Major Medical Expense Insurance Policy

In this *policy*, the terms "*you*", "*your*", or "*yours*" will refer to the *member* or any *dependents enrolled in this contract*. The terms "*we*," "*our*," or "*us*" will refer to SilverSummit Healthplan, Inc.

AGREEMENT AND CONSIDERATION

This document along with the corresponding *Schedule of Benefits* is your *contract* and it is a legal document. It is the agreement under which benefits will be provided and paid. In consideration of *your* application and the timely payment of premiums, *we* will provide benefits to *you*, the *member*, for *covered services* as outlined in this *policy*. Benefits are subject to *policy* definitions, provisions, limitations, and exclusions.

GUARANTEED RENEWABLE

Annually, we must file this product, the cost share and the rates associated with it for approval. Guaranteed renewable means that your plan will be renewed into the subsequent year's approved product on the anniversary date unless terminated earlier in accordance with *policy* terms. *You* may keep this *policy* (or the new *policy* you are mapped to for the following year) in force by timely payment of the required premiums. In most cases you will be moved to a new *contract* each year, however, *we* may decide not to renew the *policy* as of the renewal date if: (1) *we* decide not to renew all policies issued on this form, with a new *policy* at the same metal level with a similar type and level of benefits, to residents of the state where *you* then live; or (2) there is fraud or an intentional material misrepresentation made by or with the knowledge of a *member* in filing a claim for *policy* benefits.

In addition to the above, this guarantee for continuity of coverage shall not prevent us from cancelling or non-renewing this *contract* in the following events: (1) non-payment of premium; (3) a *member* fails to pay any *deductible* or *copayment amount* owed to us and not the *provider* of services; (4) a *member* is found to be in material breach of this *contract*; or (5) a change in federal or state law no longer permits the continued offering of such coverage, such as CMS guidance related to individuals who are Medicare eligible.

Annually, *we* may change the rate table used for this *policy* form. Each premium will be based on the rate table in effect on that premium's due date. The *policy* plan, and age of *members*, type and level of benefits, and place of *residence* on the premium due date are some of the factors used in determining *your* premium rates. *We* have the right to change premiums.

At least 60 days' notice of any plan to take an action or make a change permitted by this clause will be delivered to *you* at *your* last address as shown in *our* records. *We* will make no change in *your* premium solely because of claims made under this *policy* or a change in a *member's* health. While this *policy* is in force, *we* will not restrict coverage already in force. If *we* discontinue offering and decide not to renew all policies issued on this form, with the same type and level of benefits, for all residents of the state where *you* reside, *we* will provide a written notice to *you* at least 90 days prior to the date that *we* discontinue coverage.

This *policy* contains *prior authorization* requirements. *You* may be required to obtain a referral from a *primary care provider* in order to receive care from a *specialist provider*. Benefits may be reduced or not covered if the requirements are not met. Please refer to the *Schedule of Benefits* and the *Prior Authorization* Section.

TEN DAY RIGHT TO RETURN POLICY

Please read *your policy* carefully. If *you* are not satisfied, return this *policy* to *us* or to *our* agent within 10 days after *you* receive it. All premiums paid will be refunded, less claims paid, and the *policy* will be considered null and void from the *effective date*.

Both the individual and the family *deductible amounts* are shown in the *Schedule of Benefits*.

If *you* are a covered *member* in a family of two or more *members*, *you* will satisfy *your deductible amount* when:

1. *You* satisfy *your individual deductible amount*; or
2. *Your family* satisfies the family *deductible amount* for the *calendar year*.

If *you* satisfy *your individual deductible amount*, each of the other *members* of *your family* are still responsible for the *deductible* until the family *deductible amount* is satisfied for the *calendar year*.

Eligible service expense means a *covered service expense* as determined below.

1. For *network providers*: When a *covered service* is received from a *network provider*, the *eligible service expense* is the contracted fee with that *provider*.
2. For *non-network providers*:

When a *covered service* is received from a *non-network provider* as a result of an *emergency*, the *eligible service expense* depends on the provider's status

Out-of-Network Hospitals and Free Standing ERs

If, within the 24 months immediately preceding the provision of medically necessary emergency services to a member, the out-of-network hospital or independent center for emergency medical care had a contract as an in-network hospital or independent center for emergency medical care with Ambetter, Ambetter to pay (and the hospital or independent center for emergency medical care will accept), an amount based on the amount that would have been paid for those services under the most recent contract between Ambetter and the hospital or independent center for emergency medical care.

If an out-of-network hospital or independent center for emergency medical care did not have a contract with Ambetter as an in-network hospital or independent center for emergency medical care during that time, Ambetter will pay to the provider an amount that Ambetter has determined to be fair and reasonable as payment for the medically necessary emergency services.

Out-of-Network Providers

If, within the 12 months immediately preceding the provision of medically necessary emergency services to a member, an out-of-network provider had a contract as an in-network provider with Ambetter that that was not terminated by Ambetter for cause, Ambetter will pay (and the provider to accept), an amount based on the amount that would have been paid for those services under the most recent contract between Ambetter and the provider.

If an out-of-network provider did not have a contract with Ambetter that provides coverage for the Member as an in-network provider during that time or if Ambetter terminated such a contract for cause, Ambetter will pay to the provider an amount that Ambetter has determined to be fair and reasonable as payment for the medically necessary emergency services.

If the billing entity does not accept a payment made as payment in full for the medically necessary emergency services, the out-of-network provider will request from Ambetter an additional amount which, when combined with the amount previously paid, the out of- network provider is willing to accept as payment in full and, if not paid, the parties will submit the dispute to binding arbitration. The terms do not apply to critical access hospitals and persons covered by a policy of insurance sold outside Nevada.

Please note: *You* may not be billed for the difference between the amount paid and the *non-network provider's* charge.

- a. When a *covered service* is received from a *non-network provider* as *approved* or *authorized* by *us* and is not the result of an *emergency*, the *eligible service expense* is the negotiated fee, if any, that has been mutually agreed upon by *us* and the *provider* as payment in full (*you* will not be billed for the difference between the negotiated fee and the *provider's* charge). If there is no negotiated fee agreed to by the *provider* with *us*, the *eligible service expense* is the greater of (1) the amount that would be paid under Medicare, or (2) the contracted amount paid to *network providers* for the *covered service*. If there is more than one contracted amount with *network providers* for the *covered service*, the amount is the median of these amounts. *You* may be billed for the difference between the amount paid and the *provider's* charge.
- b. When a *covered service* is received from a *non-network provider* because the service or supply is not available from any *network provider* in *your service area* and is not the result of an *emergency*, the *eligible service expense* is the negotiated fee, if any, that the *provider* has agreed to accept as payment in full (*you* will not be billed for the difference between the negotiated fee and the *provider's* charge). If there is no negotiated fee agreed to by the *provider* with *us*, the *eligible service expense* is the greater of (1) the amount that would be paid under Medicare, or (2) the contracted amount paid to *network providers* for the *covered service*. If there is more than one contracted amount with *network providers* for the *covered service*, the amount is the median of these amounts. *You* may be billed for the difference between the amount paid and the *provider's* charge.

2. Serious impairment to bodily functions;
3. Serious dysfunction of any bodily organ or part;

Follow-up care is not considered emergency care. Benefits are provided for treatment of *emergency* medical conditions and *emergency* screening and stabilization services without *prior authorization*. Benefits for *emergency* care include facility costs and *physician* services, and supplies and *prescription drugs* charged by that facility. *You* must notify *us* or verify that *your physician* has notified *us* of *your* admission to a *hospital* within 48 hours or as soon as possible within a reasonable period of time. When *we* are contacted, *you* will be notified whether the *inpatient* setting is appropriate, and if appropriate, the number of days considered *medically necessary*. By contacting *us*, *you* may avoid financial responsibility for any

inpatient care that is determined to be not *medically necessary* under *your* Plan. If *your provider* does not contract with *us*, *you* will be financially responsible for any care *we* determine is not *medically necessary*. Care and treatment provided once *you* are *medically stabilized* is no longer considered *emergency* care. Continuation of care from a non-participating *provider* beyond that needed to evaluate or stabilize *your* condition in an *emergency* will be covered as a non-*network* service unless *we authorize* the continuation of care and it is *medically necessary*.

Generally accepted standards of medical practice are standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, relying primarily on controlled clinical trials.

If no credible scientific evidence is available, then standards based on physician specialty society recommendations or professional standards of care may be considered. *We* reserve the right to consult medical professionals in determining whether a health care service, supply, or drug is *medically necessary* and is a *covered service* under the *policy*. The decision to apply physician specialty society recommendations, the choice of medical professional, and the determination of when to use any such opinion, will be determined by *us*.

Dependent Member Coverage

Dependent Member Eligibility

Your *dependent members* become eligible for insurance on the latter of:

1. The date *you* became covered under this *policy*;
2. The date of marriage to add a *spouse*;
3. The date of an eligible newborn's birth; or
4. The date that an adopted child is placed with *you* or *your spouse* for the purposes of adoption or *you* or *your spouse* assumes total or partial financial support of the child.

If a *member* is confined as an *inpatient* in a *hospital* on the *effective date* of this agreement, and prior coverage terminating immediately before the *effective date* of this agreement furnishes benefits for the hospitalization after the termination of prior coverage, then services and benefits will not be covered under this agreement for that *member* until the *member* is discharged from the *hospital* or benefits under the prior coverage are exhausted, whichever is earlier.

If there is no prior coverage or no continuation of *inpatient* coverage after the *effective date*, your Ambetter coverage will apply for covered benefits related to the *inpatient* coverage after your *effective date*. Ambetter coverage requires you notify Ambetter within 2 days of your *effective date* so we can review and Authorize *medically necessary* services. If services are at a non-contracted *Hospital*, claims will be paid at the Ambetter allowable and you may be billed for any balance of costs above the Ambetter allowable.

Effective Date for Initial Dependent Members

The *effective date* for your initial *dependent members* will be the same date as your initial coverage date. Only *dependent members* included in the application for this *policy* will be covered on your *effective date*.

