Individual Member HMO Policy

Ambetter of North Carolina Inc. is a health maintenance organization (HMO), organized under the laws of the State of North Carolina, providing healthcare coverage for *members*. In this *policy*, the terms "you", "your", or "yours" will refer to the *member* or any *dependents* enrolled in this *policy*. The terms "we," "our," or "us" will refer to Ambetter of North Carolina Inc.

This *policy* is a closed panel network HMO. This means that services rendered by out-of-network providers will not be covered except in limited situations described in the *eligible service expense* definition, found on page 15 of the *policy*.

This *policy* is a legal contract between *you* and *us*. Read *your policy* carefully.

AGREEMENT AND CONSIDERATION

This document along with the corresponding *Schedule of Benefits* is *your policy* and it is a legal document. It is the agreement under which benefits will be provided and paid. In consideration of *your* application and the timely payment of premiums, *we* will provide benefits to *you*, the *member*, for *covered services* as outlined in this *policy*. Benefits are subject to *policy* definitions, provisions, limitations, and exclusions.

GUARANTEED RENEWABLE

Annually, *we* must file this product, the cost share, and the rates associated with it for approval. Guaranteed renewable means that *your* plan will be renewed into the subsequent year's approved product on the anniversary date unless terminated earlier in accordance with *policy* terms. *You* may keep this *policy* (or the new *policy* *you* are mapped to for the following year) in force by timely payment of the required premiums. In most cases, *you* will be moved to a new *policy* each year, however, *we* may decide not to renew the *policy* as of the renewal date if: (1) *we* decide not to renew all *policies* issued on this form, with a new *policy* at the same metal level with a similar type and level of benefits, to residents of the state where *you* then live; (2) *we* withdraw from the *service area* or reach demonstrated capacity in a *service area* in whole or in part; or (3) there is fraud or an intentional material misrepresentation made by or with the knowledge of a *member* in filing a claim for *policy* benefits.

In addition to the above, this guarantee for continuity of coverage shall not prevent *us* from cancelling or non-renewing this *policy* in the following events: (1) non-payment of premium; (2) a *member* fails to pay any *deductible* or *copayment amount* owed to *us* and not the provider of services; (3) a *member* is found to be in material breach of this *policy*; or (4) a change in federal or state law no longer permits the continued offering of such coverage, such as CMS guidance related to individuals who are Medicare eligible.

Annually, *we* may change the rate table used for this *policy* form. Each premium will be based on the rate table in effect on that premium's due date. The *policy* plan, and age of *members*, type and level of benefits, and place of *residence* on the premium due date are some of the factors used in determining *your* premium rates. *We* have the right to change premiums.

At least 60 days' notice of any plan to take an action or make a change permitted by this clause will be delivered to *you* at *your* last address as shown in *our* records. *We* will make no change in *your* premium solely because of claims made under this *policy* or a change in a *member's* health. While this *policy* is in force, *we* will not restrict coverage already in force. If *we* discontinue offering and decide not to renew all *policies* issued on this form, with the same type and level of benefits, for all residents of the

state where *you* reside, *we* will provide a written notice to *you* at least 90 days prior to the date that *we* discontinue coverage.

Important Cancellation Information – Please read the provision entitled, “Termination,” found on page 71 of the *policy*.

This *policy* contains *prior authorization* requirements. *You* may be required to obtain a referral from a *primary care provider* in order to receive care from a *specialist provider*. *You* do not need a referral from *your network primary care provider* for: 1) obstetrical or gynecological treatment from a *network* obstetrician or gynecologist; 2) *network* pediatrician; or 3) *network provider* who has been designated as your *network primary care provider* to treat *your* serious or chronic degenerative, disabling, or life-threatening disease or condition. Benefits may be reduced or not covered if the requirements are not met. Please refer to the *Schedule of Benefits* and the Prior Authorization Section.

TEN DAY RIGHT TO RETURN POLICY

Please read *your policy* carefully. If *you* are not satisfied, return this *policy* to *us* or to *our* agent within 10 days after *you* receive it. All premiums paid will be refunded, less claims paid, and the *policy* will be considered null and void from the *effective date*.

Deductible or **Deductible amount** means the amount that *you* must pay in a *calendar year* for *covered service expenses* before we will pay benefits. For family coverage, there is a family *deductible amount* which is two times the individual *deductible amount*. Both the individual and the family *deductible amounts* are shown in the *Schedule of Benefits*.

If *you* are a covered *member* in a family of two or more members, *you* will satisfy *your deductible amount* when:

1. *You* satisfy *your individual deductible amount*; or
2. *Your family* satisfies the family *deductible amount* for the *calendar year*.

If *you* satisfy *your individual deductible amount*, each of the other members of *your family* are still responsible for the *deductible* until the family *deductible amount* is satisfied for the *calendar year*.

Eligible service expense means a *covered service expense* as determined below.

1. For *network providers*: When a *covered service* is received from a *network provider*, the *eligible service expense* is the contracted fee with that *provider*.
2. For *non-network providers*:
 - a. When a *covered service* is received from a *non-network provider* as a result of an *emergency*, the *eligible service expense* is the negotiated fee, if any, that has been mutually agreed upon by *us* and the *provider* as payment in full (*you* will not be billed for the difference between the negotiated fee and the *provider's* charge). However, if the *provider* has not agreed to accept a negotiated fee with *us* as payment in full, the *eligible service expense* is the greatest of the following: (*you* will not be *balance billed* by the provider, if *you* are, please contact Member Services)
 - i. the amount that would be paid under Medicare,
 - ii. the amount for the *covered service* calculated using the same method *we* generally use to determine payments for out-of-network services, or
 - iii. the contracted amount paid to *network providers* for the *covered service*. If there is more than one contracted amount with *network providers* for the *covered service*, the amount is the median of these amounts.
 - b. When a *covered service* is received from a *non-network provider* as *approved* or *authorized* by *us* and is not the result of an *emergency*, the *eligible service expense* is the negotiated fee, if any, that has been mutually agreed upon by *us* and the *provider* as payment in full (*you* will not be billed for the difference between the negotiated fee and the *provider's* charge). If there is no negotiated fee agreed to by the *provider* with *us*, the *eligible service expense* is the greater of (1) the amount that would be paid under Medicare, or (2) the contracted amount paid to *network providers* for the *covered service*. If there is more than one contracted amount with *network providers* for the *covered service*, the amount is the median of these amounts. *You* will not be *balance billed* by the provider, if *you* are, please contact Member Services.
 - c. When a *covered service* is received from a *non-network provider* because the service or supply is not available from any *network provider* in *your service area* and is not the result of an *emergency*, the *eligible service expense* is the negotiated fee, if any, that the *provider* has agreed to accept as payment in full (*you* will not be billed for the difference between the negotiated fee and the *provider's* charge). If there is no negotiated fee agreed to by the *provider* with *us*, the *eligible service expense* is the greater of (1) the amount that would be paid under Medicare, or (2) the contracted amount paid to *network providers* for the *covered service*. If there is more than one contracted amount with *network providers* for the *covered service*,

service, the amount is the median of these amounts. *You* will not be *balance billed* by the provider, if *you* are, please contact Member Services.

2. Serious impairment to bodily functions; or
3. Serious dysfunction of any bodily organ or part.

Benefits are provided for treatment of *emergency* medical conditions and *emergency* screening and stabilization services without *prior authorization*. Benefits for *emergency* care include facility costs and *provider* services, and supplies and *prescription drugs* charged by that facility. *You* must notify *us* or verify that *your provider* has notified *us* of *your* admission to a *hospital* within 24 hours or within 24 hours of post discharge. When *we* are contacted, *you* will be notified whether the *inpatient* setting is appropriate, and if appropriate, the number of days considered *medically necessary*. By contacting *us*, *you* may avoid financial responsibility for any *inpatient* care that is determined to be not *medically necessary* under *your* Plan. If *your provider* does not contract with *us*, *you* will be financially responsible for any care *we* determine is not *medically necessary*. Care and treatment provided once *you* are *medically stabilized* is no longer considered *emergency* care. Continuation of care from a non-participating *provider* beyond that needed to evaluate or stabilize *your* condition in an *emergency* will be covered as a non-*network* service unless *we* authorize the continuation of care and it is *medically necessary*.

Enhanced Direct Enrollment (EDE) means an *Ambetter* tool that allows *you* to apply for coverage, renew and report life changes entirely on *our* website without being redirected to the Health Insurance Marketplace (Healthcare.gov).  - i. Included in authoritative compendia as identified from time to time by the Secretary of Health and Human Services;
 - ii. Safe and effective for the proposed use based on supportive clinical evidence in peer-reviewed medical publications; or
 - iii. Not an *unproven service*; or

4. *Experimental or investigational* according to the *provider's* research protocols.

If no credible scientific evidence is available, then standards based on physician specialty society recommendations or professional standards of care may be considered. We reserve the right to consult medical professionals in determining whether a health care service, supply, or drug is *medically necessary* and is a *covered service* under the *policy*. The decision to apply physician specialty society recommendations, the choice of medical professional, and the determination of when to use any such opinion, will be determined by us.

outcome of an *appeal* of a non-certification under N.C. Gen. Stat. 58-50-61. A grievance does not include a non-certification.

Loss of eligibility does not include a loss due to the failure of the employee or dependent to pay premiums on a timely basis or termination of coverage for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the plan). Loss of eligibility for coverage includes, but is not limited to:

1. Loss of eligibility for coverage as a result of legal separation, divorce, cessation of dependent status (such as attaining the maximum age to be eligible as a dependent child under the plan), death of an employee, termination of employment, reduction in the number of hours of employment, and any loss of eligibility for coverage after a period that is measured by reference to any of the foregoing;
2. In the case of coverage offered through an HMO, or other arrangement, in the individual market that does not provide benefits to individuals who no longer reside, live, or work in a *service area*, loss of coverage because an individual no longer resides, lives, or works in the *service area* (whether or not within the choice of the individual);

The family *maximum out-of-pocket amount* is two times the individual *maximum out-of-pocket amount*. Both the individual and the family *maximum out-of-pocket amounts* are shown in the *Schedule of Benefits*.

