Ambetter Individual Health Benefit Plan
Issued and underwritten by Buckeye Health Plan
Home Office: 4349 Easton Way, Suite 300, Columbus, OH, 43219

Individual Member Contract

In this *contract*, the terms “*you*,” “*your*,” or “*yours*” will refer to the *member* or any *dependents* enrolled in this *contract*. The terms “Ambetter,” “*we*,” “*our*,” or “*us*” will refer to Ambetter from Buckeye Health Plan.

AGREEMENT AND CONSIDERATION

This document along with the corresponding *Schedule of Benefits* is *your contract* and it is a legal document. It is the agreement under which benefits will be provided and paid. In consideration of *your* application and the timely payment of premiums, *we* will provide benefits to *you*, the *member*, for covered *loss* due to *illness* or *bodily injury* as outlined in this *contract*. Benefits are subject to *contract* definitions, provisions, limitations, and exclusions.

GUARANTEED RENEWABLE

Annually, *we* must file this product, the cost share and the rates associated with it for *approval*. Guaranteed renewable means that *your* plan will be renewed into the subsequent year’s approved product on the anniversary date unless terminated earlier in accordance with *contract* terms. *You* may keep this *contract* (or the new *contract* *you* are moved to for the following year) in force by timely payment of the required premiums. In most cases *you* will be moved to a new *contract* each year, however, *we* may decide not to renew the *contract* as of the renewal date if: (1) *we* decide not to renew all contracts issued on this form, with a new *contract* at the same metal level with a similar type and level of benefits, to residents of the state where *you* then live; or (2) *we* withdraw from the *service area* or reach demonstrated capacity in a *service area* in whole or in part; or (3) there is fraud or a material misrepresentation made by or with the knowledge of a *member* in filing a claim for *contract* benefits.

From time to time, *we* will change the rate table used for this *contract* form. Each premium will be based on the rate table in effect on that premium's due date. The policy plan, and age of *members*, type and level of benefits, and place of *residence* on the premium due date are some of the factors used in determining *your* premium rates. *We* have the right to change premiums after filing and *approval* by the state.

At least 31 day notice of any plan to take an action or make a change permitted by this clause will be delivered to *you* at *your* last address as shown in *our* records. *We* will make no change in *your* premium solely because of claims made under this *contract* or a change in a *member's* health. While this *contract* is in force, *we* will not restrict coverage already in force.

Referrals are not required for *you* to access a *specialist provider* or *other practitioner* (not *your PCP*) care within the *network*. Referrals for out-of-*network* services must always be reviewed by the health plan for medical necessity determination and *in-network provider* availability for benefits to be payable under *your contract* or benefits payable under this *contract* will be denied. Out of *Network* services are not covered unless *prior authorization* is received

This *contract* is not a Medicare supplement *contract*. If *you* are eligible for Medicare, review the “Guide to Health Insurance for People with Medicare” available from the company.

COORDINATION OF BENEFITS

NOTICE: IF *YOU* OR *YOUR* FAMILY MEMBERS ARE COVERED BY MORE THAN ONE HEALTHCARE PLAN, *YOU* MAY NOT BE ABLE TO COLLECT BENEFITS FROM BOTH PLANS. EACH PLAN MAY REQUIRE *YOU* TO FOLLOW ITS RULES OR USE SPECIFIC DOCTORS AND *HOSPITALS*, AND IT MAY BE IMPOSSIBLE TO

COMPLY WITH BOTH PLANS AT THE SAME TIME. READ ALL OF THE RULES VERY CAREFULLY AND COMPARE THEM WITH THE RULES OF ANY *OTHER PLAN* THAT COVERS *YOU* OR *YOUR* FAMILY.

TEN DAY RIGHT TO RETURN CONTRACT

Please read *your contract* carefully. If *you* are not satisfied, return this *contract* to *us* or to *our* agent within 10 days after *you* receive it. All premiums paid will be refunded, less claims paid, and the *contract* will be considered null and void from the *effective date*.

Coverage Effective Dates for Special Enrollment Periods

Regular effective dates. Except as specified below, coverage will be effective on the first of the month following plan selection.

Special effective dates. In the case of birth, adoption, placement for adoption, or placement in foster care, coverage is effective for a qualified individual or enrollee on the date of birth, adoption, placement for adoption, or placement in foster care. In the case of marriage, or in the case where a qualified individual loses *minimum essential coverage*, coverage is effective on the first day of the following month.

In the case of erroneous enrollment, contract violation, or exceptional circumstances, coverage is effective on an appropriate date based on the circumstances of the special enrollment period, in accordance with guidelines issued by the Department of Health and Human Services. Such date must be either (i) the date of the event that triggered the special enrollment period or (ii) in accordance with the regular effective dates.

If a *qualified individual*, enrollee, or dependent loses coverage, gains access to a new *QHP*, becomes newly eligible for enrollment in a *QHP*, becomes newly eligible for advance payments of the premium tax credit in conjunction with a permanent move, or is enrolled in COBRA continuation coverage and employer contributions to or government subsidies completely cease, and if the plan selection is made on or before the day of the triggering event the Health Insurance Marketplace must ensure that the coverage effective date is the first day of the month following the date of the triggering event. If the plan selection is made after the date of the triggering event, coverage is effective on the first day of the following month.

If a *qualified individual*, enrollee, or *dependent* newly gains access to an ICHRA or is newly provided a QSEHRA, and if the plan selection is made before the day of the triggering event, coverage is effective on the first day of the month following the date of the triggering event or, if the triggering event is on the first day of a month, on the date of the triggering event. If the plan selection is made on or after the day of the triggering event, coverage is effective on the first day of the month following plan selection.

If a *qualified individual*, enrollee, or *dependent* did not receive timely notice of an event that triggers eligibility for a special enrollment period, and otherwise was reasonably unaware that a qualifying event occurred, the Health Insurance Marketplace must allow the *qualified individual*, enrollee, or dependent to select a new plan within sixty days of the date that he or she knew, or reasonably should have known, of the occurrence of the triggering event. And at the option of a *qualified individual*, enrollee or dependent,

the Health Insurance Marketplace must provide the earliest effective that would have been available, based on the applicable qualifying event.

Loss of Minimum Essential Coverage

Loss of Minimum Essential Coverage does not include a *loss* due to the failure of the employee or *dependent* to pay premiums on a timely basis or termination of coverage for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the plan). *Loss of eligibility for coverage* includes, but is not limited to:

1. *Loss of eligibility for coverage as a result of legal separation, divorce, cessation of dependent status (such as attaining the maximum age to be eligible as a dependent child under the plan), death of an employee, termination of employment, reduction in the number of hours of employment, and any loss of eligibility for coverage after a period that is measured by reference to any of the foregoing;*
2. *In the case of coverage offered through an HMO, or other arrangement, in the individual market that does not provide benefits to individuals who no longer reside, live, or work in a service area, loss of coverage because an individual no longer resides, lives, or works in the service area (whether or not within the choice of the individual), however this will not apply to a dependent living outside the service area if a court order requires the member to cover the dependent;*
3. *In the case of coverage offered through an HMO, or other arrangement, in the group market that does not provide benefits to individuals who no longer reside, live, or work in a service area, loss of coverage because an individual no longer resides, lives, or works in the service area (whether or not within the choice of the individual), and no other benefit package is available to the individual;*
4. *A situation in which a plan no longer offers any benefits to the class of similarly situated individuals (as described in 26 CFR § 54.9802-1(d)) that includes the individual;*
5. *In the case of an employee or dependent who has coverage that is not COBRA continuation coverage, the conditions are satisfied at the time employer contributions towards the employee's or dependent's coverage terminate. Employer contributions include contributions by any current or former employer that was contributing to coverage for the employee or dependent; and*
6. *In the case of an employee or dependent who has coverage that is COBRA continuation coverage, the conditions are satisfied at the time the COBRA continuation coverage is exhausted. An individual who satisfies the conditions for special enrollment, does not enroll, and instead elects and exhausts COBRA continuation coverage satisfies the conditions.*

Premiums

Premium Payment

Each premium is to be paid to *us* on or before its due date. The initial premium must be paid prior to the coverage *effective date*, although an extension may be provided during the annual Open Enrollment period.

Grace Period

When a *member* is receiving a premium subsidy:

After the first premium is paid, a grace period of 90 days from the premium due date is given for the payment of premium. Coverage will remain in force during the grace period. If full payment of premium is not received within the grace period, coverage will be terminated as of the last day of the first month during the grace period, if *advanced premium tax credits* are received.

We will continue to pay all appropriate claims for *covered services* rendered to the *member* during the first month of the grace period, and may pend claims for *covered services* rendered to the *member* in the second and third month of the grace period. *We* will notify HHS of the non-payment of premiums, the *member*, as well as *providers*, of the possibility of denied claims when the *member* is in the second and third month of the grace period. *We* will continue to collect *advanced premium tax credits* on behalf of the *member* from the Department of the Treasury, and will return the *advanced premium tax credits* on behalf of the *member* for the second and third month of the grace period if the *member* exhausts their grace period as described above.

When a *member* is not receiving a premium subsidy:

Premium payments are due in advance, on a calendar month basis. Monthly payments are due on or before the first day of each month for coverage effective during such month. There is a 60 day grace period. This provision means that if any required premium is not paid on or before the date it is due, it may be paid during the grace period. During the grace period, the *contract* will stay in force; however, claims may pend for *covered services* rendered to the *member* and *dependents* during the grace period. *We* will notify HHS, as necessary, of the non-payment of premiums, the *member*, as well as *providers*, of the possibility of denied claims when the *member* is in the grace period.

