Major Medical Expense Insurance Policy

In this *policy*, the terms "*you*", "*your*", or "*yours*" will refer to the *member* or any *dependents* enrolled in this *policy*. The terms "*we*", "*our*", or "*us*" will refer to Ambetter from PA Health & Wellness.

AGREEMENT AND CONSIDERATION

This document along with the corresponding *Schedule of Benefits* is your *policy* and it is a legal document. It is the agreement under which benefits will be provided and paid. In consideration of *your* application and the timely payment of premiums, *we* will provide benefits to *you*, the *member*, for *covered services* as outlined in this *policy*. Benefits are subject to *policy* definitions, provisions, limitations, and exclusions.

GUARANTEED RENEWABLE

Annually, *we* must file this product, the *cost share* and the rates associated with it for approval. Guaranteed renewable means that your plan will be renewed into the subsequent year's approved product on the anniversary date unless terminated earlier in accordance with *policy* terms. *You* may keep this *policy* (or the new *policy* *you* are mapped to for the following year) in force by timely payment of the required premiums. In most cases *you* will be moved to a new *policy* each year, however, *we* may decide not to renew the *policy* as of the renewal date if: (1) *we* decide not to renew all policies issued on this form, with a new *policy* at the same metal level with a similar type and level of benefits, to residents of the state where *you* then live; or (2) there is fraud or an intentional material misrepresentation made by or with the knowledge of a *member* in filing a claim for *policy* benefits.

Annually, *we* may change the rate table used for this *policy* form. Each premium will be based on the rate table in effect on that premium's due date. The *policy* plan, and age of *members*, type and level of benefits, and place of *residence* on the premium due date are some of the factors used in determining *your* premium rates. *We* have the right to change premiums.

At least 31 days' notice of any plan to take an action or make a change permitted by this clause will be delivered to *you* at *your* last address as shown in *our* records. *We* will make no change in *your* premium solely because of claims made under this *policy* or a change in a *member's* health. While this *policy* is in force, *we* will not restrict coverage already in force. If *we* discontinue offering and decide not to renew all policies issued on this form, with the same type and level of benefits, for all residents of the state where *you* reside, *we* will provide a written notice to *you* at least 90 days prior to the date that *we* discontinue coverage.

This *policy* contains *prior authorization* requirements. Benefits may be reduced or not covered if the requirements are not met. Please refer to the *Schedule of Benefits* and the *Prior Authorization* Section.

TEN DAY RIGHT TO RETURN POLICY

Please read *your policy* carefully. If *you* are not satisfied, return this *policy* to *us* or to *our* agent within 10 days after *you* receive it. All premiums paid will be refunded, less claims paid, and the *policy* will be considered null and void from the *effective date*.

Third party means a person or other entity that is or may be obligated or liable to the *member* for payment of any of the *member's* expenses for *illness* or *injury*. The term *third party* includes, but is not limited to, an individual person; a for-profit or non-profit business entity or organization; a government agency or program; and an insurance company. However, the term *third party* will not include any insurance company with a policy under which the *member* is entitled to benefits as a named insured person or an insured *dependent member* of a named insured person except in those jurisdictions where statutes or common law does not specifically prohibit *our* right to recover from these sources.

Tobacco or nicotine use or use of tobacco or nicotine means *use of tobacco or nicotine* by individuals who may legally use nicotine or tobacco under federal and state law on average four or more times per week and within no longer than the six months immediately preceding the date application for this *policy* was completed by the *member*, including all tobacco and nicotine products, e-cigarettes or vaping devices, but excluding religious and ceremonial uses of tobacco.

Unproven service(s) means services, including medications, that are determined not to be effective for treatment of the medical condition, or not to have a beneficial effect on health outcomes, due to insufficient and inadequate clinical evidence from *well-conducted randomized controlled trials* or *well-conducted cohort studies* in the prevailing published peer-reviewed medical literature.

1. "*Well-conducted randomized controlled trials*" means that two or more treatments are compared to each other, and the patient is not allowed to choose which treatment is received.
2. "*Well-conducted cohort studies*" means patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.

Urgent care center means a facility, not including a *hospital* emergency room or a *physician's* office, that provides treatment or services that are required:

1. To prevent serious deterioration of a *member's* health; and
2. As a result of an unforeseen *illness*, *injury*, or the onset of acute or severe symptoms.

Utilization review means a process used to monitor the use of, or evaluate the clinical necessity, appropriateness, efficacy, or efficiency of, health care services, procedures, or settings. Areas of review may include ambulatory review, prospective review, second opinion, certification, concurrent review, *case management*, discharge planning, or retrospective review.

Dependent Member Coverage

Dependent Member Eligibility

Your dependent members become eligible for insurance on the latter of:

1. The date *you* became covered under this *policy*;
2. The date of marriage to add a *spouse*;
3. The date of an eligible newborn's birth; or
4. The date that an adopted child is placed with *you* or *your spouse* for the purposes of adoption or *you* or *your spouse* assumes total or partial financial support of the child.

Effective Date for Initial Dependent Members

The *effective date* for *your* initial *dependent members* will be the same date as *your* initial coverage date. Only *dependent members* included in the application for this *policy* will be covered on *your effective date*.

Coverage for a Newborn Child

An *eligible child* born to *you* or a covered family member *will* be covered from the time of birth until the 31st day after its birth, unless *we* have received notice from *you*. Each type of *covered service* incurred by the newborn child will be subject to the *cost sharing* amount listed in the *Schedule of Benefits*.

Additional premium will be required to continue coverage beyond the 31st day after the date of birth. The required premium will be calculated from the child's date of birth. If notice of the newborn is given to *us* within the 31 days from birth, an additional premium for coverage of the newborn child will be charged for not less than 31 days after the birth of the child. If notice is not given within the 31 days from birth, *we* will charge an additional premium from the date of birth. If notice is given by to *us* within 60 days of the birth of the child, the *policy* may not deny coverage of the child due to failure to notify *us* of the birth of the child or to pre-enroll the child. Coverage of the child will terminate on the 31st day after its birth, unless *we* have received notice of the child's birth.

Coverage for an Adopted Child

An *eligible child* legally placed for adoption with *you* or *your spouse* will be covered from the date of *placement* until the 31st day after *placement*, unless the *placement* is disrupted prior to legal adoption and the child is removed from *your* or *your spouse's* custody.

The child will be covered for *loss* due to *injury* and *illness* including *medically necessary* care and treatment of conditions existing prior to the date of *placement*.

Additional premium will be required to continue coverage beyond the 31st day following *placement* of the child. The required premium will be calculated from the date of *placement* for adoption. Coverage of the child will terminate on the 31st day following *placement*, unless *we* have received both: (A) Notification of the addition of the child within 60 days of the birth or placement and (B) any additional premium required for the addition of the child within 90 days of the date of *placement*.

As used in this provision, "*placement*" means the earlier of:

1. The date that *you* or *your spouse* assume physical custody of the child for the purpose of adoption; or
2. The date of entry of an order granting *you* or *your spouse* custody of the child for the purpose of adoption.

Adding Other Dependent Members

If *you* apply in writing to add a *dependent member* and *you* pay the required premiums, *we* will send *you* written confirmation of the added *dependent member's effective date* of coverage and ID cards for the added *dependent*.

Prior Coverage

If a member is confined as an *inpatient* in a *hospital* on the effective date of this agreement, and prior coverage terminating immediately before the effective date of this agreement furnishes benefits for the hospitalization after the termination of prior coverage, then services and benefits will not be covered under this agreement for that member until the member is discharged from the *hospital* or benefits under the prior coverage are exhausted, whichever is earlier.

If there is no prior coverage or no continuation of *inpatient* coverage after the *effective date*, your Ambetter coverage will apply for covered benefits related to the *inpatient* coverage after *your effective date*. Ambetter coverage requires *you* notify Ambetter within 2 days of *your effective date* so we can review and *authorize medically necessary* services. If services are at a non-contracted *hospital*, claims will be paid at the Ambetter allowable and *you* may be billed for any balance of costs above the Ambetter allowable.

