exigency.

External exception request review

If *we* deny a request for a standard exception or for an expedited exception, the *enrollee* or the *enrollee's* designee may request that the denial of such request be reviewed by an external review organization. The external review organization will make the determination on the denied exception request and notify the *enrollee* or the *enrollee's* designee of the coverage determination no later than 72 hours following receipt of the request, if the original request was a standard exception, and no later than 24 hours following its receipt of the request, if the original request was an expedited exception.

If *we* or the external review organization grants an exception for a standard or expedited exception request, *we* will provide coverage of the non-formulary drug for the duration of the exigency.

TERMINATION

Termination Of Contract

All coverage will cease on termination of this *contract*. This *contract* will terminate on the earliest of:

1. Nonpayment of premiums when due, subject to the Grace Period provision in this *contract*.
2. For any reason or event of non-renewal or cancellation as outlined in the Guaranteed Renewable provision.
 - a. The last day of coverage is the last day of the month following the month in which the notice is sent by *us* unless *you* request an earlier termination effective date.
3. For an *eligible child* reaching the limiting age of 26, coverage under this *contract*, for an *eligible child*, will terminate at 11:59 p.m. CST on the last day of the year in which the *eligible child* reaches the limiting age of 26.
 - a. Coverage may be extended beyond the limiting age for a *dependent eligible child* who is not capable of self-sustaining employment due to mental retardation or physical disability and is mainly dependent on *you* for support and maintenance.
4. *You* obtain other minimum essential coverage.

Refund upon Cancellation

We will refund any premium paid and not earned due to policy termination. *You* may cancel the policy at any time by written notice, delivered or mailed to the Marketplace or by visiting www.healthcare.gov at <https://www.healthcare.gov/keep-or-change-plan/>, or if an off-exchange *enrollee* by written notice, delivered or mailed to *us*. Such cancellation shall become effective upon receipt, or on such later date specified in the notice. If *you* cancel, *we* shall promptly return any unearned portion of the premium paid, but in any event shall return the unearned portion of the premium within 30 days. The earned premium shall be computed on a pro-rata basis. Cancellation shall be without prejudice to any claim originating prior to the effective date of the cancellation.

Discontinuance

90-Day Notice: If *we* discontinue offering and decide not to renew all *contracts* issued on this form, with the same type and level of benefits, for all residents of the state where *you* reside, *we* will provide a written notice to *you* at least 90 days prior to the date that *we* discontinue coverage. *You* will be offered an option to purchase any other coverage in the individual market *we* offer in *your* state at the time of discontinuance of this *contract*. This option to purchase other coverage will be on a guaranteed issue basis without regard to health status.

180-Day Notice: If *we* discontinue offering and decide not to renew all individual *contracts* in the individual market in the state where *you* reside, *we* will provide a written notice to *you* and the Commissioner of Insurance at least 180 days prior to the date that *we* stop offering and terminate all existing individual *contracts* in the individual market in the state where *you* reside.

Portability Of Coverage

If a person ceases to be an *enrollee* due to the fact that the person no longer meets the definition of *dependent enrollee* under the *contract*, the person will be eligible for continuation of coverage. If elected, *we* will continue the person's coverage under the *contract* by issuing an individual policy. The premium rate applicable to the new policy will be determined based on the *residence* of the person continuing coverage. All other terms and conditions of the new policy, as applicable to that person, will be the same as this *contract*, subject to any applicable requirements of the State in which that person resides. Any *deductible amounts* and maximum benefit limits will be satisfied under the new contract to the extent

satisfied under this *contract* at the time that the continuation of coverage is issued. (If the original coverage contains a family *deductible* which must be met by all *enrollees* combined, only those expenses incurred by the *enrollee* continuing coverage under the new contract will be applied toward the satisfaction of the *deductible amount* under the new contract.)

If an *enrollee's* coverage terminates due to a change in marital status, *you* may be issued coverage that most nearly approximates the coverage of the policy which was in effect prior to the change in marital status.

Notification Requirements

It is the responsibility of *you* or *your* former *dependent enrollee* to notify *us* within 31 days of *your* legal divorce or *your dependent enrollee's* marriage. *You* must notify *us* of the address at which their continuation of coverage should be issued.

Reinstatement

For coverage purchased outside of the Health Insurance Marketplace, if *your contract* lapses due to nonpayment of premium, it may be reinstated provided:

1. We receive from *you* a written application for reinstatement within one year after the date coverage lapsed; and
2. The written application for reinstatement is accompanied by the required premium payment.

For coverage purchased through the Health Insurance Marketplace, the Health Insurance Marketplace should be contacted for reinstatement.

Premium accepted for reinstatement may be applied to a period for which premium had not been paid. The period for which back premium may be required will not begin more than 60 days before the date of reinstatement.