Coverage for a Newborn Child

An *eligible child* born to *you* or a family member will be covered from the time of birth until the 31st day after its birth, unless we have received notice from the entity that you have enrolled (either the Exchange or us). Each type of *covered service* incurred by the newborn child will be subject to the cost-sharing amount listed in the *Schedule of Benefits*.

Additional premium will be required to continue coverage beyond the 31st day after the date of birth. The required premium will be calculated from the child's date of birth. If notice of the newborn is given to *us* by the Exchange within the 31 days from birth, an additional premium for coverage of the newborn child will be charged for not less than 31 days after the birth of the child. If notice is not given within the 31 days from birth, *we* will charge an additional premium from the date of birth. If notice is given by the Exchange within 60 days of the birth of the child, the *policy* may not deny coverage of the child due to failure to notify *us* of the birth of the child or to pre-enroll the child. Coverage of the child will terminate on the 31st day after its birth, unless *we* have received notice from the entity that you have enrolled (either the Exchange or us) of the child's birth.

Coverage for an Adopted Child

An *eligible child* legally placed for adoption with *you* or *your spouse* will be covered from the date of *placement* until the 31st day after *placement*, unless the *placement* is disrupted prior to legal adoption and the child is removed from *your* or *your spouse's* custody.

The child will be covered for *loss* due to *injury* and *illness* including *medically necessary* care and treatment of conditions existing prior to the date of *placement*.

Additional premium will be required to continue coverage beyond the 31st day following *placement* of the child and *we* have received notification from the Exchange. The required premium will be calculated from the date of *placement* for adoption. Coverage of the child will terminate on the 31st day following *placement*, unless *we* have received both: (A) Notification of the addition of the child from the Exchange

within 60 days of the birth or placement and (B) any additional premium required for the addition of the child within 90 days of the date of *placement*.

As used in this provision, "*placement*" means the earlier of:

1. The date that *you* or *your spouse* assume physical custody of the child for the purpose of adoption;
or
2. The date of entry of an order granting *you* or *your spouse* custody of the child for the purpose of adoption.

Adding Other Dependent Members

If *you* are enrolled in an off-exchange policy and apply in writing to add a *dependent member* and *you* pay the required premiums, *we* will send *you* written confirmation of the added *dependent member's effective date* of coverage and ID cards for the added *dependent*.

Ongoing Eligibility

For All Members

A *member's* eligibility for coverage under this *policy* will cease on the earlier of:

1. The date that a *member* accepts any direct or indirect contribution or reimbursement, by or on behalf of an employer, for any portion of the premium for coverage under this *policy*;
2. The primary *member* residing outside the *service area* or moving permanently outside the *service area* of this plan;
3. The date of termination that the Exchange provides us upon your request of cancellation to the Exchange, or if you enrolled directly with us, the date we receive a request from you to terminate this *contract*, or any later date stated in your request;
4. The date that a *member* has failed to pay premiums or contributions in accordance with the terms of this *contract* or the date that we have not received timely premium payments in accordance with the terms of this *contract*;
5. The date the *member* has performed an act or practice that constitutes fraud or made an intentional misrepresentation of a material fact or
6. The date of a *member's* death.

For Dependent Members

A *dependent member* will cease to be a *member* at the end of the premium period in which he or she ceases to be *your dependent member* due to divorce or if a child ceases to be an *eligible child*. For *eligible children*, the coverage will terminate the thirty-first of December the year the dependent turns 26 years of age.

All enrolled *dependent members* will continue to be covered until the age limit listed in the definition of *eligible child*. If you have material modifications (examples include a change in life event such as marriage, death, or other change in family status), or questions related to *your* health insurance coverage, contact Member Services at 1-866-263-8134 (TTD/TTY: 1-855-868-4945) or the Exchange at 1-800-547-2927 (TTY: 711).

A *member* will not cease to be a *dependent eligible child* solely because of age if the *eligible child* is:

1. Not capable of self-sustaining employment due to mental handicap or physical handicap that began before the age limit was reached; and
2. Mainly dependent on *you* for support.

Open Enrollment

There will be an open enrollment period for coverage on the Exchange. The open enrollment period begins November 1, 2020 and extends through December 15, 2020. *Qualified individuals* who enroll on or before December 15, 2020 will have an *effective date* of coverage on January 1, 2021.

 - b. For one or more days during the 60 days preceding the date of marriage.
3. An individual, who was not previously a citizen, national, or lawfully present individual gains such status;

4. An individual who is no longer incarcerated or whose incarceration is pending the disposition of charges;
5. A *qualified individual's* enrollment or non-enrollment in a *qualified health plan* is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, or inaction of an officer, employee, or agent of the Exchange or HHS, or its instrumentalities as evaluated and determined by the Exchange. In such cases, the Exchange may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation, or inaction;
6. An enrollee adequately demonstrates to the Exchange that the *qualified health plan* in which he or she is enrolled substantially violated a material provision of its policy in relation to the enrollee's decision to purchase the *qualified health plan* based on plan benefits, *service area* or premium;
7. An individual is determined newly eligible or newly ineligible for *advance premium tax credits* or has a change in eligibility for *cost sharing reductions*, regardless of whether such individual is already enrolled in a *qualified health plan*;
8. A *qualified individual* or enrollee gains access to new *qualified health plans* as a result of a permanent move;
9. Qualifying events as defined under section 603 of the Employee Retirement Income Security Act of 1974, as amended:
 - a. The qualifying events for employees are:

12. A *qualified individual* or dependent is a victim of domestic abuse or spousal abandonment and would like to enroll in coverage separate from the perpetrator of the abuse or abandonment;
13. A *qualified individual* or dependent is determined to be potentially eligible for Medicaid or Children's Health Insurance Program (CHIP), but is subsequently determined to be ineligible after the open enrollment period has ended or more than 60 days after the qualifying event or
14. At the option of the Exchange, a *qualified individual* provides satisfactory documentary evidence to verify his or her eligibility for an insurance affordability program or enrollment in a *qualified health plan* through the Exchange following termination of Exchange enrollment due to a failure to verify such status within the time period specified in 45 C.F.R. § 155.315 or is under 100 percent of the federal poverty level and did not enroll in coverage while waiting for HHS to verify his or her citizenship, status as a national, or lawful presence.

The Exchange may provide a coverage *effective date* for a *qualified individual* earlier than specified in the paragraphs above, provided that either:

1. The *qualified individual* has not been determined eligible for *advanced premium tax credits* or cost-sharing reductions; or

2. The *qualified individual* pays the entire premium for the first partial month of coverage as well as all *cost sharing*, thereby waiving the benefit of *advanced premium tax credits* and cost-sharing reduction payments until the first of the next month.

A qualified individual newly gains access to an employer sponsored individual coverage HRA or a Qualified Small Employer Health Reimbursement Arrangement (HRA).

"You can also enroll in a health insurance plan for *you* and *your* family through the Silver State Health Insurance Exchange (Nevada's state-based health insurance exchange). Premiums

Premium Payment

Each premium is to be paid on or before its due date. The initial premium must be paid prior to the coverage *effective date*, although an extension may be provided during the annual Open Enrollment period.

Grace Period

When a *member* is receiving a premium subsidy:

After the first premium is paid, a grace period of 3 months from the premium due date is given for the payment of premium. Coverage will remain in force during the grace period. If full payment of premium is not received within the grace period, coverage will be terminated as of the last day of the first month during the grace period, if *advance premium tax credits* are received.

We will continue to pay all appropriate claims for *covered services* rendered to the *member* during the first month of the grace period, and may pend claims for *covered services* rendered to the *member* in the second and third month of the grace period. We will notify HHS of the non-payment of premiums, the *member*, as well as *providers* of the possibility of denied claims when the *member* is in the second and third month of the grace period. We will continue to collect *advance premium tax credits* on behalf of the *member* from the Department of the Treasury, and will return the *advance premium tax credits* on behalf of the *member* for the second and third month of the grace period if the *member* exhausts their grace period as described above. A *member* is not eligible to re-enroll once terminated, unless a *member* has a special enrollment circumstance, such as a marriage or birth in the family or during annual open enrollment periods.

When a *member* is not receiving a premium subsidy:

Premium payments are due in advance, on a calendar month basis. Monthly payments are due on or before the first day of each month for coverage effective during such month. There is a 60-day grace period. This provision means that if any required premium is not paid on or before the date it is due, it may be paid during the grace period. During the grace period, the *policy* will stay in force; however, claims may pend for *covered services* rendered to the *member* during the grace period. We will notify HHS, as necessary, of the non-payment of premiums, the *member*, as well as *providers* of the possibility of denied claims when the *member* is in the grace period.

Third Party Payment of Premiums or Cost Sharing

Ambetter requires each policyholder to pay his or her premiums and this is communicated on *your* monthly billing statements. Ambetter payment policies were developed based on guidance from the Centers for Medicare and Medicaid Services (CMS) recommendations against accepting third party premiums. Consistent with CMS guidance, the following are the only acceptable third parties who may pay Ambetter premiums on *your* behalf:

1. Ryan White HIV/AIDS program under Title XXVI of the Public Health Service Act;
2. Indian tribes, tribal organizations, or urban Indian organizations;
3. State and Federal government programs; or
4. Family members.
5. Private, not-for-profit foundations which have no incentive for financial gain, no financial relationship, or affiliation with *providers* of *covered services* and supplies on behalf of *members*, where eligibility is determined based on defined criteria without regard to health status and where payments are made in advance for a coverage period from the *effective date* of eligibility through the remainder of the *calendar year*.

Upon discovery that premiums were paid by a person or entity other than those listed above, *we* will reject the payment and inform the *member* that the payment was not accepted and that the subscription charges remain due.

Similarly, if we determine payment was made for *deductibles* or *cost sharing* by a third party, such as a drug manufacturer paying for all or part of a medication, that shall be considered a third party premium payment that may not be counted towards your *deductible* or *maximum out-of-pocket* costs.

Misstatement of Age

If a *member's* age has been misstated, the *member's* premium may be adjusted to what it should have been based on the *member's* actual age.