For family coverage, the family *maximum out-of-pocket amount* can be met with the combination of any *covered persons' eligible service expenses*. A *covered person's maximum out-of-pocket* will not exceed the individual *maximum out-of-pocket amount*.

Coverage for a Newborn Child

An eligible child born to you or your family member will be covered from the time of birth until the 31st day after its birth, unless we have received notice from the entity that you have enrolled (either the Health Insurance Marketplace or *us*). Each type of *covered service* incurred by the newborn child will be subject to the *cost sharing* amount listed in the Schedule of Benefits.

Additional premium will be required to continue coverage beyond the 31st day after the date of birth. The required premium will be calculated from the child's date of birth. If notice of the newborn is given to *us* by the Health Insurance Marketplace within the 31 days from birth, an additional premium for coverage of the newborn child will be charged for not less than 31 days after the birth of the child. If notice is not given within the 31 days from birth, *we* will charge an additional premium from the date of birth. The child will be covered for *loss* due to *injury* and *illness* including medically diagnosed congenital defect(s) and *medically necessary* care and treatment of conditions existing prior to the date of *placement*.

Additional premium will be required to continue coverage beyond the 31st day following *placement* of the child and *we* have received notification from the Health Insurance Marketplace. The required premium will be calculated from the date of *placement* for adoption. Coverage of the child will terminate on the 31st day following *placement*, unless *we* have received both: (A) Notification of the addition of the child from the Health Insurance Marketplace within 60 days of the birth or placement and (B) any additional premium required for the addition of the child within 90 days of the date of *placement*.

As used in this provision, "*placement*" means the earlier of:

The child will be covered for *loss* due to *injury* and *illness* including medically diagnosed congenital defect(s) and *medically necessary* care and treatment of conditions existing prior to the date of *placement*.

Additional premium will be required to continue coverage beyond the 31st day following *placement* of the child and *we* received notification from the Health Insurance Marketplace. The required premium will be calculated from the date of *placement*. Coverage of the child will terminate on the 31st day following *placement*, unless *we* have received both: (A) Notification of the addition of the child from the Health Insurance Marketplace within 60 days of the *placement*; and (B) any additional premium required for the addition of the child within 90 days of the date of *placement*.

As used in this provision, "*placement*" means physically residing with *you* or *your spouse*, appointed as guardian or custodian of a *foster child* as long as that guardian or custodian has assumed the legal obligation for total or partial support of the *foster child* with the intent that the *foster child* reside with *you* or *your spouse* on more than a temporary or short-term basis.

Adding Other Dependent Members

If *you* are enrolled in an off-exchange policy and apply in writing to add a *dependent member* and *you* pay the required premiums, *we* will send *you* written confirmation of the added *dependent member's* effective date of coverage and ID cards for the added *dependent*.

For Dependent Members

A *dependent member* will cease to be a *member* at the end of the premium period in which he or she ceases to be *your dependent member* due to divorce or if a child ceases to be an *eligible child*. For *eligible children*, the coverage will terminate the thirty-first of December the year the dependent turns 26 years of age. All enrolled *dependent members* will continue to be covered until the age limit listed in the definition of *eligible child*.

A *member* will not cease to be a *dependent eligible child* solely because of age if the *eligible child* is:

1. Not capable of self-sustaining employment due to mental handicap or physical handicap that began before the age limit was reached; and
2. Mainly dependent on *you* for support.

Open Enrollment

There will be an open enrollment period for coverage on the Health Insurance Marketplace. Special and Limited Enrollment

A *qualified individual* has 60 days to report a qualifying event to the Health Insurance Marketplace or by using *Ambetter's* Enhanced Direct Enrollment tool, and could be granted a 60 day Special Enrollment Period as a result of one of the following events:

1. A *qualified individual* or *dependent* loses minimum essential coverage, non-calendar year group of individual health insurance coverage, pregnancy-related coverage, access to healthcare services through coverage provided to a pregnant enrollee's unborn child, or medically needed coverage;
2. A *qualified individual* gains a *dependent* or becomes a *dependent* through marriage, birth, adoption, placement for adoption, placement in foster care, or a child support order or other court order. In the case of marriage, at least one *spouse* must demonstrate having minimum essential coverage as described in 26 C.F.R. 1.5000A-1(b) for 1 or more days during the 60 days preceding the date of marriage;

3. An individual, who was not previously a citizen, national, or lawfully present individual gains such status;
4. An individual who is no longer incarcerated or whose incarceration is pending the disposition of charges;
5. A *qualified individual's* enrollment or non-enrollment in a *qualified health plan* is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, or inaction of an officer, employee, or agent of the Health Insurance Marketplace or HHS, or its instrumentalities as evaluated and determined by the Health Insurance Marketplace. In such cases, the Health Insurance Marketplace may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation, or inaction;
6. An enrollee adequately demonstrates to the Health Insurance Marketplace that the *qualified health plan* in which he or she is enrolled substantially violated a material provision of its policy in relation to the enrollee's decision to purchase the *qualified health plan* based on plan benefits, *service area*, or premium;
7. An individual is determined newly eligible or newly ineligible for *advance premium tax credits* or has a change in eligibility for *cost sharing reductions*, regardless of whether such individual is already enrolled in a *qualified health plan*;
8. A *qualified individual* or enrollee gains access to new *qualified health plans* as a result of a permanent move;
9. Qualifying events as defined under section 603 of the Employee Retirement Income Security Act of 1974, as amended;
10. An Indian, as defined by section 4 of the Indian Health Care Improvement Act, may enroll in a *qualified health plan* or change from one *qualified health plan* to another one time per month; or

13. A *qualified individual* or dependent is determined to be potentially eligible for Medicaid or Children's Health Insurance Program (CHIP), but is subsequently determined to be ineligible after the open enrollment period has ended or more than 60 days after the qualifying event;
14. At the option of the Health Insurance Marketplace, a *qualified individual* provides satisfactory documentary evidence to verify his or her eligibility for an insurance affordability program or enrollment in a *qualified health plan* through the Health Insurance Marketplace following termination of Health Insurance Marketplace enrollment due to a failure to verify such status within the time period specified in 45 C.F.R. §155.315 or is under 100 percent of the federal poverty level and did not enroll in coverage while waiting for HHS to verify his or her citizenship, status as a national, or lawful presence; or
15. A *qualified individual* newly gains access to an employer sponsored individual coverage HRA or a Qualified Small Employer Health Reimbursement Arrangement (HRA).

The Health Insurance Marketplace may provide a coverage *effective date* for a *qualified individual* earlier than specified in the paragraphs above, provided that either:

1. The *qualified individual* has not been determined eligible for *advanced premium tax credits* or cost-sharing reductions; or
2. The *qualified individual* pays the entire premium for the first partial month of coverage as well as all *cost sharing*, thereby waiving the benefit of *advanced premium tax credits* and cost-sharing reduction payments until the first of the next month.

Prior Coverage

If a *member* is confined as an inpatient in a *hospital* on the *effective date* of this agreement, and prior coverage terminating immediately before the *effective date* of this agreement furnishes benefits for the hospitalization after the termination of prior coverage, then services and benefits will not be covered under this agreement for that *member* until the *member* is discharged from the *hospital* or benefits under the prior coverage are exhausted, whichever is earlier. In the case that the prior coverage terminating immediately before the *effective date*, does not furnish benefits for the hospitalization after the termination, then the “Continuity of Care – Transitional Period: Scheduled Surgery, Organ Transplantation, or Inpatient Care” provision on page 73 will apply.

If there is no prior coverage or no continuation of inpatient coverage after the *effective date*, your *Ambetter* coverage will apply for covered benefits related to the inpatient coverage after *your effective date*. *Ambetter* coverage requires *you* notify *Ambetter* within 2 days of *your effective date* so we can review and *authorize medically necessary* services. If services are at a *non-network* hospital, claims will be paid at the *Ambetter* allowable and *you* may be billed for any balance of costs above the *Ambetter* allowable.

Premiums

Premium Payment

Each premium is to be paid on or before its due date. The initial premium must be paid prior to the coverage *effective date*, although an extension may be provided during the annual Open Enrollment period.

Grace Period

When a *member* is receiving a premium subsidy:

After the first premium is paid, a grace period of 3 months from the premium due date is given for the payment of premium. Coverage will remain in force during the grace period. If full payment of premium is not received within the grace period, coverage will be terminated as of the last day of the first month during the grace period, if *advance premium tax credits* are received.

We will continue to pay all appropriate claims for *covered services* rendered to the *member* during the first month of the grace period, and may pend claims for *covered services* rendered to the *member* in the second and third month of the grace period. We will notify HHS of the non-payment of premiums, the *member*, as well as *providers* of the possibility of denied claims when the *member* is in the second and third month of the grace period. We will continue to collect *advance premium tax credits* on behalf of the *member* from the Department of the Treasury, and will return the *advance premium tax credits* on behalf of the *member* for the second and third month of the grace period if the *member* exhausts their grace period as described above. A *member* is not eligible to re-enroll once terminated, unless a *member* has a special enrollment circumstance, such as a marriage or birth in the family or during annual open enrollment periods.

When a *member* is not receiving a premium subsidy:

Premium payments are due in advance, on a calendar month basis. Monthly payments are due on or before the first day of each month for coverage effective during such month. There is a 60 day grace period. This provision means that if any required premium is not paid on or before the date it is due, it may be paid during the grace period. During the grace period, the *policy* will stay in force; however, claims may pend for *covered services* rendered to the *member* during the grace period. We will notify HHS, as necessary, of the non-payment of premiums, the *member*, as well as *providers* of the possibility of denied claims when the *member* is in the grace period.