Military Membership or Active Duty Dependents

Pursuant to 51 Pa. C.S. §7309(d), prior to attaining the Limiting Age for an *eligible child* and while a full-time student, if the *eligible child* is:

- A member of the Pennsylvania National guard or any reserve component of the U.S. armed forces and was called or ordered to active duty, other than active duty for training for a period of 30 or more consecutive days; or,
- A member of the Pennsylvania National Guard who is ordered to active state duty, including duty under Pa. C.S. Ch. 76 (relates to Emergency Management Assistance Compact), for a period of 30 or more consecutive days.

Then the eligibility for the *eligible child* will be extended for a period equal to the duration of the *eligible child's* service on duty or active state duty or until the individual is no longer a full-time student regardless of the age of the *eligible child* when the educational program at the Accredited Educational Institution was interrupted due to military duty.

As proof of eligibility, the *Member* must submit a form to Ambetter from PA Health & wellness approved by the Department of Military & Veterans Affairs (DMVA):

- Notifying *us* that the *eligible child* has been placed on active duty;
- Notifying *us* that the *eligible child* is no longer on active duty; and,
- Showing that the *eligible child* has re-enrolled as a full-time student in an Accredited Educational Institution for the first term or semester starting 60 or more days after their release from active duty.

Ongoing Eligibility

For All Members

A *member's* eligibility for coverage under this *policy* will cease on the earlier of:

1. The date that a *member* accepts any direct or indirect contribution or reimbursement, by or on behalf of an employer, for any portion of the premium for coverage under this *policy*;
2. The primary *member* residing outside the *service area* or moving permanently outside the *service area* of this plan;
3. The date *we* receive a request from *you* to terminate this *policy*, or any later date stated in *your* request;

5. The date the *member* has performed an act or practice that constitutes fraud or made an intentional misrepresentation of a material fact; or
6. The date of a *member's* death.

If *you* have material modifications (examples include a change in life event such as marriage, death, or other change in family status) or questions related to *your* health insurance coverage, contact Member Services at 1-833-510-4727 (Relay 711).

For Dependent Members

A *dependent member* will cease to be a *member* at the end of the premium period in which he or she ceases to be *your dependent member* due to divorce or if a child ceases to be an *eligible child*. For *eligible children*, the coverage will terminate the thirty-first of December the year the dependent turns 26 years of age. All enrolled *dependent members* will continue to be covered until the age limit listed in the definition of *eligible child*.

A *member* will not cease to be a *dependent eligible child* solely because of age if the *eligible child* is:

1. Not capable of self-sustaining employment due to mental handicap or physical handicap that began before the age limit was reached; and
2. Mainly dependent on *you* for support.

Open Enrollment

Each year, there will be an open enrollment period for coverage. The open enrollment period begins November 1, 2020 and extends through December 15, 2021. If you enroll on or before December 15, 2020, your coverage will be effective on January 1, 2021.

Special and Limited Enrollment

A *qualified individual* has 60 days to report a qualifying event to *us* and could be granted a 60 day Special Enrollment Period as a result of one of the following events:

2. A *qualified individual* gains a dependent or becomes a *dependent* through marriage, birth, adoption, placement for adoption, placement in foster care, or a child support order or other court order; a. in the case of marriage, at least one *spouse* must demonstrate having minimum essential coverage as described in 26 CFR 1.5000A-1(b) for 1 or more days during the 60 days preceding the date of marriage;
3. An individual, who was not previously a citizen, national, or lawfully present individual gains such status;
4. An individual who is no longer incarcerated or whose incarceration is pending the disposition of charges;

5. A *qualified individual's* enrollment or non-enrollment in a health plan is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, or inaction of an officer, or employee, or its instrumentalities as evaluated and are determined by *us*. In such cases, *we* may take such action as may be necessary to correct or eliminate the effects of such error, misrepresentation, or inaction;
6. An enrollee adequately demonstrates to *us* that the health plan in which he or she is enrolled substantially violated a material provision of its *policy* in relation to the enrollee's decision to purchase the health plan based on plan benefits, *service area* or premium;
7. An individual is determined newly eligible or newly ineligible for advance premium tax credits or has a change in eligibility for cost sharing reductions, regardless of whether such individual is already enrolled in a health plan;

Premiums

Premium Payment

Each premium is to be paid on or before its due date. The initial premium must be paid prior to the coverage *effective date*, although an extension may be provided during the annual Open Enrollment period.

Grace Period

Premium payments are due in advance, on a calendar month basis. Monthly payments are due on or before the first day of each month for coverage effective during such month. There is a 60 day grace period. This provision means that if any required premium is not paid on or before the date it is due, it may be paid during the grace period. During the grace period, the *policy* will stay in force; however, claims may pend for *covered services* rendered to the *member* during the grace period. *We* will notify the *member*, as well as *providers* of the possibility of denied claims when the *member* is in the grace period.

Misstatement of Age

If a *member's* age has been misstated, the member's premium may be adjusted to what it should have been based on the *member's* actual age.

Change or Misstatement of Residence

If *you* change *your residence*, *you* must notify *us* of *your new residence* within 60 days of the change. As a result *your* premium may change and *you* may be eligible for a Special Enrollment Period. See the section on Special Enrollment Periods for more information.

Misstatement of Tobacco or Nicotine Use

The answer to the tobacco or nicotine question on the application is material to *our* correct underwriting. If a *member's use of tobacco or nicotine* has been misstated on the *member's* application for coverage under this *policy*, *we* have the right to re-rate the *policy* back to the original *effective date*.

Billing/Administrative Fees

Upon prior written notice, *we* may impose an administrative fee for credit card payments. This does not obligate *us* to accept credit card payments. *We* will charge a \$20 fee for any check or automatic payment deduction that is returned unpaid.

Prior Authorization

Ambetter from PA Health & Wellness reviews services to ensure the care *you* receive is the best way to help improve *your* health condition. *Utilization review* includes:

1. Pre-service or *prior authorization* review – occurs when a medical service has been pre-approved.
2. Concurrent review – occurs when a medical service is reviewed as it happens (e.g., inpatient stay or hospital admission).
3. Retrospective review – occurs after a service has already been provided.

Prior Authorization Required

Some *covered service expenses* (medical and behavioral health) require *prior authorization*. In general, *network providers* must obtain *authorization* from *us* prior to providing a service or supply to a *member*. However, there are some *network eligible service expenses* for which *you* must obtain the *prior authorization*.

For services or supplies that require *prior authorization*, as shown on the *Schedule of Benefits*, *you* must obtain *authorization* from *us* before *you* or *your dependent member*:

1. Receive a service or supply from a *non-network provider*;
2. Are admitted into a *network facility* by a *non-network provider*; or
3. Receive a service or supply from a *network provider* to which *you* or *your dependent member* were referred to by a *non-network provider*.

Prior Authorization (medical and behavioral health) requests must be received by phone/efax/provider portal as follows:

1. At least 5 days prior to an elective admission as an *inpatient* in a *hospital, extended care or rehabilitation facility*, or *hospice facility*.
2. At least 30 days prior to the initial evaluation for organ transplant services.
3. At least 30 days prior to receiving clinical trial services.
4. Within 24 hours of any *inpatient* admission, including emergent *inpatient* admissions.
5. At least 5 days prior to the start of *home health care* except those *members* needing *home health care* after *hospital discharge*.

After *prior authorization* has been requested and all required or applicable documentation has been submitted, *we* will notify *you* and *your provider* if the request has been *approved* as follows:

1. For immediate request situations, within 1 business day, when the lack of treatment may result in an *emergency room visit* or *emergency admission*.
2. For urgent concurrent reviews, within 24 hours of receipt of the request.
3. For urgent *pre-service* reviews, within 72 hours from date of receipt of request.
4. For non-urgent *pre-service* reviews, within 15 days of receipt of the request.
5. For post-service or retrospective reviews, within 30 calendar days of receipt of the request.