The Rescissions provision will apply to statements made on the reinstatement application, based on the date of reinstatement.

Changes may be made in *your contract* in connection with the reinstatement. These changes will be sent to *you* for *you* to attach to *your contract*. In all other respects, *you* and *we* will have the same rights as before *your contract* lapsed.

Benefits After Coverage Terminates

Benefits for *covered service expenses* incurred after an *enrollee* ceases to be covered are provided for certain *illnesses* and *injuries*. However, benefits are not provided if this *contract* is terminated because of:

1. A request by *you*;
2. Fraud or material misrepresentation on *your* part; or
3. *Your* failure to pay premiums.

The *illness* or *injury* must cause a period of extended loss. The period of extended loss must begin before coverage of the *enrollee* ceases under this *contract*. Benefits are not provided for *covered service expenses* incurred after the period of extended loss ends.

In addition to the above, if this *contract* is terminated because *we* refuse to renew all *contracts* issued on this form, with the same type and level of benefits, to residents of the state where *you* live, termination of this *contract* will not prejudice a claim for a continuous loss that begins before coverage of the *enrollee*

ceases under this *contract*. In this event, benefits will be extended for that *illness* or *injury* causing the continuous loss, but not beyond the earlier of:

1. The date the continuous loss ends; or
2. 12 months after the date renewal is declined.

THIRD PARTY LIABILITY AND COORDINATION OF BENEFITS

As used herein, the term “*third party*” means any party that is, or may be, or is claimed to be responsible for *illness* or *injuries* to an *enrollee*. Such *injuries* or *illness* are referred to as “*third party injuries*.” *Third party* includes any parties actually, possibly or potentially responsible for payment of expenses associated with the care or treatment of *third party injuries*, to the extent permitted by Texas law.

If an *enrollee's illness* or *injury* is caused by the acts or omissions of a *third party*, we will not cover a *loss* to the extent that it is paid as part of a settlement or judgment by any *third party*.

If this plan provides benefits under this *contract* to a *enrollee* for expenses incurred due to *third party injuries*, then Celtic retains the right to repayment of the full cost of all benefits provided by this plan on behalf of the *enrollee* that are associated with the *third party injuries*. Celtic's rights of recovery apply to any recoveries made by or on behalf of the *enrollee* from any sources, including but not limited to:

1. Payments made by a *third party* or any insurance company on behalf of the *third party*;
2. Any payments or awards under an uninsured or underinsured motorist coverage policy if the *enrollee* or *enrollee's immediate family* did not pay the premiums for the coverage;
3. Any Workers' Compensation or disability award or settlement;
4. Medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; and
5. Any other payments from a source intended to compensate an *enrollee* for *third party injuries*.

By accepting benefits under this plan, the *enrollee* specifically acknowledges Celtic's right of subrogation. When this plan provides health care benefits for expenses incurred due to *third party injuries*, the plan shall be subrogated to the *enrollee's* rights of recovery against any party to the extent of the full cost of all benefits provided by this plan, to the extent permitted by Texas law. Celtic may proceed against any party with or without the *enrollee's* consent.

By accepting benefits under this plan, the *enrollee* also specifically acknowledges Celtic's right of reimbursement. This right of reimbursement attaches, to the extent permitted by Texas law, when this plan has provided health care benefits for expenses incurred due to *third party injuries* and the *enrollee* or the *enrollee's* representative has recovered any amounts from any source, to the fullest extent permitted by law. By providing any benefit under this plan, Celtic is granted an assignment of the proceeds of any settlement, judgment or other payment received by *you* to the extent of the full cost of all benefits provided by this plan. Celtic's right of reimbursement is cumulative with and not exclusive of the plan's subrogation right and Celtic may choose to exercise either or both rights of recovery.

As a condition for *our* payment, the *enrollee* or anyone acting on his or her behalf (including, but not limited to, the guardian, legal representatives, estate, or heirs) agrees:

1. To fully cooperate with *us* in order to obtain information about the *loss* and its cause.
2. To immediately inform *us* in writing of any claim made or lawsuit filed on behalf of an *enrollee* in connection with the *loss*.
3. To include the amount of benefits paid by *us* on behalf of an *enrollee* in any claim made against any *third party*.
4. That *we*:
 - a. Will have a lien on all money received by an *enrollee* in connection with the *loss* we have provided or paid to the extent permitted by Texas law.