Third Party Payment of Premiums or Cost Sharing

Ambetter requires each policyholder to pay his or her premiums and this is communicated on *your* monthly billing statements. *Ambetter* payment policies were developed based on guidance from the Centers for Medicare and Medicaid Services (CMS) recommendations against accepting third party premiums. Consistent with CMS guidance, the following are the only acceptable third parties who may pay *Ambetter* premiums on *your* behalf:

1. Ryan White HIV/AIDS program under Title XXVI of the Public Health Service Act;
2. Indian tribes, tribal organizations, or urban Indian organizations;
3. State and Federal government programs; or
4. Family members.

Upon discovery that premiums were paid by a person or entity other than those listed above, we will reject the payment and inform the *member* that the payment was not accepted and that the subscription charges remain due.

Similarly, if *we* determine payment was made for *deductibles* or *cost sharing* by a third party, such as a drug manufacturer paying for all or part of a medication, that shall be considered a third party premium payment that may not be counted towards *your deductible* or maximum out-of-pocket costs.

Misstatement of Age

If a *member's* age has been misstated, the *member's* premium may be adjusted to what it should have been, based on the *member's* actual age.

Change or Misstatement of Residence

If *you* change *your residence*, *you* must notify the Health Insurance Marketplace of *your* new *residence* within sixty (60) days of the change. As a result *your* premium may change and *you* may be eligible for a Special Enrollment Period. See the section on Special Enrollment Periods for more information.

Misstatement of Tobacco or Nicotine Use

The answer to the tobacco or nicotine question on the application is material to *our* correct underwriting. If a *member's use of tobacco or nicotine* has been misstated on the *member's* application for coverage under this *policy*, *we* have the right to reate the *policy* back to the original *effective date*.

Billing/Administrative Fees

Upon prior written notice, *we* may impose an administrative fee for credit card payments. This does not obligate *us* to accept credit card payments. *We* will charge a \$20 fee for any check or automatic payment deduction that is returned unpaid.

Prior Authorization

Ambetter reviews services to ensure the care you receive is the best way to help improve your health condition. Utilization review includes:

- Pre-service or prior authorization review – occurs when a medical service has been pre-approved by Ambetter
- Concurrent review – occurs when a medical service is reviewed as they happen (e.g., inpatient stay or hospital admission)
- Retrospective review – occurs after a service has already been provided.

Prior Authorization Required

Some *covered service expenses* (medical and behavioral health) require *prior authorization*. In general, *network providers* must obtain *authorization* from us prior to providing a service or supply to a *member*. However, there are some *network eligible service expenses* for which *you* must obtain the *prior authorization*.

For services or supplies that require *prior authorization*, as shown on the *Schedule of Benefits*, *you* must obtain *authorization* from us before *you* or *your dependent member*:

1. Receive a service or supply from a *non-network provider*;
2. Are admitted into a *network facility* by a *non-network provider*; or
3. Receive a service or supply from a *network provider* to which *you* or *your dependent member* were referred to by a *non-network provider*.

Prior Authorization requests (medical and behavioral health) must be received by phone/efax/provider portal as follows:

1. At least 5 days prior to an elective admission as an *inpatient* in a *hospital, skilled nursing or rehabilitation facility, or hospice facility*.
2. At least 30 days prior to the initial evaluation for organ transplant services.
3. At least 30 days prior to receiving clinical trial services.
4. Within 24 hours of any inpatient admission, including emergent inpatient admissions.
5. At least 5 days prior to the start of *home health care*, except those *members* needing *home health care* after *hospital discharge*.

After *prior authorization* has been requested and all required or applicable documentation has been submitted, *we* will notify *you* and *your provider* if the request has been *approved* as follows:

1. For immediate request situations, within 1 business day, when the lack of treatment may result in an emergency room visit or *emergency* admission.
2. For urgent concurrent review within 24 hours of receipt of the request.
3. For urgent pre-service reviews, within 72 hours from date of receipt of request.
4. For non-urgent pre-service reviews within 3 business days of receipt of all necessary clinical information.
5. For post-service or retrospective reviews, within 30 calendar days of receipt of the request.
6. Except in cases of fraud or material misrepresentation, *we* will be bound by *our* initial approval of *medically necessary* services or supplies.

How to Obtain Prior Authorization

To obtain *prior authorization* or to confirm that a *network provider* has obtained *prior authorization*, contact *us* by telephone at the telephone number listed on *your* health insurance identification card before the service or supply is provided to the *member*.

Failure to Obtain Prior Authorization

Failure to comply with the *prior authorization* requirements will result in benefits being reduced.

Network providers cannot bill *you* for services for which they fail to obtain *prior authorization* as required.

In cases of emergency, benefits will not be reduced for failure to comply with *prior authorization* requirements. However, *you* must contact *us* as soon as reasonably possible after the *emergency* occurs.

Services from Non-Network Providers

Except for *emergency* medical services, *we* do not normally cover services received from *non-network providers*. If a situation arises where a *covered service* cannot be obtained from a *network provider* located within a reasonable distance, *we* may provide a *prior authorization* for *you* to obtain the service from a *non-network provider* at no greater cost to *you* than if *you* went to a *network provider*. If *covered services* are not available from *network provider* ***you or your primary care provider must request prior authorization from us before you may receive services from a non-network provider.*** Otherwise *you* will be responsible for all charges incurred.

Coverage received from *non-network providers* will be covered in the following limited situations:

1. When a *covered service* is received from a *non-network provider*, as a result of an emergency;
2. When a *covered service* is received from a *non-network provider*, not as a result of an emergency, but has been *approved* or *authorized* by *us*; and
3. When a *covered service* is received from a *non-network provider* because the service or supply is not available from a *network provider* in the *member's* service area, but is not an emergency.

In these limited situations, *you* will be entitled to the *covered services* as described under this *policy* and *you* will only be responsible for the amount that *you* would have been charged if *you* received the *covered services* from a *network provider*.

Hospital Based Providers

When receiving care at an *Ambetter* participating *hospital* it is possible that some *hospital-based providers* (for example, anesthesiologists, radiologists, pathologists) may not be under contract with *Ambetter* as participating *providers*. *We* encourage *you* to inquire about the *providers* who will be treating *you* before *you* begin *your* treatment, so *you* can understand their participation status with *Ambetter*. Should *you* receive *covered services* from a *non-network hospital-based provider* at a *network facility*, *we* will work with the provider on payment of *covered services* to ensure that *you* are not responsible for an amount in excess of what *you* would pay to a *network provider*. *You* should not be billed for amounts in excess of what *you* would pay to a *network provider*. If *you* do receive a bill for such amounts, please contact Member Services at 1-833-863-1310 (Relay 711).

In cases of emergency, if *you* go to an in-network facility and an in-network hospital based provider is not reasonably available to provide a *covered service*, then *you* will not be subject to *balance billing*. If *you* receive a bill from the provider, please contact Member Services at 1-833-863-1310 (Relay 711). *We* will work directly with the provider to make sure that *you* are not *balance billed*.

Except for emergency medical services, *we* do not normally cover services *you* may have received from non-network providers. In the event *our network* is unable to reasonably meet a *member's* needs, the *member* should seek *prior authorization* for treatment to be provided by out-of-network provider(s) at the in-

network facility. If prior authorized, *eligible service expenses* for benefits provided by approved out-of-network provider(s) will be covered by *Ambetter* at rates that are comparable to in-network rates. Should *you* receive a bill from the provider, please contact Member Services at 1-833-863-1310 (Relay 711). *We* will work directly with the provider to make sure that *you* are not *balance billed*.

Cost Sharing Features

Cost Sharing Features

We will pay benefits for *covered services* as described in the *Schedule of Benefits* and the *Covered Services* sections of this Contract. All benefits we pay will be subject to all conditions, limitations, and *cost sharing* features of this Contract. *Cost sharing* means that you participate or share in the cost of your healthcare services by paying *deductible amounts*, *copayments* and *coinsurance* for some *covered services*. For example, you may need to pay a *copayment* or *coinsurance* amount when you visit your provider or are admitted into the hospital. The *copayment* or *coinsurance* required for each type of service as well as your *deductible* is listed in your *Schedule of Benefits*.

When you, or a covered dependent, receive health care services from a provider, there may be multiple claims for that episode of care. An episode of care means the services provided by a health care facility or provider to treat a condition or an illness. Each claim that we receive for services covered under this contract are adjudicated or processed as we receive them. Coverage is only provided for *eligible service expenses*. Each claim received will be processed separately according to the cost share as outlined in the contract and in your schedule of benefits.

Copayments

A *copayment* is typically a fixed amount due at the time of service. *Members* may be required to pay *copayments* to a provider each time services are performed that require a *copayment*. *Copayments* are due as shown in the *Schedule of Benefits*. Payment of a *copayment* does not exclude the possibility of a provider billing you for any non-covered service. *Copayments* do not count or apply toward the *deductible amount*, but do apply toward meeting the *maximum out-of-pocket amount*.

Coinsurance Amount

A *coinsurance* amount is your share of the cost of a service after your deductible has been met. *Members* may be required to pay a *coinsurance* in addition to any applicable *deductible amount(s)* due for a *covered service* or supply. *Coinsurance* amounts do not apply toward the *deductible* but do apply toward meeting your *maximum out-of-pocket amount*. When the annual *maximum out-of-pocket* has been met, additional *covered service expenses* will be 100%.

Deductible

The *deductible amount* means the amount of *covered service expenses* that must be paid by each/all members before any benefits are provided or payable. The *deductible amount* does not include any *copayment amount* or *coinsurance amount*. Not all *covered service expenses* are subject to the *deductible amount*. See your *Schedule of Benefits* for more details.