Change or Misstatement of Residence

If *you* change *your residence*, *you* must notify the Exchange, of *your* new *residence* within 60 days of the change. As a result, *your* premium may change and *you* may be eligible for a Special Enrollment Period. See the section on Special Enrollment Periods for more information.

Misstatement of Tobacco or Nicotine Use

The answer to the tobacco or nicotine question on the application is material to *our* correct underwriting. If a *member's* use of *tobacco* or *nicotine* has been misstated on the *member's* application for coverage under this *policy*, *we* have the right to reate the *policy* back to the original *effective date*.

Billing/Administrative Fees

Upon prior written notice, *we* may impose an administrative fee for credit card payments. This does not obligate *us* to accept credit card payments. *We* will charge a \$20 fee for any check or automatic payment deduction that is returned unpaid.

Prior Authorization

Ambetter reviews services to ensure the care *you* receive is the best way to help improve *your* health condition. Utilization review includes:

- Pre-service or *prior authorization* review – occurs when a medical service has been pre-approved by Ambetter
- Concurrent review – occurs when a medical service is reviewed as they happen (e.g., inpatient stay or hospital admission)
- Retrospective review – occurs after a service has already been provided.

Prior Authorization Required

Some medical and behavioral health *covered service expenses* require *prior authorization*. In general, *network providers* must obtain *authorization* from *us* prior to providing a service or supply to a *member*. However, there are some *network eligible service expenses* for which *you* must obtain the *prior authorization*.

For services or supplies that require *prior authorization*, as shown on the *Schedule of Benefits*, *you* must obtain *authorization* from *us* before *you* or *your dependent member*:

1. Receive a service or supply from a *non-network provider*;
2. Are admitted into a *network facility* by a *non-network provider*; or
3. Receive a service or supply from a *network provider* to which *you* or *your dependent member* were referred to by a *non-network provider*.

Prior Authorization (medical and behavioral health) requests must be received by phone/eFax/ Provider portal as follows:

1. At least 5 days prior to an elective admission as an *inpatient* in a *hospital, extended care* or *rehabilitation facility*, or *hospice facility*.
2. At least 30 days prior to the initial evaluation for organ transplant services.
3. At least 30 days prior to receiving clinical trial services.
4. Within 24 hours of any *inpatient* admission including emergent *inpatient* admissions.
5. At least 5 days prior to the start of *home health care* except those *members* needing *home health care* after *hospital discharge*.

After *prior authorization* has been requested and all required or applicable documentation has been submitted, *we* will notify *you* and *your provider* if the request has been *approved* as follows:

1. For immediate request situations, within one business day, when the lack of treatment may result in an emergency room visit or *emergency* admission.
2. For urgent concurrent reviews within 24 hours of receipt of the request.
3. For urgent *pre-service* reviews, within 72 hours from date of receipt of request.
4. For non-urgent *pre-service* reviews within 5 days, but no longer than 15 days, of receipt of the request.
5. For *post-service* or retrospective reviews, within 30 calendar days of receipt of the request.

How to Obtain Prior Authorization

To obtain *prior authorization* or to confirm that a *network provider* has obtained *prior authorization*, contact *us* by telephone at the telephone number listed on *your* health insurance identification card before the service or supply is provided to the *member*.

Failure to Obtain Prior Authorization

Failure to comply with the *prior authorization* requirements will result in benefits being reduced or not covered.

Network providers cannot bill *you* for services for which they fail to obtain *prior authorization* as required.

In cases of *emergency*, benefits will not be reduced for failure to comply with *prior authorization* requirements. However, *you* must contact *us* as soon as reasonably possible after the *emergency* occurs.

Prior Authorization Does Not Guarantee Benefits

Our authorization does not guarantee either payment of benefits or the amount of benefits. Eligibility for, and payment of, benefits are subject to all terms and conditions of the *policy*.

Denied Prior Authorization

Refer to the Appeal and Grievance Procedures section of this contract for information on your right to appeal a denied authorization.

Requests for Predeterminations

You may request a predetermination of coverage. *We* will provide one if circumstances allow *us* to do so. However, *we* are not required to make a predetermination of either coverage or benefits for any particular treatment or medical expense. Any predetermination *we* may make will be reviewed after the medical expense is incurred and a claim is filed. A review that shows one or more of the following may cause *us* to reverse the predetermination:

1. The predetermination was based on incomplete or inaccurate information initially received by *us*.
2. The medical expense has already been paid by someone else.
3. Another party has already paid or is responsible for payment of the medical expense.

We will make all benefit determinations after a *loss* in good faith. All benefit determinations are subject to *our* receipt of proper *proof of loss*.

Services from Non-Network Providers

Except for *emergency* medical services, we do not normally cover services received from *non-network providers*. If a situation arises where *covered services* cannot be obtained from a *network provider* located within a reasonable distance, we may provide a *prior authorization* for you to obtain the service from a *non-network provider* at no greater cost to you than if you went to a *network provider*. If *covered services* are not available from a *network provider*, you or your *primary care provider* must request *prior authorization* from us before you receive services from a *non-network provider*. Otherwise, you will be responsible for all charges incurred.

Hospital Based Providers

When receiving care at an Ambetter participating *hospital* it is possible that some *hospital-based providers* (for example, anesthesiologists, radiologists, pathologists) may not be under contract with Ambetter as participating *providers*. These *providers* may bill *you* for the difference between Ambetter's *allowed amount* and the *providers* billed charge – this is known as “*balance billing*”. *We* encourage *you* to inquire about the *providers* who will be treating *you* before *you* begin *your* treatment, so *you* can understand their participation status with Ambetter.

Although health care services may be or have been provided to *you* at a health care facility that is a member of the *provider network* used by Ambetter, other professional services may be or have been provided at or through the facility by *physicians* and other health care practitioners who are not members of that *network*. *You* may be responsible for payment of all or part of the fees for those professional services that are not paid or covered by Ambetter.

Cost Sharing Features

Cost Sharing Features

We will pay benefits for *covered services* as described in the *Schedule of Benefits* and the *Covered Services* sections of this *contract*. All benefits we pay will be subject to all conditions, limitations, and *cost sharing* features of this *contract*. *Cost sharing* means that you participate or share in the cost of your healthcare services by paying *deductible amounts*, *copayments* and *coinsurance* for some *covered services*. For example, you may need to pay a *copayment* or *coinsurance* amount when you visit your *physician* or are admitted into the *hospital*. The *copayment* or *coinsurance* required for each type of service as well as your *deductible* is listed in your *Schedule of Benefits*.

When you, or a covered dependent, receive health care services from a *provider*, there may be multiple claims for that episode of care. An episode of care means the services provided by a health care facility or *provider* to create a condition or *illness*. Each claim that we receive for services covered under this *contract* are adjudicated or processed as we receive them. Coverage is only provided for *eligible service expenses*. Each claim received will be processed separately according to the cost share as outlined in the *contract* and in your *Schedule of Benefits*.

Coinsurance Percentage

A *coinsurance* amount is your share of the cost of a service. *Members* may be required to pay a *coinsurance* in addition to any applicable *deductible Amount(s)* due for a *covered service* or supply. *Coinsurance* amounts do not apply toward the *deductible*, but do apply toward your *maximum out-of-pocket Amount*.

Copayments

A *copayment* is typically a fixed amount due at the time of service. *Members* may be required to pay *copayments* to a *provider* each time services are performed that require a *copayment*. Copayments are due as shown in the *Schedule of Benefits*. Payment of a *copayment* does not exclude the possibility of a *provider* billing you for any non-covered services. *Copayments* do not count or apply toward the *deductible amount*, but do apply toward your *maximum out-of-pocket amount*.

Deductible

The *deductible amount* means the amount of *covered service expenses* that must be paid by each/all *members* before any benefits are provided or payable. The *deductible amount* does not include any *copayment amount* or *coinsurance* amount. Not all *covered service expenses* are subject to the *deductible amount*. See your *Schedule of Benefits* for more details.

Maximum Out-of-Pocket

You must pay any required *copayments* or *coinsurance* amounts required until you reach the *maximum out-of-pocket Amount* shown on your *Schedule of Benefits*. After the *maximum out-of-pocket Amount* is met for an individual, we will pay 100% of the cost for *covered services*. The family *maximum out-of-pocket Amount* is two times the individual *maximum out-of-pocket Amount*. For the family *maximum out-of-pocket Amount*, once a *member* has met the individual *maximum out-of-pocket Amount*, the remainder of the family *maximum out-of-pocket Amount* can be met with the combination of any one or more *Members' Eligible Service Expenses*.

Refer to your Schedule of Benefits for Coinsurance Percentage and other limitations.

The amount provided or payable will be subject to:

1. Any specific benefit limits stated in the *policy*; and
2. A determination of *eligible service expenses*.

The applicable *deductible amount(s)*, *cost sharing percentage*, and *copayment amounts* are shown on the *Schedule of Benefits*.

Note: The bill *you* receive for services or supplies from a *non-network provider* may be significantly higher than the *eligible service expenses* for those services or supplies. In addition to the *deductible amount*, *copayment amount*, and *cost sharing percentage*, *you* are responsible for the difference between the *eligible service expense* and the amount the *non-network provider* bills *you* for the services or supplies. Any amount *you* are obligated to pay to the *non-network provider* in excess of the *eligible service expense* will not apply to *your deductible amount* or *maximum out-of-pocket*.

Access to Care

Primary Care Provider

In order to obtain benefits, *you* must designate a *network primary care provider* for each *member*. If *you* do not select a *network primary care provider* for each member, one will be assigned. *You* may select any *network primary care provider* who is accepting new patients from any of the following *provider* types:

- Family practitioners
- General practitioners
- Internal medicine
- Nurse practitioners*
- Physician assistants
- Obstetricians/gynecologists
- Pediatricians (for children)

*If *you* choose a nurse practitioner as your PCP, *your* benefit coverage and *copayment amounts* are the same as they would be services from other in-network *providers*. See *your Summary of Benefits* for more information.

