AGREEMENT AND CONSIDERATION

This document along with the corresponding *Schedule of Benefits* is *your* contract and it is a legal document. In consideration of *your* application and the timely payment of premiums, *we* will provide benefits to *you*, the *member*, for *covered services* as outlined in this *policy*. Benefits are subject to *policy* definitions, provisions, limitations, and exclusions.

GUARANTEED RENEWABLE

Guaranteed renewable means that this contract will renew each year on the anniversary date unless terminated earlier in accordance with *policy* terms. *You* may keep this *policy* in force by timely payment of the required premiums. However, *we* may decide not to renew the *policy* as of the renewal date if: (1) *we* decide not to renew all policies issued on this form, with the same type and level of benefits, to residents of the state where *you* then live; or (2) there is fraud or an intentional material misrepresentation made by or with the knowledge of a *member* in filing a claim for *policy* benefits.

Annually, *we* may change the rate table used for this *policy* form. Each premium will be based on the rate table in effect on that premium's due date. The *policy* plan, and age of *members*, type and level of benefits, and place of *residence* on the premium due date are some of the factors used in determining *your* premium rates. *We* have the right to change premiums.

At least 60 days' notice of any plan to take an action or make a change permitted by this clause will be delivered to *you* at *your* last address as shown in *our* records. *We* will make no change in *your* premium solely because of claims made under this *policy* or a change in a *member's* health. While this *policy* is in force, *we* will not restrict coverage already in force. If *we* discontinue offering and decide not to renew all policies issued on this form, with the same type and level of benefits, for all residents of the state where *you* reside, *we* will provide a written notice to *you* at least 90 days prior to the date that *we* discontinue coverage.

This *policy* contains *prior authorization* requirements. *You* may be required to obtain a referral from a *primary care physician* in order to receive care from a *specialist provider*. Benefits may be reduced or not covered if the requirements are not met. Please refer to the *Schedule of Benefits* and the *Prior Authorization Section*.

TEN DAY RIGHT TO RETURN POLICY

Please read *your policy* carefully. If *you* are not satisfied, return this *policy* to *us* or to *our* agent within 10 days after *you* receive it. All premiums paid will be refunded, less claims paid, and the *policy* will be considered null and void from the *effective date*.

Definitions

In this *policy*, italicized words are defined. Words not italicized will be given their ordinary meaning.

Wherever used in this *policy*:

Acute rehabilitation means *rehabilitation* for patients who will benefit from an intensive, multidisciplinary *rehabilitation* program. Patients normally receive a combination of therapies such as physical, occupational and speech therapy as needed and are medically managed by specially trained *physicians*. *Rehabilitation* services must be performed for three or more hours per day, five to seven days per week, while the *covered person* is confined as an *inpatient* in a *hospital, rehabilitation facility, or extended care facility*.

If the amount of *advanced premium tax credits* *you* receive for the year is less than the total tax credit *you* are due, *you* will get the difference as a refundable credit when *you* file *your* federal income tax return. If *your advanced premium tax credits* for the year are more than the total amount of *your* premium tax credit, *you* must repay the excess *advanced premium tax credit* with *your* tax return.

Adverse benefit determination means:

(i) Any of the following: A denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit, including any such denial, reduction, termination, or failure to provide or make payment that is based on a determination of a participant's or beneficiary's eligibility to participate in a plan, and including, with respect to group health plans, a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit resulting from the application of any *utilization review*, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be *experimental or investigational* or not *medically necessary* or appropriate; and

(ii) In the case of a plan providing disability benefits, the term "*adverse benefit determination*" also means any *rescission* of disability coverage with respect to a participant or beneficiary (whether or not, in connection with the *rescission*, there is an adverse effect on any particular benefit at that time). For this purpose, the term "*rescission*" means a cancellation or discontinuance of coverage that has retroactive effect, except to the extent it is attributable to a failure to timely pay required premiums or contributions towards the cost of coverage.

Refer to the Grievance and Complaint Procedures section of this contract for information on *your* right to *appeal an adverse benefit determination*.

Please note, if you receive services from a *non-network provider*, you may be responsible for the difference between the amount the *provider* charges for the service (*Billed Amount*) and the *allowed amount* that we pay. This is known as *balance billing* – see **Balance Billing** and **Non-Network Provider** definitions for additional information.

Applied behavior analysis or **ABA** is the application of behavioral principles to everyday situations, intended to increase or decrease targeted behaviors. *ABA* has been used to improve areas such as language, self-help, and play skills, as well as decrease behaviors such as aggression, self-stimulatory behaviors, and self-injury.

1. Specializes in a specific type or types of transplants or other services such as cancer, bariatric, or infertility; and
2. Has agreed with us or an entity designated by us to meet quality of care criteria on a cost efficient basis. The fact that a *hospital* is a *network provider* does not mean it is a *Center of Excellence*.

Chiropractic care involves neuromuscular treatment in the form of manipulation and adjustment of the tissues of the body, particularly of the spinal column, and may include physical medicine modalities or use of *durable medical equipment*.

Coinsurance means the percentage of *covered service expenses* that you are required to pay when you receive a service. *Coinsurance* amounts are listed in the *Schedule of Benefits*. Not all *covered services* have *coinsurance*.

This includes: ectopic *pregnancy*, spontaneous abortion, eclampsia, missed abortion, and similar medical and surgical conditions of comparable severity; but it does not include: false labor, preeclampsia, edema, prolonged labor, *physician* prescribed rest during the period of *pregnancy*, morning sickness, and conditions of comparable severity associated with management of a difficult *pregnancy*, and not constituting a medically classifiable distinct complication of *pregnancy*.
2. An *emergency caesarean section* or a *non-elective caesarean section*.

Covered service or covered service expenses means services, supplies, or treatment as described in this *policy* which are performed, prescribed, directed, or *authorized* by a *physician*. To be a *covered service* the service, supply, or treatment must be:

1. Provided or incurred while the *member's* coverage is in force under this *policy*;
2. Covered by a specific benefit provision of this *policy*; and
3. Not excluded anywhere in this *policy*.

Covered person means you, your lawful spouse or domestic partner, and each eligible child:

1. Named in the application; or
2. Whom we agree in writing to add as a *covered person*.

Custodial care is treatment designed to assist a *covered person* with activities of daily living and which can be provided by a layperson and not necessarily aimed at curing or assisting in recovery from a sickness or bodily *injury*.

Custodial care includes (but is not limited to) the following:

1. Personal care such as assistance in walking, getting in and out of bed, dressing, bathing, feeding, and use of toilet;
2. Preparation and administration of special diets;
3. Supervision of the administration of medication by a caregiver;
4. Supervision of self-administration of medication; or
5. Programs and therapies involving or described as, but not limited to, convalescent care, rest care, sanatoria care, educational care, or recreational care.

Such treatment is custodial regardless of who orders, prescribes, or provides the treatment.

Deductible amount or **Deductible** means the amount that *you* must pay in a *calendar year* for *covered service expenses* before we will pay benefits. For family coverage, there is a family *deductible amount* which is two times the individual *deductible amount*. Both the individual and the family *deductible amounts* are shown in the *Schedule of Benefits*.

If *you* are a *covered member* in a family of two or more *members*, *you* will satisfy *your deductible amount* when:

1. *You* satisfy *your individual deductible amount*; or
2. *Your* family satisfies the family *deductible amount* for the *calendar year*.

Durable medical equipment means items that are used to serve a specific diagnostic or therapeutic purpose in the treatment of an *illness* or *injury*, can withstand repeated use, are generally not useful to a person in the absence of *illness* or *injury*, and are appropriate for use in the patient's home.

Effective date means the date a *member* becomes covered under this *policy* for *covered services*.

Eligible child means the child of a *covered person*, if that child is less than 26 years of age. As used in this definition, "child" means:

1. A natural child;
2. A legally adopted child;
3. A child placed with *you* for adoption;
4. A child for whom legal guardianship has been awarded to *you* or *your spouse*; or
5. A stepchild.

It is *your* responsibility to notify the Health Insurance Marketplace if *your* child ceases to be an *eligible child*. You must reimburse us for any benefits that we provide or pay for a child at a time when the child did not qualify as an *eligible child*.

Eligible service expense means a *covered service expense* as determined below.