Maximum Out-of-Pocket

You must pay any required *copayments* or *coinsurance* amounts required until you reach the *maximum out-of-pocket amount* shown on your *Schedule of Benefits*. After the *maximum out-of-pocket amount* is met for an individual, we will pay 100% of the cost for *covered services*. The family *maximum out-of-pocket amount* is two times the individual *maximum out-of-pocket amount*. For the family *maximum out-of-pocket amount*, once a member has met the individual *maximum out-of-pocket amount*, the remainder of the family *maximum out-of-pocket amount* can be met with the combination of any one or more members' *eligible service expenses*.

Refer to your Schedule of Benefits for Coinsurance Percentage and other limitations

The amount provided or payable will be subject to:

1. Any specific benefit limits stated in the *policy*; and
2. A determination of *eligible service expenses*.

The applicable *deductible amount(s)*, *cost sharing percentage*, and *copayment amounts* are shown on the *Schedule of Benefits*.

NOTICE: *Your* actual expenses for *covered services* may exceed the stated *coinsurance* percentage or *copayment* amount because actual provider charges may not be used to determine plan and *member* payment obligations.

Note: The bill *you* receive for services or supplies from a *non-network provider* may be significantly higher than the *eligible service expenses* for those services or supplies. In addition to the *deductible amount*, *copayment amount*, and *cost sharing percentage*, *you* are responsible for the difference between the *eligible service expense* and the amount the *non-network provider* bills *you* for the services or supplies. Any amount *you* are obligated to pay to the *non-network provider* in excess of the *eligible service expense* will not apply to *your deductible amount* or *maximum out-of-pocket*.

Health Savings Account (HSA)

A Health Savings Account (HSA) is a special tax-exempt custodial account or trust owned by a *member* where contributions to the account may be used to pay for current and future qualified medical expenses. Please refer to *your Schedule of Benefits* to see if the plan *you* are enrolled in has an HSA Account. For *members* enrolled in an HSA compatible plan, the following terms apply.

Individual *members* must satisfy federal HSA eligibility criteria in order to open and contribute to an HSA.

This Evidence of Coverage is administered by Ambetter of North Carolina Inc. This entity is not an HSA trustee, HSA custodian or a designated administrator for HSAs. Ambetter of North Carolina Inc., its designee, and its affiliates do not provide tax, investment or legal advice to *members*.

MEMBERS ARE SOLELY RESPONSIBLE FOR ADHERING TO ALL FEDERAL REGULATIONS AND GUIDELINES CONCERNING HSA MAXIMUM ALLOWABLE AMOUNT, CONTRIBUTIONS AND QUALIFIED WITHDRAWALS. IN ADDITION, EACH MEMBER WITH AN HSA IS RESPONSIBLE FOR NOTIFYING HIS/HER HSA CUSTODIAN OR TRUSTEE IF ENROLLMENT UNDER THEIR HSA PLAN HAS BEEN CANCELED OR TERMINATED.

THE TERMS OF THIS EVIDENCE OF COVERAGE ARE CONFINED TO THE BENEFITS PROVIDED HEREIN AND DO NOT ENCOMPASS ANY INDIVIDUAL HSA FEE ARRANGEMENTS, ACCOUNT MAINTENANCE OR CONTRIBUTION REQUIREMENTS, APPLICATION PROCEDURES, TERMS, CONDITIONS, WARRANTIES, OR LIMITATIONS THERETO, GRIEVANCES OR CIVIL DISPUTES WITH ANY HSA CUSTODIAN OR TRUSTEE.

PLEASE CONSULT A PROFESSIONAL TAX ADVISOR FOR MORE INFORMATION ABOUT THE TAX IMPLICATIONS OF AN HSA OR HSA PROGRAM.

Access to Care

Primary Care Provider

In order to obtain benefits, *you* may designate a *network primary care provider* for each *member*. If *you* do not select a *network primary care provider* for each *member*, one will be assigned. *You* may select any *network primary care provider* who is accepting new patients from any of the following provider types:

- Family practitioners
- General practitioners
- Internal medicine
- Nurse practitioners*
- Physician assistants
- Obstetricians/gynecologists
- Pediatricians (for children)

*If *you* choose a nurse practitioner as *your PCP*, your benefit coverage and *copayment amounts* are the same as they would be for services from other in-network *providers*. See *your Summary of Benefits* for more information.

You may obtain a list of *network primary care providers* at *our* website and using the "Find a Provider" function or by calling the telephone number shown on the front page of this contract. *You* should get to know *your PCP* and establish a healthy relationship with them. *Your PCP* will:

- Provide preventive care and screenings
- Conduct regular physical exams as needed
- Conduct regular immunizations as needed
- Deliver timely service
- Work with other doctors when *you* receive care somewhere else
- Coordinate specialty care with Ambetter in-network specialists
- Provide any ongoing care *you* need
- Update *your* medical record, which includes keeping track of all the care that *you* get from all of *your providers*
- Treat all patients the same way with dignity and respect
- Make sure *you* can contact him/her or another provider at all times
- Discuss what advance directives are and file directives appropriately in *your* medical record.

Adults may designate an OB/GYN as a *network primary care provider*. *You* may designate a pediatrician as a *network primary care provider* for *your dependent member* under 18 years old. However, *you* may not change *your* selection more frequently than once each month. If *you* do not select a *network primary care provider* for each *member*, one will be assigned. *You* may obtain a list of *network primary care providers* at *our* website or by contacting *our* Member Services department.

Members diagnosed with a serious or chronic degenerative, disabling, or life-threatening disease or condition, either of which requires specialized medical care may designate a *specialist*, with expertise in treating the disease or condition, as a *network primary care provider*. If *we* determine that the *member's* care would not be appropriately coordinated by the designated *specialist*, *we* may deny access to that *specialist* as a *network primary care provider*.

Your network primary care provider will be responsible for coordinating all covered health services with other network providers. *You* may be required to obtain a referral from a *primary care provider* in order to receive care from a *specialist provider*. *You* do not need a referral from *your network primary care provider* for mental or behavioral health services, obstetrical or gynecological treatment and may seek care directly from a *network* obstetrician or gynecologist.

Contacting Your Primary Care Physician

To make an appointment with *your PCP*, call his/her office during business hours and set up a date and time. If *you* need to cancel or change *your* appointment, call 24 hours in advance. At every appointment, make sure *you* bring *your member* ID card and a photo ID.

Should *you* need care outside of *your* PCP's office hours, *you* should call *your* PCP's office for information on receiving after hours care in *your* area. If *you* have an urgent medical problem or question or cannot reach *your PCP* during normal office hours, call our 24/7 nurse advice line at 1-877-687-1180 (TTY/TDD 1-877-941-9231). A licensed nurse is always available and ready to answer your health questions. In an emergency, call 911 or head straight to the nearest emergency room.

Changing Your Primary Care Physician (PCP)

You may change *your network primary care provider* for any reason, but not more frequently than once a month, by submitting a written request, online at *our* website at ambetterofnorthcarolina.com, or by contacting *our* office at the number shown on *your* identification card. The change to *your network primary care provider* of record will be effective no later than 30 days from the date *we* receive *your* request.

Referral Required For Maximum Benefits

You do not need a referral from *your network primary care provider* for: 1) obstetrical or gynecological treatment from a *network* obstetrician or gynecologist; 2) *network* pediatrician; or 3) *network* provider who has been designated as *your network primary care provider* to treat *your* serious or chronic degenerative, disabling, or life-threatening disease or condition. For all other *network specialists*, *you* may be required to obtain a referral from *your network primary care provider* for benefits to be payable under *your policy* or benefits payable under this *policy* may be reduced. Please refer to the *Schedule of Benefits*.

Network Availability

Your network is subject to change upon advance written notice. A *network service area* may not be available in all areas. If *you* move to an area where *we* are not offering access to a *network*, the *network* provisions of the *policy* will no longer apply. In that event, benefits will be calculated based on the *eligible service expense*, subject to the *deductible amount* for *network* providers. *You* will be notified of any increase in premium.

Coverage Under Other Policy Provisions

Charges for services and supplies that qualify as *covered service expenses* under one benefit provision will not qualify as *covered service expenses* under any other benefit provision of this *policy*.

Non-Emergency Services

If *you* are traveling outside of the North Carolina service area, *you* may be able to access providers in another state if there is an Ambetter plan located in that state. *You* can locate Ambetter providers outside of North Carolina by searching the relevant state in our provider directory at ProviderSearch.AmbetterHealth.com. Not all states have Ambetter plans. If *you* receive care from an Ambetter provider outside of the service area, *you* may be required to receive *prior authorization* for non-emergency services. Contact Member Services at the phone number on *your* ID card for further information.

Emergency Services Outside of Service Area

We cover emergency care services when *you* are outside of *our* service area.

If *you* are temporarily out of the service area and have a medical or behavioral health emergency, call 911 or go the nearest emergency room. Be sure to a call *us* and report *your* emergency within one business day. *You* do not need prior approval for emergency care services.

New Technology

Health technology is always changing. If *we* think a new medical advancement can benefit *our* members, *we* evaluate it for coverage. These advancements include:

- New technology
- New medical procedures
- New drugs
- New devices
- New application of existing technology

Sometimes, *our* medical director and/or medical management staff will identify technological advances that could benefit *our* members. The Clinical Policy Committee (CPC) reviews requests for coverage and decides whether *we* should change any of *our* benefits to include the new technology.

If the CPC does not review a request for coverage of new technology, *our* Medical Director will review the request and make a one-time determination. The CPC may then review the new technology request at a future meeting.

Major Medical Expense Benefits

Medically necessary acute and chronic dialysis are covered benefits unless other coverage is primary, such as Medicare for dialysis. The supplies, equipment, and appliances described below are *covered services* under this benefit. If the supplies, equipment, and appliances include comfort, luxury, or convenience items or features which exceed what is *medically necessary* in *your* situation or needed to treat *your* condition, reimbursement will

be based on the maximum allowable amount for a standard item that is a *covered service*, serves the same purpose, and is *medically necessary*. Any expense that exceeds the maximum allowable amount for the standard item which is a *covered service* is *your* responsibility. For example, the reimbursement for a motorized wheelchair will be limited to the reimbursement for a standard wheelchair, when a standard wheelchair adequately accommodates *your* condition. Repair, adjustment, and replacement of purchased equipment, supplies, or appliances as set forth below may be covered, as *approved by us*. The repair, adjustment, or replacement of the purchased equipment, supply, or appliance is covered if:

In addition, replacement of purchased equipment, supplies, or appliance may be covered if:

1. The equipment, supply, or appliance is worn out or no longer functions.
2. Repair is not possible or would equal or exceed the cost of replacement. An assessment by *our* habilitation equipment specialist or vendor should be done to estimate the cost of repair.