Adults may designate an OB/GYN as a *network primary care provider*. *You* may obtain a list of *network primary care providers* at *our* website and using the “Find a Provider” function or by contacting *our* Member Services department.

You should get to know your PCP and establish a health relationship with them. *Your* PCP will:

- Provide preventive care and screenings
- Conduct regular physical exams as needed
- Conduct regular immunizations as needed
- Deliver timely service
- Work with other doctors when *you* receive care somewhere else
- Coordinate specialty care with Ambetter in-network specialists
- Provide any ongoing care *you* need
- Update *your* medical record, which includes keeping track of all the care that *you* get from all of *your providers*
- Treat all patients the same way with dignity and respect
- Make sure *you* can contact him/her or another provider at all times
- Discuss what advance directive are and file directives appropriately in *your* medical record.

Your network primary care provider will be responsible for coordinating all covered health services. *You* may be required to obtain a referral from a *primary care provider* in order to receive care from a *specialist provider*. *You* do not need a referral from *your network primary care provider* for mental or behavioral health services, obstetrical or gynecological treatment and may seek care directly from a *network obstetrician or gynecologist*.

Changing Your Primary Care Physician (PCP)

You may change *your network primary care provider* for any reason, but not more frequently than once a month, by submitting a written request, online at *our* website at Ambetter.SilverSummitHealthplan.com, or by contacting *our* office at the number shown on *your* identification card. The change to *your network primary care provider* of record will be effective no later than 30 days from the date *we* receive *your* request.

Contacting Your Primary Care Physician

To make an appointment with *your* PCP, call his/her office during business hours and set up a date and time. If *you* need to cancel or change *your* appointment, call 24 hours in advance. At every appointment, make sure *you* bring *your member* ID card and a photo ID.

Should *you* need care outside of *your* PCP's office hours, *you* should call *your* PCP's office for information on receiving after hours care in your area. If *you* have an urgent medical problem or question or cannot reach *your* PCP during normal office hours, call *our* 24/7 nurse advice line at 1-877-687-1180 (TTY/TDD 1-877-941-9231). A licensed nurse is always available and ready to answer your health questions. In an emergency, call 911 or head straight to the nearest emergency room.

Network Availability

Your network is subject to change upon advance written notice. A *network service area* may not be available in all areas. If *you* move to an area where *we* are not offering access to a *network*, the *network* provisions of the *policy* will no longer apply. In that event, benefits will be calculated based on the *eligible service expense*, subject to the *deductible amount* for *network providers*. *You* will be notified of any increase in premium.

Coverage Under Other Policy Provisions

Charges for services and supplies that qualify as *covered service expenses* under one benefit provision will not qualify as *covered service expenses* under any other benefit provision of this *policy*.

Non-Emergency Services

If *you* are traveling outside of the Nevada *service area*, *you* may be able to access *providers* in another state if there is an Ambetter plan located in that state. *You* can locate Ambetter *providers* outside of Nevada by searching the relevant state in *our* provider directory at ProviderSearch.AmbetterHealth.com. Not all states have Ambetter plans. If *you* receive care from an Ambetter *provider* outside of the *service area*, *you* may be required to receive *prior authorization* for non-emergency services. Contact Member Services at the phone number on your ID card for further information.

Emergency Services Outside of Service Area

We cover emergency care services when *you* are outside of *our* service area.

If *you* are temporarily out of the service area and have a medical or behavioral health emergency, call 911 or go to the nearest emergency room. Be sure to call *us* and report *your* emergency within one business day. *You* do not need prior approval for emergency care services.

New Technology

Health technology is always changing. If *we* think a new medical advancement can benefit *our* members, *we* evaluate it for coverage. These advancements include:

- New technology
- New medical procedures
- New drugs
- New devices
- New application of existing technology

Sometimes, *our* medical director and/or medical management staff will identify technological advances that could benefit *our* members. The Clinical Policy Committee (CPC) reviews requests for coverage and decides whether *we* should change any of *our* benefits to include the new technology.

If the CPC does not review a request for coverage of new technology, *our* Medical Director will review the request and make a one-time determination. The CPC may then review the new technology request a future meeting.

Dialysis Services

Medically necessary acute and chronic dialysis services are covered benefits unless other coverage is primary, such as Medicare for dialysis. There are two types of treatment provided you meet all the criteria for treatment. At our option, we may authorize the purchase of the equipment in lieu of its rental if the rental price is projected to exceed the equipment purchase price, but only from a *provider* we authorize before the purchase.

Durable Medical Equipment, Prosthetics, and Orthotic Devices

The supplies, equipment, and appliances described below are *covered services* under this benefit. If the supplies, equipment, and appliances include comfort, luxury, or convenience items or features which exceed what is *medically necessary* in *your* situation or needed to treat *your* condition, reimbursement will be based on the maximum allowable amount for a standard item that is a *covered service*, serves the same

purpose, and is *medically necessary*. Any expense that exceeds the maximum allowable amount for the standard item which is a *covered service* is *your* responsibility. For example, the reimbursement for a motorized wheelchair will be limited to the reimbursement for a standard wheelchair, when a standard wheelchair adequately accommodates *your* condition. Repair, adjustment, and replacement of purchased equipment, supplies, or appliances as set forth below may be covered, as *approved by us*. The repair, adjustment, or replacement of the purchased equipment, supply, or appliance is covered if:

- The equipment, supply, or appliance is a *covered service*;

- There is reasonable justification for the repair, adjustment, or replacement (warranty expiration is not reasonable justification).

In addition, replacement of purchased equipment, supplies, or appliance may be covered if:

1. The equipment, supply, or appliance is worn out or no longer functions.
2. Repair is not possible or would equal or exceed the cost of replacement. An assessment by *our habilitation* equipment specialist or vendor should be done to estimate the cost of repair.

4. The equipment, supply, or appliance is damaged and cannot be repaired.

Benefits for repairs and replacement do not include the following:

Examples include, but are not limited to, wheelchairs, crutches, *hospital* beds, and oxygen equipment. Rental cost must not be more than the purchase price. We will not pay for rental for a longer period of time than it would cost to purchase equipment. The cost for delivering and installing the equipment are *covered services*. Payment for related supplies is a *covered service* only when the equipment is a rental, and medically fitting supplies are included in the rental; or the equipment is owned by the *member*; medically fitting supplies may be paid separately. Mental Health and Substance Use Disorder Benefits

The coverage described below is intended to comply with requirements under the Paul Wellstone-Pete Domenici Mental Health Parity and Addiction Equity Act of 2008.

If you need mental health or *substance use disorder* treatment, you may choose any *provider* participating in our behavioral health and *substance use provider network* and do not need a referral from your PCP in order to initiate treatment. You can search for in-network Behavioral Health *providers* by using our Find a Provider tool at Ambetter.SilverSummitHealthplan.com or by calling Member Services at 1-866-263-8134 (TDD/TTY 1-855-868-4945). *Deductible amounts, copayment, or coinsurance* amounts and treatment limits for covered mental health and *substance use disorder* benefits will be applied in the same manner as physical health service benefits.

Covered services for mental health and *substance use disorder* are included on a non-discriminatory basis for all *members* for the diagnosis and treatment of mental, emotional, and/or *substance use disorders* as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association and the most recent edition of the International Classification of Diseases (ICD-10).

When making coverage determinations, our behavioral health and substance use staff utilize established level of care guidelines and medical necessity criteria that are based on currently accepted standards of practice and take into account legal and regulatory requirements. Our behavioral health and substance use staff utilize McKesson's Interqual criteria for mental health determinations and American Society of Addiction Medicine (ASAM) criteria for *substance use* determinations. Services should always be provided in the least restrictive clinically appropriate setting. Any determination that requested services are not *medically necessary* will be made by a qualified licensed mental health professional.

Covered *Inpatient* and *Outpatient* mental health and/or *substance use disorder* services are as follows:

Inpatient

Formulary or Prescription Drug List

The formulary or prescription drug list is a guide to available generic and brand name drugs and some over-the-counter medications when ordered by a *physician* that are approved by the Food and Drug Administration (FDA) and covered through *your* prescription drug benefit. Generic drugs have the same active ingredients as their brand name counterparts and should be considered the first line of treatment. The FDA requires generics to be safe and work the same as brand name drugs. If there is no generic available, there may be more than one brand name drug to treat a condition. Preferred brand name drugs are listed on Tier 2 of the Drug List to help identify brand name drugs that are clinically appropriate, safe and cost effective treatment options, if a generic medication on the formulary is not suitable for *your* condition.

Please note, the formulary is not meant to be a complete list of the drugs covered under *your* prescription benefit. Not all dosage forms or strengths of a drug may be covered. This list is periodically reviewed and updated and may be subject to change. drugs may be added or removed or additional requirements may be added in order to approve continued usage of a specified drug.

Specific prescription benefit plan designs may not cover certain products or categories, regardless of their appearance in the formulary. For the most current Ambetter Formulary or Prescription Drug List or for more information about our pharmacy program, visit Ambetter.SilverSummitHealthplan.com (under “For Member”, “Pharmacy Resources”) or call Member Services at 1-866-263-8134 (TDD/TTY 1-855-868-4945).

Non-Formulary Prescription Drugs

Under the Affordable Care Act, *you* have the right to request coverage of prescription drugs that are not listed on the plan formulary (otherwise known as "non-formulary drugs"). To exercise this right, please get in touch with *your medical practitioner*. *You* can utilize the usual *prior authorization* request process. See "Prior Authorization" below for additional details.

Lock-In Program

To help decrease opioid overutilization and abuse, certain *members* identified through *our* Lock-in Program, may be locked into a specific pharmacy for the duration of their participation in the lock-in program. *Members* locked into a specific pharmacy will be able to obtain their medication(s) only at specified location. Ambetter pharmacy, together with Medical Management will review *member* profiles and using specific criteria, will recommend *members* for participation in lock-in program. *Members* identified for participation in lock-in program and associated *providers* will be notified of member participation in the program via mail. Such communication will include information on duration of participation, pharmacy to which *member* is locked-in, and any appeals rights.