Third Party Payment of Premiums or Cost Sharing

Ambetter from Buckeye Health Plan requires each policyholder to pay his or her premiums and this is communicated on *your* monthly billing statements. Ambetter payment policies were developed based on guidance from the Centers for Medicare and Medicaid Services (CMS) recommendations against accepting *third party* premiums. Consistent with CMS guidance, the following are the only acceptable third parties who may pay Ambetter premiums on *your* behalf:

1. Ryan White HIV/AIDS program under Title XXVI of the Public Health Service Act;
2. Indian tribes, tribal organizations, or urban Indian organizations;
3. State and Federal government programs;
4. Family members;
5. An employer for an employee under an ICHRA or QSEHRA plan; or
6. Private, not-for-profit foundations which have no incentive for financial gain, no financial relationship, or affiliation with *providers* of *covered services* and supplies on behalf of *members*, where eligibility is determined based on defined criteria without regard to health status and where payments are made in advance for a coverage period from the *effective date* of eligibility through the remainder of the calendar year.

Upon discovery that premiums were paid by a person or entity other than those listed above, *we* will reject the payment and inform the *member* that the payment was not accepted and that the subscription charges remain due.

Similarly, if we determine payment was made for *Deductibles* or *Cost Sharing* by a *third party*, such as a drug manufacturer paying for all or part of a medication, that shall be considered a *third party* premium payment that may not be counted towards *your deductible* or *Maximum Out-of-Pocket* costs.

Misstatement of Age

If a *member's* age has been misstated, the *member's* premium may be adjusted to what it should have been based on the *member's* actual age.

Change or Misstatement of Residence

If you change your *residence*, you must notify us of your new *residence* or log into your Ambetter *member* portal to process your change via Ambetter's *Enhanced Direct Enrollment* tool, within sixty (60) days of the change. Your premium will be based on your new *residence* beginning on the first premium due date/first day of the next calendar month after the change. If your *residence* is misstated on your application, or you fail to notify us of a change of *residence*, we will apply the correct premium amount beginning on the first premium due date/first day of the first full calendar month you resided at that place of *residence*. If the change results in a lower premium, we will refund any excess premium. If the change results in a higher premium, you will owe us the additional premium.

Misstatement of Tobacco or Nicotine Use

The answer to the *tobacco* or *nicotine* question on the application is material to our correct underwriting. If a *member's* use of *tobacco* or *nicotine* has been misstated on the *member's* application for coverage under this contract, we have the right to re-rate the contract back to the original *effective date*.

Billing/Administrative Fees

Upon prior written notice, we may impose an administrative fee for credit card payments. This does not obligate us to accept credit card payments. We may charge a \$20 fee for any check or automatic payment deduction that is returned unpaid.

Cost Sharing Features

Cost Sharing Features

We will pay benefits for *covered services* as described in the *Schedule of Benefits* and the Medical Service and Supply Benefits section of this *contract*. All benefits we pay will be subject to all conditions, limitations, and *cost sharing* features of this *contract*. *Cost sharing* means that you participate or share in the cost of your healthcare services by paying *deductible amounts*, *copayments*, and *coinsurance* for some *covered services*. For example, you may need to pay a *deductible*, *copayment* or *coinsurance amount* when you visit your *physician* or are admitted into the *hospital*. The *copayment* or *coinsurance* required for each type of service, as well as your *deductible*, is listed in your *Schedule of Benefits*.

When you, or a covered *dependent*, receive health care services from a *provider*, there may be multiple claims for that episode of care. An episode of care means the services provided by a healthcare facility or *provider* to treat a condition or an *illness*. Each claim that we receive for services covered under this *contract* are adjudicated or processed as we receive them. Coverage is only provided for *eligible service expenses*. Each claim received will be processed separately according to the cost share as outlined in the *contract* and in your *Schedule of Benefits*.

Copayments

A *copayment* is typically a fixed amount due at the time of service. *Members* may be required to pay *copayments* to a *provider* each time services are performed that require a *copayment*. *Copayments* are due as shown in the *Schedule of Benefits*. Payment of a *Copayment* does not exclude the possibility of a *provider* billing you for any non-covered services. Copayments do not count or apply toward the *deductible amount*, but do apply toward your *Maximum Out-of-Pocket Amount*.

Coinsurance

A coinsurance amount is the percentage of the cost of a service. *Members* may be required to pay a Coinsurance in addition to any applicable *Deductible Amount(s)* due for a Covered Service or supply. Coinsurance amounts do not apply toward the *Deductible*, but do apply toward your *Maximum Out-of-Pocket Amount*.

Deductible

The *deductible amount* means the amount of covered service expenses that must be paid by each/all members before any benefits are provided or payable. The *deductible amount* does not include any copayment amount or coinsurance amount. Not all covered service expenses are subject to the *deductible amount*. See your *Schedule of Benefits* for more details.

Maximum Out-of-Pocket

You must pay any required copayments or coinsurance amounts required until you reach the *maximum out-of-pocket amount* shown on your *schedule of benefits*. After the *maximum out-of-pocket amount* is met for an individual, we will pay 100% of the cost for covered services. The family *maximum out-of-pocket amount* is two times the individual *maximum out-of-pocket amount*. For the family *maximum out-of-pocket amount*, once a member has met the individual *maximum out-of-pocket amount*, the remainder of the family *maximum out-of-pocket amount* can be met with the combination of any one or more members' eligible service expenses.

Refer to your Schedule of Benefits for Coinsurance Percentage and other limitations.

The amount provided or payable will be subject to:

1. Any specific benefit limits stated in the contract; and
2. A determination of eligible service expenses.

The applicable *deductible amount(s)*, cost sharing percentage, and copayment amounts are shown on the *Schedule of Benefits*.

Note: The bill you receive for services or supplies from a *non-network provider* may be significantly higher than the eligible service expenses for those services or supplies. In addition to the *deductible amount*, copayment

amount, and cost *sharing* percentage, *you* may be responsible for the difference between the *eligible service expense* and the amount the *non-network provider* bills *you* for the services or supplies (unless receiving emergency care or if use of a *non-network provider* was *authorized* by *us*). Any amount *you* are obligated to pay to the *non-network provider* in excess of the *eligible service expense* will not apply to *your deductible amount* or *maximum out-of-pocket*.

Access to Care

Primary Care Provider

In order to obtain benefits, *you* must designate a *network primary care provider* for each *member*. If *you* do not select a *network primary care provider* for each *member*, one will be assigned. *You* may select any *network primary care provider* who is accepting new patients. From any of the following *provider* types:

- Family practitioners
- General practitioners
- Internal medicine
- Nurse practitioners*
- Physician assistants
- Obstetricians/gynecologists
- Pediatricians (for children)

*If *you* choose a nurse practitioner as *your PCP*, *your* benefit coverage and *copayment amounts* are the same as they would be for services from other *in-network providers*. See *your* Summary of Benefits for more information.

However, *you* may not change *your* selection more frequently than once a month. If *you* do not select a *network primary care provider* for each *member*, one will be assigned. *You* may obtain a list of *network primary care providers* at *our* website and using the "Find a Provider" function or by calling the telephone number shown on the front page of this *contract*.

You should get to know *your PCP* and establish a healthy relationship with them. *Your PCP* will:

- Provide preventive care and screenings
- Conduct regular physical exams as needed
- Conduct regular immunizations as needed
- Deliver timely service
- Work with other doctors when *you* receive care somewhere else
- Coordinate specialty care with Ambetter *in-network* specialists
- Provide any ongoing care *you* need
- Update *your* medical record, which includes keeping track of all the care that *you* get from all of *your providers*
- Treat all patients the same way with dignity and respect
- Make sure *you* can contact him/her or another *provider* at all times
- Discuss what advance directive are and file directives appropriately in *your* medical record.

Your network primary care provider will be responsible for coordinating all covered health services with other *network providers*. *You* may be required to obtain a referral from a *primary care provider* in order to receive care from a *specialist provider*. *You* do not need a referral from *your network primary care provider* for mental or behavioral health services, obstetrical or gynecological treatment and may seek care directly from a *network obstetrician* or *gynecologist*.

Contacting Your Primary Care Physician

To make an appointment with *your PCP*, call his/her office during business hours and set up a date and time. If *you* need to cancel or change *your* appointment, call 24 hours in advance. At every appointment, make sure *you* bring *your member* ID card and a photo ID.

Should *you* need care outside of *your PCP's* office hours, *you* should call *your PCP's* office for information on receiving after hours care in *your* area. If *you* have an urgent medical problem or question or cannot reach *your PCP* during normal office hours, call *our* 24/7 Nurse Advice line at 1-877-687-1189 (TTY/TDD 1-877-941-9236). A licensed nurse is always available and ready to answer *your* health questions. In an emergency, call 911 or head straight to the nearest emergency room.

Changing Your Primary Care Physician (PCP)

You may change *your network primary care provider* for any reason, but not more frequently than once a month, by submitting a written request, online at *our* website at Ambetter.BuckeyeHealthPlan.com, or by contacting *our* office at the number shown on *your* identification card. The change to *your network primary care provider* of record will be effective no later than 30 days from the date *we* receive *your* request.

Requests for Predeterminations of Benefits

You may request a *predetermination* of coverage. Any *predetermination* *we* may make will be reviewed after the medical expense is incurred and a claim is filed. A review that shows one or more of the following may cause *us* to reverse the *predetermination*:

1. The *predetermination* was based on incomplete or inaccurate information initially received by *us*.
2. The medical expense has already been paid by someone else.

We will make a determination within two business days after obtaining all necessary information regarding a proposed service. *We* will notify the *provider* by phone or facsimile within three business days of *our* decision. If *we* denied the *predetermination*, *we* will provide written or electronic confirmation within one business day of the telephone notification to *you* and the *provider*. If *you* disagree with *our* decision, *you* may *appeal* pursuant to the Appeals and Grievance Procedures section.