- b. May give notice of that lien to any *third party* or *third party's* agent or representative.
 - c. Will have the right to intervene in any suit or legal action to protect *our* rights.
 - d. Are subrogated to all of the rights of the *enrollee* against any *third party* to the extent permitted by Texas law of the benefits paid on the *enrollee's* behalf.
 - e. May assert that subrogation right independently of the *enrollee*.
5. To take no action that prejudices *our* reimbursement and subrogation rights. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits provided by this plan to the extent permitted by Texas law.
 6. To sign, date, and deliver to *us* any documents *we* request that protect *our* reimbursement and subrogation rights.
 7. To not settle any claim or lawsuit against a *third party* without providing *us* with written notice within 30 days prior to the settlement.
 8. To reimburse *us* from any money received from any *third party*, to the extent permitted by Texas law for benefits *we* paid for the *third party injury*, whether obtained by settlement, judgment, or otherwise, and whether or not the *third party's* payment is expressly designated as a payment for medical expenses.
 9. That *we* may reduce other benefits under the *contract* by the amounts an *enrollee* has agreed to reimburse *us*.

We have a right to be reimbursed in full regardless of whether or not the *enrollee* is fully compensated by any recovery received from any *third party* by settlement, judgment, or otherwise.

In the event of a recovery from a *third party*, *we* will pay attorney fees or costs associated with the *enrollee's* claim or lawsuit only to the extent required by Texas law unless otherwise agreed.

If a dispute arises as to the amount an *enrollee* must reimburse *us*, the *enrollee* (or the guardian, legal representatives, estate, or heirs of the *enrollee*) agrees to place sufficient funds in an escrow or trust account to satisfy the maximum lien amount asserted by *us* until the dispute is resolved.

COORDINATION OF THIS CONTRACT'S BENEFITS WITH OTHER BENEFITS

The Coordination of Benefits (COB) provision applies when a person has healthcare coverage under more than one plan. Plan is defined below.

The order of benefit determination rules govern the order in which each plan will pay a claim for benefits. The plan that pays first is called the primary plan. The primary plan must pay benefits in accord with its policy terms without regard to the possibility that another plan may cover some expenses. The plan that pays after the primary plan is the secondary plan. The secondary plan may reduce the benefits it pays so that payments from all plans equal 100 percent of the total allowable expense.

DEFINITIONS

- (a) A "plan" is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.

- (1) Plan includes: group, blanket, or franchise accident and health insurance policies, excluding disability income protection coverage; individual and group health maintenance organization evidences of coverage; individual accident and health insurance policies; individual and group preferred provider benefit plans and *exclusive provider benefit plans*; group insurance contracts, individual insurance contracts and subscriber contracts that pay or reimburse for the cost of dental care; medical care components of individual and group long-term care contracts; limited benefit coverage that is not issued to supplement individual or group in-force policies; uninsured arrangements of group or group-type coverage; the medical benefits coverage in automobile insurance contracts; and Medicare or other governmental benefits, as permitted by law.
- (2) Plan does not include: disability income protection coverage; the Texas Health Insurance Pool; workers' compensation insurance coverage; *hospital* confinement indemnity coverage or other fixed indemnity coverage; specified disease coverage; supplemental benefit coverage; accident only coverage; specified accident coverage; school accident-type coverages that cover students for accidents only, including athletic *injuries*, either on a "24-hour" or a "to and from school" basis; benefits provided in long-term care insurance contracts for non-medical services, for example, personal care, adult day care, homemaker services, assistance with activities of daily living, *respite care*, and *custodial care* or for contracts that pay a fixed daily benefit without regard to expenses incurred or the receipt of services; Medicare supplement policies; a state plan under Medicaid; a governmental plan that, by law, provides benefits that are in excess of those of any private insurance plan; or other nongovernmental plan; or an individual accident and health insurance policy that is designed to fully integrate with other policies through a variable *deductible*.

Each contract for coverage under (a)(1) or (a)(2) is a separate plan. If a plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate plan.

"This plan" means, in a COB provision, the part of the *contract* providing the healthcare benefits to which the COB provision applies and which may be reduced because of the benefits of *other plans*. Any other part of the *contract* providing healthcare benefits is separate from this plan. A *contract* may apply one COB provision to certain benefits, such as dental benefits, coordinating only with like benefits, and may apply other separate COB provisions to coordinate other benefits.

The order of benefit determination rules determine whether this plan is a primary plan or secondary plan when the person has healthcare coverage under more than one plan. When this plan is primary, it determines payment for its benefits first before those of any *other plan* without considering any *other plan's* benefits. When this plan is secondary, it determines its benefits after those of another plan and may reduce the benefits it pays so that all plan benefits equal 100 percent of the total allowable expense.

- (b) "Allowable expense" is a healthcare expense, including *deductibles*, *coinsurance*, and *copayments*, that is covered at least in part by any plan covering the person. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered an allowable expense and a benefit paid. An expense that is not covered by any plan covering the person is not an allowable expense. In addition, any expense that a healthcare *provider* or *physician* by law or in accord with a contractual agreement is prohibited from charging a covered *enrollee* is not an allowable expense.