Examples include, but are not limited to, wheelchairs, crutches, *hospital* beds, and oxygen equipment. Rental cost must not be more than the purchase price. We will not pay for rental for a longer period of time than it would cost to purchase equipment. The cost for delivering and installing the equipment are *covered services*. Payment for related supplies is a *covered service* only when the equipment is a rental, and medically fitting supplies are included in the rental; or the equipment is owned by the *member*; medically fitting supplies may be paid separately. Formulary or Prescription Drug List

The formulary or prescription drug list is a guide to available generic, brand name drugs and some over-the-counter medications when ordered by a *physician* that are approved by the Food and Drug Administration (FDA) and covered through *your* prescription drug benefit. Generic drugs have the same active ingredients as their brand name counterparts and should be considered the first line of treatment. The FDA requires generics to be safe and work the same as brand name drugs. If there is no generic available, there may be more than one brand name drug to treat a condition. Preferred brand name drugs are listed on Tier 2 of the Drug List to help identify brand name drugs that are clinically appropriate, safe and cost effective treatment options, if a generic medication on the formulary is not suitable for *your* condition.

Please note, the formulary is not meant to be a complete list of the drugs covered under *your* prescription benefit. Not all dosage forms or strengths of a drug may be covered. This list is periodically reviewed and updated and may be subject to change. Drugs may be added or removed or additional requirements may be added in order to approve continued usage of a specific drug.

Specific prescription benefit plan designs may not cover certain products or categories, regardless of their appearance in the formulary. For the most current Ambetter Formulary or Prescription Drug List or for more information about our pharmacy program, visit ambetterofnorthcarolina.com (under "For Member", "Pharmacy Resources") or call Member Services at 1-833-863-1310 (Relay 711).

Non-Formulary Prescription Drugs

Under Affordable Care Act, *you* have the right to request coverage of *prescription drugs* that are not listed on the plan formulary (otherwise known as "non-formulary drugs"). To exercise this right, please get in

touch with *your* medical practitioner. *Your* medical practitioner can utilize the usual *prior authorization* request process. See “Prior Authorization” below for additional details.

Prescription Drug Exception Process

Standard exception request

A *member*, a *member's* designee or a *member's* prescribing *provider* may request a standard review of a decision that a drug is not covered by the plan or a protocol exception for step therapy. The request can be made in writing or via telephone. Within 72 hours of the request being received, *we* will provide the *member*, the *member's* designee or the *member's* prescribing *provider* with *our* coverage determination. Should the standard exception request or step therapy protocol exception request be granted, *we* will provide coverage of the non-formulary drug for the duration of the prescription, including refills, or of the drug that is the subject of the protocol exception.

Expedited exception request

A *member*, a *member's* designee or a *member's* prescribing *provider* may request an expedited review based on exigent circumstances. Exigent circumstances exist when a *member* is suffering from a health condition that may seriously jeopardize the enrollee's life, health, or ability to regain maximum function or when an enrollee is undergoing a current course of treatment using a non-formulary drug. Within 24 hours of the request being received, *we* will provide the *member*, the *member's* designee or the *member's* prescribing *provider* with *our* coverage determination. Should the standard exception or step therapy protocol exception request be granted, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the exigency.

External exception request review

If *we* deny a request for a standard exception or for an expedited exception, the *member*, the *member's* designee or the *member's* prescribing *provider* may request that the original exception request and subsequent denial of such request be reviewed by an independent review organization. *We* will make *our* determination on the external exception request and notify the *member*, the *member's* designee or the *member's* prescribing *provider* of *our* coverage determination no later than 72 hours following receipt of the request, if the original request was a standard exception, and no later than 24 hours following its receipt of the request, if the original request was an expedited exception.

If *we* grant an external exception review of a standard exception or step therapy protocol exception request, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the prescription. If *we* grant an external exception review of an expedited exception request, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the exigency.

Benefits for preventive health services listed in this provision, except under the administration of reasonable medical management techniques discussed in the next paragraph, are exempt from any *deductible amounts*, *cost sharing percentage* provisions, and *copayment amounts* under the *policy* when the services are provided by a *network provider*. If a service is considered diagnostic or non-preventive, *your plan copayment, coinsurance, and deductible* will apply. It's important to know what type of service *you're* getting. If a diagnostic or non-preventive service is performed during the same healthcare visit as a preventive service, *you* may have *copayment* and *coinsurance* charges.

Health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connections with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain *authorization* from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Respite Care Expense Benefits

Respite care is covered on an *inpatient* or outpatient basis to allow temporary relief to family members from the duties of caring for a *covered person* under Hospice Care. Certificate of Creditable Coverage

We will supply a Certificate of *Creditable Coverage* when *you* or *your dependent member's* coverage under this *policy* ends or *you* exhaust continuation of coverage. Keep the Certificate of *Creditable Coverage* in a safe place. *You* may request a Certificate of *Creditable Coverage* from *our* Member Services Department while *you* are still covered under this *policy* and up to 24 months following *your* termination. *You* may call the Member Services Department at 1-833-863-1310 (Relay 711).

Continuity of Care

Termination of Provider: If *you* are undergoing treatment for an *ongoing special condition* at the time the contract between *us* and the *your* treating *provider* is terminated and *you* have filed a claim for services provided by the terminated *provider* or *we* know *you* are a patient of the terminated *provider*, *we* will notify *you* on a timely basis of the termination and of the right to elect continuation of coverage of treatment by the *provider*. *You* will continue to receive treatment up to 90 days after *we* notify *you* of the provider's termination.

Newly Covered Member: If *you* are undergoing treatment from a *provider* for an *ongoing special condition* and are newly covered under this *policy*, *we* will notify *you* on *your* enrollment date of *your* right to elect to continue treatment with the *provider* currently treating *your ongoing special condition*. *You* will continue to receive treatment up to 90 days after *you* enroll in this *policy*.

Transitional Period – Schedule Surgery, Organ Transplantation, or Inpatient Care: If *you* had surgery, organ transplant, or other inpatient care scheduled prior to the *provider* being terminated or *your* recent enrollment in this *policy*, or if *you* were listed on an established waiting list as of the date of notice of *provider* termination or enrollment, *you* will be able to continue to see the *provider* through the date of discharge after completion of the surgery, transplant, or other inpatient care and through post-discharge follow-up care related to the surgery, transplant, or other inpatient care occurring within 90 days after the date of discharge.

Transitional Period – Pregnancy: If *you* are in *your* second trimester of pregnancy when *your provider* was terminated or if *you* are a newly enrolled member, *you* will be able to continue to see the treating *provider* through 60 days of postpartum care.

Transitional Period – Terminal Illness: If *you* were determined to be terminally ill at the time of a *provider's* termination or when *you* enrolled in this *policy* and the *provider* was treating the terminal illness before the date of the termination or enrollment, *you* will be able to continue to see the treating *provider* for the remainder of *your* life with respect to care directly related to the treatment of the terminal illness or its medical manifestations.

Claims

Notice of Claim

We must receive notice of claim within 30 days of the date the *loss* began or as soon as reasonably possible. *Ambetter* will send a confirmation to the *member* within 15 days after receiving a notice of claim.

Proof of Loss

We must receive written *proof of loss* within 180 days of the *loss* or as soon as is reasonably possible. *Proof of loss* furnished more than one year late will not be accepted, unless *you* or *your* covered *dependent member* had no legal capacity to submit such proof during that year.

How to Submit a Claim

Providers will typically submit claims on your behalf, but sometimes *you* may need to submit claims yourself for covered services. This usually happens if:

- *Your provider* is not contracted with *us*
- *You* have an out-of-area emergency.

If *you* have paid for services *we* agreed to cover, *you* can request reimbursement for the amount *you* paid. We can adjust *your deductible, copayment or cost sharing* to reimburse *you*.

To request reimbursement for a *covered service*, *you* need a copy of the detailed claim from *your provider*. *You* also need to submit an explanation of why *you* paid for the *covered services* along with the *member* reimbursement claim form posted at ambetterofnorthcarolina.com under "Member Resources". Send all the documentation to *us* at the following address:

Ambetter from North Carolina Health Plan
Attn: Claims Department
P.O. Box 5010
Farmington, MO 63640-5010

Cooperation Provision

Each *member*, or other person acting on his or her behalf, must cooperate fully to assist *us* in determining *our* rights and obligations under the *policy* and, as often as may be reasonably necessary:

1. Sign, date, and deliver to *us* *authorizations* to obtain any medical or other information, records or documents *we* deem relevant from any person or entity.
2. Obtain and furnish to *us*, or *our* representatives, any medical or other information, records or documents *we* deem relevant.
3. Answer, under oath or otherwise, any questions *we* deem relevant, which *we* or *our* representatives may ask.
4. Furnish any other information, aid or assistance that *we* may require, including without limitation, assistance in communicating with any person or entity (including requesting any person or entity to promptly provide to *us*, or *our* representative, any information, records or documents requested by *us*).

If any *member*, or other person acting on his or her behalf, fails to provide any of the items or information requested or to take any action requested, the claim(s) will be closed and no further action will be taken by *us* unless and until the item or information requested is received or the requested action is taken, subject to the terms and conditions of the *policy*.

In addition, failure on the part of any *member*, or other person acting on his or her behalf, to provide any of the items or information requested or to take any action requested may result in the denial of the claim at issue to the *member*.