If *your prior authorization* request has been denied, please refer to the Grievance and Complaint Procedures section of this *policy* for information on *your right to appeal* a denied *authorization*.

How to Obtain Prior Authorization

To obtain *prior authorization* or to confirm that a *network provider* has obtained *prior authorization*, contact *us* by telephone at the telephone number listed on *your* health insurance identification card before the service or supply is provided to the *member*.

Failure to Obtain Prior Authorization

Failure to comply with the *prior authorization* requirements will result in benefits being reduced.

Network providers cannot bill *you* for services for which they fail to obtain *prior authorization* as required.

In cases of *emergency*, benefits will not be reduced for failure to comply with *prior authorization* requirements. However, *you* must contact *us* as soon as reasonably possible after the *emergency* occurs.

Prior Authorization Does Not Guarantee Benefits

Our authorization does not guarantee either payment of benefits or the amount of benefits. Eligibility for, and payment of, benefits are subject to all terms and conditions of the *policy*.

Requests for Predeterminations

You may request a predetermination of coverage. *We* will provide one if circumstances allow *us* to do so. However, *we* are not required to make a predetermination of either coverage or benefits for any particular treatment or medical expense. Any predetermination *we* may make will be reviewed after the medical expense is incurred and a claim is filed. A review that shows one or more of the following may cause *us* to reverse the predetermination:

1. The predetermination was based on incomplete or inaccurate information initially received by *us*.
2. The medical expense has already been paid by someone else.
3. Another party has already paid or is responsible for payment of the medical expense.

We will make all benefit determinations after a *loss* in good faith. All benefit determinations are subject to *our* receipt of proper *proof of loss*.

Services from Non-Network Providers

Except for *emergency* medical services, *we* do not normally cover services received from *non-network providers*. If a situation arises when a *covered service* cannot be obtained from a *network provider* located within a reasonable distance, *we* may provide a *prior authorization* for *you* to obtain the service from a *non-network provider* at no greater cost to *you* than if *you* went to a *network provider*. If *covered services* are not available from a *network provider* ***you or your primary care provider must request prior authorization from us before you may receive services from non-network providers.*** Otherwise *you* will be responsible for all charges incurred.

HOSPITAL BASED PROVIDERS

When receiving care at an Ambetter participating *hospital* it is possible that some *hospital-based providers* (for example, anesthesiologists, radiologists, pathologists) may not be under contract with Ambetter as *network providers*. If these *providers* send *you* a bill for the difference between the amount paid by Ambetter and the *provider's* billed charge known as "*balance billing*", please contact *our* Member Services department. *We* encourage *you* to inquire about the *providers* who will be treating *you* before *you* begin *your* treatment, so *you* can understand their participation status with Ambetter.

When *emergency* health care services are provided to *you* at a health care facility that is a member of the *provider network* used by Ambetter, and other *emergency* professional services are provided at or through the facility by *physicians* and other health care practitioners who are not members of that *network*, *you* will not be responsible for any cost-sharing amounts (e.g. *coinsurance*, *copayments* or *deductible amounts*) for those other *emergency* professional services that are greater than those that would have been imposed if the *physicians* and other health care practitioners furnishing the other *emergency* professional services were *network providers*. When non-*emergency* health care services are provided to *you* at a health care facility that is a member of the *provider network* used by Ambetter, and other non-*emergency* professional services are provided at or through the facility by *physicians* and other health care practitioners who are not members of that *network*, *you* may be responsible for payment for all or part of the fees for those other non-*emergency* health care services that are not paid or covered by Ambetter.

Cost Sharing Features

Cost Sharing Features

We will pay benefits for *covered services* as described in the *Schedule of Benefits* and the *covered services* sections of this *policy*. All benefits we pay will be subject to all conditions, limitations, and *cost sharing* features of this *policy*. *Cost sharing* means that you participate or share in the cost of your healthcare services by paying *deductible amounts*, *copayments* and *coinsurance* for some *covered services*. For example, you may need to pay a *copayment* or *coinsurance* amount when you visit your *physician* or are admitted into the *hospital*. The *copayment* or *coinsurance* required for each type of service as well as your *deductible* is listed in your *Schedule of Benefits*.

When you, or a covered *dependent*, receive health care services from a *provider*, there may be multiple claims for that episode of care. An episode of care means the services provided by a health care facility or *provider* to treat a condition or an *illness*. Each claim that we receive for services covered under this *policy* are adjudicated or processed as we receive them. Coverage is only provided for *eligible service expenses*. Each claim received will be processed separately according to the *cost share* as outlined in the *policy* and in your *Schedule of Benefits*.

Copayments

A *copayment* is typically a fixed amount due at the time of service. *Members* may be required to pay *copayments* to a *provider* each time services are performed that require a *copayment*. *Copayments* are due as shown in the *Schedule of Benefits*. Payment of a *copayment* does not exclude the possibility of a *provider* billing you for any non-covered services. *Copayments* do not count or apply toward the *deductible amount*, but do apply toward your *maximum out-of-pocket amount*.

Coinsurance

A *coinsurance* amount is your share of the cost of a service. *Members* may be required to pay a *coinsurance* in addition to any applicable *deductible amount(s)* due for a *covered service* or supply. *Coinsurance* amounts do not apply toward the *deductible* but do apply toward your *maximum out-of-pocket amount*. When the annual *maximum out-of-pocket* has been met, additional *covered service expenses* will be 100%.

Deductible

The *deductible amount* means the amount of *covered service expenses* that must be paid by each/all *members* before any benefits are provided or payable. The *deductible amount* does not include any *copayment amount* or *coinsurance amount*. Not all *covered service expenses* are subject to the *deductible amount*. See your *Schedule of Benefits* for more details.

Maximum Out-of-pocket

You must pay any required *copayments* or *coinsurance* amounts required until you reach the *maximum out-of-pocket* amount shown on your *Schedule of Benefits*. After the *maximum out-of-pocket* amount is met for an individual, we will pay 100% of the cost for *covered services*. The family *maximum out-of-pocket* amount is two times the individual *maximum out-of-pocket* amount. For the family *maximum out-of-pocket* amount, once a *member* has met the individual *maximum out-of-pocket* amount, the remainder of the family *maximum out-of-pocket* amount can be met with the combination of any one or more *members' eligible service expenses*.

Refer to your Schedule of Benefits for Coinsurance Percentage and other limitations.

The amount provided or payable will be subject to:

1. Any specific benefit limits stated in the *policy*; and
2. A determination of *eligible service expenses*.

The applicable *deductible amount(s)*, *cost sharing* percentage, and *copayment amounts* are shown on the *Schedule of Benefits*.

Note: The bill *you* receive for services or supplies from a *non-network provider* may be significantly higher than the *eligible service expenses* for those services or supplies. In addition to the *deductible amount*, *copayment amount*, and *cost sharing* percentage, *you* are responsible for the difference between the *eligible service expense* and the amount the *non-network provider* bills *you* for the services or supplies. Any amount *you* are obligated to pay to the *non-network provider* in excess of the *eligible service expense* will not apply to *your deductible amount* or *maximum out-of-pocket*.

Access to Care

Primary Care Provider (PCP)

In order to obtain benefits, *you* must designate a *network primary care provider* for each *member*. If *you* do not select a *network primary care provider* for each *member*, one will be assigned. *You* may select any *network primary care provider* who is accepting new patients from any of the following *provider* types:

1. Family practitioners
2. General practitioners
3. Internal medicine
4. Nurse practitioners*
5. Physician assistants
6. Obstetricians/gynecologists
7. Pediatricians (for children)

*If *you* choose a nurse practitioner as *your PCP*, *your* benefit coverage and *copayment amounts* are the same as they would be for services from other in-network *providers*. See *your Summary of Benefits* for more information.