1. For *network providers*: When a *covered service* is received from a *network provider*, the *eligible service expense* is the contracted fee with that *provider*.
2. For *non-network providers*:
 - a. When a *covered service* is received from a *non-network provider* as a result of an *emergency*, the *eligible service expense* is the negotiated fee, if any, that has been mutually agreed upon by us and the *provider* as payment in full (you will not be billed for the difference between the negotiated fee and the *provider's* charge). However, if the *provider* has not agreed to accept a negotiated fee with us as payment in full, the *eligible service expense* is the greatest of the following:

- b. When a *covered service* is received from a *non-network provider* as *approved* or *authorized* by us and is not the result of an *emergency*, the *eligible service expense* is the negotiated fee, if any, that has been mutually agreed upon by us and the *provider* as payment in full (you will not be billed for the difference between the negotiated fee and the *provider's* charge). If there is no negotiated fee agreed to by the *provider* with us, the *eligible service expense* is the greater of (1) the amount that would be paid under Medicare, or (2) the contracted amount paid to *network providers* for the *covered service*. If there is more than one contracted amount with *network providers* for the *covered service*, the amount is the median of these amounts. 2. Serious impairment to bodily functions;
3. Serious dysfunction of any bodily organ or part;

Care and treatment provided once *you* are *medically stabilized* is no longer considered *emergency* care. However, the term *third party* will not include any insurance company with a policy under which the *member* is entitled to benefits as a named insured person or an insured *dependent member* of a named insured person except in those jurisdictions where statutes or common law does not specifically prohibit *our* right to recover from these sources.

Tobacco or nicotine use or use of tobacco or nicotine means *use of tobacco or nicotine* by individuals who may legally use nicotine or tobacco under federal and state law on average four or more times per week and within no longer than the six months immediately preceding the date application for this *policy* was completed by the *member*, including all tobacco and nicotine products, e-cigarettes or vaping devices, but excluding religious and ceremonial uses of tobacco.

Transcranial magnetic stimulation (TMS) means a non-invasive procedure in which a changing magnetic field is used to cause electric current to flow in a small targeted region of the brain via electromagnetic induction.

Unproven service(s) means services, including medications, that are determined not to be effective for treatment of the medical condition, or not to have a beneficial effect on health outcomes, due to insufficient and inadequate clinical evidence from well-conducted randomized controlled trials or well-conducted cohort studies in the prevailing published peer-reviewed medical literature.

1. "Well-conducted randomized controlled trials" means that two or more treatments are compared to each other, and the patient is not allowed to choose which treatment is received.
2. "Well-conducted cohort studies" means patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.

Urgent care center means a facility, not including a *hospital* emergency room or a *physician's* office, that provides treatment or services that are required:

1. To prevent serious deterioration of a *member's* health; and
2. As a result of an unforeseen *illness, injury*, or the onset of acute or severe symptoms.

Utilization review means a process used to monitor the use of, or evaluate the clinical necessity, appropriateness, efficacy, or efficiency of, health care services, procedures, or settings. Areas of review may include ambulatory review, prospective review, second opinion, certification, concurrent review, *case management*, discharge planning, or retrospective review.

Dependent Member Coverage

Dependent Member Eligibility

Your *dependent members* become eligible for coverage on the latter of:

1. The date *you* became covered under this *policy*;
2. The date of marriage to add a *spouse*;
3. The date of an eligible newborn's birth; or
4. The date that an adopted child is placed with *you* or *your spouse* for the purposes of adoption or *you* or *your spouse* assumes total or partial financial support of the child.

Effective Date for Initial Dependent Members

The *effective date* for your initial *dependent members*, if any, is shown on the *Schedule of Benefits*. Only *dependent members* included in the application for this *policy* will be covered on your *effective date*.

Coverage for a Newborn Child

An *eligible child* born to *you* or a family member *will* be covered from the time of birth until the 31st day after its birth, unless *we* have received notice from the entity that *you* have enrolled (either the Health Insurance Marketplace or *us*). Each type of *covered service* incurred by the newborn child will be subject to the *cost sharing* amount listed in the *Schedule of Benefits*.

Additional premium will be required to continue coverage beyond the 31st day after the date of birth. The required premium will be calculated from the child's date of birth. If notice of the newborn is given to *us* by the Health Insurance Marketplace within the 31 days from birth, an additional premium for coverage of the newborn child will be charged for not less than 31 days after the birth of the child. If notice is not given within the 31 days from birth, *we* will charge an additional premium from the date of birth. If notice is given by the Health Insurance Marketplace within 60 days of the birth of the child, the *policy* may not deny coverage of the child due to failure to notify *us* of the birth of the child or to pre-enroll the child. Coverage of the child will terminate on the 31st day after its birth, unless *we* have received notice by the Health Insurance Marketplace of the child's birth.

Coverage for an Adopted Child

An *eligible child* legally placed for adoption with *you* or *your spouse* will be covered from the date of *placement* until the 31st day after *placement*, unless the *placement* is disrupted prior to legal adoption and the child is removed from *your* or *your spouse's* custody.

The child will be covered for *loss* due to *injury* and *illness* including *medically necessary* care and treatment of conditions existing prior to the date of *placement*.

Additional premium will be required to continue coverage beyond the 31st day following *placement* of the child and *we* have received notification from the Health Insurance Marketplace. The required premium will be calculated from the date of *placement* for adoption. Coverage of the child will terminate on the 31st day following *placement*, unless *we* have received both: (A) Notification of the addition of the child from the Health Insurance Marketplace within 60 days of the birth or placement and (B) any additional premium required for the addition of the child within 90 days of the date of *placement*.

As used in this provision, "*placement*" means the earlier of:

1. The date that *you* or *your spouse* assume physical custody of the child for the purpose of adoption; or
2. The date of entry of an order granting *you* or *your spouse* custody of the child for the purpose of adoption.

Adding Other Dependent Members

If *you* are enrolled in an off-exchange *policy* and apply in writing to add a *dependent member* and *you* pay the required premiums, *we* will send *you* written confirmation of the added *dependent member's effective date* of coverage and ID cards for the added *dependent*.

Ongoing Eligibility

For All Members

A *member's* eligibility for coverage under this *policy* will cease on the earlier of:

1. The date that a *member* accepts any direct or indirect contribution or reimbursement, by or on behalf of an employer, for any portion of the premium for coverage under this *policy*;
2. The date a *member's* employer and a *member* treat this *policy* as part of an employer-provided health plan for any purpose, including tax purposes;
3. The primary *member* residing outside the *service area* or moving permanently outside the *service area* of this plan;
4. The date *we* receive a request from *you* to terminate this contract, or any later date stated in *your* request, or if *you* are enrolled through the Health Insurance Marketplace, the date of termination that the Health Insurance Marketplace provides *us* upon *your* request of cancellation to the Health Insurance Marketplace;
5. The date that a *member* has failed to pay premiums or contributions in accordance with the terms of this contract or the date that *we* have not received timely premium payments in accordance with the terms of this contract;
6. The date the *member* has performed an act or practice that constitutes fraud or made an intentional misrepresentation of a material fact (e.g. the date that a *member* accepts any direct or indirect contributions or reimbursement by or on behalf of an employer, for any portion of the premium for coverage under this contract); or
7. The date of a *member's* death.

For Dependent Members

A *dependent member* will cease to be a *member* at the end of the premium period in which he or she ceases to be *your dependent member* due to divorce or if a child ceases to be an *eligible child*. For *eligible children*, the coverage will terminate at the end of the month in which the dependent turns 26 years of age.

A *member* will not cease to be a *dependent eligible child* solely because of age if the *eligible child* is:

1. Not capable of self-sustaining employment due to mental handicap or physical handicap that began before the age limit was reached; and
2. Mainly dependent on *you* for support.

Open Enrollment

There will be an open enrollment period for coverage on the Health Insurance Marketplace. The open enrollment period begins November 1, 2020 and extends through December 15, 2020. *Qualified individuals* who enroll on or before December 15, 2020 will have an *effective date* of coverage on January 1, 2021.