We will make all benefit determinations after a *loss* in good faith. All benefit determinations are subject to *our* receipt of proper *proof of loss*.

If *we* *authorize* a proposed admission, treatment, or *covered service expense* by a *network provider* based upon the complete and accurate submission of all necessary information relative to an eligible *member*, *we* shall not retroactively deny this *authorization* if the *network provider* renders the *covered service expense* in good faith and pursuant to the *authorization* and all of the terms and conditions of the *network provider's contract* with *us*.

Service Area

Ambetter from Buckeye Health Plan operates in a limited *service area*. If the subscriber moves from one county to another within the *service area*, the monthly premiums may be increased or changed. If the subscriber moves from one county in the *service area* to another that is not in the *service area*, *you* will no longer be eligible for coverage under this *contract*, and will be eligible for special enrollment into another *qualified health plan*.

Coverage Under Other Policy Provisions

Charges for services and supplies that qualify as *covered service expenses* under one benefit provision will not qualify as *covered service expenses* under any other benefit provision of this *contract*.

Emergency Services

If *you* are experiencing an emergency, call 9-1-1 or go to the nearest *hospital*. *Emergency services* do not require *prior authorization*. If those services provided are utilized at a *non-network hospital*, and a *member* presents with an *emergency medical condition* under one of the following circumstances, emergency care will be covered under 2(a) of the *eligible service expense* definition:

- a) Due to circumstances beyond the *member's* control, the *member* was unable to utilize a *network hospital's* emergency department without serious threat to life or health;
- b) A prudent layperson with an average knowledge of health and medicine would have reasonably believed that, under the circumstances, the time required to travel to a *network hospital's* emergency department could result in one or more of the adverse health consequence;
- c) A person *authorized by us* refers the *member* to an emergency department and does not specify a *network hospital's* emergency department;
- d) An *ambulance* takes the *member* to a *non-network hospital* other than at the direction of the *member*;
- e) The *member* is unconscious;
- f) A natural disaster precluded the use of a *network hospital's* emergency department; or
- g) The status of a *hospital* changed from *network* to *non-network hospital* with respect to *emergency*

services during a contract year and no good faith effort was made by us to inform members of this change.

Should the *emergency service* visit at a *non-network hospital* fall outside the above circumstances, the *eligible service expense* would be covered under (2) (b) of the *eligible service expense* definition. You may be subject to balance billing from the *non-network provider*.

The applicable *deductible amount(s)*, *cost sharing* percentage, and *copayment amounts* are shown on your *Schedule of Benefits*.

Non-Emergency Services

If you are traveling outside of the Ohio *service area* you may be able to access *providers* in another state if there is an Ambetter plan located in that state. You can locate Ambetter *providers* outside of Ohio by searching the relevant state in our *provider* directory at <https://guide.ambetterhealth.com>. Not all states have Ambetter plans. If you receive care from an Ambetter *provider* outside of the *service area*, you may be required to receive *prior authorization* for non-emergency services. Contact Member Services at the phone number on your ID card for further information.

Non-Network Providers at Hospitals or Ambulatory Surgical Facilities

A *non-network provider* cannot *balance bill* you for services provided at a *network hospital*, or for surgical or ancillary services provided at a network ambulatory surgical facility unless your *provider* has furnished a required notice under the No Surprises Act and you have given consent. If you are treated by a *non-network provider* at a *network hospital* or ambulatory surgical facility, your *cost sharing* responsibility for the non-network services will be no greater than if the *provider* had been in our network.

You may not be *balance billed* for non-emergency ancillary services (emergency medicine, anesthesiology, pathology, radiology, and neonatology, as well as *diagnostic services* (including radiology and laboratory services)) received from a *non-network provider* at a *network hospital* or *network* ambulatory facility.

Emergency Services Outside of Service Area

We cover emergency care services when you are outside of our *service area*. If you are temporarily out of the *service area* and have a medical or *behavioral health* emergency, call 911 or go the nearest emergency room. Be sure to call us and report your emergency within one business day or as soon as reasonably possible. You do not need prior *approval* for emergency care services.

New Technology

Health technology is always changing. If we think a new medical advancement can benefit our *members*, we evaluate it for coverage. These advancements include:

- New technology
- New medical procedures
- New drugs
- New devices
- New application of existing technology

Sometimes, our medical director and/or medical management staff will identify technological advances that could benefit our *members*. The Clinical Policy Committee (CPC) reviews requests for coverage and decides whether we should change any of our benefits to include the new technology.

If the CPC does not review a request for coverage of new technology, our Medical Director will review the request and make a one-time determination. The CPC may then review the new technology request at a future meeting.

As innovative technologies and solutions are established in market under expedited research and development, we may elect to offer, at our discretion, new services or preferred partnerships designed to improve access to care and enhance *care management*. Ambetter will provide access to *third party* services at preferred or

discounted rate. The preferred or discounted rates to these services may be communicated to all *members* by email, mail or phone promotions. The preferred partnerships are optional benefits to all *members*.

Medical Service and Supply Benefits

The Plan provides coverage for healthcare services for a *member* and/or *dependents*. Some services require *prior authorization*. *Deductible*, *copayment*, and *coinsurance amounts* must be paid to *your network provider* at the time you receive services. 1. Damage to his or her natural teeth; and
2. Expenses are incurred within twelve months of the accident or as part of a treatment plan that was prescribed by a *physician* and began within twelve months of the accident. *Injury* to the natural teeth will not include any *injury* as a result of chewing.

Treatment for accidental dental is limited to \$3,000 per occurrence.

Ambulance Service Benefits

Covered service expenses will include *ambulance* services (ground or water - depending on the situation) for local ground transportation, transportation from home, scene of accident, or medical emergency:

1. To the nearest *hospital* that can provide services appropriate to the *member's illness* or *injury*, in cases of emergency.

5. When a *member* is required by *us* to move from a *non-network provider* to a *network provider*.

Prior authorization is not required for emergency *ambulance* transportation. Note: Non-emergency *ambulance* transportation requires *prior authorization*. If you receive non-emergency services from non-network *ambulance providers*, you may be responsible for costs above the allowed charges.

No benefits will be paid for:

1. Expenses incurred for *ambulance* services covered by a local governmental or municipal body, unless otherwise required by law.

Benefit Limitations

Limitations may also apply to some *covered services* that fall under more than one *Covered Service* category. Please review all limits carefully. Ambetter from Buckeye Health Plan will not pay benefits for any of the services, treatments, items or supplies that exceed benefit limits. For example, pulmonary therapy has a limit of 20 outpatient visits per year, however, if it is rendered as part of a *physical therapy* (PT) visit, the visit would apply to the PT visit limit.

Chiropractic Services

We cover charges for chiropractic services. These services shall be provided at the request of the *member* who presents a condition of an orthopedic or neurological nature necessitating treatment for which falls within the scope of a licensed *medical practitioner*.

Clinical Trial Coverage

***Note:** For purposes of this section a *qualified individual* means 1.) an individual eligible to participate in an approved clinical trial according to the trial protocol with respect to treatment of cancer or other life-threatening disease or condition 2.) either—(A) the referring *healthcare professional* is a participating *healthcare provider* and has concluded that the individual's participation in such trial would be appropriate based upon the individual meeting the conditions described below; or (B) the participant or beneficiary provides medical and scientific information establishing that the individual's participation in such trial would be appropriate based upon the individual meeting the conditions described below.

Clinical Trial Coverage includes routine patient care costs incurred as the result of an approved phase I, II, III, or phase IV clinical trial and the clinical trial is undertaken for the purposes of prevention, early detection, or treatment of cancer or other life-threatening disease or condition. Coverage is also included for *eligible cancer clinical trials*. Coverage will include routine patient care costs incurred for (1) drugs and devices that have been approved for sale by the Food and Drug Administration (FDA), regardless of whether approved by the FDA for use in treating the patient's particular condition, (2) reasonable and *medically necessary* services needed to administer the drug or use the device under evaluation in the clinical trial and (3) all items and services that are otherwise generally available to a *qualified individual* that are provided in the clinical trial except:

- The *investigational* item or service itself;

- Services that are clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

Phase I and II clinical trials must meet the following requirements:

- Phase I and II of a clinical trial is sanctioned by the National Institutes of Health (NIH) or National Cancer Institute (NCI) and conducted at academic or National Cancer Institute Center; and
- The insured is enrolled in the clinical trial. This section shall not apply to insured's who are only following the protocol of phase I or II of a clinical trial, but not actually enrolled.

In a clinical trial, the treating facility and personnel must have the expertise and training to provide the treatment and treat a sufficient volume of patients. There must be equal to or superior, non-investigational treatment alternatives and the available clinical or preclinical data must provide a reasonable expectation that the treatment will be superior to the non-investigational alternatives.

Providers participating in clinical trials shall obtain a patient's informed consent for participation in the clinical trial in a manner that is consistent with current legal and ethical standards.

If one or more participating *providers* is participating in a clinical trial, nothing prevents *us* from requiring that a *qualified individual* participate in the trial through such a participating *provider* if accepted in the trial.

If an approved clinical trial is conducted outside the state, a *qualified individual* shall not be prohibited from participating in the approved clinical trial.

Benefits for an *eligible cancer clinical trial* do not, however, include the following:

Repair, adjustment, and replacement of purchased equipment, supplies, or appliances as set forth below may be covered, as *approved* by *us*. The repair, adjustment, or replacement of the purchased equipment, supply, or appliance is covered if:

In addition, replacement of purchased equipment, supplies, or appliance may be covered if:

Coverage will be for the length of stay recommended by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists in their Guidelines for Prenatal Care. *We* do not require that a *physician* or other healthcare provider obtain *prior authorization* for deliveries. An *inpatient* stay longer than 48 hours for a vaginal delivery or 96 hours for a cesarean delivery will require notification.