Time for Payment of Claims

Benefits will be paid within 30 days for clean claims filed electronically or on paper. "Clean claims" means a claim submitted by *you* or a provider that has no defect, impropriety, or particular circumstance requiring special treatment preventing payment. If *we* have not received the information *we* need to process a claim, *we* will ask for the additional information necessary to complete the claim. *You* will receive a copy of that request for additional information. In those cases, *we* cannot complete the processing of the claim until the additional information requested has been received. *We* will make *our* request for additional information within 30 days of *our* initial receipt of the claim and will complete *our* processing of the claim within 30 days after *our* receipt of all requested information.

Claim payments that are not made within the specified timeframes shall bear interest at the annual percentage rate of eighteen percent (18%) beginning on the date following the day on which the claim should have been paid. If additional information was requested by *us*, interest on claim payments shall begin to accrue on the 31st day after *we* have received the additional information.

Payment of Claims

Except as set forth in this provision, all benefits are payable to *you*. Any accrued benefits unpaid at *your* death, or *your dependent member's* death may, at *our* option, be paid either to the beneficiary or to the estate. If any benefit is payable to *your* or *your dependent member's* estate, or to a beneficiary who is a minor or is otherwise not competent to give valid release, *we* may pay up to \$1,000 to any relative who, in *our* opinion, is entitled to it.

We may pay all or any part of the benefits provided by this *policy* for *hospital*, surgical, nursing, or medical services, directly to the *hospital* or other person rendering such services.

Any payment made by *us* in good faith under this provision shall fully discharge *our* obligation to the extent of the payment. *We* reserve the right to deduct any overpayment made under this *policy* from any future benefits under this *policy*.

Change of Beneficiary

The right to change of beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be required to surrender or assignment of this *policy* or to any change of beneficiary or beneficiaries or to any other changes in this *policy*.

Foreign Claims Incurred For Emergency Care

Claims incurred outside of the United States for *emergency* care and treatment of a *member* must be submitted in English or with an English translation. Foreign claims must include the applicable medical records in English to show proper *proof of loss* and evidence of payment to the *provider*.

Assignment

We will reimburse a *hospital* or health care *provider* if:

1. *Your* health insurance benefits are assigned by *you* in writing; and
2. *We* approve the assignment.

Any assignment to a *hospital* or person providing the treatment, whether with or without *our approval*, shall not confer upon such *hospital* or person, any right or privilege granted to *you* under the *policy* except for the right to receive benefits, if any, that *we* have determined to be due and payable.

Medicare

This provision describes how we coordinate and pay benefits when a *member* is also enrolled in Medicare and duplication of Coverage occurs. If a *member* is not enrolled in Medicare or receiving benefits, there is no duplication of Coverage and we do not have to coordinate with Medicare.

The benefits under this *Policy* are not intended to duplicate any benefits to which *members* are entitled under Medicare.

Medicare primary/secondary payer guidelines and regulations will determine primary/secondary payer status, and will be adjudicated by us as set forth in this section. In cases where Medicare or another government program has primary responsibility, Medicare benefits will be taken into account for any *member* who is enrolled for Medicare. This will be done before the benefits under this *health plan* are calculated. When Medicare, Part A and Part B or Part C is primary, Medicare's allowable amount is the highest allowable expense.

When a person is eligible for Medicare benefits and Medicare is deemed to be the primary payer under Medicare secondary payer guidelines and regulations, we will reduce our payment by the Medicare primary payment and pay as secondary up to the Medicare allowable amount. However, under no circumstances will this plan pay more than it would have paid if it had been the primary plan. Charges for services used to satisfy a *member's* Medicare Part B deductible will be applied in the order received by us. Two or more expenses for services received at the same time will be applied starting with the largest first.

This provision will apply to the maximum extent permitted by federal or state law. We will not reduce the benefits due any *member* because of a *member's* eligibility for Medicare where federal law requires that we determine its benefits for that *member* without regard to the benefits available under Medicare.

Members may no longer be eligible to receive a premium subsidy for the Health Insurance Marketplace plan once Medicare coverage becomes effective.

Medicaid Reimbursement

The amount provided or payable under this *policy* will not be changed or limited for reason of a *member* being eligible for coverage under the Medicaid program of the state in which he or she lives.

We will pay the benefits of this *policy* to the state if:

1. A *member* is eligible for coverage under his or her state's Medicaid program; and
2. We receive proper *proof of loss* and notice that payment has been made for *covered service expenses* under that program.

Our payment to the state will be limited to the amount payable under this *policy* for the *covered service expenses* for which reimbursement is due. Payment under this provision will be made in good faith. It will satisfy our responsibility to the extent of that payment.

Custodial Parent

This provision applies if the parents of a covered *eligible child* are divorced or legally separated and both the custodial parent and the non-custodial parent are subject to the same court or administrative order establishing custody. The custodial parent, who is not a *member*, will have the rights stated below if we receive a copy of the order establishing custody.

Upon request by the custodial parent, we will:

1. Provide the custodial parent with information regarding the terms, conditions, benefits, exclusions, and limitations of the *policy*;
2. Accept claim forms and requests for claim payment from the custodial parent; and

3. Make claim payments directly to the custodial parent for claims submitted by the custodial parent. Payment of claims to the custodial parent, which are made under this provision, will fully discharge *our* obligations.

A custodial parent may, with *our approval*, assign claim payments to the *hospital* or *medical practitioner* providing treatment to an *eligible child*.

Physical Examination of Autopsy

We shall have the right and opportunity to examine a *member* while a claim is pending or while a dispute over the claim is pending. These examinations are made at *our* expense and as often as *we* may reasonably require. *Ambetter* shall also have the right to make an autopsy in case of death where it is not forbidden by law.

Legal Actions

No suit may be brought by *you* on a claim sooner than 60 days after the required *proof of loss* is given. No suit may be brought more than three years after the date *proof of loss* is required.

No Third Party Beneficiaries

This *policy* is not intended to, nor does it, create or grant any rights in favor of any third party, including but not limited to any *hospital*, *provider*, or medical practitioner providing services to *you*, and this *policy* shall not be construed to create any third party beneficiary rights.

Appeal and Grievance Procedures

Appeal Procedures

Internal Appeal Procedures: When a health insurance plan denies a request of payment for a treatment or service (a claim for plan benefits, *you* have already received (post-service claim denial) or denies *your* request to authorize treatment or service (prospective claim denial), *you*, or someone *you* have authorized to speak on *your* behalf (an *authorized representative*), can request an *appeal* of the plan's decision. If the plan rescinds *your* coverage or denies *your* application for coverage, *you* may also *appeal* the plan's decision. When we receive *your appeal*, we are required to review *our* decision. When we make an *adverse benefit determination*, we are required to notify *you* with:

- The reasons for the decision, including the clinical rationale;
- *Your* right to *appeal* the claim decision;
- Instructions for requesting a written statement of the clinical reviews criteria used;
- *Your* right to request an *external review*; and
- The availability of assistance from The North Carolina Department of Insurance and the Health Insurance Smart NC program, including the telephone number and address of the program.
- If *you* do not speak English, *you* may be entitled to receive *appeals'* information in *your* native language upon request.
- When *you* request an *internal appeal*, we must give *you our* decision as soon as possible, but no later than:
 - 72 hours after receiving *your* request when *you* are *appealing* the denial of a claim for urgent care. (If *your appeal* concerns urgent care, *you* may be able to have the internal *appeal* and external reviews take place at the same time.)
 - 30 days for *appeals* of denials of non-urgent care, *you* have not yet received (pre-service denials).
 - 30 days for *appeals* of denials of services, *you* have already received (post-service denials).
 - No extensions of the maximum time limits are permitted unless *you* consent.

Continuing Coverage: We cannot terminate *your* benefits until all of the *appeals* have been exhausted. However, if *our* decision is ultimately upheld, *you may be responsible for paying any outstanding claims or reimbursing us for claim payments made during the time of the appeals.*

Cost and Minimums for Appeals: There is no cost to *you* to file an *appeal* and there is no minimum amount required to be in dispute.

Emergency medical services: If we denies a claim for an emergency medical service, *your appeal* will be handled as an *urgent appeal*. We will advise *you* at the time we deny the claim that *you* can file an expedited internal *appeal*. If *you* have filed for an expedited internal *appeal*, *you* may also file for an expedited external review (see "Simultaneous urgent claim, expedited internal review and external review").

Your rights to file an appeal of denial of health benefits: *You or your authorized representative, such as your health care provider, may file the appeal for you, in writing, either by mail or by facsimile (fax). For an urgent request, you may also file an appeal by telephone.*

Austin, TX 78759
Fax: 1-833-886-7956
Phone 1-833-863-1310 (Relay 711)

*You must file the **appeal** within 180 calendar days of the receipt of the notice of claim denial (an **adverse benefit determination**). Failure to file within this time limit may result in *us* declining to consider the **appeal**. Please include in *your* written **appeal** or be prepared to tell *us* the following:*

- Name, address and telephone number of the insured person;
- The insured's health plan identification number;
- Name of health care provider, address and telephone number;
- Date the health care benefit was provided (if a post-claim denial *appeal*);
- Name, address and telephone number of an *authorized representative* (if *appeal* is filed by a person other than the insured); and
- A copy of the notice of *adverse benefit determination*.

In general, *we* may unilaterally extend the time for providing a decision on post-service claims for 14 calendar days after the expiration of the initial period, if *we* determine that such an extension is necessary for reasons beyond *our* control. There is no provision for extensions in the case of claims involving urgent care.

Non-urgent, pre-service care denial: After *you* file *your* appeal, *we* will notify *you* of all the information that is needed to process the *appeal* within 3 business days of receipt of the *appeal*. For non-urgent *pre-service denials*, *we* will notify *you* of *our* decision as soon as possible but no later than 30 calendar days of receipt of all the necessary clinical information.