Special and Limited Enrollment

A *qualified individual* has 60 days to report a qualifying event to the Health Insurance Marketplace, or by using Ambetter's Enhanced Direct Enrollment tool, and could be granted a 60 day Special Enrollment Period as a result of one of the following events:

1. A *qualified individual* or *dependent* loses minimum essential coverage, non-calendar year group or individual health insurance coverage, *pregnancy*-related coverage, access to healthcare services through coverage provided to a pregnant enrollee's unborn child, or medically needed coverage;
2. A *qualified individual* gains a dependent or becomes a *dependent* through marriage, birth, adoption placement for adoption of a *member* or their *spouse*, placement in foster care or a child support order or other court order;

- a. In the case of marriage, at least one *spouse* must demonstrate having minimum essential coverage as described in 26 CFR 1.5000A-a(b) for 1 or more days during the 60 days preceding the date of marriage.
3. An individual, who was not previously a citizen, national, or lawfully present individual gains such status;
4. An individual who is no longer incarcerated or whose incarceration is pending the disposition of charges;
5. A *qualified individual's* enrollment or non-enrollment in a *qualified health plan* is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, or inaction of an officer, employee, or agent of the Health Insurance Marketplace or HHS, or its instrumentalities as evaluated and determined by the Health Insurance Marketplace. In such cases, the Health Insurance Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation, or inaction;
6. An enrollee adequately demonstrates to the Health Insurance Marketplace that the *qualified health plan* in which he or she is enrolled substantially violated a material provision of its policy in relation to the enrollee's decision to purchase the *qualified health plan* based on plan benefits, *service area* or premium;
7. An individual is determined newly eligible or newly ineligible for *advanced premium tax credits* or has a change in eligibility for *cost sharing reductions*, regardless of whether such individual is already enrolled in a *qualified health plan*;
8. A *qualified individual* or enrollee gains access to new *qualified health plans* as a result of a permanent move;
9. Qualifying events as defined under section 603 of the Employee Retirement Income Security Act of 1974, as amended;
10. An Indian, as defined by section 4 of the Indian Health Care Improvement Act, may enroll in a *qualified health plan* or change from one *qualified health plan* to another one time per month;
11. A *qualified individual* or enrollee demonstrates to the Health Insurance Marketplace, in accordance with guidelines issued by HHS, that the individual meets other exceptional circumstances as the Health Insurance Marketplace may provide;
12. A *qualified individual* or dependent is a victim of domestic abuse or spousal abandonment and would like to enroll in coverage separate from the perpetrator of the abuse or abandonment;
13. A *qualified individual* or dependent is determined to be potentially eligible for Medicaid or Children's Health Insurance Program (CHIP), but is subsequently determined to be ineligible after the open enrollment period has ended or more than 60 days after the qualifying event; or
14. At the option of the Health Insurance Marketplace, a *qualified individual* provides satisfactory documentary evidence to verify his or her eligibility for an insurance affordability program or enrollment in a *qualified health plan* through the Health Insurance Marketplace following termination of marketplace enrollment due to a failure to verify such status within the time period specified in 45 C.F.R. §155.315 or is under 100 percent of the federal poverty level and did not enroll in coverage while waiting for HHS to verify his or her citizenship, status as a national or lawful presence.
15. A *qualified individual* newly gains access to an employer sponsored individual coverage HRA or a Qualified Small Employer Health Reimbursement Arrangement (HRA).

The Health Insurance Marketplace may provide a coverage *effective date* for a *qualified individual* earlier than specified in the paragraphs above, provided that either:

1. The *qualified individual* has not been determined eligible for *advanced premium tax credits* or cost-sharing reductions; or

2. The *qualified individual* pays the entire premium for the first partial month of coverage as well as all *cost sharing*, thereby waiving the benefit of *advanced premium tax credits* and cost-sharing reduction payments until the first of the next month.

Premiums

Premium Payment

Each premium is to be paid on or before its due date. The initial premium must be paid prior to the coverage *effective date*, although an extension may be provided during the annual open enrollment period.

Grace Period

When a *member* is receiving a premium subsidy:

After the first premium is paid, a grace period of 3 months from the premium due date is given for the payment of premium. Coverage will remain in force during the grace period. If full payment of premium is not received within the grace period, coverage will be terminated as of the last day of the first month during the grace period, if *advanced premium tax credits* are received.

We will continue to pay all appropriate claims for *covered services* rendered to the *member* during the first month of the grace period, and may pend claims for *covered services* rendered to the *member* in the second and third month of the grace period. *We* will notify HHS of the non-payment of premiums, the *member*, as well as *providers* of the possibility of denied claims when the *member* is in the second and third month of the grace period. *We* will continue to collect *advanced premium tax credits* on behalf of the *member* from the Department of the Treasury, and will return the *advanced premium tax credits* on behalf of the *member* for the second and third month of the grace period if the *member* exhausts their grace period as described above. A *member* is not eligible to re-enroll once terminated, unless a *member* has a special enrollment circumstance, such as a marriage or birth in the family or during annual open enrollment periods.

When a *member* is not receiving a premium subsidy:

Premium payments are due in advance, on a calendar month basis. Monthly payments are due on or before the first day of each month for coverage effective during such month. There is a 60 day grace period. This provision means that if any required premium is not paid on or before the date it is due, it may be paid during the grace period. During the grace period, the *policy* will stay in force; however, claims may pend for *covered services* rendered to the *member* during the grace period. *We* will notify HHS, as necessary, of the non-payment of premiums, the *member*, as well as *providers* of the possibility of denied claims when the *member* is in the grace period.

Third Party Payment of Premiums

Ambetter requires each policyholder to pay his or her premiums and this is communicated on *your* monthly billing statements. Ambetter payment policies were developed based on guidance from the Centers for Medicare and Medicaid Services (CMS) recommendations against accepting *third party* premiums. Consistent with CMS guidance, the following are the only acceptable third parties who may pay Ambetter premiums on *your* behalf:

1. Ryan White HIV/AIDS program under Title XXVI of the Public Health Service Act;
2. Indian tribes, tribal organizations, or urban Indian organizations;
3. State and Federal government programs; or
4. Family members.

Upon discovery that premiums were paid by a person or entity other than those listed above, *we* will reject the payment and inform the *member* that the payment was not accepted and that the subscription charges remain due.

Similarly, if *we* determine payment was made for *deductibles* or *cost sharing* by a *third party*, such as a drug manufacturer paying for all or part of a medication, that shall be considered a *third party* premium payment that may not be counted towards *your deductible* or *maximum out-of-pocket* costs.

Misstatement of Age

If a *member's* age has been misstated, the benefits may be adjusted based on the relationship of the premium paid to the premium that should have been paid, based on the correct age.

Change or Misstatement of Residence

If *you* change *your residence*, *you* must notify the Health Insurance Marketplace of *your new residence* within 60 days of the change. As a result *your* premium may change and *you* may be eligible for a Special Enrollment Period. See the section on Special Enrollment Periods for more information.

Misstatement of Tobacco or Nicotine Use

The answer to the tobacco or nicotine question on the application is material to *our* correct underwriting. If a *member's use of tobacco or nicotine* has been misstated on the *member's* application for coverage under this *policy*, *we* have the right to re-rate the *policy* back to the original *effective date*.

Billing/Administrative Fees

Upon prior written notice, *we* may impose an administrative fee for credit card payments. This does not obligate *us* to accept credit card payments. *We* will charge a \$20 fee for any check or automatic payment deduction that is returned unpaid.

Prior Authorization

Ambetter from Meridian reviews services to ensure the care *you* receive is the best way to help improve *your* health condition. *Utilization review* includes:

1. Pre-service or *prior authorization* review – occurs when a medical service has been pre-approved.
2. Concurrent review – occurs when a medical service is reviewed as it happens (e.g., inpatient stay or hospital admission).
3. Retrospective review – occurs after a service has already been provided.

Prior Authorization Required

Some medical and behavioral health *covered service expenses* require *prior authorization*. In general, *network providers* must obtain *authorization* from us prior to providing a service or supply to a *member*. However, there are some *network eligible service expenses* for which *you* must obtain the *prior authorization*.

For services or supplies that require *prior authorization*, as shown on the *Schedule of Benefits*, *you* must obtain *authorization* from us before *you* or *your dependent member*:

1. Receive a service or supply from a *non-network provider*;
2. Are admitted into a *network facility* by a *non-network provider*; or
3. Receive a service or supply from a *network provider* to which *you* or *your dependent member* were referred to by a *non-network provider*.

Prior authorization (medical and behavioral health) requests must be received by phone/efax/provider portal as follows:

1. At least 5 days prior to an elective admission as an *inpatient* in a *hospital, extended care* or *rehabilitation facility*, or *hospice facility*.
2. At least 30 days prior to the initial evaluation for organ transplant services.
3. At least 30 days prior to receiving clinical trial services.
4. Within 24 hours of an admission for *inpatient* mental health or *substance use* treatment.
5. At least 5 days prior to the start of *home health care*.