You may obtain a list of *network primary care providers* at *our* website by using the “Find a Provider” function or by contacting *our* Member Services department. *You* should get to know *your PCP* and establish a healthy relationship with them. *Your PCP* will:

1. Provide preventive care and screenings
2. Conduct regular physical exams as needed
3. Conduct regular immunizations as needed
4. Deliver timely service
5. Work with other doctors when *you* receive care somewhere else
6. Coordinate specialty care with *our* in-network *specialists*
7. Provide any ongoing care *you* need
8. Update *your* medical record, which includes keeping track of all the care that *you* get from all of *your providers*
9. Treat all patients the same way with dignity and respect
10. Make sure *you* can contact him/her or another *provider* at all times
11. Discuss what advance directives are and file directives appropriately in *your* medical record.

Your network primary care provider will be responsible for coordinating all covered health services with other *network providers*. *You* may be required to obtain a referral from a *primary care provider* in order to receive care from a *specialist provider*. *You* do not need a referral from *your network primary care provider* for mental or behavioral services, obstetrical or gynecological treatment and may seek care directly from a *network obstetrician or gynecologist*.

Contacting Your Primary Care Provider

To make an appointment with *your PCP*, call his/her office during business hours and set up a date and time. If *you* need to cancel or change *your* appointment, call 24 hours in advance. At every appointment, make sure *you* bring *your member* ID card and a photo ID.

Should *you* need care outside of *your PCP's* office hours, *you* should call *your PCP's* office for information on receiving after hours care in *your* area. If *you* have an urgent medical problem or question or cannot reach *your PCP* during normal office hours, call our 24/7 nurse advice line at 1-833-510-4727 (Relay 711). A licensed nurse is always available and ready to answer *your* health questions. In an *emergency*, call 911 or head straight to the nearest *emergency* room.

Changing Your Primary Care Provider

You may change *your network primary care provider* for any reason, but not more frequently than once a month, by submitting a written request, online at *our* website at ambetter.pahealthwellness.com, or by

contacting *our* office at the number shown on *your* identification card. The change to *your network primary care provider* of record will be effective no later than 30 days from the date *we* receive *your* request.

Non-Emergency Services

If *you* are traveling outside of the Ambetter from PA Health & Wellness *service area* *you* may be able to access *providers* in another state if there is an Ambetter plan located in that state. *You* can locate Ambetter *providers* outside of Pennsylvania by searching the relevant state in *our* Provider Directory at ProviderSearch.AmbetterHealth.com. Not all states have Ambetter plans. If *you* receive care from an Ambetter *provider* outside of the *service area*, *you* may be required to receive *prior authorization* for non-emergency services. Contact Member Services at the phone number on *your* ID card for further information.

Emergency Services Outside of Service Area

We cover *emergency* care services when *you* are outside of *our service area*.

If *you* are temporarily out of the *service area* and have a medical or behavioral health emergency, call 911 or go the nearest *emergency* room. Be sure to call us and report your *emergency* within one business day. *You* do not need prior approval for *emergency* care services.

New Technology

Health technology is always changing. If *we* think a new medical advancement can benefit *our members*, *we* evaluate it for coverage. These advancements include:

- New technology
- New medical procedures
- New drugs
- New devices
- New application of existing technology

Sometimes, *our* medical director and/or medical management staff will identify technological advances that could benefit *our members*. The Clinical Policy Committee (CPC) reviews requests for coverage and decides whether *we* should change any of *our* benefits to include the new technology.

If the CPC does not review a request for coverage of new technology, *our* medical director will review the request and make a one-time determination. The CPC may then review the new technology request at a future meeting.

Network Availability

Your network is subject to change upon advance written notice. A *network service area* may not be available in all areas. If *you* move to an area where *we* are not offering access to a *network*, the *network* provisions of the *policy* will no longer apply. In that event, benefits will be calculated based on the *eligible service expense*, subject to the *deductible amount* for *network providers*. *You* will be notified of any increase in premium.

Coverage Under Other Policy Provisions

Charges for services and supplies that qualify as *covered service expenses* under one benefit provision will not qualify as *covered service expenses* under any other benefit provision of this *policy*.

Major Medical Expense Benefits

The plan provides coverage for healthcare services for a *member* and/or dependents. Some services require *prior authorization*. *Copayment* amounts must be paid to *your network provider* at the time *you* receive services. All *covered services* are subject to conditions, exclusions, limitations, terms and provision of this *policy*. *Covered services* must be *medically necessary* and not *experimental* or *investigational*.

Limitations may also apply to some *covered services* that fall under more than one *covered service* category. Please review all limits carefully. Ambetter from PA Health & Wellness will not pay benefits for any of the services, treatments, items or supplies that exceed benefit limits.

Ambulance Service Benefits

Formulary or Prescription Drug List

The formulary or *prescription drug* list is a guide to available generic and brand name drugs and some over-the-counter medications, when ordered by a *physician*, that are approved by the Food and Drug Administration (FDA) and covered through your *prescription drug* benefit. Generic drugs have the same active ingredients as their brand name counterparts and should be considered the first line of treatment. The FDA requires generics to be safe and work the same as brand name drugs. If there is no generic available, there may be more than one brand name drug to treat a condition. Preferred brand name drugs are listed on Tier 2 of the Drug List to help identify brand name drugs that are clinically appropriate, safe and cost effective treatment options, if a generic medication on the formulary is not suitable for your condition.

Please note, the formulary is not meant to be a complete list of the drugs covered under *your* prescription benefit. Not all dosage forms or strengths of a drug may be covered. This list is periodically reviewed and updated and may be subject to change. Drugs may be added or removed or additional requirements may be added in order to approve continued usage of a specific drug.

Specific prescription benefit plan designs may not cover certain products or categories, regardless of their appearance in the formulary. For the most current formulary or *prescription drug* list or for more information about our pharmacy program, visit ambetter.pahealthwellness.com (under “For Member”, “Pharmacy Resources”) or call Member Services at 1-833-510-4727 (Relay 711).

To exercise this right, please get in touch with *your medical practitioner*. *Your medical practitioner* can utilize the usual *prior authorization* request process. See “*Prior Authorization*” below for additional details.

Prescription Drug Exception Process

Standard exception request

A *member*, a *member's* designee or a *member's* prescribing *physician* may request a standard review of a decision that a drug is not covered by the plan or a protocol exception for step therapy. The request can be made in writing or via telephone. Within 72 hours of the request being received, *we* will provide the *member*, the *member's* designee or the *member's* prescribing *physician* with *our* coverage determination. Should the standard exception request or step therapy protocol exception request be granted, *we* will provide coverage of the non-formulary drug for the duration of the prescription, including refills, or of the drug that is the subject of the protocol exception.

Expedited exception request

A *member*, a *member's* designee or a *member's* prescribing *physician* may request an expedited review based on exigent circumstances. Exigent circumstances exist when a *member* is suffering from a health condition that may seriously jeopardize the enrollee's life, health, or ability to regain maximum function or when an enrollee is undergoing a current course of treatment using a non-formulary drug. Within 24 hours of the request being received, *we* will provide the *member*, the *member's* designee or the *member's* prescribing *physician* with *our* coverage determination. Should the standard exception or step therapy protocol exception request be granted, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the exigency.

External exception request review

If *we* deny a request for a standard exception or for an expedited exception, the *member*, the *member's* designee or the *member's* prescribing *physician* may request that the original exception request and subsequent denial of such request be reviewed by an *independent review organization*. *We* will make *our* determination on the external exception request and notify the *member*, the *member's* designee or the *member's* prescribing *physician* of *our* coverage determination no later than 72 hours following receipt of the request, if the original request was a standard exception, and no later than 24 hours following its receipt of the request, if the original request was an expedited exception.

If *we* grant an external exception review of a standard exception or step therapy protocol exception request, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the prescription. If *we* grant an external exception review of an expedited exception request, *we* will provide coverage of the non-formulary drug or the drug that is the subject of the protocol exception for the duration of the exigency.

Lock-in program

To help decrease opioid overutilization and abuse, certain *members* identified through *our* Lock-in Program, may be locked into a specific pharmacy for the duration of their participation in the lock-in program. *Members* locked into a specific pharmacy will be able to obtain their medication(s) only at specified location. Ambetter pharmacy, together with Medical Management will review *member* profiles and using specific criteria, will recommend *members* for participation in lock-in program. *Members* identified for participation in lock-in program and associated *providers* will be notified of *member* participation in the program via mail. Such communication will include information on duration of participation, pharmacy to which *member* is locked-in, and any *appeal* rights.