We may extend *our* deadline by no more than 14 calendar days if *we* need additional information to reach a decision. *We* will inform *you* of the request's status if such an extension is necessary. If *we* do not receive the required information within the extended timeframe, *we* will make a determination based on the information *we* have. If no extension is needed, *we* will make the decision within 30 calendar days of receipt of *your* *appeal*.

We must make *our* decision within 48 hours after receipt of the information or at the end of the 44 days, whichever comes first.

Urgent pre-service care denial: *If your claim for benefits is urgent, you or your authorized representative, or your health care provider (provider) may contact us with the claim, orally or in writing.*

If the claim for benefits is one *involving urgent care*, *we* will notify *you* of *our* decision as soon as possible, but no later than 72 hours after *we* receive *your* claim provided *you* have given *us* information sufficient to make a decision.

If *you* have not given *us* sufficient information, *we* will contact *you* as soon as possible but no more than 24 hours after *we* receive *your* claim to let *you* know the specific information *we* will need to make a decision. *You* must give *us* the specific information requested as soon as *you* can but no later than 48 hours after *we* have asked *you* for the information.

We will notify *you* of *our* decision as soon as possible but no later than 48 hours after *we* have received the needed information or the end of the 48 hours *you* had to provide the additional information.

To assure *you* receive notice of *our* decision, *we* will contact *you* by telephone or facsimile (fax) or by another method meant to provide the decision to *you* quickly.

In determining whether a claim involves urgent care, *we* must apply the judgment of a prudent layperson who possesses an average knowledge of health and medicine. **However, if a *physician with knowledge of your medical condition determines that a claim involves urgent care, or an emergency, the claim must be treated as an urgent care claim.***

Post-service appeal of a claim denial (retrospective): If *your appeal* is for a *post-service claim denial*, *we* will notify *you* of *our* decision as soon as possible but no later than 30 calendar days after *we* have received *your appeal*. If *we* need more time to make a decision because *you* have not given *us* necessary information, *you* will have 90 calendar days from the date *we* notify *you* to give *us* the information. *We* will describe the information needed to make *our* decision in the notice *we* send *you*. This is also known as a “retrospective review.” *We* will notify *you* of *our* determination as soon as possible but no later than 5 business days after the benefit determination is made.

We must give *you* notice that *your* claim has been denied in whole or in part (paying less than 100% of the claim) before the end of the time allotted for the decision.

Simultaneous urgent claim and expedited internal review: In the case of a claim involving urgent care, *you* or *your authorized representative* may also request an expedited internal review. A request for expedited internal review may be submitted orally or in writing by *you* or *your authorized representative*; and all necessary information, including the plan’s benefit determination on review, shall be transmitted between *us* and *you* or *your authorized representative* by telephone, facsimile, or other expeditious method.

The *physician*, if the physician certifies in writing, that *you* have a medical condition where the time frame for completion of an expedited review of an internal *appeal* involving an *adverse benefit determination* would seriously jeopardize *your* life or health or jeopardizes *your* ability to regain maximum function, *you* may file a request for an expedited external review to be conducted simultaneously with the expedited internal *appeal*.

Rescission of coverage: If *we* rescind *your* coverage, *you* may file an *appeal* according to the following procedures. *We* cannot terminate *your* benefits until all of the *appeals* have been exhausted. Since a rescission means that, no coverage ever existed, if *our* decision to rescind is upheld, *you* will be responsible for payment of all claims for *your* health care services.

Your rights to a full and fair review

- *We* must allow *you* to review the claim file and to present evidence and testimony as part of the internal claims and *appeals* process.
- *We* must provide *you*, free of charge, with any new or additional evidence considered, relied upon, or generated by *us* (or at *our* direction) in connection with the claim; such evidence must be provided as soon as possible and sufficiently in advance of the date on which the notice of final internal *adverse benefit determination* is required to give *you* a reasonable opportunity to respond prior to that date; and
- Before *we* can issue a *final internal adverse benefit determination* based on a new or additional rationale, *you* must be provided, free of charge, with the rationale; the rationale must be provided as soon as possible and sufficiently in advance of the date on which the notice of *final internal adverse benefit determination* is required to be provided to give *you* a reasonable opportunity to respond prior to that date.
- The *adverse benefit determination* must be written in a manner understood by *you*, or if applicable, *your authorized representative* and must include all of the following:

1. The titles and qualifying credentials of the person or persons participating in the review process (the reviewers);
 2. Information sufficient to identify the claim involved, including the date of service, the health care provider;
 3. A statement describing the availability, upon request, of the diagnosis code and its corresponding meaning, and the treatment code and its corresponding meaning.
- As a general matter, *we* may deny claims at any point in the administrative process on the basis that *we* do not have *sufficient information*; such a decision, however, will allow *you* to advance to the next stage of the claims process.

Simultaneous urgent claim, expedited internal review and external review: *You, or your authorized representative, may request an expedited external review if both the following apply:*

1. *You* have filed a request for an expedited internal review; and
2. After a final *adverse benefit determination*, if either of the following applies:
 - a. *Your* treating physician certifies that the *adverse benefit determination* involves a medical condition that could seriously jeopardize *your* life or health, or would jeopardize *your* ability to regain maximum function, if treated after the time frame of a standard external review;
 - b. The final *adverse benefit determination* concerns an admission, availability of care, continued stay, or health care service for which *you* received emergency services, but has not yet been discharged from a facility.

Concurrent care decisions

Reduction or termination of ongoing plan of treatment: If *we* have approved an ongoing plan or course of treatment that will continue over a period of time or a certain number of treatments and *we* find that the determination was based on a material misrepresentation about *your* health condition that was knowingly made by *you* or *your provider* of the service, supply, or other item, *we* will notify *you* that *we* have decided to reduce or terminate the treatment, *we* will give *you* notice of that decision allowing sufficient time to *appeal* the determination and to receive a decision from *us* before any interruption of care occurs.

Request to extend ongoing treatment: If *you* have received *approval* for an ongoing treatment and wish to *extend the treatment* beyond what has already been approved, *we* will consider *your appeal* as a request for urgent care. If *you* request an extension of treatment at least 24 hours before the end of the treatment period, *we* must notify *you* soon as possible but no later than 24 hours after receipt of the claim.

An *appeal* of this decision is conducted according to the urgent care *appeals* procedures.

Concurrent urgent care and extension of treatment: Under the concurrent care provisions, any request that involves both urgent care and the extension of a course of treatment beyond the period of time or number of treatments previously approved by *us* must be decided as soon as possible, taking into account the medical urgencies, and notification must be provided to *you* within 24 hours after receipt of the claim, provided the request is made at least 24 hours prior to the expiration of the prescribed period of time or number of treatments.

Non-urgent request to extend course of treatment or number of treatments: If a request to extend a course of treatment beyond the period of time or number of treatments previously approved by *us* does not involve urgent care, the request may be treated as a new benefit claim and decided within the timeframe appropriate to the type of claim, e.g., as a prospective claim or a post-service claim.

If the request is not made at least 24 hours prior to the expiration of the prescribed period of time or number of treatments: the request must be treated as a claim involving urgent care and decided in

accordance with the urgent care claim timeframes, e.g., as soon as possible, taking into account the medical emergencies, but not later than 72 hours after receipt.

Availability of Grievance Process: There is a grievance process which allows an *insured person* the opportunity to resolve their grievances. The process is voluntary and is available for the review of any policy, decision or action that affects an *insured person*. The grievance process does not apply to grievances or *appeals* based solely on the basis that the *policy* does not provide or it limits the benefits for the health care service in question, provided the exclusion of the specific service requested is clearly stated in the *policy*.

Review of Grievance

Within three (3) business days of receiving a *grievance*, we will provide *you* with the name, address, and telephone number of the person coordinating the review and instructions on submitting written material, including the address to which the material may be submitted. *Your* attendance is not permitted for the *grievance* review.

The coordinator is an individual other than the person who initially handled the original matter that is the subject of the *grievance*. If the issue is a clinical one, at least one reviewer must be a medical doctor with appropriate expertise to evaluate the matter under consideration.

We will issue a written decision, in clear terms, to *you* and *your provider*, if applicable, within thirty (30) calendar days after receiving the *grievance*.

The written decision must contain the following information:

- The professional qualifications and licensure of the person or persons reviewing the *grievance*;
- A statement of the reviewers' understanding of the *grievance*;
- The reviewers' decision in clear terms and the contractual or medical rationale in sufficient detail for *you* to respond further to the reviewers' position;
- A reference to the evidence or documentation used as the basis for the decision;
- A statement that the decision is *our* final determination in the matter. If the review concerned a non-certification and the decision is to uphold the initial non-certification, a statement advising *you* of

your right to request an external review once the internal grievance process has been exhausted. The North Carolina notice for external review provides the procedures to follow for requesting an external review and should be provided at this time;

- Notice of the availability to contact the North Carolina Commissioner of Insurance for assistance. The notice should include the following information:

The North Carolina Department of Insurance
P.O. Box 26387, Raleigh, NC 27611

- Note: A North Carolina licensed M.D. will evaluate all non-certifications.

For a *grievance* concerning the quality of clinical care delivered by *your provider*, we will acknowledge the *grievance* within ten (10) business days of receipt of the *grievance*. The acknowledgement must advise *you* that:

1. We will refer the *grievance* to its quality assurance committee for review and consideration or any appropriate action against the *provider*; and
2. State law does not allow for a second-level *grievance* review for *grievances* concerning quality of care.

External Review

North Carolina law provides for review of non-certification decisions by an external, *Independent Review Organization* (IRO). An *Independent Review Organization* is an entity that conducts independent external reviews of appeals of non-certifications and second-level grievance review decisions.

The North Carolina Department of Insurance (NCDOI) administers this service at no charge to *you*, arranging for an IRO to review *your* case once the NCDOI establishes that *your* request is complete and eligible for review. *You* or someone *you* have authorized to represent *you* may request an external review. We will notify *you* in writing of *your* right to request an external review each time *you*:

- Receive a non-certification decision; or
- Receive an *appeal* decision upholding a non-certification decision.