When a decision is made to discharge a *member* or newborn prior to the expiration of the applicable number of hours of inpatient care required to be covered, the coverage of follow-up care shall apply to all follow-up care that is provided within seventy-two hours after discharge.

Newborns' and Mothers' Health Protection Act Statement of Rights

If services provided or expenses incurred for *hospital* confinement in connection with childbirth are otherwise included as *covered service expenses*, we will not limit the number of days for these expenses to less than that stated in this provision.

Under federal law, health insurance issuers generally may not restrict benefits otherwise provided for any *hospital* length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a delivery by cesarean section. However, we may provide benefits for *covered service expenses* incurred for a shorter stay if the attending *provider* (e.g., *your physician*, nurse, midwife, or *physician assistant*), after consultation with the mother, discharges the mother or newborn earlier.

The level of benefits and out-of-pocket costs for any later part of the 48-hour (or 96-hour) stay will not be less favorable to the mother or newborn than any earlier part of the stay. We do not require that a *physician* or other *healthcare provider* obtain *prior authorization* for the delivery.

Duty to Cooperate. *Members* who are a surrogate at the time of enrollment or *members* who agree to a surrogacy arrangement during the plan year must, within 30 days of enrollment or agreement to participate in a surrogacy arrangement, send us written notice of the surrogacy arrangement to Buckeye Health Plan at Member Services, 4349 Easton Way, Suite 300 Columbus, OH, 43219. These conditions affect the *member's* ability to cope with the requirements of daily living. If you need mental health and/or *substance use disorder* treatment, you may choose any *provider* participating in *our* mental health *network* and do not need a referral from *your PCP* in order to initiate treatment. *Deductible amounts*, *copayment* or *coinsurance* amounts and treatment limits for covered mental health and *substance use disorder* benefits will be applied in the same manner as physical health service benefits.

Covered services for mental health and *substance use disorder* are included on a non-discriminatory basis for all *members* for the diagnosis and treatment of mental, emotional, and/or *substance use disorders* as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association and the most recent edition of the International Classification of Diseases and Related Health Problems (ICD).

Formulary or Prescription Drug List

The formulary or prescription drug list is a guide to available generic, brand name drugs and some over-the-counter medications when ordered by a *physician* that are approved by the Food and Drug Administration (FDA) and covered through *your prescription drug* benefit. Generic drugs have the same active ingredients as their brand name counterparts and should be considered the first line of treatment. The FDA requires generics to be safe and work the same as brand name drugs. If there is no generic available, there may be more than one brand name drug to treat a condition. Preferred brand name drugs are listed on Tier 2 of the Drug List to help identify brand name drugs that are clinically appropriate, safe and cost effective treatment options, if a generic medication on the formulary is not suitable for *your* condition.

Please note, the formulary is not meant to be a complete list of the drugs covered under *your* prescription benefit. Not all dosage forms or strengths of a drug may be covered. This list is periodically reviewed and updated and may be subject to change. Drugs may be added or removed or additional requirements may be added in order to approve continued usage of a specific drug.

For the most current Ambetter Formulary or Prescription Drug List or for more information about *our* pharmacy program, visit Ambetter.BuckeyeHealthPlan.com (under “For Member”, “Pharmacy Resources”) or call Member Services at 1-877-687-1189 (TTY/TTD 1-877-941-9236).

Non-Formulary and Tiered Formulary Contraceptives:

Under *Affordable Care Act*, *you* have the right to obtain contraceptives that are not listed on the formulary (otherwise known as “non-formulary drugs”) and tiered contraceptives (those found on a formulary tier other than “Tier 0 – no cost share”) at no cost to *you* on *your* or *your medical practitioner’s* request. To exercise this right, please get in touch with *your medical practitioner*. *You* can utilize the usual *prior authorization* request process. See “*Prior Authorization*” section for additional details.

Non-Formulary Prescription Drugs

Under *Affordable Care Act*, *you* have the right to request coverage of *prescription drugs* that are not listed on the plan formulary (otherwise known as “non-formulary drugs”). To exercise this right, please get in touch with *your medical practitioner*. *You* can utilize the usual *prior authorization* request process. See “*Prior Authorization*” section for additional details or *your maximum out of pocket*. There is no financial penalty for using non-formulary drugs; however, *you* will be responsible for regular Tier 3 *copay* for all non-formulary non-specialty drugs and regular Tier 4 *copay* for all non-formulary specialty drugs approved for use under *Affordable Care Act* mandated formulary exception rule.

Over-the-Counter (OTC) Prescriptions

We cover a variety of over-the-counter (OTC) medications when ordered by a *physician*. *You* can find a list of covered over-the-counter medications in *our* formulary – they will be marked as “OTC”. *Your* prescription must meet all legal requirements.

How to Fill a Prescription

Prescription can be filled at an *in-network* retail pharmacy or through *our* mail-order pharmacy.

If *you* decide to have *your* prescription filled at an *in-network* pharmacy, *you* can use the *provider* directory to find a pharmacy near *you*. *You* can access the *provider* directory at Ambetter.BuckeyeHealthPlan.com on the Find a Provider page. *You* can also call Member Services to help *you* find a pharmacy. At the pharmacy, *you* will need to provide the pharmacist with *your* prescription and *your member* ID card.

We also offer a three-month (90-day) supply of maintenance medications by mail or from *in-network* retail pharmacies for specific benefit plans. These drugs treat long-term conditions or *illnesses*, such as high blood pressure, asthma and diabetes. *You* can find a list of covered medications on Ambetter.BuckeyeHealthPlan.com. *You* can also request to have a copy mailed directly to *you*.

Mail Order Pharmacy

If *you* have more than one prescription *you* take regularly, *you* may select to enroll in *our* mail order delivery program. *Your* prescriptions will be safely delivered right to *your* door at no extra charge to *you*. For mail orders supplies of less than a 90-day supply, *you* will still be responsible for *your* regular *copayment/coinsurance*. Specialty drugs and other select drug categories are limited to 30-day supply when dispensed by retail or mail order. To enroll for mail order delivery or for any additional questions, call *our* mail order pharmacy at 1-888-624-1139. Split-Fill Dispensing Program

Members are limited to 15-day supplies for the first 90 days when starting new therapy using certain medications (like oral oncology). *Members* pay half the 30-day cost-share for a 15-day supply, and would be responsible for the other half of the 30-day cost share for each additional 15-day supply. After 90 days, *members* will fill their medications for 30-day supplies.

Lock-in program

To help decrease overutilization and abuse, certain *members* identified through *our* Lock-in Program, may be locked into a specific pharmacy for the duration of their participation in the lock-in program. *Members* locked into a specific pharmacy will be able to obtain their medication(s) only at specified location. Ambetter pharmacy, together with Medical Management will review *member* profiles and using specific criteria, will recommend *members* for participation in lock-in program. *Members* identified for participation in lock-in program and associated *providers* will be notified of *member* participation in the program via mail. Such communication will include information on duration of participation, pharmacy to which *member* is locked-in, and any *appeals* rights.

Prescription Drug Exception Process

1. Standard exception request

A *member*, a *member's* designee, or a *member's* prescribing *physician* may request a standard review of a decision that a drug is not covered by the plan. The request can be made in writing or via telephone. Within 72 hours of the request being received, *we* will provide the *member*, the *member's* designee, or the *member's* prescribing *physician* with *our* coverage determination. Should the standard exception request be granted, *we* will provide coverage of the non-formulary drug for the duration of the prescription, including refills.

2. Expedited exception request

A *member*, a *member's* designee, or a *member's* prescribing *physician* may request an expedited review based on exigent circumstances. Exigent circumstances exist when a *member* is suffering from a health condition that may seriously jeopardize the *member's* life, health, or ability to regain maximum function or when a *member* is undergoing a current course of treatment using a non-formulary drug. Within 24 hours of the request being received, *we* will provide the *member*, the *member's* designee, or the *member's* prescribing *physician* with *our* coverage determination. Should the expedited exception request be granted, *we* will provide coverage of the non-formulary drug for the duration of the exigency.

3. External exception request review

If we deny a request for a standard exception or for an expedited exception, the *member*, the *member's* designee, or the *member's* prescribing *physician* may request that the original exception request and subsequent denial of such request be reviewed by an *independent review organization (IRO)*.

For a *prior approval* related to a chronic condition, the *approval* for an approved drug will be honored for the lesser of 12 months or the last day of the *covered person's* enrollment under the *contract*.

The notification will be in writing and will disclose the formulary change, indicate that the prescribing *physician* may initiate an *appeal*, and include information regarding the procedure for the prescribing *physician* to initiate the *contract's appeal* process.

As an alternative to providing written notice, *we* may provide the notice electronically if, and only if, the patient affirmatively elects to receive such notice electronically. The notification shall disclose the formulary change, indicate that the prescribing *physician* may initiate an *appeal*, and include information regarding the procedure for the prescribing *physician* to initiate the *contract's appeal* process.

At the time a patient requests a refill of the immunosuppressant drug, *we* may provide the patient with the written notification required above along with a 60-day supply of the immunosuppressant drug under the same terms as previously allowed.

Urgent Care

Urgent care includes *medically necessary services by in-network providers and services provided at an Urgent Care Center*, including facility costs and supplies, or care for a condition that is not an emergency, but is an unforeseen medical *illness, injury*, or condition that requires immediate care when the *member's primary care provider* is

unavailable or inaccessible. Urgent care is covered at *network hospitals, network urgent care centers, or network providers' offices*, but *your zero cost sharing Preventive Care Benefits* may not be used at an *Urgent Care Center*. Urgent care received at any *hospital emergency department* is not covered unless *authorized* in advance by *us*.