The following are examples of expenses that are not allowable expenses:

- (1) The difference between the cost of a semi-private *hospital* room and a private *hospital* room is not an allowable expense, unless one of the plans provides coverage for private *hospital* room expenses.

- (2) If a person is covered by two or more plans that do not have negotiated fees and compute their benefit payments based on the usual and customary fees, *allowed amounts*, or relative value schedule reimbursement methodology, or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an allowable expense.
- (3) If a person is covered by two or more plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an allowable expense.
- (4) If a person is covered by one plan that does not have negotiated fees and that calculates its benefits or services based on usual and customary fees, *allowed amounts*, relative value schedule reimbursement methodology, or other similar reimbursement methodology, and another plan that provides its benefits or services based on negotiated fees, the primary plan's payment arrangement must be the allowable expense for all plans. However, if the healthcare *provider* or *physician* has contracted with the secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary plan's payment arrangement and if the healthcare *provider's* or *physician's* contract permits, the negotiated fee or payment must be the allowable expense used by the secondary plan to determine its benefits.
- (5) The amount of any benefit reduction by the primary plan because a covered *enrollee* has failed to comply with the plan provisions is not an allowable expense. Examples of these types of plan provisions include second surgical opinions, *prior authorization* of admissions, and preferred healthcare *provider* and *physician* arrangements.
- (6) When a member is also a Medicare beneficiary, and Medicare is primary, the allowable expense is Medicare's *allowable amount*.
- (c) "*Allowed amount*" is the amount of a *billed charge* that a carrier determines to be covered for services provided by a non-preferred healthcare *provider* or *physician*. The *allowed amount* includes both the carrier's payment and any applicable *deductible*, *copayment*, or *coinsurance* amounts for which the *enrollee* is responsible.
- (d) "Closed panel plan" is a plan that provides healthcare benefits to covered *enrollees* primarily in the form of services through a panel of healthcare *providers* and *physicians* that have contracted with or are employed by the plan, and that excludes coverage for services provided by other healthcare *providers* and *physicians*, except in cases of emergency or referral by a panel member.
- (e) "Custodial parent" is the parent with the right to designate the primary *residence* of a child by a court order under the Texas Family Code or other applicable law, or in the absence of a court order, is the parent with whom the child resides more than one-half of the calendar year, excluding any temporary visitation.

ORDER OF BENEFIT DETERMINATION RULES

When a person is covered by two or more plans, the rules for determining the order of benefit payments are as follows:

- (a) The primary plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any *other plan*.

- (b) Except as provided in (c), a plan that does not contain a COB provision that is consistent with this policy is always primary unless the provisions of both plans state that the complying plan is primary.
- (c) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage must be excess to any other parts of the plan provided by the *contract* holder. Examples of these types of situations are major medical coverages that are superimposed over base plan *hospital* and surgical benefits, and insurance type coverages that are written in connection with a closed panel plan to provide out-of-network benefits.
- (d) A plan may consider the benefits paid or provided by another plan in calculating payment of its benefits only when it is secondary to that *other plan*.
- (e) If the primary plan is a closed panel plan and the secondary plan is not, the secondary plan must pay or provide benefits as if it were the primary plan when a covered *enrollee* uses a non-contracted healthcare *provider* or *physician*, except for emergency services or *authorized* referrals that are paid or provided by the primary plan.
- (f) When multiple contracts providing coordinated coverage are treated as a single plan under this subchapter, this section applies only to the plan as a whole, and coordination among the component contracts is governed by the terms of the contracts. If more than one carrier pays or provides benefits under the plan, the carrier designated as primary within the plan must be responsible for the plan's compliance with this subchapter.
- (g) If a person is covered by more than one secondary plan, the order of benefit determination rules of this subchapter decide the order in which secondary plans' benefits are determined in relation to each other. Each secondary plan must take into consideration the benefits of the primary plan or plans and the benefits of any *other plan* that, under the rules of this *contract*, has its benefits determined before those of that secondary plan.
- (h) Each plan determines its order of benefits using the first of the following rules that apply.
 - (1) Nondependent or Dependent. The plan that covers the person other than as a dependent, for example as an employee, *enrollee*, policyholder, subscriber, or retiree, is the primary plan, and the plan that covers the person as a dependent is the secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering the person as a dependent and primary to the plan covering the person as other than a dependent, then the order of benefits between the two plans is reversed so that the plan covering the person as an employee, *enrollee*, policyholder, subscriber, or retiree is the secondary plan and the *other plan* is the primary plan. An example includes a retired employee.
 - (2) Dependent Child Covered Under More Than One Plan. Unless there is a court order stating otherwise, plans covering a dependent child must determine the order of benefits using the following rules that apply.
 - (A) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - (i) The plan of the parent whose birthday falls earlier in the calendar year is the primary plan;
 - or