After *prior authorization* has been requested and all required or applicable documentation has been submitted, we will notify *you* and *your provider* if the request has been *approved* as follows:

1. For immediate request situations, within 1 business day, when the lack of treatment may result in an emergency room visit or *emergency* admission.
2. For urgent concurrent reviews, within 24 hours of receipt of the request.
3. For urgent pre-service reviews, within 72 hours from date of receipt of request.
4. For non-urgent pre-service reviews, within 5 days, but no longer than 15 days, of receipt of the request.
5. For post-service or retrospective reviews, within 30 calendar days of receipt of the request.

How to Obtain Prior Authorization

To obtain *prior authorization* or to confirm that a *network provider* has obtained *prior authorization*, contact us by telephone at the telephone number listed on *your* identification card before the service or supply is provided to the *member*.

Failure to Obtain Prior Authorization

Failure to comply with the *prior authorization* requirements will result in benefits being reduced.

Network providers cannot bill you for services for which they fail to obtain prior authorization as required.

Benefits will not be reduced for failure to comply with *prior authorization* requirements prior to an *emergency*. However, *you* must contact *us* as soon as reasonably possible after the *emergency* occurs.

Prior Authorization Does Not Guarantee Benefits

Our authorization does not guarantee either payment of benefits or the amount of benefits. Eligibility for, and payment of, benefits are subject to all terms and conditions of the *policy*.

Requests for Predeterminations

You may request a predetermination of coverage. *We* will provide one if circumstances allow *us* to do so. However, *we* are not required to make a predetermination of either coverage or benefits for any particular treatment or medical expense. Any predetermination *we* may make will be reviewed after the medical expense is incurred and a claim is filed. A review that shows one or more of the following may cause *us* to reverse the predetermination:

1. The predetermination was based on incomplete or inaccurate information initially received by *us*.
2. The medical expense has already been paid by someone else.
3. Another party has already paid or is responsible for payment of the medical expense.

We will make all benefit determinations after a *loss* in good faith. All benefit determinations are subject to *our* receipt of proper *proof of loss*.

Services from Non-Network Providers

Except for *emergency* medical services, *we* do not normally cover services received from *non-network providers*. If a situation arises where a *covered service* cannot be obtained from a *network provider* located within a reasonable distance, *we* may provide a *prior authorization* for *you* to obtain the service from a *non-network provider* at no greater cost to *you* than if *you* went to a *network provider*. Otherwise *you* will be responsible for all charges incurred.

Hospital Based Providers

When receiving care at an Ambetter participating *hospital* it is possible that some *hospital-based providers* (for example, anesthesiologists, radiologists, pathologists) may not be under contract with Ambetter as participating *providers*. These *providers* may bill *you* for the difference between Ambetter's *allowed amount* and the *providers* billed charge – this is known as "*balance billing*". *We* encourage *you* to inquire about the *providers* who will be treating *you* before *you* begin *your* treatment, so *you* can understand their participation status with Ambetter.

Although health care services may be or have been provided to *you* at a health care facility that is a member of the *provider network* used by Ambetter, other professional services may be or have been provided at or through the facility by *physicians* and other health care practitioners who are not members of that *network*. *You* may be responsible for payment of all or part of the fees for those professional services that are not paid or covered by Ambetter.

Cost Sharing Features

Cost Sharing Features

We will pay benefits for *covered services* as described in the *Schedule of Benefits* and the Major Medical Expense Benefits sections of this Contract. All benefits we pay will be subject to all conditions, limitations, and *cost sharing* features of this Contract. *Cost sharing* means that you participate or share in the cost of your healthcare services by paying *deductible amounts*, *copayments* and *coinsurance* for some *covered services*. For example, you may need to pay a *copayment* or *coinsurance* amount when you visit your *physician* or are admitted into the *hospital*. The *copayment* or *coinsurance* required for each type of service as well as your *deductible* is listed in your *Schedule of Benefits*.

When you, or a covered dependent, receive health care services from a *provider*, there may be multiple claims for that episode of care. An episode of care means the services provided by a health care facility or *provider* to treat a condition or an *illness*. Each claim that we receive for services covered under this contract are adjudicated or processed as we receive them. Coverage is only provided for *eligible service expenses*. Each claim received will be processed separately according to the cost share as outlined in the contract and in your *Schedule of Benefits*.

Copayments

A *copayment* is typically a fixed amount due at the time of service. *Members* may be required to pay *copayments* to a *provider* each time services are performed that require a *copayment*. *Copayments* are due as shown in the *Schedule of Benefits*. Payment of a *copayment* does not exclude the possibility of a *provider* billing you for any non-covered service. *Copayments* do not count or apply toward the *deductible amount*, but do apply toward your *maximum out-of-pocket amount*.

Coinsurance Percentage

A *coinsurance* amount is your share of the cost of a service. *Members* may be required to pay a *coinsurance* in addition to any applicable *deductible amount(s)* due for a *covered service* or supply. *Coinsurance* amounts do not apply toward the *deductible* but do apply toward your *out-of-pocket amount*.

Deductible

The *deductible amount* means the amount of *covered service expenses* that must be paid by each/all *members* before any benefits are provided or payable. The *deductible amount* does not include any *copayment amount* or *coinsurance amount*. Not all *covered service expenses* are subject to the *deductible amount*. See your *Schedule of Benefits* for more details.

Maximum Out-of-Pocket

You must pay any required *copayment* or *coinsurance* amounts required until you reach the *maximum out-of-pocket amount* shown on your *Schedule of Benefits*. After the *maximum out-of-pocket amount* is met for an individual, we will pay 100% of the cost for *covered services*. The family *maximum out-of-pocket amount* is two times the individual *maximum out-of-pocket amount*. For the family *maximum out-of-pocket amount*, once a *member* has met the individual *maximum out-of-pocket amount*, the remainder of the family *maximum out-of-pocket amount* can be met with the combination of any one or more *members' eligible service expenses*.

Refer to your Schedule of Benefits for Coinsurance Percentage and other limitations.

The amount provided or payable will be subject to:

1. Any specific benefit limits stated in the *policy*; and
2. A determination of *eligible service expenses*.

The applicable *deductible amount(s)*, *cost sharing percentage*, and *copayment amounts* are shown on the *Schedule of Benefits*.

Note: The bill you receive for services or supplies from a *non-network provider* may be significantly higher than the *eligible service expenses* for those services or supplies. In addition to the *deductible amount*, *copayment amount*, and *cost sharing percentage*, you are responsible for the difference between the *eligible service expense* and the amount the *non-network provider* bills you for the services or supplies. Any amount you are obligated to pay to the *non-network provider* in excess of the *eligible service expense* will not apply to your *deductible amount* or *maximum out-of-pocket*.

Access to Care

Primary Care Physician (PCP)

In order to obtain benefits, *you* must designate a *network primary care physician* for each *member*. If *you* do not select a *network primary care physician* for each *member*, one will be assigned. *You* may select any *network primary care physician* who is accepting new patients from any of the following *provider* types:

1. Family practitioners
2. General practitioners
3. Internal medicine
4. Nurse practitioners*
5. Physician assistants
6. Obstetricians/gynecologists
7. Pediatricians (for children)

*If *you* choose a nurse practitioner as *your PCP*, *your* benefit coverage and *copayment amounts* are the same as they would be for services from other in-network *providers*. See your *Summary of Benefits* for more information.

You may obtain a list of *network primary care physicians* at our website by using the “Find a Provider” function or by contacting our Member Services department. *You* should get to know *your PCP* and establish a healthy relationship with them. *Your PCP* will:

1. Provide preventive care and screenings
2. Conduct regular physical exams as needed
3. Conduct regular immunizations as needed
4. Deliver timely service
5. Work with other doctors when *you* receive care somewhere else
6. Coordinate specialty care with our in-network *specialists*
7. Provide any ongoing care *you* need
8. Update *your* medical record, which includes keeping track of all the care that *you* get from all of *your providers*
9. Treat all patients the same way with dignity and respect
10. Make sure *you* can contact him/her or another *provider* at all times
11. Discuss what advance directive are and file directives appropriately in *your* medical record.