Members are encouraged to contact their *primary care provider* for an appointment before seeking care from another *provider*, but contracted *urgent care centers* and walk in clinics can be used when an urgent appointment is not available. If the *primary care provider* is not available and the condition persists, call the 24/7 Nurse Advice Line, at 1-877-687-1189. The 24/7 Nurse Advice Line is available twenty-four (24) hours a day, seven (7) days a week. A registered nurse can help *you* decide the kind of care most appropriate for *your* specific need.

Urgent care is not covered for services received by a *non-network provider* or at an out-of-*network* facility.

Emergency Room Services

In an emergency situation (anything that could endanger *your* life (or *your* unborn *child's* life)), *you* should call 911 or head straight to the nearest emergency room. *We* cover emergency medical and *behavioral health* services both in and out of *our service area*. *We* cover these services 24 hours a day, 7 days a week.

Please note some *providers* that treat *you* within the emergency room may not be contracted with Ambetter. If that is the case, they may not balance bill *you* for the difference between *our allowed amount* and the *provider's* billed charge.

Wellness and Other Program Benefits

Benefits may be available to *members* for participating in certain programs that *we* may make available in connection with this *contract*. Such programs may include wellness programs, disease or *care management* programs, and other programs as found under the Health Management Programs Offered provision. These programs may include a reward or an incentive, which *you* may earn by completing different activities.

If *you* have a medical condition that may prohibit *you* from participating in these programs, *we* may require *you* to provide verification, such as an affirming statement from *your physician*, that *your* medical condition makes it unreasonably difficult or inadvisable to participate in the wellness or health improvement program, in order for *you* to receive the reward or incentive.

You may obtain information regarding the particular programs available at any given time by visiting *our* website at Ambetter.BuckeyeHealthPlan.com or by contacting Member Services by telephone at 877-687-1189 (Relay Ohio/TTY 1-877-941-9236). The programs are optional, and the benefits are made available at no additional cost to the *members*. The programs and benefits available at any given time are made part of this *contract* by this reference and are subject to change by *us* through updates available on *our* website or by contacting *us*.

Care Management Programs

We understand special health needs and are prepared to help *you* manage any that *you* may have. *Our Care Management* services can help with complex medical or *behavioral health* needs. Your care manager will work with *you* and *your* doctor to help *you* get the care *you* need. If *you* think *you* could benefit from *our Care Management* program, please call Member Services at 1-877-687-1189 (TTY/TDD 1-877-941-9236).

Prior Authorization

Ambetter reviews services to ensure the care *you* receive is the best way to help improve *your* health condition. *Utilization review* includes:

- Pre-service or *prior authorization* review – occurs when a medical service has been pre-approved by Ambetter
- Concurrent review – occurs when a medical service is reviewed as they happen (e.g., inpatient stay or *hospital* admission)
- Retrospective review – occurs after a service or post service has already been provided.

Prior Authorization Required

Some medical and *behavioral health covered expenses* require *prior authorization*. In general, *network providers* must obtain *authorization* from *us* prior to providing a service or supply to a *covered person*. However, there are some network eligible services expenses for which *you* must obtain the *prior authorization*.

For services or supplies that require *prior authorization*, as shown on the *Schedule of Benefits*, *you* must obtain *authorization* from *us* before *you* or *your dependent member*:

1. Receives a service or supply from a *non-network provider*;
2. Are admitted into a *network facility* by a *non-network provider*; or
3. Receive a service or supply from a *network provider* to which *you* or *your dependent member* were referred to by a *non-network provider*.

Prior Authorization (medical and *behavioral health*) requests must be received by phone/e-fax/*provider* portal as follows:

1. At least 5 days prior to an elective or scheduled admission as an inpatient in a *hospital, extended care or rehabilitation facility*, or *hospice facility* or as soon as reasonably possible.
2. At least 30 days prior to the initial evaluation for organ transplant services or as soon as reasonably possible.
3. At least 30 days prior to receiving clinical trial services or as soon as reasonably possible.
4. Within 24 hours (or as soon as reasonably possible) of any inpatient admission, including emergent inpatient admissions.
5. At least 5 days prior to the start (or as soon as reasonably possible) of *home health care* except those *members* needing *home health care* after *hospital* discharge.

After *prior authorization* has been requested, *we* will notify *you* and *your provider* if the request has been *approved* or *denied* as follows:

1. For *urgent care services*, within 48 hours of receipt of the request.
2. For urgent concurrent review within 24 hours of receipt of the request.
3. For non-urgent *pre-service* requests within 10 days, of receipt of the request.
4. For *post-service* requests, within 30 days of receipt of the request.

As used in this section, ***urgent care service*** means a *medical care* or other service for a condition where application of the timeframe for making routine or non-life threatening care determinations is either of the following:

1. Could seriously jeopardize the life, health, or safety of the patient or others due to the patient's psychological state; or
2. In the opinion of a *physician* with knowledge of the patient's medical or behavioral condition, would subject the patient to adverse health consequences without the care or treatment that is the subject of the request.

The determination whether a claim is an *urgent care service* claim will be determined by the plan; or, by a *physician* with knowledge of the *member's* medical condition.

How to Obtain Prior Authorization

It is *your* responsibility to obtain *prior authorization* or to confirm that a *network provider* has obtained *prior authorization* on *your* behalf. Contact *us* by telephone at 1-877-687-1189 (TTY/TDD 1-877-941-9236) before the service or supply is provided to *you*.

Electronic Procedure

Providers will have access to *prior authorization* forms through the *provider* portal that can be submitted to *us* and accepted for review through the same portal. *We* will provide an electronic receipt to the *provider* confirming receipt of the *prior authorization* request. If *we* request additional information, the *provider* must provide acknowledgement of the request for additional information to *us*.

If there is an operational difficulty, such as limited internet connectivity, or a financial hardship that prevents the *provider* from utilizing the electronic procedure, the *provider* may contact *us* to develop an appropriate process for receiving *prior authorization* requests.

Failure to Obtain Prior Authorization

Failure to comply with the *prior authorization* requirements will result in benefits being denied. If *you* disagree with *our* decision, *you* may *appeal* pursuant to the Appeals and Grievance Procedures section.

In cases of emergency, benefits will not be reduced for failure to comply with *prior authorization* requirements. However, *you* must contact *us* as soon as reasonably possible after the emergency occurs.

Network providers cannot bill *you* for services for which they fail to obtain *prior authorization* as required.

Prior Authorization Does Not Guarantee Benefits

Our authorization does not guarantee either payment of benefits or the amount of benefits. Eligibility for, and payment of, benefits are subject to all terms and conditions of the *contract*. *We* will not retroactively deny *prior authorizations* as long as the *authorization* was obtained based on complete and accurate submission of all necessary information relative to an eligible *member* and the *provider* renders services in good faith and pursuant to the *authorization* and all of the terms and conditions of the *provider's contract* with *us*.

Services from Non-Network Providers

Except for *emergency medical services*, *we* do not normally cover services received from *non-network providers*. If a situation arises where a *Covered Service* cannot be obtained from a *Network Provider* located within a reasonable distance, *we* may provide a *prior authorization* for *you* to obtain the service from a *Non-Network Provider* at no greater cost to *you* than if *you* went to a *Network Provider*. If *Covered Services* are not available from a *network provider*, ***you are responsible for ensuring that your Primary Care provider has requested prior authorization from us before you receive services from a non-network provider.*** Otherwise *you* will be responsible for all charges incurred.

Appeal of Prior Authorization Denial

Prior Authorization denials for *urgent care* will be considered within 48 hours after receipt of the *appeal* and for non-*urgent care* within 10 days of receipt of the *appeal*. The *appeal* will be between the *provider* requesting the service in question and a clinical peer. If the *appeal* does not resolve the disagreement, either the *member* or the *member's authorized representative* may request an *external review*. Please refer to the Appeals and Grievance Procedures section for additional details.

19. For *experimental or investigational treatment(s) or unproven services*. The fact that an *experimental or investigational treatment or unproven service* is the only available treatment for a particular condition will not result in benefits if the procedure is considered to be an *experimental or investigational treatment or unproven service* for the treatment of that particular condition.
20. For treatment received outside the United States, except for a medical emergency while traveling for up to a maximum of 90 consecutive days.
21. As a result of an *injury*, disease, defect, or ailment arising out of and in the course of employment for wage or profit, if the *member* is insured, or is required to be insured, by workers' compensation insurance pursuant to applicable state or federal law. If workers' compensation insurance is not available to *you*, then this exclusion does not apply. This exclusion applies if *you* receive the benefits in whole or in part. This exclusion also applies whether or not *you* claim the benefits or compensation. It also applies whether or not *you* recover from any *third party*. If *you* enter into a settlement that waives a *member's* right to recover future medical benefits under a workers' compensation law or insurance plan, this exclusion will still apply. In the event that the workers' compensation insurance carrier denies coverage for a *member's* workers' compensation claim, this exclusion will still apply unless that denial is *appealed* to the proper governmental agency and the denial is upheld by that agency.
22. Surrogacy/Gestational Carrier Arrangement. The following health care services, including supplies and medication to a non-covered person serving as a *surrogate/gestational carrier* pursuant to a *surrogacy/gestational carrier arrangement* with a *member* are excluded. This exclusion applies to all health care services, supplies and medication to the non-covered *surrogate/gestational carrier* including, but not limited to:
 - a. Prenatal care;
 - b. Intrapartum care (or care provided during delivery and childbirth);
 - c. Postpartum care (or care for the *surrogate/gestational carrier* following childbirth);
 - d. Mental Health Services related to the *surrogacy/gestational carrier arrangement*;
 - e. Expenses relating to donor semen, including collection and preparation for implantation;
 - f. Donor gamete or embryos or storage relating to a *surrogacy/gestational carrier arrangement*;
 - g. Use of frozen gamete or embryos to achieve future conception in a *surrogacy/gestational carrier arrangement*;
 - h. Preimplantation genetic diagnoses relating to a *surrogacy/gestational carrier arrangement*;
 - i. Any complications of the *surrogate/gestational carrier* resulting from the *pregnancy*; or
 - j. Any other health care services, supplies and medication relating to the *surrogacy/gestational carrier arrangement*.