Topical Ophthalmic Products

A *member* can receive early refills of topical ophthalmic products in the following manner:

1. After 21 days or more but before 30 days after receiving any 30-day supply of the product;
2. After 42 days or more but before 60 days after receiving any 60-day supply of the product; or
3. After 63 days or more but before 90 days after receiving any 90-day supply of the product.

Prescription Drug Continuity of Coverage

A previously approved *prescription drug* order will be honored, unless after a reasonable investigation, it is determined by *your provider* that a different and presently approved drug is medically appropriate, safe, and effective in treating *your* medical condition.

Prescription Drug Synchronization

Under Nevada law, *you* have the right to request synchronization of *your* medications. Synchronization is alignment of *your* fill dates so that all of *your* medication-refill dates are on the same day. For example, if *you* fill medication A on the 5th of each month and *your provider* prescribes *you* a new prescription B on the 20th of the month, *you* have the right to request a refill for prescription B that is shorter or longer than 30 days. This may help *you* adjust *your* fill dates for medication B and synchronize the fill dates with medication A. *We* will adjust *copays* to reflect shorter or longer coverage. If *you* would like to exercise this right, please call *our* Member Services line.

Prescription Drug Exception Process

Standard exception request

A *member*, a *member's* designee or a *member's* prescribing *physician* may request a standard review of a decision that a drug is not covered by the plan or a protocol exception for step therapy. The request can be made in writing or via telephone. Within 72 hours of the request being received, *we* will provide the *member*, the *member's* designee or the *member's* prescribing *physician* with *our* coverage determination. Should the standard exception request or step therapy protocol exception request be granted, *we* will provide coverage of the non-formulary drug for the duration of the prescription, including refills, or of the drug that is the subject of the protocol exception.

Expedited exception request

A *member*, a *member's* designee or a *member's* prescribing *physician* may request an expedited review based on exigent circumstances. Exigent circumstances exist when a *member* is suffering from a health condition that may seriously jeopardize the enrollee's life, health, or ability to regain maximum function or when an enrollee is undergoing a current course of treatment using a non-formulary drug. Within 24 hours of the request being received, *we* will provide the *member*, the *member's* designee or the *member's* prescribing *physician* with *our* coverage determination. Should the standard exception or step therapy protocol exception request be granted, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the exigency.

External exception request review

If *we* deny a request for a standard exception or for an expedited exception, the *member*, the *member's* designee or the *member's* prescribing *physician* may request that the original exception request and subsequent denial of such request be reviewed by an independent review organization. *We* will make *our* determination on the external exception request and notify the *member*, the *member's* designee or the *member's* prescribing *physician* of *our* coverage determination no later than 72 hours following receipt of the request, if the original request was a standard exception, and no later than 24 hours following its receipt of the request, if the original request was an expedited exception.

If *we* grant an external exception review of a standard exception or step therapy protocol exception request, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the prescription. If *we* grant an external exception review of an expedited exception request, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the exigency.

Preventive Care Expense Benefits

Covered service expenses are expanded to include the charges incurred by a *member* for the following preventive health services if appropriate for that *member* in accordance with the following recommendations and guidelines:

1. Evidence based items or services that have in effect a rating of A or B in the current recommendations of the United States Preventive Services Task Force. Examples of these services are screenings for breast cancer, cervical cancer, colorectal cancer, high blood pressure, type 2 diabetes mellitus, cholesterol, prostate specific antigen testing, and screenings for child and adult obesity.
2. Immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention with respect to an individual.
3. Evidence-informed preventive care and screenings for infants, children, and adolescents, in accordance with comprehensive guidelines supported by the Health Resources and Services Administration.

Benefits for preventive health services listed in this provision, except under the administration of reasonable medical management techniques discussed in the next paragraph, are exempt from any *deductible amounts*, *cost sharing percentage* provisions, and *copayment amounts* under the *policy* when the services are provided by a *network provider*. If a service is considered diagnostic or non-preventive, *your plan copayment, coinsurance, and deductible* will apply. It's important to know what type of service *you're* getting. If a diagnostic or non-preventive service is performed during the same healthcare visit as a preventive service, *you* may have *copayment* and *coinsurance* charges. If a *member* and/or dependents receive any other *covered services* during a preventive care visit, the *member* may be responsible to pay the applicable *copayment* and *coinsurance* for those Services.

Clinical Trial Coverage

Clinical Trial Coverage includes routine patient care costs incurred as the result of an approved phase I, II, III, or phase IV clinical trial and the clinical trial is undertaken for the purposes of prevention, early detection, or treatment of cancer or other life-threatening disease or condition. Coverage will include routine patient care costs incurred for (1) drugs and devices that have been approved for sale by the Food and Drug Administration (FDA), regardless of whether approved by the FDA for use in treating the patient's particular condition, (2) reasonable and *medically necessary* services needed to administer the drug or use the device under evaluation in the clinical trial and (3) all items and services that are otherwise generally available to a *qualified individual* that are provided in the clinical trial except:

- The investigational item or service itself;

In a clinical trial, the treating facility and personnel must have the expertise and training to provide the treatment and treat a sufficient volume of patients. There must be equal to or superior, non-*investigational* treatment alternatives and the available clinical or preclinical data must provide a reasonable expectation that the treatment will be superior to the non-*investigational* alternatives.

Providers participating in clinical trials shall obtain a patient's informed consent for participation in the clinical trial in a manner that is consistent with current legal and ethical standards.

Benefits for *covered expenses* for preventive care expense and chronic disease management benefits may include the use of reasonable medical management techniques authorized by federal law to promote the use of high value preventive services from *network providers*. Reasonable medical management techniques may result in the application of *deductible amounts*, *coinsurance* provisions, or *copayment amounts* to services when a *covered person* chooses not to use a high value service that is otherwise exempt from *deductible amounts*, *coinsurance* provisions, and *copayment amounts*, when received from a *network provider*.

An *inpatient* stay is covered for mother and newborn for a minimum of 48 hours following a vaginal delivery and 96 hours following a delivery by cesarean section. We do not require that a *physician* or other healthcare *provider* obtain *prior authorization*. 1. Give birth in a *hospital* or other healthcare facility; or
2. Remain under *inpatient* care in a *hospital* or other healthcare facility for any fixed term following the birth of a child.

Please refer to the Dependent Member Coverage section for details regarding Coverage for a Newborn Child/Coverage for an adopted child.

Newborns' and Mothers' Health Protection Act Statement of Rights

Health Insurance Issuers generally may not, under federal law, restrict benefits for any *hospital* length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending *provider*, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a *provider* obtain *authorization* from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Under federal law, health insurance issuers generally may not restrict benefits otherwise provided for any *hospital* length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a delivery by cesarean section. However, *we* may provide benefits for *covered service expenses* incurred for a shorter stay if the attending *provider* (e.g., *your physician*, nurse, midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

The level of benefits and out-of-pocket costs for any later part of the 48-hour (or 96-hour) stay will not be less favorable to the mother or newborn than any earlier part of the stay. *We* do not require that a *physician* or other health care *provider* obtain *authorization* for prescribing a length of stay of up to 48 hours (or 96 hours).

Note: This provision does not amend the *policy* to restrict any terms, limits, or conditions that may otherwise apply to *covered service expenses* for childbirth.

Transplant Expense Benefits

Covered Services For Transplant Service Expenses:

Transplants are a covered benefit when a *member* is accepted as a transplant candidate and pre-authorized in accordance with this *contract*. Prior authorization must be obtained through a *Center of Excellence*, before an evaluation for a transplant. We may require additional information such as testing and/or treatment before determining medical necessity for the transplant benefit. Authorization must be obtained prior to performing any related services to the transplant surgery. Transplant services must meet medical criteria as set by Medical Management Policy.

Cost share benefit coverage related to transplant services is available to both the recipient and donor of a covered transplant as follows:

1. If both the donor and recipient have coverage provided by the same insurer, each will have their benefits paid by their own coverage program.
2. If *you* are the recipient of the transplant, and the donor for the transplant has no coverage from any other source, the benefits under this *contract* will be provided for both *you* and the donor. In this case, payments made for the donor will be charged against the *member's* benefits.
3. If *you* are the donor for the transplant and no coverage is available to *you* from any other source, the benefits under this *contract* will be provided for *you*. However, no benefits will be provided to the recipient.
4. If there is a lapse in coverage due to non-payment of premium, no services related to transplants will be paid as a covered benefit.

If we determine that a *member* and donor are an appropriate candidate for a *medically necessary* transplant, live donation, *covered service expenses* will be provided for:

1. Pre-transplant evaluation.
2. Pre-transplant harvesting of the organ from the donor.
3. Left Ventricular Artificial Devices (LVAD) (only when used as a bridge to a heart transplant).
4. Including outpatient covered services related to the transplant surgery pre-transplant laboratory testing and treatment; such as high dose chemotherapy, peripheral stem cell collection, and other immunosuppressive drug therapy, etc.
5. Pre-transplant stabilization, meaning an *inpatient* stay to *medically stabilize* to prepare for a later transplant, whether or not the transplant occurs.
6. The transplant itself, including the acquisition cost for the organ or bone marrow when *authorized* through the *Center of Excellence* and services are performed at participating facility.
7. Post-transplant follow-up visits and treatments.
8. Transplant benefit expenses include services related to donor search and acceptability testing of potential live donors.
9. All costs incurred and medical expenses by the donor; shall be paid under the transplant recipient policy, this excludes travel, lodging, food, and mileage. Please see transplant travel expense policy for outlined details on reimbursement limitations.

These medical expenses are covered to the extent that the benefits remain and are available under the *member's contract*, after benefits for the *member's* own expenses have been paid. In the event of such coverage, the otherwise existing coverage of a live donor shall be secondary to the benefits under the *member's contract*.

To reimburse *us* from any money received from any *third party*, to the extent of benefits *we* paid for the *illness* or *injury*, whether obtained by settlement, judgment, or otherwise, and whether or not the *third party's* payment is expressly designated as a payment for medical expenses.
- 11. That *we* may reduce other benefits under the *policy* by the amounts a *member* has agreed to reimburse *us*.