Covered Services and Supplies for Transplant Service Expenses:

Transplants are a covered benefit when a *member* is accepted as a transplant candidate and obtains *prior authorization* in accordance with this *policy*. *Prior authorization* must be obtained through the "Center of Excellence" before an evaluation for transplant. We may require additional information such as testing and/or treatment before determining *medical necessity* for the transplant benefit. *Authorization* must be obtained prior to performing any related services to the transplant *surgery*. Transplant services must meet medical criteria as set by Medical Management *Policy*.

Cost share benefit coverage related to transplant services is available to both the recipient and donor of a covered transplant as follows:

1. If both the donor and recipient have coverage provided by the same insurer each will have their benefits paid by their own coverage program.
2. If *you* are the recipient of the transplant, and the donor for the transplant has no coverage from any other source, the benefits under this *policy* will be provided for both *you* and the donor. In this case, payments made for the donor will be charged against enrollees benefits.
3. If *you* are the donor for the transplant and no coverage is available to *you* from any other source, the benefits under this *policy* will be provided for *you*. However, no benefits will be provided for the recipient.
4. If lapse in coverage due to non-payment of premium, no services related to transplants will be paid as a covered benefit.

If we determine that a *member* and donor are an appropriate candidate for a *medically necessary* transplant, live donation, *covered service expenses* will be provided for:

1. Pre-transplant evaluation.
2. Pre-transplant harvesting of the organ from the donor.
3. Left Ventricular Artificial Devices (LVAD) (only when used as a bridge to a heart transplant).

4. Including outpatient *covered services* related to the transplant *surgery*; pre-transplant laboratory testing and treatment; such as high dose chemotherapy, peripheral stem cell collection, and other immunosuppressant drug therapy, etc.
5. Pre-transplant stabilization, meaning an *inpatient* stay to *medically stabilize* a *member* to prepare for a later transplant, whether or not the transplant occurs.
6. The transplant itself, including the acquisition cost for the organ or bone marrow when *authorized* through the *Center of Excellence* and services are performed at a participating facility.
7. Post-transplant follow-up visits and treatments.
8. Transplant benefit expenses include services related to donor search and acceptability testing of potential live donors.
9. All costs incurred and medical expenses by the donor; shall be paid under the transplant recipient policy, this excludes travel, lodging, food, mileage. Please see transplant travel expense policy for outlined details on reimbursement limitations at ambetter.pahealthwellness.com.

These medical expenses are covered to the extent that the benefits remain and are available under the enrollee's *policy*, after benefits for the enrollee's own expenses have been paid. In the event of such coverage, the otherwise existing coverage of a live donor shall be secondary to benefits under the enrollee's *policy*.

This right of reimbursement attaches when this plan has provided health care benefits for expenses incurred due to *third party injuries* and the *member* or the *member’s* representative has recovered any amounts from any source. Ambetter from PA Health & Wellness’s right of reimbursement is cumulative with and not exclusive of Ambetter from PA Health & Wellness’s right of recovery and Ambetter from PA Health & Wellness may choose to exercise either or both rights of recovery.

As a condition for *our* payment, the *member* or anyone acting on his or her behalf (including, but not limited to, the guardian, legal representatives, estate, or heirs) agrees:

6. To sign, date, and deliver to *us* any documents *we* request that protect *our* reimbursement rights.
7. To not settle any claim or lawsuit against a *third party* without providing *us* with written notice of the intent to do so.
8. To reimburse *us* from the full compensation received from any *third party*, to the extent of benefits *we* paid for the *illness* or *injury*, whether obtained by settlement, judgment, or otherwise, and

whether or not the *third party's* payment is expressly designated as a payment for medical expenses.

We have the right to be promptly reimbursed in full after the *member* or anyone acting on his or her behalf, is fully compensated by any recovery received from any *third party* settlement, judgment, or otherwise.

We will not pay attorney fees or costs associated with the *member's* claim or lawsuit. In the event *you* or *your* representative fail to cooperate with Ambetter from PA Health & Wellness, *you* shall be responsible for all benefits paid by this plan in addition to costs and attorney's fees incurred by Ambetter from PA Health & Wellness in obtaining repayment.

Coordination of Benefits

Ambetter coordinates benefits with other payers when a *member* is covered by more than one plan, as defined below. Coordination of Benefits (COB) is the industry standard practice used to share the cost of care between two or more carriers when a *member* is covered by more than one health benefit plan.

It is a contractual provision of a majority of health benefit policies. Ambetter complies with Federal and state regulations for COB and follows COB guidelines published by National Association of Insurance Commissioners (NAIC).

Under COB, the benefits of one plan are determined to be primary and are first applied to the cost of care. After considering what has been covered by the primary plan, the secondary plan may cover the cost of care up to the fully allowed expense according to the plan's payment guidelines. Ambetter Claims COB and Recovery Unit procedures are designed to avoid payment in excess of allowable expense while also making sure claims are processed both accurately and timely.

"Allowable expense" is the necessary, reasonable, and customary item of expense for health care, when the item is covered at least in part under any of the plans involved, except where a statute requires a different definition. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered as both an allowable expense and a benefit paid. When Medicare is the Primary Plan, Medicare's allowable expense is the allowable expense when we are paying claims as the Secondary Plan.

"Plan" is a form of coverage written on an expense-incurred basis with which coordination is allowed.

The term "Plan" includes: group and non-group insurance contracts, health maintenance organization (HMO) contracts, closed panel plans or other forms of group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.

The term "Plan" does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

"Primary plan" is one whose benefits must be determined without taking the existence of any *other plan* into consideration. A plan is primary if either:

1. The plan has no order of benefits rules or its rules differ from those required by regulation; or
2. All plans which cover the person use the order of benefits rules required by regulation and under those rules the plan determines its benefits first. More than one plan may be a primary plan (for example, two plans which have no order of benefit determination rules).

"Secondary plan" is one which is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules decide the order in which their benefits are determined in relation to each other.

Order of Benefit Determination Rules

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

1. The Primary plan pays or provides its benefits as if the Secondary plan or plans did not exist. A Plan may consider benefits paid or provided by another Plan in determining its benefits only

when it is secondary to that *other plan*.

2. If the *other plan* does not contain a coordination of benefits provision that is consistent with this provision is always primary. There are two exceptions:
 - a. Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the Plan provided by the policyholder, and
 - b. Any noncontributory group or blanket insurance coverage which is in force on January 1, 1987 which provides excess major medical benefits intended to supplement any basic benefits on a *covered person* may continue to be excess to such basic benefits.
3. Each Plan determines its order of benefits using the first of the following rules that apply:
 - a. **Non-Dependent or Dependent.** The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary plan and the Plan that covers the person as a dependent is the Secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent; and primary to the Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary plan and the *other plan* is the Primary plan.
 - b. **Dependent Child Covered Under More Than One Plan.** Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:
 - i. If a child is covered under the plans of both parents and the parents are not separated or divorced:
 1. the Plan of the parent whose birthday falls earlier in the *calendar year* is the Primary plan; or
 2. If both parents have the same birthday, the plan which covered the parent longer will be primary.
 - ii. If a child is covered by both parents' plans, the parents are separated or divorced, whether or not they have ever been married:
 1. If a court decree between the parents says which parent is responsible for the child's health care expenses, then that parent's plan will be primary if that plan has actual knowledge of the decree;
 2. If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph (i) above shall determine the order of benefits;
 3. If a court decree states that both parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of subparagraph (i) above shall determine the order of benefits; or
 4. If there is no court decree between the parents that establishes financial responsibility for the child's health care expenses or coverage, the order of benefits for the child are as follows:
 - a. The plan of the custodial parent;
 - b. The plan of the *spouse* of the custodial parent;
 - c. The plan of the non-custodial parent; and then
 - d. The plan of the *spouse* of the non-custodial parent.
 - iii. For a dependent covered under more than one Plan of individuals who are the parents of the child, the provisions of subparagraph i or ii above shall determine the order of benefits as if those individuals were the parents of the child.
4. **Active Employee or Retired or Laid-off Employee.** If the person receiving services is covered under one plan as an active employee or member (i.e., not laid-off or retired), or as the *spouse*

or child of such an active employee, and is also covered under another plan as a laid-off or retired employee or as the *spouse* or child of such a laid-off or retired employee, the plan that covers such person as an active employee or *spouse* or child of an active employee will be primary. If the *other plan* does not have this rule, and as a result the plans do not agree on which will be primary, this rule will be ignored.