Any and all health care services, supplies or medication provided to any child birthed by a *surrogate/gestational carrier* as a result of a *surrogacy/gestational carrier arrangement* are also excluded. This exclusion shall not apply, where a *member* possessing an active policy with *us* is the intended parent of the child and/or the child possesses an active policy with *us* at the time of birth.

23. For fetal reduction *surgery*.
24. Except as specifically identified as a *covered service expense* under the *contract*, services or expenses for alternative treatments, including acupressure, acupuncture, aroma therapy, hypnotism, massage therapy, rolfing, and other forms of alternative treatment as defined by the Office of Alternative Medicine of the National Institutes of Health.
25. For *prescription drugs* for any *member* who enrolls in Medicare Part D as of the date of his or her enrollment in Medicare Part D. *Prescription drug* coverage may not be reinstated at a later date.
26. For any claim submitted by non-lock-in pharmacy while *member* is in lock-in status. To facilitate appropriate benefit use and prevent overutilization, *member's* participation in lock-in status will be determined by review of pharmacy claims.
27. For any injectable medication or biological product that is not expected to be self-administered by the *member* at *member's* place of *residence* unless listed on the formulary. For court ordered testing or care unless *medically necessary*.

28. Domiciliary care provided in a residential institution, treatment center, halfway house, or school because a *member's* own home arrangements are not available or are unsuitable, and consisting chiefly of room and board, even if therapy is included.
29. Services or care provided or billed by a school or *custodial care* center for the developmentally disabled.
30. Bariatric *surgery*.
31. For diagnostic testing, laboratory procedures, screenings, or examinations performed for the purpose of obtaining, maintaining, or monitoring employment. This exclusion does not apply to preventive services.
32. Biofeedback.
33. Human growth hormone for children born small for gestational age.
34. Surgical treatment of Gynecomastia
35. For any medicinal and recreational use of cannabis or marijuana.
36. Vehicle installation or modifications which may include, but not limited to: adapted seat devices, door handle replacements, lifting devices, roof extensions and wheelchair securing devices.
37. For all health care services obtained at an *urgent care center* that is a *non-network provider*.

1. Nonpayment of premiums when due, subject to the Grace Period provision in this *contract*;
2. The date *you* are no longer eligible for coverage --- the last day of coverage is the last day of the month following the month in which the notice is sent by *us* unless *you* request an earlier termination *effective date*;
3. For a Dependent Child Reaching the Limiting Age of 26, Coverage under this *contract*, for a Dependent Child, will terminate at 11:59 p.m. on the last day of the year in which the Dependent Child reaches the limiting age of 26; or

Such cancellation shall become effective upon receipt, or on such later date specified in the notice. If *you* cancel, *we* shall promptly return any unearned portion of the premium paid, but in any event shall return the unearned portion of the premium within 30 days. The earned premium shall be computed on a pro-rata basis. Cancellation shall be without prejudice to any claim originating prior to the *effective date* of the cancellation.

Discontinuance

90-Day Notice: If *we* discontinue offering and refuse to renew all contracts issued on this form, with the same type and level of benefits, for all residents of the state where *you* reside, *we* will provide a written notice to *you* at least 90 days prior to the date that *we* discontinue coverage. *You* will be offered an option to purchase any other coverage in the individual market *we* offer in *your* state at the time of discontinuance of this *contract*. This option to purchase other coverage will be on a guaranteed issue basis without regard to health status.

180-Day Notice: If *we* discontinue offering and refuse to renew all individual contracts in the individual market in the state where *you* reside, *we* will provide a written notice to *you* and the Commissioner of Insurance at least 180 days prior to the date that *we* stop offering and terminate all existing individual contracts in the individual market in the state where *you* reside.

Notification Requirements

It is the responsibility of *you* or *your* former *dependent member* to notify *us* within 31 days of *your* legal divorce or *your dependent member's* marriage. *You* must notify *us* of the address at which their continuation of coverage should be issued.

Right of Reimbursement

As used herein, the term “*third party*” means any party that is, or may be, or is claimed to be responsible for *illness* or *injuries* to a *member*. Such *injuries* or *illness* are referred to as “*third party injuries*.” *Third party* includes any parties actually, possibly, or potentially responsible for payment of expenses associated with the care or treatment of *third party injuries*.

If a *member's illness* or *injury* is caused by the acts or omissions of a *third party*, we will not cover a *loss* to the extent that it has already been paid for as part of a settlement or judgment by any *third party*.

However, if payment by or for the *third party* has not been made by the time we receive acceptable *proof of loss*, we will pay regular *contract* benefits, as outlined in our Claims section and pursuant to Ohio Prompt Payment Law, for the *member's loss*. By accepting benefits under this *contract*, the *member* specifically acknowledges our right of reimbursement. This right of reimbursement attaches when we have provided health care benefits for expenses incurred due to *third party injuries* and the *member's* or the *member's* representative has recovered any amounts from any source. We will have the right to be reimbursed to the extent permitted by Ohio law of benefits we provided or paid for the *illness* or *injury* if the *member* subsequently receives any payment from any *third party*. The *member* (or the guardian, legal representatives, estate, or heirs of the *member*) shall promptly reimburse us from the settlement, judgment, or any payment received from any *third party*. These sources include, but are not limited to:

- Payments made by a *third party* or any insurance company on behalf of the *third party*;
- Any payments or awards under an uninsured or underinsured motorist coverage policy;
- Any Workers' Compensation or disability award or settlement;
- Medical payments coverage under any automobile policy, premises, or homeowners' medical payments coverage or premises or homeowners' insurance coverage; and
- Any other payments from a source intended to compensate a *member* for *injuries* caused by a *third party*.

As a condition for our payment, the *member* or anyone acting on his or her behalf (including, but not limited to, the guardian, legal representatives, estate, or heirs) agrees:

1. To fully cooperate with us in order to obtain information about the *loss* and its cause.
2. To immediately inform us in writing of any claim made or lawsuit filed on behalf of a *member* in connection with the *loss*.
3. To include the amount of benefits paid by us on behalf of a *member* in any claim made against any *third party*.
4. That we:
 - a. Will have a lien on all money received by a *member* in connection with the *loss* to the extent permitted by Ohio law.
 - b. May give notice of that lien to any *third party* or *third party's* agent or representative.
 - c. Will have the right to intervene in any suit or legal action to protect our rights.

Furthermore, as a condition of our payment, we may require the *member* or the *member's* guardian (if the *member* is a minor or legally incompetent) to execute a written reimbursement agreement. However, the terms of this provision remain in effect regardless of whether or not an agreement is actually signed.

We will not pay attorney fees or costs associated with the *member's* claim or lawsuit unless we previously agreed in writing to do so.

If a dispute arises as to the amount a *member* must reimburse us, the *member* (or the guardian, legal representatives, estate, or heirs of the *member*) agrees to place sufficient funds in an escrow or trust account to satisfy the maximum lien amount asserted by us until the dispute is resolved. Additionally, either party may file an action pursuant to Ohio law to resolve any issue related to the distribution of any money recovered from the *third party*.

However, if less than the full value of the *loss* is recovered because of comparative negligence, diminishment due to a party's liability pursuant to Ohio law, or by reason of the collectability of the full value of the claim for *injury*, death, or *loss* to person resulting from limited liability insurance or any other cause, *our* reimbursement amount shall decrease in the same proportion as the *member's* interest.

Coordination of Benefits

The Coordination of Benefits (COB) provision applies when *you* have healthcare coverage under more than one Plan. Plan is defined below.

The order of benefit determination rules govern the order which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits according to its contract terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100 percent of the total Allowable Expense.

Definitions

For the purpose of this Section, the following definitions shall apply:

- A. A Plan is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for *members* of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts.
1. Plan includes: Group and non-group insurance contracts; Health insuring corporation (HIC) contracts; Coverage under group or non-group closed panel plans (whether insured or uninsured); *Medical care* components of long term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan as permitted by law.
 2. Plan does not include: *Hospital* indemnity coverage or other fixed indemnity coverage; Accident only coverage; Specified disease or specified accident coverage; Supplemental coverage as described in Revised Code sections 3923.37 and 1751.56; School accident-type coverage; Non-medical components of long term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under 1 and 2 above is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

- B. This Plan means, in a COB provision the part of the contract providing the healthcare benefits to which the COB provision applies and which may be reduced because of the benefits of *other plans*. Any other part of the contract providing healthcare benefits is separate from this Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.
- C. The order of benefit determination rules determine whether this Plan is a "Primary Plan" or "Secondary Plan" when *you* have healthcare coverage under more than one Plan. When this Plan is primary, it determines payment for its benefits first before those of any *other plan* without considering any *other Plan's* benefits. When this Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable Expense.
- D. Allowable Expense is a healthcare expense, including *deductibles*, *coinsurance*, and *copayments*, that is covered at least in part by any Plan covering *you*. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering *you* is not an Allowable Expense. In addition, any expense that a *provider* by law or in accordance with a contractual agreement is prohibited from charging *you* is not an Allowable Expense. The following are examples of expenses that are not Allowable Expenses:
1. The difference between the cost of a semi-private *hospital* room and a private *hospital* room is not an Allowable Expense, unless one of the Plans provides coverage for private *hospital* room expenses.
 2. If *you* are covered by two or more plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement method or other similar

reimbursement method, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.