Your network primary care physician will be responsible for coordinating all covered health services and making referrals for services from other *network providers*. *You* may be required to obtain a referral from a *primary care physician* in order to receive care from a *specialist provider*. *You* do not need a referral from *your network primary care physician* for mental or behavioral health services, obstetrical or gynecological treatment and may seek care directly from a *network* obstetrician or gynecologist.

Contacting Your Primary Care Physician

To make an appointment with *your PCP*, call his/her office during business hours and set up a date and time. If *you* need to cancel or change *your* appointment, call 24 hours in advance. At every appointment, make sure *you* bring *your member* ID card and a photo ID.

Should *you* need care outside of *your PCP's* office hours, *you* should call *your PCP's* office for information on receiving after hours care in *your* area. If *you* have an urgent medical problem or question or cannot reach *your PCP* during normal office hours, call our 24/7 nurse advice line at 1-833-993-2436 (Relay 711). A licensed nurse is always available and ready to answer *your* health questions. In an *emergency*, call 911 or head straight to the nearest *emergency* room.

Changing Your Primary Care Physician

You may change your network primary care physician for any reason, but not more frequently than once a month, by submitting a written request, online at our website at ambettermeridian.com, or by contacting our office at the number shown on your identification card. The change to your network primary care physician of record will be effective no later than 30 days from the date we receive your request.

Non-Emergency Services

If you are traveling outside of the Ambetter from Meridian service area you may be able to access providers in another state if there is an Ambetter plan located in that state. You can locate Ambetter providers outside of Michigan by searching the relevant state in our Provider Directory at providersearch.ambetterhealth.com. Not all states have Ambetter plans. If you receive care from an Ambetter provider outside of the service area, you may be required to receive prior authorization for non-emergency services. Contact Member Services at the phone number on your ID card for further information.

Emergency Services Outside of Service Area

We cover emergency care services when you are outside of our service area.

If you are temporarily out of the service area and have a medical or behavioral health emergency, call 911 or go the nearest emergency room. Be sure to call us and report your emergency within one business day. You do not need prior approval for emergency care services.

New Technology

Health technology is always changing. If we think a new medical advancement can benefit our members, we evaluate it for coverage. These advancements include:

- New technology
- New medical procedures
- New drugs
- New devices
- New application of existing technology

Sometimes, our medical director and/or medical management staff will identify technological advances that could benefit our members. The Clinical Policy Committee (CPC) reviews requests for coverage and decides whether we should change any of our benefits to include the new technology.

If the CPC does not review a request for coverage of new technology, our medical director will review the request and make a one-time determination. The CPC may then review the new technology request at a future meeting.

Network Availability

Your network is subject to change upon advance written notice. A network service area may not be available in all areas. If you move to an area where we are not offering access to a network, the network provisions of the policy will no longer apply. In that event, benefits will be calculated based on the eligible service expense, subject to the deductible amount for network providers. You will be notified of any increase in premium.

Sufficiency of Network

We are required to meet network adequacy standards to ensure there are enough providers in our network to offer you covered services. If we do not meet these network adequacy standards as determined by the Department of Insurance and Financial Services, and you receive covered services from a non-network provider as a result, you will not be responsible for a greater cost than if the covered services were obtained by a network provider.

If we do meet network adequacy standards, all *non-network* services must be *authorized*. You may be responsible for charges if *you* do not receive *authorization* for *non-network* services when *network providers* are available.

Coverage Under Other Policy Provisions

Charges for services and supplies that qualify as *covered service expenses* under one benefit provision will not qualify as *covered service expenses* under any other benefit provision of this *policy*.

Major Medical Expense Benefits

The plan provides coverage for healthcare services for a *member* or covered dependents. Some services require *prior authorization*. *Copayment amounts* must be paid to *your network provider* at the time you receive services. All *covered services* are subject to conditions, exclusions, limitations, terms and provision of this *policy*. *Covered services* must be *medically necessary* and not *experimental* or *investigational*.

Limitations may also apply to some *covered services* that fall under more than one *covered service* category. Please review all limits carefully. Ambetter from Meridian will not pay benefits for any of the services, treatments, items or supplies that exceed benefit limits.

Ambulance Service Benefits

Covered service expenses will include ambulance services for local transportation:

When making coverage determinations, our behavioral health and substance use staff utilize established level of care guidelines and medical necessity criteria that are based on currently accepted standards of practice and take into account legal and regulatory requirements. Formulary or Prescription Drug List

The *formulary* or *prescription drug* list is a guide to available generic and brand name drugs and some over-the-counter medications, when ordered by a *physician*, that are approved by the Food and Drug Administration (FDA) and covered through your *prescription drug* benefit. Generic drugs have the same active ingredients as their brand name counterparts and should be considered the first line of treatment. The FDA requires generics to be safe and work the same as brand name drugs. If there is no generic available, there may be more than one brand name drug to treat a condition. Preferred brand name drugs are listed on Tier 2 of the Drug List to help identify brand name drugs that are clinically appropriate, safe and cost effective treatment options, if a generic medication on the *formulary* is not suitable for your condition.

Please note, the *formulary* is not meant to be a complete list of the drugs covered under *your* prescription benefit. Not all dosage forms or strengths of a drug may be covered. This list is periodically reviewed and updated and may be subject to change. Drugs may be added or removed or additional requirements may be added in order to approve continued usage of a specific drug.

Specific prescription benefit plan designs may not cover certain products or categories, regardless of their appearance in the *formulary*. For the most current *formulary* or *prescription drug* list or for more information about our pharmacy program, visit ambettermeridian.com (under “For Member”, “Pharmacy Resources”) or call Member Services at 1-833-993-2426 (Relay 711).

We cover a variety of over-the-counter (OTC) medications when ordered by a *physician*. You can find a list of covered over-the-counter medications in *our formulary* – they will be marked as “OTC”. *Your* prescription must meet all legal requirements.

How to Fill a Prescription

Prescriptions can be filled at an in-network retail pharmacy or through *our* mail-order pharmacy.

If *you* decide to have *your* prescription filled at an in-network pharmacy, *you* can use the Provider Directory to find a pharmacy near *you*. You can access the Provider Directory at ambettermeridian.com on the “Find a Provider” page. You can also call Member Services to help *you* find a pharmacy. At the pharmacy, *you* will need to provide the pharmacist with *your* prescription and *your member* ID card.

We also offer a three-month (90-day) supply of maintenance medications by mail or from in-network retail pharmacies for specific benefit plans. These drugs treat long-term conditions or illnesses, such as high blood pressure, asthma and diabetes. You can find a list of covered medications on ambettermeridian.com. You can also request to have a copy mailed directly to *you*.

Prescription Drug Exception Process

Standard exception request

A *member*, a *member’s* designee or a *member’s* prescribing *physician* may request a standard review of a decision that a drug is not covered by the plan or a protocol exception for step therapy. The request can be made in writing or via telephone. Within 72 hours of the request being received, *we* will provide the *member*, the *member’s* designee or the *member’s* prescribing *physician* with *our* coverage determination. Should the standard exception request or step therapy protocol exception request be granted, *we* will provide coverage of the non-formulary drug for the duration of the prescription, including refills, or of the drug that is the subject of the protocol exception.

Expedited exception request

A *member*, a *member’s* designee or a *member’s* prescribing *physician* may request an expedited review based on exigent circumstances. Exigent circumstances exist when a *member* is suffering from a health

condition that may seriously jeopardize the enrollee's life, health, or ability to regain maximum function or when an enrollee is undergoing a current course of treatment using a non-formulary drug. Within 24 hours of the request being received, *we* will provide the *member*, the *member's* designee or the *member's* prescribing *physician* with *our* coverage determination. Should the standard exception or step therapy protocol exception request be granted, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the exigency.

External exception request review

If *we* deny a request for a standard exception or for an expedited exception, the *member*, the *member's* designee or the *member's* prescribing *physician* may request that the original exception request and subsequent denial of such request be reviewed by an independent review organization. *We* will make *our* determination on the external exception request and notify the *member*, the *member's* designee or the *member's* prescribing *physician* of *our* coverage determination no later than 72 hours following receipt of the request, if the original request was a standard exception, and no later than 24 hours following its receipt of the request, if the original request was an expedited exception.

If *we* grant an external exception review of a standard exception or step therapy protocol exception request, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the prescription. If *we* grant an external exception review of an expedited exception request, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the exigency.