We have the right to be reimbursed in full regardless of whether or not the *member* is fully compensated by any recovery received from any *third party* settlement, judgment, or otherwise.

We will not pay attorney fees or costs associated with the *member's* claim or lawsuit. In the event *you* or *your* representative fail to cooperate with SilverSummit Healthplan, Inc., *you* shall be responsible for all benefits paid by this plan in addition to costs and attorney's fees incurred by SilverSummit Healthplan, Inc. in obtaining repayment.

If a dispute arises as to the amount a *member* must reimburse *us*, the *member* (or the guardian, legal representatives, estate, or heirs of the *member*) agrees to place sufficient funds in an escrow or trust account to satisfy the maximum lien amount asserted by *us* until the dispute is resolved.

Coordination of Benefits

Ambetter coordinates benefits with other payers when a *member* is covered by two or more health benefit plans. Coordination of Benefits (COB) is the industry standard practice used to share the cost of care between two or more carriers when a *member* is covered by more than one health benefit plan.

It is a contractual provision of a majority of health benefit policies. Ambetter complies with Federal and state regulations for COB and follows COB guidelines published by National Association of Insurance Commissioners (NAIC).

Under COB, the benefits of one plan are determined to be primary and are first applied to the cost of care. After considering what has been covered by the primary plan, the secondary plan may cover the cost of care up to the fully allowed expense according to the plan's payment guidelines. Ambetter Claims COB and Recovery Unit procedures are designed to avoid payment in excess of allowable expense while also making sure claims are processed both accurately and timely.

"Allowable expense" is the necessary, reasonable, and customary item of expense for health care, when the item is covered at least in part under any of the plans involved, except where a statute requires a different definition. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered as both an allowable expense and a benefit paid.

"Plan" is a form of coverage written on an expense-incurred basis with which coordination is allowed.

The term "Plan" includes:

1. Group health insurance benefits and group blanket or group remittance health benefits coverage, whether uninsured arrangements of group coverage, insured, self-insured, or self-funded. This includes group HMO insurance and other prepayment, group practice and individual practice plans, and blanket contracts, except as excluded below.
2. Plan includes *hospital*, medical, and surgical benefits coverage of Medicare or a governmental plan offered, required, or provided by law, except Medicaid.
3. Plan does not include blanket school accident coverage or coverages issued to a substantially similar group (e.g., Girl Scouts, Boy Scouts) where the school or organization pays the premiums.
4. Plan whose benefits are by law excess to any private benefits coverage.
5. Individual plans.

"Primary plan" is one whose benefits must be determined without taking the existence of any *other plan* into consideration. A plan is primary if either:

1. The plan has no order of benefits rules or its rules differ from those required by regulation; or
2. All plans which cover the person use the order of benefits rules required by regulation and under those rules the plan determines its benefits first. More than one plan may be a primary plan (for example, two plans which have no order of benefit determination rules).

"Secondary plan" is one which is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules decide the order in which their benefits are determined in relation to each other.

Order of Benefit Determination Rules

The first of the rules listed below in paragraphs 1-6 that applies will determine which plan will be primary:

1. The Primary plan pays or provides its benefits as if the Secondary plan or plans did not exist. A Plan may consider benefits paid or provided by another Plan in determining its benefits only when it is secondary to that *other plan*.

2. If the *other plan* does not contain a coordination of benefits provision that is consistent with this provision then it is always primary. There are two exceptions:
 - a. Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the Plan provided by the policy holder, and
 - b. Any noncontributory group or blanket insurance coverage which is in force on January 1, 1987 which provides excess major medical benefits intended to supplement any basic benefits on a *covered person* may continue to be excess to such basic benefits.

The first of the following rules that describes which Plan pays its benefits before another Plan is the rule to use.

3. If the person receiving benefits is the *member* and is only covered as an *eligible dependent* under the *other plan*, this *policy* will be primary.
4. Subject to Federal laws: Social Security Act of 1965, as amended, makes Medicare secondary to the plan covering the person as a dependent of an active employee, the order of benefit determination is:
 - a. If a child is covered under the plans of both parents and the parents are not separated or divorced, the plan of the parent whose birthday falls earlier in the year (excluding year of birth) shall be primary.
 - b. If both parents have the same birthday, the plan which covered the parent longer will be primary. To determine whose birthday falls earlier in the year, only the month and day are considered. However, if the *other plan* does not have this birthday rule, but instead has a rule based on the sex of the parent and as a result the plans do not agree on which is primary, then the rule in the *other plan* will determine which plan is primary.
5. If a child is covered by both parents' plans, the parents are separated or divorced, and there is no court decree between the parents that establishes financial responsibility for the child's health care expenses:
 - a. The plan of the parent who has custody will be primary.
 - b. If the parent with custody has remarried, and the child is also covered as a child under the stepparent's plan, the plan of the parent with custody will pay first, the stepparent's plan will pay second, and the plan of the parent without custody will pay third.
 - c. If a court decree between the parents says which parent is responsible for the child's health care expenses, then that parent's plan will be primary if that plan has actual knowledge of the decree.
6. If the person receiving services is covered under one plan as an active employee or *member* (i.e., not laid-off or retired), or as the *spouse* or child of such an active employee, and is also covered under another plan as a laid-off or retired employee or as the *spouse* or child of such a laid-off or retired employee, the plan that covers such person as an active employee or *spouse* or child of an active employee will be primary. If the *other plan* does not have this rule, and as a result the plans do not agree on which will be primary, this rule will be ignored.
7. If the person receiving services is the *member* and is covered under a separate stand-alone dental benefit plan, that stand-alone dental benefit plan shall be primary for services provided by an oral and maxillofacial surgeon.
8. If none of the above rules determine which plan is primary, the plan that covered the person receiving services longer will be primary.

Effects of Coordination

When this plan is secondary, its benefits will be reduced so that the total benefits paid by the primary plan and this plan during a claim determination period will not exceed Ambetter's maximum available benefit for each *covered service*. Also, the amount Ambetter pays will not be more than the amount Ambetter would pay if Ambetter were primary. As each claim is submitted, Ambetter will determine its obligation to pay for allowable expenses based upon all claims that have been submitted up to that point in time during the

claim determination period.

Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and *other plans*. *We* may get the facts *we* need from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and *other plans* covering the person claiming benefits. *We* need not tell or get the consent of, any person to do this.

Claims

Notice of Claim

We must receive notice of claim within 30 days of the date the *loss* began or as soon as reasonably possible.

Proof of Loss

We must receive written *proof of loss* within 90 days of the *loss* or as soon as is reasonably possible. *Proof of loss* furnished more than one year late will not be accepted, unless *you* or *your covered dependent member* had no legal capacity to submit such proof during that year.

How to Submit a Claim

Providers will typically submit claims on *your* behalf, but sometimes *you* may need to submit claims yourself for *covered services*. This usually happens if:

- *Your provider* is not contracted with *us*
- *You* have an out-of-area emergency.

If *you* have paid for services *we* agreed to cover, *you* can request reimbursement for the amount *you* paid. We can adjust *your deductible, copayment or cost sharing* to reimburse *you*.

To request reimbursement for a *covered service*, *you* need a copy of the detailed claim from *your provider*. *You* also need to submit an explanation of why *you* paid for the *covered services* along with the *member* reimbursement claim form posted at Ambetter.SilverSummitHealthplan.com under "Member Resources." Send all the documentation to *us* at the following address:

Ambetter from SilverSummit Healthplan
Attn: Claims Department
P.O. Box 5010
Farmington, MO 63640-5010

Cooperation Provision

Each *member*, or other person acting on his or her behalf, must cooperate fully to assist *us* in determining our rights and obligations under the *policy* and, as often as may be reasonably necessary:

1. Sign, date, and deliver to *us* *authorizations* to obtain any medical or other information, records or documents *we* deem relevant from any person or entity.
2. Obtain and furnish to *us*, or *our* representatives, any medical or other information, records or documents *we* deem relevant.
3. Answer, under oath or otherwise, any questions *we* deem relevant, which *we* or *our* representatives may ask.
4. Furnish any other information, aid or assistance that *we* may require, including without limitation, assistance in communicating with any person or entity (including requesting any person or entity to promptly provide to *us*, or *our* representative, any information, records or documents requested by *us*).

If any *member*, or other person acting on his or her behalf, fails to provide any of the items or information requested or to take any action requested, the claim(s) will be closed and no further action will be taken by *us* unless and until the item or information requested is received or the requested action is taken, subject to the terms and conditions of the *policy*.

In addition, failure on the part of any *member* or other person acting on his or her behalf, to provide any of the items or information requested or to take any action requested may result in the denial of the claim at issue to the *member*.

Time for Payment of Claims

Benefits will be paid within 30 days for clean claims filed electronically or on paper. "Clean claims" means a claim submitted by *you* or a *provider* that has no defect, impropriety, or particular circumstance requiring special treatment preventing payment. If *we* have not received the information *we* need to process a claim, *we* will ask for the additional information necessary to complete the claim. *You* will receive a copy of that request for additional information. In those cases, *we* cannot complete the processing of the claim until the additional information requested has been received. *We* will make *our* request for additional information within 20 days of *our* initial receipt of the claim and will complete *our* processing of the claim within 30 days after *our* receipt of all requested information.

Payment of Claims

Except as set forth in this provision, all benefits are payable to *you*. Any accrued benefits unpaid at *your* death, or *your dependent member's* death may, at *our* option, be paid either to the beneficiary or to the estate. If any benefit is payable to *your* or *your dependent member's* estate, or to a beneficiary who is a minor or is otherwise not competent to give valid release, *we* may pay up to \$1,000 to any relative who, in *our* opinion, is entitled to it.

We may pay all or any part of the benefits provided by this *policy* for *hospital*, surgical, nursing, or medical services, directly to the *hospital* or other person rendering such services.

Any payment made by *us* in good faith under this provision shall fully discharge *our* obligation to the extent of the payment. *We* reserve the right to deduct any overpayment made under this *policy* from any future benefits under this *policy*.