3. If *you* are covered by two or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.
 4. If *you* are covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary plan's payment arrangement shall be the Allowable expense for all Plans. However, if the *provider* has contracted with the Secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary plan's payment arrangement and if the *provider's* contract permits, the negotiated fee or payment shall be the Allowable expense used by the Secondary plan to determine its benefits.
 5. The amount of any benefit reduction by the Primary plan because *you* have failed to comply with the Plan provisions is not an Allowable expense. Examples of these types of plan provisions include second surgical opinions, precertification of admissions, and *preferred provider* arrangements.
- E. Closed Panel Plan is a Plan that provides healthcare benefits to *you* primarily in the form of services through a panel of *providers* that have contracted with or are employed by the Plan, and that excludes coverage for services provided by other *providers*, except in cases of emergency or referral by a panel *member*.
- F. Custodial Parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

Order of Benefit Determination Rules

When *you* are covered by two or more plans, the rules for determining the order of benefit payments are as follows:

- A. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any *other plan*.
- B. (1) Except as provided in Paragraph (2), a Plan that does not contain a coordination of benefits provision that is consistent with this regulation is always primary unless the provisions of both Plans state that the complying plan is primary.
(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan *hospital* and surgical benefits, and insurance type coverages that are written in connection with a closed panel plan to provide out-of-*network* benefits.
- C. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that *other Plan*.
- D. Each Plan determines its order of benefits using the first of the following rules that apply:

1.) Non-Dependent or Dependent.

The Plan that covers *you* other than as a *dependent*, (for example as an employee, *member*, policyholder, subscriber, or retiree) is the Primary Plan and the Plan that covers *you* as a *dependent* is the Secondary Plan. However, if *you* are a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering *you* as a *dependent*, and primary to the Plan covering *you* as other than a *dependent*, then the order of benefits between the two plans is reversed so that the plan covering *you* as an employee, *member*, policyholder, subscriber, or retiree is the Secondary Plan and the *other plan* is the Primary Plan.

2.) Dependent Child Covered Under More Than One Plan.

Unless there is a court decree stating otherwise, when a child is covered by more than one Plan the order of benefits is determined as follows:

- a. For a child whose parents are married or are living together, whether or not they have ever been married:
 - The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
 - If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.
 - However, if one *spouse's* Plan has some other coordination rule (for example, a "gender rule" which says the father's plan is always primary), we will follow the rules of that Plan.
- b. For a child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - i. If a court decree states that one of the parents is responsible for the child's healthcare expenses or healthcare coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree;
 - ii. If a court decree states that both parents are responsible for the child's healthcare expenses or healthcare coverage, the provisions of paragraph a. above shall determine the order of benefits;
 - iii. If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the healthcare expenses or healthcare coverage of the child, the provisions of paragraph a. above determine the order of benefits; or
 - iv. If there is no court decree allocating responsibility for the child's healthcare expenses or healthcare coverage, the order of benefits for the child are as follows:
 - The Plan covering the Custodial Parent, first;
 - The Plan covering the *spouse* of the Custodial Parent, second;
 - The Plan covering the noncustodial parent, third; and then
 - The Plan covering the *spouse* of the noncustodial parent, last.
- c. For a child covered under more than one Plan of individuals who are not the parents of the child, the provisions of paragraph a. or b. above shall determine the order of benefits as if those individuals were the parents of the child.

3.) **Active Employee or Retired or Laid-off Employee**

The Plan that covers *you* as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering *you* as a retired or laid-off employee is the Secondary Plan. The same would hold true if *you* are a *dependent* of an active employee and *you* are a *dependent* of a retired or laid-off employee. If the *other plan* does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under the Non-Dependent or Dependent provision above can determine the order of benefits.

4.) **COBRA or State Continuation Coverage**

If *you* have coverage provided under COBRA or under a right of continuation provided by state or other federal law and *you* are also covered under another Plan, the Plan covering *you* as an employee, *member*, subscriber, or retiree or covering *you* as a *dependent* of an employee, *member*, subscriber, or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the *other plan* does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under the Non-Dependent or Dependent provision above can determine the order of benefits.

5.) **Longer or Shorter Length of Coverage**

The Plan that covered *you* as an employee, *member*, policyholder, subscriber, or retiree longer is the Primary Plan and the Plan that covered *you* the shorter period of time is the Secondary Plan. If the preceding rules do not determine the order of benefits, the Allowable Expenses must be shared equally between the Plans meeting the definition of Plan. In addition, this Plan will not pay more than it would have paid had it been the Primary Plan.

- 6.) If the preceding rules do not determine the order of benefits, the Allowable expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, this plan will not pay more than it would have paid had it been the Primary plan.

Effect on the Benefits of This Plan

- A. When this plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a calendar year are not more than the total Allowable Expenses. In determining the amount to be paid for any claim, the Secondary Plan must calculate the benefits it would have paid in the absence of other healthcare coverage and apply that calculated amount to any Allowable Expense under its Plan that is unpaid by the Primary Plan. The secondary Plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable Expense for that claim. In addition, the Secondary Plan must credit to its plan *deductible* any amounts it would have credited to its *deductible* in the absence of other healthcare coverage.
- B. If *you* are enrolled in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel *provider*, benefits are not payable by one Closed Panel Plan, COB shall not apply between that Plan and other Closed Panel Plan.

Right to Receive and Release Needed Information

Certain facts about healthcare coverage and services are needed to apply these COB rules and to determine benefits payable under this plan and *other Plans*. *We* may get the facts *we* need from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and *other Plans* covering *you*. *We* need not tell, or get the consent of, any person to do this. To claim benefits under this Plan, *you* must give *us* any facts *we* need to apply those rules and determine benefits payable.

Facility of Payment

A payment made under another Plan may include an amount that should have been paid under this plan. If it does, *we* may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under this plan. *We* will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by *us* is more than it should have paid under this COB provision, *we* may recover the excess from one or more of the persons *we* have paid or for whom *we* have paid, or any other person or organization that may be responsible for the benefits or services provided for *you*. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

Coordination Disputes

If *you* believe that *we* have not paid a claim properly, *you* should first attempt to resolve the problem by contacting *us* at 1-877-687-1189 (TTY/TDD 1-877-941-9236) or Ambetter.BuckeyeHealthPlan.com. *You* should also refer to the *complaint* and *appeals* procedures. If *you* are still not satisfied, *you* may call the Ohio Department of Insurance for instructions on filing a consumer *complaint*. Call 1-800-686-1526, or visit the Department's website at <http://insurance.ohio.gov>.

Claims

Notice of Claim

We must receive notice of claim within 30 days of the date the *loss* began or as soon as reasonably possible.

Proof of Loss

We must receive written *proof of loss* within 90 days of the *loss* or as soon as is reasonably possible. *Proof of loss* furnished more than one year late will not be accepted, unless *you* or *your* covered *dependent member* had no legal capacity to submit such proof during that year. If we do accept the *proof of loss* after a year, we will then process the *proof of loss* within 90 days.

How to Submit a Claim

Providers will typically submit claims on *your* behalf, but sometimes *you* may need to submit claims yourself for *covered services*. This usually happens if:

- *Your provider* is not contracted with *us*
- *You* have an out-of-area emergency.

If *you* have paid for services we agreed to cover, *you* can request reimbursement for the amount *you* paid. We can adjust *your deductible, copayment or cost sharing* to reimburse *you*.

To request reimbursement for a *covered service*, *you* need a copy of the itemized bill or itemized statement from *your provider*. *You* also need to submit an explanation of why *you* paid for the *covered services* along with the *member* reimbursement claim form posted at Ambetter.BuckeyeHealthPlan.com under "Member Resources".

Send all the documentation to *us* at the following address:

Ambetter from Buckeye Health Plan

Cooperation Provision

Each *member*, or other person acting on his or her behalf, must cooperate fully to assist *us* in determining *our* rights and obligations under the contract.

Time for Payment of Claims

Benefits will be paid within 30 days after receipt of *proof of loss*. Should we determine that additional supporting documentation is required to establish responsibility of payment, we shall pay benefits within 45 days after receipt of *proof of loss*. If we do not pay within such period, we shall pay interest at the rate of 18 percent per annum from the 30th day after receipt of such *proof of loss* to the date of late payment.

Payment of Claims

Except as set forth in this provision, all benefits are payable to *you*. Any accrued benefits unpaid at *your* death, or *your dependent member's* death may, at *our* option, be paid either to the beneficiary or to the estate. If any benefit is payable to *your* or *your dependent member's* estate, or to a beneficiary who is a minor or is otherwise not competent to give valid release, we may pay up to \$1,000 to any relative who, in *our* opinion, is entitled to it.

We may pay all or any part of the benefits provided by this *contract* for *hospital*, surgical, nursing, or medical services, directly to the *hospital* or other person rendering such services.

Any payment made by *us* in good faith under this provision shall fully discharge *our* obligation to the extent of the payment. We reserve the right to deduct any overpayment made under this *contract* from any future benefits under this *contract*.

Foreign Claims Incurred For Emergency Care

Medical emergency care is a covered benefit while traveling for up to a maximum of 90 consecutive days. If travel extends beyond 90 consecutive days, no benefit coverage is provided for medical emergencies for the entire period of travel including the first 90 days.

Claims incurred outside of the United States for emergency care and treatment of a *member* must be submitted in English or with an English translation, at the *member's* expense, within 180 calendar days from the date of service. Foreign claims must also include the applicable medical records in English or with an English translation, at the *member's* expense to show proper *proof of loss* and evidence of any payment(s) to the *provider*.

Foreign claims must be submitted with the Member Reimbursement Medical Claim Form, along with all requested documents as detailed on the claim form. All forms and member resources are available at Ambetter.BuckeyeHealthPlan.com.