- (ii) If both parents have the same birthday, the plan that has covered the parent the longest is the primary plan.
- (B) For a dependent child whose parents are divorced, separated, or not living together, whether or not they have ever been married:
- (i) if a court order states that one of the parents is responsible for the dependent child's healthcare expenses or healthcare coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. If the parent with responsibility has no health care coverage for the dependent child's health care expenses, and that parent's *spouse* does, then the *spouse's* plan is the primary plan. This rule applies to plan years commencing after the plan is given notice of the court decree.
 - (ii) if a court order states that both parents are responsible for the dependent child's healthcare expenses or healthcare coverage, the provisions of (h)(2)(A) must determine the order of benefits.
 - (iii) if a court order states that the parents have joint custody without specifying that one parent has responsibility for the healthcare expenses or healthcare coverage of the dependent child, the provisions of (h)(2)(A) must determine the order of benefits.
 - (iv) if there is no court order allocating responsibility for the dependent child's healthcare expenses or healthcare coverage, the order of benefits for the child are as follows:
 - (I) the plan covering the custodial parent;
 - (II) the plan covering the *spouse* of the custodial parent;
 - (III) the plan covering the noncustodial parent; then
 - (IV) the plan covering the *spouse* of the noncustodial parent.
- (C) For a dependent child covered under more than one plan of individuals who are not the parents of the child, the provisions of (h)(2)(A) or (h)(2)(B) must determine the order of benefits as if those individuals were the parents of the child.
- (D) For a dependent child who has coverage under either or both parents' plans and has his or her own coverage as a dependent under a *spouse's* plan, (h)(5) applies.
- (E) In the event the dependent child's coverage under the *spouse's* plan began on the same date as the dependent child's coverage under either or both parents' plans, the order of benefits must be determined by applying the birthday rule in (h)(2)(A) to the dependent child's parent(s) and the dependent's *spouse*.
- (3) Active, Retired, or Laid-off Employee. The plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the primary plan. The plan that covers that same person as a retired or laid-off employee is the secondary plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the plan that covers the same person as a retired or laid-off employee or as a dependent of a retired or laid-off employee does not have this rule, and as a result, the plans do not agree on the order of benefits, this rule does not apply. This rule does not apply if (h)(1) can determine the order of benefits.
- (4) COBRA or State Continuation Coverage. If a person whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another plan, the plan covering the person as an employee, *enrollee*, subscriber, or retiree or covering the person as a dependent of an employee, *enrollee*, subscriber, or retiree is the primary plan, and the COBRA, state, or other federal continuation coverage is the secondary plan. If the *other plan* does not have

this rule, and as a result, the plans do not agree on the order of benefits, this rule does not apply. This rule does not apply if (h)(1) can determine the order of benefits.

- (5) Longer or Shorter Length of Coverage. The plan that has covered the person for the longer period of time is the primary plan, and the plan that has covered the person the shorter period of time is the secondary plan.
- (6) If the preceding rules do not determine the order of benefits, the allowable expenses must be shared equally between the plans meeting the definition of plan. In addition, this plan will not pay more than it would have paid had it been the primary plan.

EFFECT ON THE BENEFITS OF THIS PLAN

- (a) When this plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all plans are not more than the total allowable expenses. In determining the amount to be paid for any claim, the secondary plan will calculate the benefits it would have paid in the absence of other healthcare coverage and apply that calculated amount to any allowable expense under its plan that is unpaid by the primary plan. The secondary plan may then reduce its payment by the amount so that, when combined with the amount paid by the primary plan, the total benefits paid or provided by all plans for the claim equal 100 percent of the total allowable expense for that claim. In addition, the secondary plan must credit to its plan *deductible* any amounts it would have credited to its *deductible* in the absence of other healthcare coverage.
- (b) When an *enrollee* is also a Medicare beneficiary, this plan is secondary. In that case, the allowable expense is reduced to reflect Medicare's *allowable amount*. At no point should this plan's *allowable amount* exceed what the plan would pay if the plan was primary. *Enrollees* may no longer be eligible to receive a premium subsidy for the Health Insurance Marketplace plan once Medicare coverage becomes effective.
- (c) If a covered *enrollee* is enrolled in two or more closed panel plans and if, for any reason, including the provision of service by a non-panel *provider*, benefits are not payable by one closed panel plan, COB must not apply between that plan and other closed panel plans.