5. COBRA or State Continuation Coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary plan and the COBRA or state or other federal continuation coverage is the Secondary plan. If the *other plan* does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled 3(a) can determine the order of benefits
6. If none of the above rules determine which plan is primary, the plan that covered the person receiving services longer will be primary.

Effects of Coordination

When this plan is secondary, its benefits will be reduced so that the total benefits paid by the primary plan and this plan during a claim determination period will not exceed Ambetter's maximum available benefit for each *covered service*. Also, the amount Ambetter pays will not be more than the amount Ambetter would pay if Ambetter were primary. As each claim is submitted, Ambetter will determine its obligation to pay for allowable expenses based upon all claims that have been submitted up to that point in time during the claim determination period. When this plan is secondary as a result of one of *our members* being a Medicare beneficiary, see above definition for Allowable Expense, as *we* will reduce *our* benefits up to Medicare's allowable.

Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and *other plans*. *We* may get the facts *we* need from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and *other plans* covering the person claiming benefits. *We* need not tell or get the consent of, any person to do this.

Facility of Payment

A payment made under another plan may include an amount that should have been paid under this plan. If it does, Ambetter or its designated COB administrator may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under this plan. Ambetter or its designated COB administrator will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by this plan is more than *we* should have paid under this COB provision, *we* may recover the excess from one or more of the persons *we* have paid or for whom *we* have paid; or any other person or organization that may be responsible for the benefits or services provided for the *covered person*. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

Claims

Notice of Claim

We must receive notice of claim within 20 days after the occurrence or commencement of any *loss* covered by this *policy*, or as soon as reasonably possible. Notice given by or on behalf of the *member* or the beneficiary to the *member* at P.O. Box 5010, Farmington, MO 63640-5010, or to any authorized agent of the *member*, with information sufficient to identify the *member*, shall be deemed notice to *us*.

Claim Forms

We, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing *proofs of loss*. If such forms are not furnished within fifteen days after the giving of such notice, the claimant shall be deemed to have complied with the requirements of this *policy* as to *proof of loss* upon submitting, within the time fixed in the *policy* for filing *proofs of loss*, written proof covering the occurrence, the character and the extent of the *loss* for which the claim is made.

Proof of Loss

We must receive written *proof of loss* within 90 days of the *loss* or as soon as is reasonably possible. *Proof of loss* furnished more than one year late will not be accepted, unless *you* or *your* covered *dependent member* had no legal capacity to submit such proof during that year.

How to Submit a Claim

Providers will typically submit claims on *your* behalf, but sometimes *you* may need to submit claims yourself for *covered services*. This usually happens if:

1. *Your provider* is not contracted with *us*
2. *You* have an out-of-area *emergency*

If *you* have paid for services *we* agreed to cover, *you* can request reimbursement for the amount *you* paid. We can adjust your *deductible*, *copayment* or *cost sharing* to reimburse *you*.

To request reimbursement for a *covered service*, *you* need a copy of the detailed claim from *your provider*. *You* also need to submit an explanation of why *you* paid for the *covered services* along with the *member* reimbursement claim form posted at ambetter.pahealthwellness.com under "Member Resources". Send all the documentation to *us* at the following address:

Ambetter from PA Health & Wellness
Attn: Claims Department
P.O. Box 5010
Farmington, MO 63640-5010

Cooperation Provision

Each *member*, or other person acting on his or her behalf, must cooperate fully to assist *us* in determining *our* rights and obligations under the *policy* and, as often as may be reasonably necessary:

1. Sign, date, and deliver to *us* *authorizations* to obtain any medical or other information, records or documents *we* deem relevant from any person or entity.
2. Obtain and furnish to *us*, or *our* representatives, any medical or other information, records or documents *we* deem relevant.
3. Answer any questions *we* deem relevant, which *we* or *our* representatives may ask.
4. Furnish any other information, aid or assistance that *we* may require, including without limitation, assistance in communicating with any person or entity (including requesting any person or entity to promptly provide to *us*, or *our* representative, any information, records or documents requested by *us*).

If any *member*, or other person acting on his or her behalf, fails to provide any of the items or information requested or to take any action requested, the claim(s) will be closed and no further action will be taken by

us unless and until the item or information requested is received or the requested action is taken, subject to the terms and conditions of the *policy*.

In addition, failure on the part of any *member*, or other person acting on his or her behalf, to provide any of the items or information requested or to take any action requested may result in the denial of the claim at issue to the *member*.

Time for Payment of Claims

Benefits will be processed immediately for clean claims filed electronically or on paper. "Clean claims" means a claim submitted by *you* or a *provider* that has no defect, impropriety, or particular circumstance requiring special treatment preventing payment. If *we* have not received the information *we* need to process a claim, *we* will ask for the additional information necessary to complete the claim. *You* will receive a copy of that request for additional information. In those cases, *we* cannot complete the processing of the claim until the additional information requested has been received. *We* will make *our* request for additional information within 20 days of *our* initial receipt of the claim and will complete *our* processing of the claim within 30 days after *our* receipt of all requested information.

Payment of Claims

Except as set forth in this provision, all benefits are payable to *you*. Any accrued benefits unpaid at *your* death, or *your dependent member's* death may, at *our* option, be paid either to the beneficiary or to the estate. If any benefit is payable to *your* or *your dependent member's* estate, or to a beneficiary who is a minor or is otherwise not competent to give valid release, *we* may pay up to \$1,000 to any relative who, in *our* opinion, is entitled to it.

We may pay all or any part of the benefits provided by this *policy* for *hospital*, surgical, nursing, or medical services, directly to the *hospital* or other person rendering such services.

Any payment made by *us* in good faith under this provision shall fully discharge *our* obligation to the extent of the payment. *We* reserve the right to deduct any overpayment made under this *policy* from any future benefits under this *policy*.

Time Limit on Certain Defenses

After three years from the date of issue of this *policy*, no misstatements, except fraudulent misstatements, made by the applicant in the application for such *policy* shall be used to void the *policy* or to deny a claim for *loss* incurred or disability commencing after the expiration of such three year period. No claim for *loss* incurred or disability commencing after three years from the date of issue of this *policy* shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of *loss* had existed prior to the *effective date* of coverage of this *policy*.

Foreign Claims Incurred For Emergency Care

Claims incurred outside of the United States for *emergency* care and treatment of a *member* must be submitted in English or with an English translation. Foreign claims must include the applicable medical records in English to show proper *proof of loss* and evidence of payment to the *provider*.

Assignment

We will reimburse a *hospital* or health care *provider* if:

1. *Your* health insurance benefits are assigned by *you* in writing; and
2. *We* approve the assignment.

Any assignment to a *hospital* or person providing the treatment, whether with or without *our* approval, shall not confer upon such *hospital* or person, any right or privilege granted to *you* under the *policy* except for the right to receive benefits, if any, that *we* have determined to be due and payable.

Medicaid Reimbursement

The amount provided or payable under this *policy* will not be changed or limited for reason of a *member* being eligible for coverage under the Medicaid program of the state in which he or she lives.

We will pay the benefits of this *policy* to the state if:

1. A *member* is eligible for coverage under his or her state's Medicaid program; and
2. We receive proper *proof of loss* and notice that payment has been made for *covered service expenses* under that program.