Preventive Care Expense Benefits

Covered service expenses are expanded to include the charges incurred by a *member* for the following preventive health services if appropriate for that *member* in accordance with the following recommendations and guidelines:

1. Evidence based items or services that have in effect a rating of A or B in the current recommendations of the United States Preventive Services Task Force. Examples of these services are screenings for breast cancer, cervical cancer, colorectal cancer, high blood pressure, type 2 diabetes mellitus, cholesterol, prostate specific antigen testing, and screenings for child and adult obesity.
2. Immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention with respect to an individual.
3. Evidence-informed preventive care and screenings for infants, children, and adolescents, in accordance with comprehensive guidelines supported by the Health Resources and Services Administration.
4. Additional preventive care and screenings not included in (1) above, in accordance with comprehensive guidelines supported by the Health Resources and Services Administration for women.
5. Covers without *cost sharing*:
 - a. Screening for *nicotine or tobacco use*; and
 - b. For those who *use nicotine or tobacco* products, at least two (2) cessation attempts per year. For this purpose, covering a cessation attempt includes coverage for:
 - i. Four (4) nicotine or tobacco cessation counseling sessions of at least ten (10) minutes each (including telephone counseling, group counseling, and individual counseling) without *prior authorization*; and
 - ii. All Food and Drug Administration (FDA) approved nicotine or tobacco cessation medications (including both prescription and over-the-counter medications) for a

90-day treatment regimen when prescribed by a health care *provider* without *prior authorization*.

Benefits for preventive health services listed in this provision, except under the administration of reasonable medical management techniques discussed in the next paragraph, are exempt from any *deductible amounts*, *cost sharing percentage* provisions, and *copayment amounts* under the *policy* when the services are provided by a *network provider*.

As new recommendations and guidelines are issued, those services will be considered covered expenses when required by the United States Secretary of Health and Human Services, but not earlier than one year after the recommendations or guidelines is issued. A current listing of preventive health services can be accessed at: <https://www.uspreventiveservicestaskforce.org/>.

If a service is considered diagnostic or non-preventive, *your plan copayment, coinsurance, and deductible* will apply. It is important to know what type of service *you are* getting. If a diagnostic or non-preventive service is performed during the same healthcare visit as a preventive service, *you* may have *copayment* and *coinsurance* charges.

Prostate Specific Antigen Testing

Covered service expenses include "prostate specific antigen tests" performed to determine the level of prostate specific antigen in the blood for a *covered person* who is at least fifty (50) years of age; and at least once annually for a *covered person* who is less than fifty (50) years of age and who is at high risk for prostate cancer according to the most recent published guidelines of the American Cancer Society.

Medically necessary radiology services, imaging and tests performed for diagnostic reasons are a covered benefit (e.g., X-ray, MRI, CT scan, PET/SPECT, mammogram, ultrasound). *Prior authorization* may be required, see the *Schedule of Benefits* for details. Note: Depending on the service performed, two bills may be incurred - both subject to any applicable *cost sharing* - one for the technical component (the procedure itself) and another for the professional component (the reading/interpretation of the results by a *physician* or other qualified practitioner).

Respite Care Expense Benefits

Respite care is covered on an *inpatient* or outpatient basis to allow temporary relief to family members from the duties of caring for a *covered person* under *hospice* care. Respite days that are applied toward the *deductible amount* are considered benefits provided and shall apply against any maximum benefit limit for these services. See *your Schedule of Benefits* for coverage limits.

1. Whenever a minor *surgical procedure* is recommended to confirm the need for the procedure;

3. Whenever *you* find that *you* are not responding to the current treatment plan in a satisfactory manner.

If requested, the second opinion consultation is to be provided by a *physician* of the *member's* choice. The *member* may select a *network provider* listed in the Healthcare Provider Directory. If a *member* chooses a *network provider*, he or she will only be responsible for the applicable *copayment* for the consultation. Any lab tests and/or diagnostic and therapeutic services are subject to the additional *copayment*.

Transplant Expense Benefits

Covered services for transplant service expenses:

Benefits for *covered service expenses* incurred by a Medicare-eligible individual for services and supplies provided by a *Medicare opt-out practitioner* will be determined as if the services and supplies had been provided by a *Medicare participating practitioner*. Right of Reimbursement

As used herein, the term “*third party*” means any party that is, or may be, or is claimed to be responsible for *injuries* or *illness* to a *member*. Such *injuries* or *illness* are referred to as “*third party injuries*.” “Responsible party” includes any parties actually, possibly or potentially responsible for payment of expenses associated with the care or treatment of *third party injuries*.

If this plan provides benefits under this *policy* to a *member* for expenses incurred due to *third party injuries*, then Ambetter from Meridian retains the right to repayment of the full cost of all benefits provided by this plan on behalf of the *member* that are associated with the *third party injuries*. Ambetter from Meridian’s rights of recovery apply to any recoveries made by or on behalf of the *member* from any source, including but not limited to:

- Payments made by a *third party* or any insurance company on behalf of the *third party*;
- Any payments or awards under an uninsured or underinsured motorist coverage policy;
- Any Workers’ Compensation or disability award or settlement;
- Medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; and
- Any other payments from a source intended to compensate a *member* for *third party injuries*.

By accepting benefits under this plan, the *member* specifically acknowledges Ambetter from Meridian’s right of recovery. When this plan provides health care benefits for expenses incurred due to *third party injuries*, Ambetter from Meridian shall be included in the *member’s* rights of recovery against any party to the extent of the full cost of all benefits provided by this plan. Ambetter from Meridian may proceed against any party with or without the *member’s* consent.

By accepting benefits under this plan, the *member* also specifically acknowledges Ambetter from Meridian’s right of reimbursement. This right of reimbursement attaches when this plan has provided health care benefits for expenses incurred due to *third party injuries* and the *member* or the *member’s* representative has recovered any amounts from any source. Ambetter from Meridian’s right of reimbursement is cumulative with and not exclusive of Ambetter from Meridian’s right of recovery and Ambetter from Meridian may choose to exercise either or both rights of recovery.

As a condition for *our* payment, the *member* or anyone acting on his or her behalf (including, but not limited to, the guardian, legal representatives, estate, or heirs) agrees:

1. To fully cooperate with *us* in order to obtain information about the *loss* and its cause.
2. To immediately inform *us* in writing of any claim made or lawsuit filed on behalf of a *member* in connection with the *loss*.
3. To include the amount of benefits paid by *us* on behalf of a *member* in any claim made against any *third party*.
4. To give Ambetter from Meridian a first-priority lien on any recovery, settlement or judgment or other sources of compensation which may be had from any party to the extent of the full cost of all benefits associated with *third party injuries* provided by this plan (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement).
5. To pay, as the first priority, from any recovery, settlement, judgment, or other source of compensation, any and all amounts due Ambetter from Meridian as reimbursement for the full cost of all benefits associated with *third party injuries* provided by this plan (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement).
6. That *we*:

- a. Will have a lien on all money received by a *member* in connection with the *loss* equal to the benefit amount *we* have provided or paid.
 - b. May give notice of that lien to any *third party* or *third party's* agent or representative.
 - c. Will have the right to intervene in any suit or legal action to protect *our* rights.
 - d. Are entitled to all of the rights of the *member* against any *third party* to the extent of the benefits paid on the *member's* behalf.
 - e. May assert the right of reimbursement independently of the *member*.
7. To take no action that prejudices *our* reimbursement rights. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits provided by this plan.
 8. To sign, date, and deliver to *us* any documents *we* request that protect *our* reimbursement rights.
 9. To not settle any claim or lawsuit against a *third party* without providing *us* with written notice of the intent to do so.
 10. To reimburse *us* from any money received from any *third party*, to the extent of benefits *we* paid for the *illness* or *injury*, whether obtained by settlement, judgment, or otherwise, and whether or not the *third party's* payment is expressly designated as a payment for medical expenses.
 11. That *we* may reduce other benefits under the *policy* by the amounts a *member* has agreed to reimburse *us*.

We have the right to be reimbursed in full regardless of whether or not the *member* is fully compensated by any recovery received from any *third party* settlement, judgment, or otherwise.

We will not pay attorney fees or costs associated with the *member's* claim or lawsuit. In the event *you* or *your* representative fail to cooperate with Ambetter from Meridian, *you* shall be responsible for all benefits paid by this plan in addition to costs and attorney's fees incurred by Ambetter from Meridian in obtaining repayment.