Foreign Claims Incurred For Emergency Care

Claims incurred outside of the United States for *emergency* care and treatment of a *member* must be submitted in English or with an English translation. Foreign claims must include the applicable medical records in English to show proper *proof of loss* and evidence of payment to the *provider*.

Assignment

We will reimburse a *hospital* or health care *provider* if:

1. *Your* health insurance benefits are assigned by *you* in writing; and
2. *We* approve the assignment.

Any assignment to a *hospital* or person providing the treatment, whether with or without *our* approval, shall not confer upon such *hospital* or person, any right or privilege granted to *you* under the *policy* except for the right to receive benefits, if any, that *we* have determined to be due and payable.

Medicaid Reimbursement

The amount provided or payable under this *policy* will not be changed or limited for reason of a *member* being eligible for coverage under the Medicaid program of the state in which he or she lives.

We will pay the benefits of this *policy* to the state if:

1. A *member* is eligible for coverage under his or her state's Medicaid program; and
2. *We* receive proper *proof of loss* and notice that payment has been made for *covered service expenses* under that program.

Our payment to the state will be limited to the amount payable under this *policy* for the *covered service expenses* for which reimbursement is due. Payment under this provision will be made in good faith. It will satisfy *our* responsibility to the extent of that payment.

Custodial Parent

This provision applies if the parents of a covered *eligible child* are divorced or legally separated and both the custodial parent and the non-custodial parent are subject to the same court or administrative order

establishing custody. The custodial parent, who is not a *member*, will have the rights stated below if *we* receive a copy of the order establishing custody.

Upon request by the custodial parent, *we* will:

1. Provide the custodial parent with information regarding the terms, conditions, benefits, exclusions, and limitations of the *policy*;
2. Accept claim forms and requests for claim payment from the custodial parent; and
3. Make claim payments directly to the custodial parent for claims submitted by the custodial parent. Payment of claims to the custodial parent, which are made under this provision, will fully discharge *our* obligations.

A custodial parent may, with *our* approval, assign claim payments to the *hospital* or *medical practitioner* providing treatment to an *eligible child*.

Legal Actions

No suit may be brought by *you* on a claim sooner than 60 days after the required *proof of loss* is given. No suit may be brought more than three years after the date *proof of loss* is required.

No Third Party Beneficiaries

This *contract* is not intended to, nor does it, create or grant any rights in favor of any third party, including but not limited to any *hospital*, *provider* or *medical practitioner* providing services to *you*, and this *contract* shall not be construed to create any third party beneficiary rights.

Appeal and Grievance Procedures

Internal Procedures

Your satisfaction is very important to us. We want to know your issues and concerns so we can improve our services. Reporting these will not affect your healthcare services. The following processes are available to address your concerns.

Call Member Services

Please contact our Member Services team at 1-866-263-8134 (TDD/TYY 1-855-868-4945) if you have questions or concerns. We will attempt to answer your questions during initial contact, as most concerns can be resolved with one phone call.

Applicability/Eligibility

The internal *appeal* procedures apply to any *hospital* or medical policy or certificate or conversion plans, but not to accident only or disability only insurance.

An Eligible grievant is:

1. A claimant;
2. Person *authorized* to act on behalf of the claimant. **Note:** Written *authorization* is not required; however, if received, we will accept any written expression of *authorization* without requiring specific form, language, or format;
3. In the event the claimant is unable to give consent: a *spouse*, family member, or the treating *provider*; or
4. In the event of an *expedited grievance*: the person for whom the insured has verbally given *authorization* to represent the claimant.

Important: *Adverse benefit determinations* that are not *grievances* will follow standard PPACA internal appeals processes.

Appeal

Claimants have the right to submit written comments, documents, records, and other information relating to the claim for benefits. Claimants have the right to review the claim file and to present evidence and testimony as part of the internal review process.

Appeals will be promptly investigated and presented to the internal *grievance* panel. A plan that is providing benefits for an ongoing course of treatment cannot be reduced or terminated without providing advance notice and an opportunity for advance review. The plan is required to provide continued coverage pending the outcome of an appeal. A request for an appeal must be submitted within 180 days following receipt of an *adverse benefit determination*.

You or your authorized representative may file an *appeal* by calling our Member Services Team at 1-866-263-8134 (TDD/TTY: 1-855-868-4945) or in writing by mailing or faxing your *appeal* to:

Claimants should submit all documentation to us at:

Ambetter from SilverSummit Healthplan
Attn: Appeals & Grievances Department
2500 North Buffalo Drive, Suite 250
Las Vegas, NV 89128

Acknowledgement

Within five business days of receipt of a *grievance*, a written acknowledgment to the claimant or the claimant's *authorized representative* confirming receipt of the *grievance* must be delivered or deposited in the mail.

When acknowledging a *grievance* filed by an *authorized representative*, the acknowledgement shall include a clear and prominent notice that health care information or medical records may be disclosed only if permitted by law.

1. The acknowledgement shall state that unless otherwise permitted under applicable law, informed consent is required and the acknowledgement shall include an informed consent form for that purpose;
2. If such disclosure is prohibited by law, health care information or medical records may be withheld from an *authorized representative*, including information contained in its resolution of the *grievance*; and
3. A *grievance* submitted by an *authorized representative* will be processed regardless of whether health care information or medical records may be disclosed to the *authorized representative* under applicable law.

Resolution Timeframes

1. All other *appeals* will be resolved and we will notify the *claimant* in writing with the appeal decision within the following timeframes:
 - a. *Post-service appeal*: within 30 calendar days after receipt of the *claimant's* request for internal appeal; or
 - b. *Pre-service appeal*: within 30 calendar days after receipt of the *claimant's* request for internal appeal.

A claimant shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits. All comments, documents, records and other information submitted by the claimant relating to the claim for benefits, regardless of whether such information was submitted or considered in the initial *adverse benefit determination*, will be considered in the internal appeal.

1. The claimant will receive from the plan, as soon as possible, any new or additional evidence considered by the reviewer. The plan will give the claimant 10 calendar days to respond to the new information before making a determination, unless the state turnaround time for response is due in less than 10 days. If the state turnaround time is less than 10 days, the claimant will have the option of delaying the determination for a reasonable period of time to respond to the new information; or
2. The claimant will receive from the plan, as soon as possible, any new or additional medical rationale considered by the reviewer. The plan will give the claimant 10 calendar days to respond to the new medical rationale before making a determination, unless the state turnaround time for response is due in less than 10 days. If the state turnaround time is less than 10 days, the claimant will have the option of delaying the determination for a reasonable period of time to respond to the new medical rationale.

Refer to a later section for information regarding internal *expedited grievances*.

Right to Appear

The claimant who filed the *appeal*, or the claimant's *authorized representative*, has the right to appear in person before the *grievance* panel to present written or oral information. The grievant may submit written questions to the person or persons responsible for making the determination that resulted in the *appeal*.

1. Written notification must be sent to the claimant indicating the time and place of the *grievance* panel meeting at least seven calendar days before the meeting; and
2. Reasonable accommodations must be provided to allow the claimant, or the claimant's *authorized representative*, to participate in the *grievance* panel.

Grievance Panel

The *grievance* panel will not include the person who made the initial determination and is not the subordinate of the original reviewer. The panel may, however, consult with the initial decision-maker. If the

panel consists of at least three persons, the panel may then include no more than one subordinate of the person who made the initial determination.

The *grievance* panel will include:

1. At least one individual authorized to take corrective action on the *appeal*; and
2. At least one insured other than the grievant, if an insured is available to serve on the *grievance* panel. The insured member of the panel shall not be an employee of the plan, to the extent possible.

When the *adverse benefit determination* is based in whole or in part on a medical judgment, the *grievance* panel will consult with a licensed health care *provider* with expertise in the field relating to the *appeal* and who was not consulted in connection with the original *adverse benefit determination*.

Expedited Appeal

An *expedited appeal* may be submitted orally or in writing. All necessary information, including *our* determination on review, will be transmitted between the claimant and *us* by telephone, facsimile, or other available similarly expeditious method.

An *expedited appeal* shall be resolved as expeditiously as the *claimant's* health condition requires but not more than 72 hours after receipt of the *appeal*.

Due to the 72-hour resolution timeframe, the standard requirements for notification, *grievance* panel/right to appear, and acknowledgement do not apply to *expedited appeal*.

Upon written request, *we* will mail or electronically mail a copy of the claimant's complete *policy* to the claimant or the claimant's *authorized representative* as expeditiously as the *grievance* is handled.

Written Appeal Response

Appeal response letters shall describe, in detail, the *appeal* procedure and the notification shall include the specific reason for the denial, determination, or initiation of disenrollment.

The panel's written decision to the grievant must include:

1. The disposition of and the specific reason or reasons for the decision;
2. Any corrective action taken on the *appeal*;
3. The signature of one voting member of the panel; and
4. A written description of position titles of panel members involved in making the decision.
5. If upheld or partially upheld, it is also necessary to include:
 - a. A clear explanation of the decision;
 - b. Reference to the specific plan provision on which the determination is based;
 - c. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits;

If an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of the rule, guideline, protocol, or other similar criterion will be provided free of charge to the claimant upon request;
 - e. If the *adverse benefit determination* is based on a medical necessity or *experimental* treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request;

- f. Identification of medical experts whose advice was obtained on behalf of the health plan, without regard to whether the advice was relied upon in making the *adverse benefit determination*;
- g. The date of service;
- h. The health care *provider's* name;
- i. The claim amount;
- j. The diagnosis and procedure codes with their corresponding meanings, or an explanation that the diagnosis and/or procedure codes are available upon request;
- k. The health plan's denial code with corresponding meaning;
- l. A description of any standard used, if any, in denying the claim;
- m. A description of the external review procedures, if applicable;
- n. The right to bring a civil action under state or federal law;
- o. A copy of the form that authorizes the health plan to disclose protected health information, if applicable;
- p. That assistance is available by contacting the specific state's consumer assistance department, if applicable; and
- q. A culturally linguistic statement based upon the claimant's county or state of *residence* that provides for oral translation of the *adverse benefit determination*, if applicable.