Our payment to the state will be limited to the amount payable under this *policy* for the *covered service expenses* for which reimbursement is due. Payment under this provision will be made in good faith. It will satisfy *our* responsibility to the extent of that payment.

Custodial Parent

This provision applies if the parents of a covered *eligible child* are divorced or legally separated and both the custodial parent and the non-custodial parent are subject to the same court or administrative order establishing custody. The custodial parent, who is not a *member*, will have the rights stated below if we receive a copy of the order establishing custody.

Upon request by the custodial parent, we will:

1. Provide the custodial parent with information regarding the terms, conditions, benefits, exclusions, and limitations of the *policy*;
2. Accept claim forms and requests for claim payment from the custodial parent; and
3. Make claim payments directly to the custodial parent for claims submitted by the custodial parent. Payment of claims to the custodial parent, which are made under this provision, will fully discharge *our* obligations.

A custodial parent may, with *our* approval, assign claim payments to the *hospital* or *medical practitioner* providing treatment to an *eligible child*.

Physical Examination

We shall have the right and opportunity to examine a *member* while a claim is pending or while a dispute over the claim is pending. These examinations are made at *our* expense and as often as we may reasonably require.

Legal Actions

No suit may be brought by *you* on a claim sooner than 60 days after the required *proof of loss* is given. No suit may be brought more than three years after the date *proof of loss* is required.

Non-Assignment

The coverage, rights, privileges and benefits provided for under this *policy* are not assignable by *you* or anyone acting on *your* behalf. Any assignment or purported assignment of coverage, rights, privileges and benefits provided for under this *policy* that *you* may provide or execute in favor of any *hospital*, *provider*, or any other person or entity shall be null and void and shall not impose any obligation on *us*.

No Third Party Beneficiaries

This *policy* is not intended to, nor does it, create or grant any rights in favor of any *third party*, including but not limited to any *hospital*, *provider* or *medical practitioner* providing services to *you*, and this *policy* shall not be construed to create any *third party* beneficiary rights.

Grievance and Complaint Procedures

Internal Procedures

Applicability/Eligibility

The internal *grievance* and *complaints* procedures apply to any *hospital* or medical policy or certificate or conversion plans, but not to accident only or disability only insurance.

Complaint

A *complaint* is a dispute or objection by a *member* (or a *member's authorized representative*) regarding a participating health care *provider*, or the coverage (including contract exclusions and non-covered benefits), operations or management policies of Ambetter, which has not been resolved by other means. A *complaint* is not a *grievance*.

Basic elements of a *complaint* include:

1. The complainant is the claimant or an *authorized representative* of the claimant;
2. The submission may or may not be in writing;
3. The issue may refer to any dissatisfaction about:
 - a. *Us*, as the insurer; e.g., customer service *complaints* - "the person to whom I spoke on the phone was rude to me";
 - b. *Providers* with whom *we* have a direct or indirect contract;
 - i. Lack of availability and/or accessibility of *network providers* not tied to an unresolved benefit denial; and
 - ii. Quality of care/quality of service issues;
 - c. *Policy* coverage, including contract exclusion and non-covered benefits.
4. Oral or written expressions of dissatisfaction regarding quality of care/quality of service are processed as *complaints* as indicated in standard *complaint* instructions; and

Any of the issues listed as part of the definition of inquiry received from the *claimant* or the claimant's *authorized representative* where the caller has not submitted a written request but calls *us* to escalate their dissatisfaction and request a verbal/oral review of the *complaint*.

Grievance

A *grievance* is a written request by a *member* (or a *member's authorized representative* or a health care *provider* with the written consent of the *member*) to have Ambetter reconsider a decision solely concerning the medical necessity and appropriateness of a health care service about any of the following: (A) Disapproves full or partial payment for a requested health service; (B) Approves the provision of a requested health care service for a lesser scope or duration than requested; (C) Disapproves payment of the provision of a requested health care service but approves payment for the provision of an alternative health care service. A *grievance* does not include a *complaint*.

An Eligible grievant is:

1. A claimant;
2. Person *authorized* to act on behalf of the claimant. **Note:** Written *authorization* is required for a healthcare *provider* to file a *grievance* on a *member's* behalf; if received, *we* will accept any written expression of *authorization* without requiring specific form, language, or format;
3. In the event the claimant is unable to give consent: a *spouse*, family member, or the treating *provider*; or
4. In the event of an *expedited grievance*: the person for whom the insured has verbally given *authorization* to represent the claimant.

Grievances and Complaints

Claimants have the right to submit written comments, documents, records, and other information relating to the claim for benefits. Claimants have the right to review the claim file and to present evidence and testimony as part of the internal review process.

Claimants should submit all documentation to *us* at:

Ambetter from PA Health & Wellness
Attn: Appeals & Grievances Department
12515-8 Research Blvd, Suite 400
Austin, TX 78759

Grievances and *complaints* will be promptly investigated and presented to the internal *grievance* and *complaints* panel. A plan that is providing benefits for an ongoing course of treatment cannot be reduced or terminated without providing advance notice and an opportunity for advance review. The plan is required to provide continued coverage pending the outcome of a *grievance*.

The plan offers a one level internal *grievance* process and a two level internal *complaint* process.

1. A request for a *grievance* must be submitted within 180 days following receipt of an *adverse benefit determination*.
2. A request for a first level review of a *complaint* can be submitted at any time.
3. A request for a second level review of a *complaint* decision must be submitted orally or in writing by a *member* or a *member's authorized representative* within 180 days' notice of the first level *complaint* decision. A *complaint* may also be submitted in writing by *member's provider* acting on the *member's* behalf with proper *authorization* of representation.

Resolution Timeframes

1. All first level *complaint* reviews will be resolved within 30 calendar days of receipt.
2. All second level *complaint* reviews will be resolved within 45 days of the receipt of the *member's* request for a second level review.
3. *Grievances* solely concerning medical necessity will be resolved and *we* will notify the *claimant* in writing with the *grievance* decision within the following timeframes:
 - a. *Post-service claim*: within 30 calendar days after receipt of the *claimant's* request for internal *grievance*; or
 - b. *Pre-service claim*: within 30 calendar days after receipt of the *claimant's* request for internal *grievance*.

A claimant shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits. All comments, documents, records and other information submitted by the claimant relating to the claim for benefits, regardless of whether such information was submitted or considered in the initial *adverse benefit determination*, will be considered in the internal *grievance*.

1. The claimant will receive from the plan, as soon as possible, any new or additional evidence considered by the reviewer. The plan will give the claimant 10 calendar days to respond to the new information before making a determination, unless the state turnaround time for response is due in less than 10 days. If the state turnaround time is less than 10 days, the claimant will have the option of delaying the determination for a reasonable period of time to respond to the new information; or
2. The claimant will receive from the plan, as soon as possible, any new or additional medical rationale considered by the reviewer. The plan will give the claimant 10 calendar days to respond to the new medical rationale before making a determination, unless the state turnaround time for response is due in less than 10 days. If the state turnaround time is less than 10 days, the claimant will have the option of delaying the determination for a reasonable period of time to respond to the new medical rationale.

Refer to a later section for information regarding internal *expedited grievances*.

Acknowledgement

Within five business days of receipt of a *grievance* or *complaint*, a written acknowledgment to the claimant or the claimant's *authorized representative* confirming receipt of the *grievance* or *complaint* must be delivered or deposited in the mail.

When acknowledging a *grievance* or *complaint* filed by an *authorized representative*, the acknowledgement shall include a clear and prominent notice that health care information or medical records may be disclosed only if permitted by law.

1. The acknowledgement shall state that unless otherwise permitted under applicable law, informed consent is required and the acknowledgement shall include an informed consent form for that purpose;
2. If such disclosure is prohibited by law, health care information or medical records may be withheld from an *authorized representative*, including information contained in its resolution of the *grievance* or *complaint*; and
3. A *grievance* or *complaint* submitted by an *authorized representative* will be processed regardless of whether health care information or medical records may be disclosed to the *authorized representative* under applicable law.
4. A written acknowledgement of the request for a Second Level Complaint Review shall be provided to the *member* including the name, address, and telephone number of the person coordinating the review, explanation of the process and instructions on submitting written material, including the address to which the material may be submitted. The acknowledgement shall also notify the *member* and/or *member's* representative of their right to appear before the review committee and provide a seven (7) day advance notice of the date and time scheduled for that review.