If a dispute arises as to the amount a *member* must reimburse *us*, the *member* (or the guardian, legal representatives, estate, or heirs of the *member*) agrees to place sufficient funds in an escrow or trust account to satisfy the maximum lien amount asserted by *us* until the dispute is resolved.

Coordination of Benefits

Ambetter coordinates benefits with other payers when a *member* is covered by two or more group health benefit plans. Coordination of Benefits (COB) is the industry standard practice used to share the cost of care between two or more carriers when a *member* is covered by more than one health benefit plan.

It is a contractual provision of a majority of health benefit policies. Ambetter complies with Federal and state regulations for COB and follows COB guidelines published by National Association of Insurance Commissioners (NAIC).

Under COB, the benefits of one plan are determined to be primary and are first applied to the cost of care. After considering what has been covered by the primary plan, the secondary plan may cover the cost of care up to the fully allowed expense according to the plan's payment guidelines. Ambetter Claims COB and Recovery Unit procedures are designed to avoid payment in excess of allowable expense while also making sure claims are processed both accurately and timely.

"Allowable expense" is the necessary, reasonable, and customary item of expense for health care, when the item is covered at least in part under any of the plans involved, except where a statute requires a different definition. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered as both an allowable expense and a benefit paid.

"Plan" is a form of coverage written on an expense-incurred basis with which coordination is allowed.

The term "Plan" includes:

1. Group health insurance benefits and group blanket or group remittance health benefits coverage, whether uninsured arrangements of group coverage, insured, self-insured, or self-funded. This includes group HMO insurance and other prepayment, group practice and individual practice plans, and blanket contracts, except as excluded below.
2. Plan includes medical benefits coverage, in group and individual automobile "no-fault" and traditional liability "fault" type contracts.
3. Plan includes *hospital*, medical, and surgical benefits coverage of Medicare or a governmental plan offered, required, or provided by law, except Medicaid.
4. Plan does not include blanket school accident coverage or coverages issued to a substantially similar group (e.g., Girl Scouts, Boy Scouts) where the school or organization pays the premiums.
5. Plan does not include Individual or Family: Insurance contracts, direct payment subscriber contracts, coverage through health maintenance organizations (HMO's) or coverage under other prepayment, group practice and individual practice plans.
6. Plan whose benefits are by law excess to any private benefits coverage.

"Primary plan" is one whose benefits must be determined without taking the existence of any *other plan* into consideration. A plan is primary if either:

1. The plan has no order of benefits rules or its rules differ from those required by regulation; or
2. All plans which cover the person use the order of benefits rules required by regulation and under those rules the plan determines its benefits first. More than one plan may be a primary plan (for example, two plans which have no order of benefit determination rules).

"Secondary plan" is one which is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules decide the order in which their benefits are determined in relation to each other.

Order of Benefit Determination Rules

The first of the rules listed below in paragraphs 1-6 that applies will determine which plan will be primary:

1. The Primary plan pays or provides its benefits as if the Secondary plan or plans did not exist. A Plan may consider benefits paid or provided by another Plan in determining its benefits only when it is secondary to that *other plan*.
2. If the *other plan* does not contain a coordination of benefits provision that is consistent with this provision is always primary. There are two exceptions:
 - a. Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the Plan provided by the policyholder, and
 - b. Any noncontributory group or blanket insurance coverage which is in force on January 1, 1987 which provides excess major medical benefits intended to supplement any basic benefits on a *covered person* may continue to be excess to such basic benefits.

The first of the following rules that describes which Plan pays its benefits before another Plan is the rule to use.

3. If the person receiving benefits is the *member* and is only covered as an *eligible dependent* under the *other plan*, this *policy* will be primary.
4. Subject to State Statutes: Social Security Act of 1965, as amended makes Medicare secondary to the plan covering the person as a dependent of an active employee, the order of benefit determination is:
 - a. If a child is covered under the plans of both parents and the parents are not separated or divorced, the plan of the parent whose birthday falls earlier in the year (excluding year of birth) shall be primary.
 - b. If both parents have the same birthday, the plan which covered the parent longer will be primary. To determine whose birthday falls earlier in the year, only the month and day are considered. However, if the *other plan* does not have this birthday rule, but instead has a rule based on the sex of the parent and as a result the plans do not agree on which is primary, then the rule in the *other plan* will determine which plan is primary.
5. If a child is covered by both parents' plans, the parents are separated or divorced, and there is no court decree between the parents that establishes financial responsibility for the child's health care expenses:
 - a. The plan of the parent who has custody will be primary.
 - b. If the parent with custody has remarried, and the child is also covered as a child under the step-parent's plan, the plan of the parent with custody will pay first, the step-parent's plan will pay second, and the plan of the parent without custody will pay third.
 - c. If a court decree between the parents says which parent is responsible for the child's health care expenses, then that parent's plan will be primary if that plan has actual knowledge of the decree.
6. If the person receiving services is covered under one plan as an active employee or member (i.e., not laid-off or retired), or as the *spouse* or child of such an active employee, and is also covered under another plan as a laid-off or retired employee or as the *spouse* or child of such a laid-off or retired employee, the plan that covers such person as an active employee or *spouse* or child of an active employee will be primary. If the *other plan* does not have this rule, and as a result the plans do not agree on which will be primary, this rule will be ignored.
7. If none of the above rules determine which plan is primary, the plan that covered the person receiving services longer will be primary.

Effects of Coordination

When this plan is secondary, its benefits will be reduced so that the total benefits paid by the primary plan and this plan during a claim determination period will not exceed Ambetter's maximum available benefit for each *covered service*. Also, the amount Ambetter pays will not be more than the amount Ambetter would pay if Ambetter were primary. As each claim is submitted, Ambetter will determine its obligation to pay for allowable expenses based upon all claims that have been submitted up to that point in time during the claim determination period.

Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and *other plans*. *We* may get the facts *we* need from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and *other plans* covering the person claiming benefits. *We* need not tell or get the consent of, any person to do this.

Claims

Notice of Claim

We must receive notice of claim within 30 days of the date the *loss* began or as soon as reasonably possible.

Proof of Loss

We must receive written *proof of loss* within 90 days of the *loss* or as soon as is reasonably possible. *Proof of loss* furnished more than one year late will not be accepted, unless *you* or *your covered dependent member* had no legal capacity to submit such proof during that year.

How to Submit a Claim

Providers will typically submit claims on *your* behalf, but sometimes *you* may need to submit claims yourself for *covered services*. This usually happens if:

1. *Your provider* is not contracted with *us*
2. *You* have an out-of-area *emergency*

If *you* have paid for services *we* agreed to cover, *you* can request reimbursement for the amount *you* paid. We can adjust your *deductible, copayment* or *cost sharing* to reimburse *you*.

To request reimbursement for a *covered service*, *you* need a copy of the detailed claim from *your provider*. *You* also need to submit an explanation of why *you* paid for the *covered services* along with the *member* reimbursement claim form posted at ambettermeridian.com under "Member Resources". Send all the documentation to *us* at the following address:

Ambetter from Meridian

Cooperation Provision

Each *member*, or other person acting on his or her behalf, must cooperate fully to assist *us* in determining *our* rights and obligations under the *policy* and, as often as may be reasonably necessary:

1. Sign, date, and deliver to *us* *authorizations* to obtain any medical or other information, records or documents *we* deem relevant from any person or entity.
2. Obtain and furnish to *us*, or *our* representatives, any medical or other information, records or documents *we* deem relevant.
3. Answer, under oath or otherwise, any questions *we* deem relevant, which *we* or *our* representatives may ask.
4. Furnish any other information, aid or assistance that *we* may require, including without limitation, assistance in communicating with any person or entity (including requesting any person or entity to promptly provide to *us*, or *our* representative, any information, records or documents requested by *us*).

If any *member*, or other person acting on his or her behalf, fails to provide any of the items or information requested or to take any action requested, the claim(s) will be closed and no further action will be taken by *us* unless and until the item or information requested is received or the requested action is taken, subject to the terms and conditions of the *policy*.

In addition, failure on the part of any *member*, or other person acting on his or her behalf, to provide any of the items or information requested or to take any action requested may result in the denial of the claim at issue to the *member*.