Grievances

Basic elements of a *grievance* include:

- 1. The complainant is the claimant or an *authorized representative* of the claimant;
- 2. The submission may or may not be in writing;
- 3. The issue may refer to any dissatisfaction about:
 - a. *Us*, as the insurer; e.g., customer service *complaints* - "the person to whom I spoke on the phone was rude to me";
 - b. *Providers* with whom *we* have a direct or indirect contract;
 - i. Lack of availability and/or accessibility of *network providers* not tied to an unresolved benefit denial; and
 - ii. Quality of care/quality of service issues;
- 4. Written expressions of dissatisfaction regarding quality of care/quality of service are processed as *grievances*;
- 5. Oral expressions of dissatisfaction regarding quality of care/quality of service are processed as *complaints*, if resolved within 24 hours; and
- 6. Any of the issues listed as part of the definition of *grievance* received from the *claimant* or the claimant's *authorized representative* where the caller has not submitted a written request but calls us to escalate their dissatisfaction and request a verbal/oral review.

Oral quality of care or quality of service *complaints* received that are not resolved within 24 hours are handled as a *grievance*.

You or your *authorized representative* may file a grievance by calling our Member Services Team at 1-866-263-8134 (TDD/TTY: 1-855-868-4945) or in writing by mailing or faxing your grievance to:

Within five (5) business days of receipt of a grievance, a written acknowledgment to the claimant or the claimant's *authorized representative* confirming receipt of the *grievance* must be delivered or deposited in the mail.

Resolution Timeframes

1. *Grievances* regarding quality of care, quality of service, or *reformation* will be resolved within 30 calendar days of receipt. The time period may be extended for an additional 30 calendar days, making the maximum time for the entire *grievance* process 60 calendar days if we provide the claimant and the claimant's *authorized representative*, if applicable, written notification of the following within the first 30 calendar days:
 - a. That we have not resolved the *grievance*;
 - b. When *our* resolution of the *grievance* may be expected; and
 - c. The reason why the additional time is needed.

If we do not receive the required information before the end of the extension period we will resolve the grievance with the information we have on file.

Complaints received from the State Insurance Department

The commissioner may require *us* to treat and process any *complaint* received by the State Insurance Department by, or on behalf of, a claimant as a *grievance* as appropriate. *We* will process the State Insurance Department *complaint* as a *grievance* when the commissioner provides *us* with a written description of the *complaint*. *Complaints* received from the State Insurance Department are not treated as a *grievance* and only the State Insurance Department is provided the *complaint* resolution.

External Review

An external review decision is binding on *us*. An external review decision is binding on the claimant except to the extent the claimant has other remedies available under applicable federal or state law. *We* will pay for the costs of the external review performed by the independent reviewer.

You may request an external review from the Nevada Office for Consumer Health Assistance. *You* may contact the Office by writing to the Director, Consumer Health Assistance, 555 E. Washington Avenue, Ste. 4800, Las Vegas, Nevada 89101 or at any time by telephone at 1-888-333-1597

Applicability/Eligibility

The *grievance* procedures apply to:

1. Any *hospital* or medical policy or certificate; excluding accident only or disability income only insurance; or
2. Conversion plans.

After exhausting the internal review process, the claimant has four months to make a written request to the Grievance Administrator for external review after the date of receipt of *our* internal response.

1. The internal appeal process must be exhausted before the claimant may request an external review unless the claimant files a request for an expedited external review at the same time as an internal *expedited grievance* or we either provide a waiver of this requirement or fail to follow the appeal process;
2. A health plan must allow a claimant to make a request for an expedited external review with the plan at the time the claimant receives:

- a. An *adverse benefit determination* if the determination involves a medical condition of the claimant for which the timeframe for completion of an internal *expedited grievance* would seriously jeopardize the life or health of the claimant or would jeopardize the claimant's ability to regain maximum function and the claimant has filed a request for an internal *expedited grievance*; and
- b. A final internal *adverse benefit determination*, if the claimant has a medical condition where the timeframe for completion of a standard external review would seriously jeopardize the life or health of the claimant or would jeopardize the claimant's ability to regain maximum function, or if the final internal *adverse benefit determination* concerns an admission, availability of care, continued stay, or health care item or service for which the claimant received *emergency* services, but has not been discharged from a facility; and
3. Claimants may request an expedited external review at the same time the internal *expedited grievance* is requested and an Independent Review Organization (IRO) will determine if the internal *expedited grievance* needs to be completed before proceeding with the expedited external review.

External review is available for *grievances* that involve:

1. Medical judgment, including but not limited to those based upon requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness of a covered benefit; or the determination that a treatment is *experimental* or *investigational*, as determined by an external reviewer; or
2. *Rescissions* of coverage.

External Review Process

1. We have five (5) business days (immediately for expedited) following receipt of the request to conduct a preliminary review of the request to determine whether:
 - a. The individual was a *covered person* at the time the item or service was requested;
 - b. The service is a *covered service* under the claimant's health plan but for the plan's *adverse benefit determination* with regard to medical necessity *experimental/investigational*, medical judgment, or *rescission*;
 - c. The claimant has exhausted the internal process; and
 - d. The claimant has provided all of the information required to process an external review.
2. Within one business day (immediately for expedited) after completion of the preliminary review, we will notify the claimant in writing as to whether the request is complete but not eligible for external review and the reasons for its ineligibility or, if the request is not complete, the additional information needed to make the request complete;
3. We must allow a claimant to perfect the request for external review within the four-month filing period or within the 48-hour period following the receipt of notification;
4. We will assign an IRO on a rotating basis from *our* list of contracted IROs;
5. Binding Arbitration

As a condition to becoming an Ambetter from SilverSummit Policyholder, *you* agree to submit all disputes *you* may have with Ambetter from SilverSummit, except those described below, to final and binding arbitration, provided however, *you* have the right to decline to participate in binding arbitration during the enrollment process. Likewise, Ambetter from SilverSummit agrees to arbitrate all such disputes. This mutual agreement to arbitrate disputes means that both *you* and Ambetter from SilverSummit are bound to use binding arbitration as the final means of resolving disputes that may arise between the parties, and thereby the parties agree to forego any right they may have to a jury trial or court of law or equity on such disputes. However, no remedies that otherwise would be available to either party in a court of law or equity will be forfeited by virtue of this agreement to use and be bound by Ambetter from SilverSummit's binding arbitration process. This agreement to arbitrate shall be enforced even if a party to the arbitration is also involved in another action or proceeding with a third party arising out of the same matter.

Sometimes disputes or disagreements may arise between Ambetter from SilverSummit and *you* (including your enrolled Dependents, heirs or personal representatives). Most disputes are those that are defined as *appeals* under the policy. At other times disputes or disagreements may arise regarding the construction, interpretation, performance or breach of this Policy, or regarding other matters relating to or arising out of your Ambetter from SilverSummit.

Appeals under the policy are not subject to arbitration. This is because disputes regarding *grievances* are handled and resolved exclusively through the Ambetter from SilverSummit Grievance and Complaint Procedures contained in *your policy*. This *policy* describes *your* rights and the process provided.

For a dispute that is not an *appeal* subject to that process, Ambetter from SilverSummit uses binding Arbitration as the final method for resolving all such disputes, whether stated in tort, contract or otherwise, and whether or not other parties such as employer groups, health care providers, or their agents or employees, are also involved. In addition, disputes with Ambetter from SilverSummit involving alleged professional liability or medical malpractice (that is, whether any medical services rendered were unnecessary or unauthorized or were improperly, negligently or incompetently rendered) also must be submitted to binding arbitration.

Ambetter from SilverSummit binding arbitration process is conducted by mutually acceptable arbitrator(s) selected by the parties. The Federal Arbitration Act, 9 U.S.C. § 1, et seq., will govern arbitrations under this process. In the event that the total amount of damages claimed is \$200,000 or less (\$50,000 or less with respect to disputes with Ambetter from SilverSummit involving alleged professional liability or medical malpractice), the parties shall, within 30 days of submission of the demand for arbitration to Ambetter from SilverSummit, appoint a mutually acceptable single neutral American Arbitration Association ("AAA") arbitrator who shall hear and decide the case and have no jurisdiction to award more than \$200,000 or \$50,000, whichever is applicable. In the event that total amount of damages is over \$200,000 or \$50,000, whichever is applicable, the parties shall, within 30 days of submission of the demand for arbitration to Ambetter from SilverSummit, appoint a mutually acceptable panel of three neutral AAA arbitrators (unless the parties mutually agree to one arbitrator), who shall hear and decide the case.

If the parties fail to reach an agreement on selection of the AAA arbitrator(s), the parties will follow the arbitration selection process of the AAA. The Arbitration can be initiated by submitting a demand for arbitration to Ambetter from SilverSummit at the address provided below. The demand must have a clear statement of the facts, the relief sought and a dollar amount.

2500 N. Buffalo Drive, Suite 250
Las Vegas, NV 89128

The arbitrator is required to follow applicable state or federal law and must be conducted pursuant to the rules for commercial arbitration established by the AAA. The arbitrator may interpret this Policy, but will not have any power to change, modify or refuse to enforce any of its terms, nor will the arbitrator have the authority to make any award that would not be available in a court of law. At the conclusion of the arbitration, the arbitrator will issue a written opinion and award setting forth findings of fact and conclusions of law, and that award will be final and binding on all parties except to the extent that state or federal law provide for judicial review of arbitration proceedings. Judgment upon the award rendered by the Arbitrator(s) may be entered by any court having jurisdiction thereof.

The parties will share equally the arbitrator's fees and expenses of administration involved in the arbitration. Each party also will be responsible for their own attorneys' fees. In cases of extreme hardship to a *covered person*, Ambetter from SilverSummit may assume all or portion of a *covered person's* share of the Arbitrator's fees and expenses of the administration. Upon written notice by the *covered person* requesting a hardship application, Ambetter from SilverSummit will forward the request to an independent professional dispute resolution organization for a determination. Such request for hardship should be submitted to the Litigation Administrator at the address provided above.