COMPLIANCE WITH FEDERAL AND STATE LAWS CONCERNING CONFIDENTIAL INFORMATION

Certain facts about healthcare coverage and services are needed to apply these COB rules and to determine benefits payable under this plan and *other plans*. This plan will comply with federal and state law concerning confidential information for the purpose of applying these rules and determining benefits payable under this plan and *other plans* covering the person claiming benefits. Each person claiming benefits under this plan must give the plan any facts it needs to apply those rules and determine benefits.

FACILITY OF PAYMENT

A payment made under another plan may include an amount that should have been paid under this plan. If it does, this plan may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under this plan. This plan will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount of the payments made by this plan is more than it should have paid under this COB provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid or any other person or organization that may be responsible for the benefits or services provided for the covered

enrollee. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

ENROLLEE CLAIM REIMBURSEMENT

Notice of Claim

We must receive a request for reimbursement through receipt of a claim within 90 days of the date of service.

Claim Forms

The insurer, on receipt of a notice of claim, will provide to the claimant the forms usually provided by the insurer for filing *proof of loss*. If the forms are not provided before the 16th day after the date of the notice, the claimant shall be considered to have complied with the requirements of this policy as to *proof of loss* on submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character, and the extent of the loss for which the claim is made.

Proof of Loss

For a claim for loss for which this policy provides any periodic payment contingent on continuing loss, a written *proof of loss* must be provided to the insurer at the insurer's designated office before the 91st day after the termination of the period for which the insurer is liable. For a claim for any other loss, a written *proof of loss* must be provided to the insurer at the insurer's designated office before the 91st day after the date of the loss. Failure to provide the proof within the required time does not invalidate or reduce any claim if it was not reasonably possible to give proof within the required time. In that case, the proof must be provided as soon as reasonably possible but not later than one year after the time proof is otherwise required, except in the event of a legal incapacity.

Time of Payment of Claims

Indemnities payable under this policy for any loss, other than a loss for which this policy provides any periodic payment, will be paid immediately on receipt of due written proof of the loss. Subject to due written *proof of loss*, all accrued indemnities for a loss for which this policy provides periodic payment will be paid monthly and any balance remaining unpaid on termination of liability will be paid immediately on receipt of due written *proof of loss*.

Payment of Claims

Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting indemnity payments that may be prescribed in this policy and effective at the time of payment. If such a designation or provision is not then effective, the indemnity will be payable to the *enrollee's* estate. Any other accrued indemnities unpaid at the *enrollee's* death may, at the option of the insurer, be paid either in accordance with the beneficiary designation or to the *enrollee's* estate. All other indemnities will be payable to the *enrollee*.

All benefits payable under this policy on behalf of a *dependent enrollee* who is insured by this policy for which benefits for financial and medical assistance are being provided by Texas Health and Human Services, shall be paid to said department whenever:

1. Texas Health and Human Services is paying benefits under the Human Resources Code, Chapter 31 or Chapter 32, i.e., financial and medical assistance service programs administered pursuant to the Human Resources Code;
2. The parent who purchased the individual policy has possession or access to the child pursuant to a court order, or is not entitled to access or possession of the child and is required by the court to pay child support; and
3. The insurer or group nonprofit *hospital* service company must receive at its home office, written notice affixed to the insurance claim when the claim is first submitted, and the notice must state

that all benefits paid pursuant to this section must be paid directly to Texas Health and Human Services.

Foreign Claims Incurred for Emergency Care

Claims incurred outside of the United States for *emergency care* and treatment of an *enrollee* must be submitted in English or with an English translation. Foreign claims must also include the applicable medical records in English to show proper *proof of loss* and evidence of payment to the *provider*.

Non-Assignment

The coverage, rights, privileges and benefits provided for under this *contract* are not assignable by *you* or anyone acting on *your* behalf, except to a *physician* or other healthcare *provider*. Any assignment or purported assignment of coverage, rights, privileges and benefits provided for under this *contract* that *you* may provide or execute in favor of any *hospital* or any other person or entity other than a *physician* or other healthcare *provider* shall be null and void and shall not impose any obligation on *us*.

No Third Party Beneficiaries

This *contract* is not intended to, nor does it, create or grant any rights in favor of any *third party*, including but not limited to any *hospital*, *provider* or medical practitioner providing services to *you*, and this *contract* shall not be construed to create any *third party* beneficiary rights.

COMPLAINT AND APPEAL PROCEDURES

Complaint Process

“Complaint” means any dissatisfaction expressed by *you* orally or in writing to *us* with any aspect of *our* operation, including but not limited to: dissatisfaction with plan administration; procedures related to review or *appeal* of an *adverse determination*; the denial, reduction, or termination of a service for reasons not related to medical necessity; the way a service is provided; or disenrollment decisions. An *enrollee* has 180 days from the date of the incident to file an *appeal*. *Complaints* are considered standard unless they concern an emergency or denial of continued stay for hospitalization, in which case they will be considered expedited.