In order for *your* request to be eligible for external review, the NCDOI must determine the following:

- That *your* request is about a medical necessity determination that resulted in a non-certification decision;
- That *you* had coverage with *us* in effect when the non-certification decision was issued;
- That the service for which the non-certification was issued appears to be a *covered service* under *your policy*; and
- That *you* have exhausted *our* internal review process.

External review is performed on a standard and expedited timetable, depending on which is requested and on whether medical circumstances meet the criteria for expedited review.

Standard External Review

For a standard external review, *you* will be considered to have exhausted the internal review process if *you* have:

- Completed *our appeal* and *grievance* review and received a written determination from *us*; or
- Received notification that *we* have agreed to waive the requirement to exhaust the internal *appeal* and/or *grievance* process.

If *your* request for a standard external review is related to a retrospective non-certification (a non-certification which occurs after *you* have received the services in question), *you* will not be eligible to request a standard review until *you* have completed *our* internal review process and received a written final determination from *us*.

If *you* wish to request a standard external review, *you* (or *your* representative) must make this request to NCDOI within 120 calendar days of receiving written notice from *us* of final determination that the services in question are not approved. When processing *your* request for external review, the NCDOI will require *you* to provide the NCDOI with a written, signed authorization for the release of any of *your* medical records that may need to be reviewed for the purpose of reaching a decision on the external review.

Within 10 business days of receipt of *your* request for a standard external review, the NCDOI will notify *you* and *your provider* of whether *your* request is complete and whether it is accepted. If the NCDOI notifies *you* that *your* request is incomplete, *you* must provide all requested additional information to the NCDOI within 150 calendar days of the date of *our* written notice of final determination. If the NCDOI accepts *your* request, the acceptance notice will include:

- The name and contact information for the Independent Review Organization (IRO) assigned to *your* case;
- A copy of the information about *your* case that *we* have provided to the NCDOI;
- Notification that *we* will provide *you* or *your authorized representative* with a copy of the documents and information considered in making the denial decision (which will also be sent to the IRO); and
- Notification that *you* may submit additional written information and supporting documentation relevant to the initial non-certification to the assigned IRO within seven (7) days of the date of the acceptance notice.

Upon NCDOI's request, *we* will, within three (3) business days, provide all information required for the Commissioner to conduct a preliminary review to determine whether:

- *You* are or were a *covered person* in the health benefit plan at the time the health care service was requested or, in the case of a retrospective review, was a *covered person* in the health benefit plan at the time the health care service was provided.
- The health care service that is the subject of the non-certification *appeal* decision or the second-level *grievance* review decision upholding a non-certification reasonably appears to be a *covered service* under the health benefit plan.
- *You* have exhausted *our* internal *appeal* and *grievance* processes under G.S. 58-50-61 and G.S. 58-50-62, unless *you* are considered to have exhausted *our* internal *appeal* or *grievance* process under G.S. 58-50-79, or unless *you* have waived *your* right to conduct an expedited review of the *appeal* decision.
- *You* have provided all the information and forms required by the Commissioner that are necessary to process an external review.

If *you* choose to provide any additional information to the IRO, *you* must also provide that same information to *us* at the same time using the same means of communication (e.g., *you* must fax the information to *us*. if *you* faxed it to the IRO). When faxing information to *us*, send it to 1-833-886-7956. If *you* choose to mail *your* information, send it to:

Ambetter of North Carolina
Attn: Grievances and Appeals Department
12515-8 Research Blvd., Suite 400
Austin, TX 78759

Please note that *you* may also provide this additional information to the NCDOI within the 7 calendar day deadline rather than sending it directly to the IRO and *us*. The NCDOI will forward this information to the IRO and *us* within two business days of receiving *your* additional information.

The IRO shall review all of the information and documents that have been forwarded to the organization by the Commissioner and the insurer. In addition, the assigned review organization, to the extent the documents or information are available, shall consider the following in reaching a decision:

- The covered person's medical records.
- The attending health care provider's recommendation.
- Consulting reports from appropriate health care providers and other documents submitted by the insurer, covered person, or the covered person's treating provider.
- The most appropriate practice guidelines that are based on sound clinical evidence and that are periodically evaluated to assure ongoing efficacy.
- Any applicable clinical review criteria developed and used by the insurer or its designee utilization review organization.
- Medical necessity, as defined in G.S. 58-3-200(b) .
- Any documentation supporting the medical necessity and appropriateness of the provider's recommendation.

The IRO will send *you* written notice of its determination within 45 calendar days of the date the NCDOI received *your* standard external review request. If the IRO's decision is to reverse the non-certification, *we* will, reverse the non-certification decision within 3 business days of receiving notice of the IRO's decision, and provide coverage for the requested service or supply that was the subject of the non-certification decision. If *you* are no longer covered by *us* at the time *we* receive notice of the IRO's decision to reverse the non-certification, *we* will only provide coverage for those services or supplies *you* actually received or would have received prior to disenrollment if the service had not been non-certified when first requested.

Expedited External Review

An expedited external review of a non-certification decision may be available if *you* have a medical condition where the time required to complete either an expedited internal *appeal* or *grievance* review or a standard external review would reasonably be expected to seriously jeopardize *your* life or health or would jeopardize *your* ability to regain maximum function. If *you* meet this requirement, *you* may make a written request to the NCDOI for an expedited review after *you*:

- Receive a non-certification decision from *us* AND file a request with *us* for an expedited *appeal*; or
- Receive a *grievance* review decision upholding the original non-certification.

You may also make a request for an expedited external review if *you* receive an adverse *grievance* review decision concerning a non-certification of an admission, availability of care, continued stay or emergency care, but have not been discharged from the inpatient facility.

In consultation with a medical professional, the NCDOI will review *your* request and determine whether it qualifies for expedited review. *You* and *your provider* will be notified within 2 calendar days if *your* request is accepted for expedited external review. If *your* request is not accepted for expedited review, the NCDOI may: (1) accept the case for standard external review if *our* internal review process was already completed, or (2) require the completion of *our* internal review process before *you* may make another request for an

external review with the NCDOI. An expedited external review is not available for retrospective non-certifications.

Within two (2) calendar days after receiving a request for an expedited external review, the Commissioner shall complete all of the following:

(1) Notify the insurer that made the non-certification, non-certification appeal decision, or second-level grievance review decision which is the subject of the request that the request has been received and provide a copy of the request. The Commissioner shall also request any information from the insurer necessary to make the preliminary review set forth in G.S. 58-50-80(b)(2) and require the insurer to deliver the information not later than one day after the request was made.

(2) Determine whether the request is eligible for external review.

(3) If the request is eligible for external review and the covered person's treating provider requesting the service that is the subject of the external review has certified the request on a form prescribed by the Commissioner, then one of the following shall apply:

- a. For a request made pursuant to subdivision (a)(1) of this section, the request shall be reviewed on an expedited basis because the time frame for completion of an expedited review under G.S. 58-50-61(l) would reasonably be expected to seriously jeopardize the life or health of the covered person or would jeopardize the covered person's ability to regain maximum function. The Commissioner shall inform the covered person, the covered person's provider who performed or requested the service, and the insurer whether the Commissioner has accepted the covered person's request for an expedited external review. If the Commissioner has accepted the covered person's request for an expedited external review, then the Commissioner shall, in accordance with G.S. 58-50-80, assign an organization to conduct the review within the appropriate time frame. If the Commissioner has not accepted the covered person's request for an expedited external review, then the covered person shall be notified.
- b. For a request made pursuant to subdivision (a)(2) of this section, the request shall be reviewed on an expedited basis because the time frame for completion of an expedited review under G.S. 58-50-62 would reasonably be expected to seriously jeopardize the life or health of the covered person or would jeopardize the covered person's ability to regain maximum function. The Commissioner shall inform the covered person, the covered person's provider who performed or requested the service, and the insurer whether the Commissioner has accepted the covered person's request for an expedited external review. If the Commissioner has accepted the covered person's request for an expedited external review, then the Commissioner shall, in accordance with G.S. 58-50-80, assign an organization to conduct the review within the appropriate time frame. If the Commissioner has not accepted the covered person's request for an expedited external review, then the covered person shall be notified.
- c. For a request made pursuant to sub-subdivision (a)(3)a. of this section, the request shall be reviewed on an expedited basis because the time frame for completion of a standard external review under G.S. 58-50-80 would reasonably be expected to seriously jeopardize the life or health of the covered person or would jeopardize the covered person's ability to regain maximum function. The Commissioner shall inform the covered person, the covered person's provider who performed or requested the service, and the insurer whether the review will be conducted using an expedited or standard time frame and shall, in accordance with G.S. 58-50-80, assign an organization to conduct the review within the appropriate time frame.
- d. For a request made pursuant to sub subdivision (a)(3)b. of this section, the Commissioner shall, in accordance with G.S. 58-50-80, assign an organization to conduct the expedited review and inform the covered person, the covered person's provider who performed or requested the service, and the insurer of its decision.

The IRO will communicate its decision to uphold or reverse the non-certification to *you* within 3 calendar days or as expeditiously as the covered person's medical condition or circumstances require from the date the NCDOI received *your* request for an expedited external review. If the IRO's decision is to reverse the non-certification, *we* will, within one day of receiving notice of the IRO's decision, reverse the non-certification decision for the requested service or supply that is the subject of the non-certification decision. If *you* are no longer covered by *us* at the time *we* receive notice of the IRO's decision to reverse the non-certification, *we* will only provide coverage for those services or supplies *you* actually received or would have received prior to disenrollment if the service had not been non-certified when first requested.

The IRO's external review decision is binding on *us* and *you*, except to the extent *you* may have other remedies available under applicable federal or state law. *You* may not file a subsequent request for an external review involving the same non-certification decision for which *you* have already received an external review decision.