Right to Appear

The claimant who filed the *grievance* or *complaint*, or the claimant's *authorized representative*, does not have the right to appear in person before the first level internal review panel.

The claimant who filed the *complaint*, or the claimant's *authorized representative*, has the right to appear in person before the review panel to present written or oral information during the internal 2nd level review. The grievant may submit written questions to the person or persons responsible for making the determination that resulted in the *complaint*.

1. Written notification must be sent to the claimant indicating the time and place of the review panel meeting at least fifteen (15) calendar days before the meeting; and
2. Reasonable accommodations must be provided to allow the claimant, or the claimant's *authorized representative*, to participate in the review panel.

Review Panel

The review panel will not include the person who made the initial determination and is not the subordinate of the original reviewer. The panel may, however, consult with the initial decision-maker. If the panel consists of at least three persons, the panel may then include no more than one subordinate of the person who made the initial determination.

The review panel will include:

1. At least one individual *authorized* to take corrective action on the *grievance* or *complaint*; and
2. At least one insured other than the grievant, if an insured is available to serve on the review panel. The insured member of the panel shall not be an employee of the plan, to the extent possible; and
3. At least 1/3 of the second level review committee may not be employees of the plan or of a related subsidiary or affiliate.

When the *adverse benefit determination* is based in whole or in part on a medical judgment, the *grievance* panel will consult with a licensed health care *provider* with expertise in the field relating to the *grievance* and who was not consulted in connection with the original *adverse benefit determination*.

Expedited Grievance

An *expedited grievance* may be submitted orally or in writing. All necessary information, including *our* determination on review, will be transmitted between the claimant and *us* by telephone, facsimile, or other available similarly expeditious method.

An *expedited grievance* shall be resolved as expeditiously as the *claimant's* health condition requires but not more than 48 hours after receipt of the *grievance*.

Due to the 48 hour resolution timeframe, the standard requirements for notification, and acknowledgement do not apply to *expedited grievances*.

Upon written request, *we* will mail or electronically mail a copy of the claimant's complete *policy* to the claimant or the claimant's *authorized representative* as expeditiously as the *grievance* is handled.

Written Grievance and Complaint Response

Grievance and *complaint* response letters shall describe, in detail, the *grievance* and *complaint* procedure and the notification shall include the specific reason for the denial, determination, or initiation of disenrollment.

The panel's written decision to the grievant must include:

1. The disposition of and the specific reason or reasons for the decision;
2. Any corrective action taken on the *grievance* or *complaint*;
3. The signature of one voting member of the panel; and
4. A written description of position titles of panel members involved in making the decision.
5. If upheld or partially upheld, it is also necessary to include:
 - a. A clear explanation of the decision;
 - b. Reference to the specific plan provision on which the determination is based;
 - c. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits;
 - d. If an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of the rule, guideline, protocol, or other similar criterion will be provided free of charge to the claimant upon request;
 - e. If the *adverse benefit determination* is based on a medical necessity or *experimental* treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request;
 - f. Identification of medical experts whose advice was obtained on behalf of the health plan, without regard to whether the advice was relied upon in making the *adverse benefit determination*;
 - g. The date of service;
 - h. The health care *provider's* name;
 - i. The claim amount;
 - j. The diagnosis and procedure codes with their corresponding meanings, or an explanation that the diagnosis and/or procedure codes are available upon request;
 - k. The health plan's denial code with corresponding meaning;

- l. A description of any standard used, if any, in denying the claim;
- m. A description of the *external review* procedures, if applicable;
- n. The right to bring a civil action under state or federal law;
- o. A copy of the form that authorizes the health plan to disclose protected health information, if applicable;
- p. That assistance is available by contacting the specific state's consumer assistance department, if applicable; and
- q. A culturally linguistic statement based upon the claimant's county or state of *residence* that provides for oral translation of the *adverse benefit determination*, if applicable.

Complaints received from the State Insurance Department

The commissioner may require *us* to treat and process any *complaint* received by the State Insurance Department by, or on behalf of, a claimant as a *grievance* as appropriate. *We* will process the State Insurance Department *complaint* as a *grievance* when the commissioner provides *us* with a written description of the *complaint*.

External Review

An *external review* decision is binding on *us*. An *external review* decision is binding on the claimant except to the extent the claimant has other remedies available under applicable federal or state law.

We will pay for the costs of the *external review* performed by the Independent Review Organization (IRO).

Applicability/Eligibility

The *grievance* procedures apply to:

- 1. Any *hospital* or medical *policy* or certificate; excluding accident only or disability income only insurance; or
- 2. Conversion plans.

After exhausting the internal review process, the claimant has four months to make a written request to the Grievance Administrator for *external review* after the date of receipt of *our* internal response.

- 1. The internal grievance process must be exhausted before the claimant may request an *external review* unless the claimant files a request for an expedited *external review* at the same time as an internal *expedited grievance* or *we* either provide a waiver of this requirement or fail to follow the *grievance* process;
- 2. A health plan must allow a claimant to make a request for an expedited *external review* with the plan at the time the claimant receives:
 - a. An *adverse benefit determination* if the determination involves a medical condition of the claimant for which the timeframe for completion of an internal *expedited grievance* would seriously jeopardize the life or health of the claimant or would jeopardize the claimant's ability to regain maximum function and the claimant has filed a request for an internal *expedited grievance*; and
 - b. A final internal *adverse benefit determination*, if the claimant has a medical condition where the timeframe for completion of a standard *external review* would seriously jeopardize the life or health of the claimant or would jeopardize the claimant's ability to regain maximum function, or if the final internal *adverse benefit determination* concerns an admission, availability of care, continued stay, or health care item or service for which the claimant received *emergency* services, but has not been discharged from a facility; and
- 3. Claimants may request an expedited *external review* at the same time the internal *expedited grievance* is requested and an *Independent Review Organization (IRO)* will determine if the internal *expedited grievance* needs to be completed before proceeding with the expedited *external review*.

External review is available for *grievances* that involve:

- 1. Medical judgment, including but not limited to those based upon requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness of a covered benefit; or

the determination that a treatment is *experimental* or *investigational*, as determined by an *external reviewer*; or

2. *Rescissions* of coverage.

External Review Process

1. We have five business days (immediately for expedited) following receipt of the request to conduct a preliminary review of the request to determine whether:
 - a. The individual was a *covered person* at the time the item or service was requested;
 - b. The service is a *covered service* under the claimant's health plan but for the plan's *adverse benefit determination* with regard to *medical necessity experimental/investigational*, medical judgment, or *rescission*;
 - c. The claimant has exhausted the internal process; and
 - d. The claimant has provided all of the information required to process an *external review*.
2. Within one business day (immediately for expedited) after completion of the preliminary review, we will notify the claimant in writing as to whether the request is complete but not eligible for *external review* and the reasons for its ineligibility or, if the request is not complete, the additional information needed to make the request complete;
3. We must allow a claimant to perfect the request for *external review* within the four-month filing period or within the 48-hour period following the receipt of notification;
4. We will assign an IRO on a rotating basis from *our* list of contracted IROs;
5. Within five business days after the date of assignment of the IRO, we must provide the documents and any information considered in making the *adverse benefit determination* to the IRO.
Note: For expedited, after assignment of the IRO, we must provide the documents and any information considered in making the *adverse benefit determination* to the IRO electronically or by telephone or facsimile or any other available expeditious method;

4. Waive any of *our* rights or requirements.

Non-Waiver

If *we* or *you* fail to enforce or to insist on strict compliance with any of the terms, conditions, limitations or exclusions of the *policy* that will not be considered a waiver of any rights under the *policy*. A past failure to strictly enforce the *policy* will not be a waiver of any rights in the future, even in the same situation or set of facts.