If *you* notify *us* orally or in writing of a *complaint*, *we* will, not later than the fifth business day after the date of the receipt of the *complaint*, send to *you* a letter acknowledging the date *we* received *your complaint*. If the *complaint* was received orally, *we* will enclose a one-page complaint form to be returned to *us* for prompt resolution of the *complaint*.

After receipt of the written or oral *complaint* from *you*, *we* will investigate and send *you* a letter with *our* resolution. The total time for acknowledging, investigating and resolving a standard *complaint* will not exceed thirty (30) calendar days after the date *we* receive *your complaint*.

For oral *complaints* received and not confirmed in writing, *we* will research the issue as best practice and communicate findings to *you* verbally.

An expedited *complaint* concerning an emergency or denial of continued stay for hospitalization will be resolved in one business day of receipt of *your complaint*. The investigation and resolution shall be concluded in accordance with the medical immediacy of the case and *we* will send *you* a letter with *our* resolution within three (3) business days.

You may use the *appeals* process to resolve a dispute regarding the resolution of *your complaint*.

Complaint Appeals to the Plan

1. If the *complaint* is not resolved to *your* satisfaction, *you* have the right either to appear in person before a complaint appeal panel where *you* normally receive healthcare services, unless another site is agreed to by *you*, or to address a written *appeal* to the complaint appeal panel. *We* shall complete the *appeals* process not later than the thirtieth (30th) calendar day after the date of the receipt of the request for *appeal*.
2. *We* shall send an acknowledgment letter to *you* not later the fifth (5th) day after the date of receipt of the request of the *appeal*.
3. *We* shall appoint members to the complaint appeal panel, which shall advise *us* on the resolution of the dispute. The complaint appeal panel shall be composed of an equal number of *our* staff, *providers*, and *enrollees*. A member of the appeal panel may not have been previously involved in the disputed decision.
4. Not later than the fifth business day before the scheduled meeting of the panel, unless *you* agree otherwise, *we* shall provide to *you* or *your* designated representative:
 - a. any documentation to be presented to the panel by *our* staff;
 - b. the specialization of any *providers* consulted during the investigation; and
 - c. the name and affiliation of each of *our* representatives on the panel.

5. *You, or your designated representative if you are a minor or disabled, are entitled to:*
 - a. appear in person before the complaint appeal panel;
 - b. present alternative expert testimony; and
 - c. request the presence of and question any person responsible for making the prior determination that resulted in the *appeal*.
6. Investigation and resolution of *appeals* relating to ongoing emergencies or denial of continued stays for hospitalization shall be concluded in accordance with the medical immediacy of the case but in no event to exceed one business day after *your* request for *appeal*.
7. Due to the ongoing emergency or continued *hospital* stay, and at *your* request, *we* shall provide, in lieu of a complaint appeal panel, a review by a *provider* who has not previously reviewed the case and is of the same or similar specialty as typically manages the medical condition, procedure, or treatment under discussion for review of the *appeal*.
8. Notice of *our* final decision on the *appeal* must include a statement of the specific medical determination, clinical basis, and contractual criteria used to reach the final decision.

Appeal of Adverse Determination

An "*adverse determination*" is a decision that is made by *us* or *our* Utilization Review Agent that the healthcare services furnished or proposed to be furnished to *you* are not *medically necessary* or appropriate.

If *you, your* designated representative, or *your provider* of record disagree with the *adverse determination*, *you, your* designated representative, or *your provider* may *appeal* the *adverse determination* orally or in writing.

For a standard *appeal*, *we* will acknowledge *your appeal* within five (5) business days after receiving a written *appeal* of the *adverse determination*, *we* or *our* Utilization Review Agent will send *you, your* designated representative, or *your provider*, a letter acknowledging the date of receipt of the *appeal*. The letter will also include a list of documents that *you, your* designated representative, or *your provider* should send to *us* or to *our* Utilization Review Agent for the *appeal*. The *appeal* will be resolved no later than thirty (30) calendar days after the date *we* or *our* Utilization Review Agent receives the *appeal*.

If *you, your* designated representative, or *your provider* orally *appeal* the *adverse determination*, *we* or *our* Utilization Review Agent will send *you, your* designated representative, or *your provider* a one-page appeal form. *You* are not required to return the completed form, but *we* encourage *you* to because it will help *us* resolve *your appeal*.

Expedited *appeals* of *adverse determinations* involving ongoing emergencies or denials of continued stays in a *hospital* will be resolved no later than one (1) working day from the date all information necessary to complete the *appeal* is received.