Time for Payment of Claims

Benefits will be paid within 30 days for clean claims filed electronically or on paper. "Clean claims" means a claim submitted by *you* or a *provider* that has no defect, impropriety, or particular circumstance requiring special treatment preventing payment. If *we* have not received the information *we* need to process a claim, *we* will ask for the additional information necessary to complete the claim. *You* will receive a copy of that request for additional information. In those cases, *we* cannot complete the processing of the claim until the additional information requested has been received. *We* will make *our* request for additional information within 20 days of *our* initial receipt of the claim and will complete *our* processing of the claim within 30 days after *our* receipt of all requested information.

Payment of Claims

Except as set forth in this provision, all benefits are payable to *you*. Any accrued benefits unpaid at *your* death, or *your dependent member's* death may, at *our* option, be paid either to the beneficiary or to the estate. If any benefit is payable to *your* or *your dependent member's* estate, or to a beneficiary who is a minor or is otherwise not competent to give valid release, *we* may pay up to \$1,000 to any relative who, in *our* opinion, is entitled to it.

We may pay all or any part of the benefits provided by this *policy* for *hospital*, surgical, nursing, or medical services, directly to the *hospital* or other person rendering such services.

Any payment made by *us* in good faith under this provision shall fully discharge *our* obligation to the extent of the payment. *We* reserve the right to deduct any overpayment made under this *policy* from any future benefits under this *policy*.

Foreign Claims Incurred For Emergency Care

Claims incurred outside of the United States for *emergency* care and treatment of a *member* must be submitted in English or with an English translation. Foreign claims must include the applicable medical records in English to show proper *proof of loss* and evidence of payment to the *provider*.

Assignment

We will reimburse a *hospital* or health care *provider* if:

1. *Your* health coverage benefits are assigned by *you* in writing; and
2. *We* approve the assignment.

Any assignment to a *hospital* or person providing the treatment, whether with or without *our approval*, shall not confer upon such *hospital* or person, any right or privilege granted to *you* under the *policy* except for the right to receive benefits, if any, that *we* have determined to be due and payable.

Medicaid Reimbursement

The amount provided or payable under this *policy* will not be changed or limited for reason of a *member* being eligible for coverage under the Medicaid program of the state in which he or she lives.

We will pay the benefits of this *policy* to the state if:

1. A *member* is eligible for coverage under his or her state's Medicaid program; and
2. *We* receive proper *proof of loss* and notice that payment has been made for *covered service expenses* under that program.

Our payment to the state will be limited to the amount payable under this *policy* for the *covered service expenses* for which reimbursement is due. Payment under this provision will be made in good faith. It will satisfy *our* responsibility to the extent of that payment.

Custodial Parent

This provision applies if the parents of a covered *eligible child* are divorced or legally separated and both the custodial parent and the non-custodial parent are subject to the same court or administrative order establishing custody. The custodial parent, who is not a *member*, will have the rights stated below if we receive a copy of the order establishing custody.

Upon request by the custodial parent, *we* will:

1. Provide the custodial parent with information regarding the terms, conditions, benefits, exclusions, and limitations of the *policy*;
2. Accept claim forms and requests for claim payment from the custodial parent; and
3. Make claim payments directly to the custodial parent for claims submitted by the custodial parent. Payment of claims to the custodial parent, which are made under this provision, will fully discharge *our* obligations.

A custodial parent may, with *our approval*, assign claim payments to the *hospital* or *medical practitioner* providing treatment to an *eligible child*.

Physical Examination

We shall have the right and opportunity to examine a *member* while a claim is pending or while a dispute over the claim is pending. These examinations are made at *our* expense and as often as *we* may reasonably require.

Legal Actions

No suit may be brought by *you* on a claim sooner than 60 days after the required *proof of loss* is given. No suit may be brought more than three years after the date *proof of loss* is required.

Appeal and Grievance Procedures

Appeals

An *appeal* is a request for a review of a decision we made to deny, reduce, or terminate a requested service. These are known as *adverse benefit determinations*. You can *appeal* these decisions. You can designate a representative – such as a family member, friend, *physician*, or attorney - to *appeal* these decisions on *your* behalf.

Filing an Appeal

When we make an *adverse benefit determination*, we will send you a notification that includes an *appeal* form and information on filing *your appeal* and how to authorize a representative. You have 180 days to file an *appeal* from the date we tell you of the *adverse benefit determination*.

You can file an *appeal* by filling out the form included with the denial notice and mailing or faxing it to us at:

Ambetter from Meridian

Attn: Appeals and Grievances

12515-8 Research Boulevard, Ste. 400

Austin, TX 78759

Fax: 1-833-886-7956

Call us at 1-833-993-2426 if you have any questions regarding the process or how to file an *appeal*. We will get an interpreter or TTY/TDD services for you if you need them.

Processing your Appeal

After you file *your appeal*, we will notify you of all the information that is needed to process the *appeal* within three days of getting the *appeal*. You will be informed you can present any information that you wish for us to consider as part of the *appeal*.

We will investigate the *appeal* to decide if more information is needed from *your provider*.

You will have the right to appear in person/by telephone before our Appeals Committee to present *your appeal*.

A *provider* of the same or similar specialty will review the request and make a determination. This *provider* will not be the *physician* involved in the original decision and who is not the subordinate of that *physician*.

We may extend our deadline by no more than 10 business days if we do not get the information needed from a health facility or professional to make a decision. We will tell you the progress of the request if such an extension is necessary. If no extension is needed, we will make the decision within 30 days of receipt of *your appeal*. We will tell you and your PCP or other *provider* by phone and in writing within five days of the decision.

The notice will include an explanation of our decision, a reference to the criteria on which the decision was made, a list of the title and qualifications of each person participating in the review, and a description of *your further appeal* rights. *Your further appeal* rights include the right to an external review.

Expedited Appeal

You can file an expedited *appeal* when a requested service involves a situation that would seriously jeopardize *your* life or health or would jeopardize *your* ability to regain maximum function. This type of *appeal* must be supported by *your* physician.

You may request an expedited *appeal* at any time. You may start the *appeal* by phone or in writing. Our Appeal Coordinator will help you in file the *appeal*.

We will make a decision about the request within 72 hours. We will tell you and your provider the result.

External Review

You are told of *your* right to request a determination by the Director of Insurance and Financial Services or by an independent review organization under the Patient's Right to Independent Review Act through the determination notices of appeals.

You must first exhaust *your* internal *appeal* rights before filing a request for an external review with Department of Insurance and Financial Services (DIFS) except in the case of an expedited request for external review (see below).

You must submit a request for external review within 127 days of an *adverse benefit determination*. The request for external review should be sent to the Director of DIFS at:

If by Mail:

**Office of General Counsel- Health Care Appeals Section
Department of Insurance and Financial Services
P.O. Box 30220
Lansing, MI 48909-7720**

If by Delivery Service (UPS, FedEx):

**Office of General Counsel- Health Care Appeals Section
Department of Insurance and Financial Services
530 W. Allegan St., 7th Floor
Lansing, MI 48933-1521**

Toll Free Telephone: 1-877-999-6442

Fax: 517-284-8838

<https://difs.state.mi.us/Complaints/ExternalReview.aspx>

The Director shall decide whether the request meets the requirements for an external review. If the request is about medical necessity or clinical review, the Director will assign the *appeal* to an Independent Review Organization. If the request is about contractual issues with the health plan (whether or not a services is covered, etc.), the Director may review it internally or assign it to an Independent Review Organization as appropriate.

The Appeals Coordinator handles all communications with DIFS and/or the Independent Review Organization for the *appeal*. This includes sending of all required documentation.

Expedited External Review

You must request an expedited external review through DIFS within 10 days after getting an *adverse benefit determination* from us if the following conditions are met:

- *Your provider* supports that the standard timeframe for review of the *grievance/appeal* would seriously jeopardize *your* life or health or would jeopardize *your* ability to regain maximum function. This must be supported orally or in writing.
- *You* already filed a request for an expedited internal *appeal* with us.

DIFS forwards the request and all needed information to an assigned Independent Review Organization (IRO) if it determines the request is appropriate for an expedited external review. The IRO must return its recommendation no later than 36 hours after DIFS forwards the request. DIFS must provide its final decision no later than 24 hours after receiving the IRO's recommendation.

Grievances

A *grievance* is a *complaint* about anything other than an *adverse benefit determination*. A few examples of a *grievance* are:

- *You* cannot get an appointment with *your* PCP or another participating *provider* in a timely manner.
- *You* cannot get a referral from *your* PCP in a timely manner.
- *You* have been denied any of *your* rights as a *member*.