You can also request an expedited *appeal* for an urgent care denial. *We* will answer *your appeal* for urgent care within three (3) days of *your* request. *You* can request an expedited *appeal* for urgent care if:

1. *You* think the denial could seriously hurt *your* life or health.
2. *Your provider* thinks that *you* will experience severe pain without the denied care or treatment.

External Review

If the *appeal* of the *adverse determination* is denied, *you* or *your* designated representative have the right to request an external review of that decision. The external review organization is not affiliated with *us* or *our* Utilization Review Agent.

In circumstances involving a life-threatening condition, *emergency care*, hospitalized *enrollees*, denials of *prescription drugs*, intravenous infusions, or a denied step therapy protocol exception, *you, your* designated representative, or *your provider* is entitled to an immediate external review without having to comply with the procedures for internal *appeals of adverse determinations*.

You or *your* designated representative can ask for a standard external review within four (4) months after the date *you* receive the final internal *appeal* determination notice. *Your* request should be submitted directly to the external review organization, and *you* must provide the following information: name and address, phone number, email address, whether the request is urgent or standard, a completed Appointment of Representative Form if someone is filing on *your* behalf, and a brief description of the reason *you* disagree with *our* decision. When the external review organization completes its review and issues its decision, *we* will abide by the decision.

The *appeal* procedures described above do not prohibit *you* from pursuing other appropriate remedies, including injunctive relief, declaratory judgment, or other relief available under law, if *you* believe that the requirement of completing the *appeal* and review process places *your* health in serious jeopardy.

GENERAL PROVISIONS

Entire Contract

This *contract*, with the application, is the entire *contract* between *you* and *us*. No agent may:

1. Change this *contract*;
2. Waive any of the provisions of this *contract*;
3. Extend the time for payment of premiums; or
4. Waive any of *our* rights or requirements.

Non-Waiver

If *we* or *you* fail to enforce or to insist on strict compliance with any of the terms, conditions, limitations or exclusions of the *contract*, that will not be considered a waiver of any rights under the *contract*. A past failure to strictly enforce the *contract* will not be a waiver of any rights in the future, even in the same situation or set of facts.

Rescissions

No misrepresentation of fact made regarding an *enrollee* during the application process that relates to insurability will be used to void/rescind the coverage or deny a claim unless:

1. The misrepresented fact is contained in a written application, including amendments, signed by an *enrollee*;
2. A copy of the application, and any amendments, has been furnished to the *enrollee(s)* or to the *enrollee's* personal representative; and
3. The misrepresentation of fact was intentionally made and material to *our* determination to issue coverage to any *enrollee*. An *enrollee's* coverage will be voided/rescinded and claims denied if that person performs an act or practice that constitutes fraud. "Rescind" has a retroactive effect and means the coverage was never in effect.

Repayment for Fraud, Misrepresentation or False Information

During the first two years an *enrollee* is covered under the *contract*, if an *enrollee* commits fraud, misrepresentation or knowingly provides false information relating to the eligibility of any *enrollee* under this *contract* or in filing a claim for *contract* benefits, *we* have the right to demand that *enrollee* pay back to *us* all benefits that *we* provided or paid during the time the *enrollee* was covered under the *contract*.

Conformity with State Laws

Any part of this *contract* in conflict with the laws of Texas on this *contract's effective date* or on any premium due date is changed to conform to the minimum requirements of Texas state law.

Conditions Prior To Legal Action

Legal Actions: An action at law or in equity may not be brought to recover on this policy before the 61st day after the date written *proof of loss* has been provided in accordance with the requirements of this policy. An action at law or in equity may not be brought after the expiration of three years after the time written *proof of loss* is required to be provided.

On occasion, *we* may have a disagreement related to coverage, benefits, premiums, or other provisions under this *contract*. Litigation is an expensive and time-consuming way to resolve these disagreements and should be the last resort in a resolution process. Therefore, with a view to avoiding litigation, *you* must give written notice to *us* of *your* intent to sue *us* as a condition prior to bringing any legal action. *Your* notice must:

1. Identify the coverage, benefit, premium, or other disagreement;
2. Refer to the specific *contract* provision(s) at issue; and
3. Include all relevant facts and information that support *your* position.

Unless prohibited by law, *you* agree that *you* waive any action for statutory or common law extra-contractual or punitive damages that *you* may have if the specified contractual claims are paid, or the issues giving rise to the disagreement are resolved or corrected, within 30 days after *we* receive *your* notice of intention to sue *us*.

Time Limit on Certain Defenses:

(a) After the second anniversary of the date this policy is issued, a misstatement, other than a fraudulent misstatement, made by the applicant in the application for the policy may not be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) beginning after that anniversary.

(b) A claim for loss incurred or disability (as defined in the policy) beginning after the second anniversary of the date this policy is issued may not be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss existed before the *effective date* of coverage of this policy.