The amount of reimbursement will be based on the following:

- Member's Benefit Plan and *member* eligibility on date of service
- Member's Responsibility/Share of Cost based on date of service.
- Currency Rate at the time of completed transaction, Foreign Country currency to United States currency.

Once the health plan has reviewed all the necessary documentation and the emergency claim has been processed, a *member* Explanation of Benefits (EOB) will be mailed. The EOB will identify *member* responsibility according to the *member* benefit plan at the time of travel. If services are deemed as a true medical emergency, *member* will be issued reimbursement payment for any eligible incurred costs, minus *member* cost share obligation.

Assignment

We will reimburse a *hospital* or *healthcare provider* if:

1. *Your* health insurance benefits are assigned by *you* in writing; and
2. We approve the assignment.

Any assignment to a *hospital* or person providing the treatment, whether with or without *our approval*, shall not confer upon such *hospital* or person, any right or privilege granted to *you* under the *contract* except for the right to receive benefits, if any, that *we* have determined to be due and payable.

Custodial Parent

This provision applies if the parents of a covered *eligible child* are divorced or legally separated and both the custodial parent and the non-custodial parent are subject to the same court or administrative order establishing custody. The custodial parent, who is not a *member*, will have the rights stated below if *we* receive a copy of the order establishing custody.

Upon request by the custodial parent, *we* will:

1. Provide the custodial parent with information regarding the terms, conditions, benefits, exclusions, and limitations of the *contract*;
2. Accept claim forms and requests for claim payment from the custodial parent; and
3. Make claim payments directly to the custodial parent for claims submitted by the custodial parent. Payment of claims to the custodial parent, which are made under this provision, will fully discharge *our* obligations.

A custodial parent may, with *our approval*, assign claim payments to the *hospital* or *medical practitioner* providing treatment to an *eligible child*.

Physical Examination

We shall have the right and opportunity to examine a *member* while a claim is pending or while a dispute over the claim is pending. These examinations are made at *our* expense and as often as *we* may reasonably require.

Appeals and Grievance Procedures

Your satisfaction is very important to *us*. *We* want to know *your* issues and concerns so *we* can improve *our* services. Reporting these will not affect *your* healthcare services. The following processes are available to address *your* concerns.

Call Member Services

Please contact *our* Member Services team at 1-877-687-1189, TDD/TTY 1-877-941-9236 if *you* have questions or concerns. *We* will attempt to answer *your* questions during initial contact, as most concerns can be resolved with one phone call.

Appeals Procedures

An Appeal is a request by the *member* or their *authorized representative* for the insurer to reconsider, reverse, or otherwise modify an *adverse benefit determination*. *You* can designate a representative –such as a family member, friend, *physician*, or attorney- to *appeal* these decisions on *your* behalf.

Filing an Appeal

When *we* make an *adverse benefit determination*, *we* will send *you* a notification that includes information on how to file an *appeal* and how to authorize a representative. *You* have 180 days to file an *appeal* from the date *we* issue the *adverse benefit determination*.

You can file an *appeal* by filling out the form included with the denial notice or sending a letter to:

Buckeye Health Plan
Appeal Department
4349 Easton Way, Suite 300
Columbus, OH 43219
Fax 1-866-258-4102 (*Appeal*)

You can also file an *appeal* via phone by contacting *us* at 1-877-687-1189, TDD/TTY 1-877-941-9236.

Processing your Appeal

After *you* file *your appeal*, *we* will notify *you* of all the information that is needed to process the *appeal* within 3 business days of receipt of the *appeal*. *You* will be informed that *you* can present any information that *you* wish for *us* to consider as part of the *appeal*. *We* will investigate the *appeal* to decide if more information is needed from *you* or *your provider*.

A reviewer of the same or similar specialty will review the request and make a determination. This reviewer will not be the *physician* involved in the original decision and who is not the subordinate of that *physician*.

Ambetter from Buckeye Health Plan may extend *our* deadline by no more than 14 calendar days if *we* need additional information to reach a decision. *We* will inform *you* of the request's status if such an extension is necessary. If *we* do not receive the required information within the extended timeframe, *we* will make a determination based on the information *we* have. If no extension is needed, *we* will make the decision within 15 calendar days for pre- service appeals and 30 calendar days for post-service appeals, of receipt of *your appeal*.

We will notify *you* or *your authorized representative* in writing within 2 business days of the decision, not to exceed the total resolution timeframe. The notice will include an explanation of *our* decision, a reference to the criteria on which the decision was based, a list of the title and qualifications of each person participating in the review, and a description of *your* further *appeal* rights. *Your* further *appeal* rights include the right to an *external review*.

Expedited Appeal

You can file an expedited *appeal* when a requested service involves a situation that would seriously jeopardize *your* life or health or would jeopardize *your* ability to regain maximum function. This type of *appeal* must be documented with clinical information.

You may request an expedited *appeal* at any time. You may start the *appeal* by phone or in writing. You may call 1-877-687-1189, TDD/TTY 1-877-941-9236 to initiate an expedited *appeal* request.

We will make a decision about the request within 72 hours. We will notify *you* and *your authorized representative* of the result.

External Review

If *you*, or *your authorized representative*, are not satisfied with the final outcome of the Internal *Appeal*, an *external review* by an *Independent Review Organization* or by the superintendent of insurance, or both, may be requested. You, or *your authorized representative*, can request an *external review* when the *Appeal* is of *adverse benefit determinations* based on medical necessity, appropriateness, health care setting, level of care, or that the requested service or supply is not efficacious or otherwise unjustified under evidence-based medical criteria. Filing an *external review* will not affect *your* healthcare services. We want to know *your* concerns so we can improve *our* services. An *external review* decision is binding on *us*. An *external review* decision is binding on the claimant except to the extent the claimant has other remedies available under applicable federal or state law. We will pay for the costs of the *external review* performed by the independent reviewer.

All requests for an *external review* must be made within 180 days of the date of the notice of the plan's *final adverse benefit determination*. Standard requests for an *external review* must be provided in writing; requests for expedited *external reviews*, including *experimental/investigational*, may be submitted orally or electronically. When an oral or electronic request for review is made, written confirmation of the request must be submitted to the plan no later than 5 days after the initial request was made. If the superintendent or *IRO* requires additional information from *you* or *your healthcare provider*, the plan will tell *you* what is needed to make the request complete. The *IRO* assigned to review an *adverse benefit determination* shall provide written notice of its decision to either uphold or reverse the determination within thirty (30) calendar days of receipt by the health plan issuer of a request for a standard review or a standard review involving an *experimental or investigational treatment*.

You may file the request for an *external review* by contacting the plan:

Buckeye Health Plan
Appeals Unit
4349 Easton Way, Suite 300
Columbus, OH, 43219
Fax: 1-866-258-4102

You may also request an *external review* by calling 1-877-687-1189 (TTY/TDD 1-877-941-9236) or by emailing *us* at Ambetter.BuckeyeHealthPlan.com.

Urgent request for an external review

If an expedited *external review* (urgent) was requested, the *IRO* will provide a determination as soon as possible or within 72 hours of receipt of the expedited request.

Non-urgent request for an external review

Unless the request is for an expedited *external review*, the plan will initiate an *external review* within 5 days after it receives *your* written request if *your* request is complete. The plan will provide *you* with notice that it has initiated the *external review* that includes:

(a) The name and contact information for the assigned *independent review organization* or the superintendent of insurance, as applicable, for the purpose of submitting additional information; and

(b) Except for when an expedited request is made, a statement that *you* may, with 10 business days after the date of receipt of the notice, submit, in writing, additional information for either the *independent review organization* or the superintendent of insurance to consider when conducting the *external review*.

If your request is not complete, the plan will notify *you* in writing and include information about what is needed to make the request complete.

If the plan denies your request for an external review on the basis that the adverse benefit determination is not eligible for an external review, the plan will notify *you*, in writing, the reasons for the denial and that *you* have a right to *appeal* the decision to the superintendent of insurance.

If the plan denies your request for an external review because you have failed to exhaust the Appeals and Grievance Procedure, *you* may request a written explanation, which the plan will provide to *you* within 10 days of receipt of *your* request, explaining the specific reasons for its assertion that *you* were not eligible for an *external review* because *you* did not comply with the required procedures.

Request for external review to the Department of Insurance: If the plan denies *your* request for an *external review*, *you* may file a request for the superintendent of insurance to review the plan's decision by contacting Consumer Services Division at 1-800-686-1526 between 8:00 a.m. and 5:00 p.m., eastern standard time or by sending a written request addressed to: Consumer Services, The Ohio Department of Insurance, 50 West Town St., Suite 300, Columbus, Ohio 43215. Information about *external reviews* is also available on the Department's website: www.insurance.ohio.gov.

If the DOI upholds the plan's decision: If *you* file a request for an *external review* with the DOI, and if the DOI upholds the plan's decision to deny the *external review* because *you* did not follow the plan's *appeals* and *grievance* procedures, *you* must resubmit *your appeal* according to the plan's *appeals* and *grievance* procedures within 10 days of the date of *your* receipt of the superintendent's decision. The clock will begin running on all of the required time periods described in the *appeals* and *grievance* procedures when *you* receive this notice from the superintendent.

If the plan's failure to comply with its obligations under the appeals and grievance procedures was considered (i) *de minimis*, (ii) not likely to cause prejudice or harm to *you* (claimant), (iii) because *we* had a good reason or *our* failure was caused by matters beyond *our* control (iv) in the context of an ongoing good-faith exchange of information between the plan and *you* (claimant) or *your authorized representative* and (v) not part of a pattern or practice of *our* not following the *appeals* and *grievance* procedures, then *you* will not be deemed to have exhausted the *appeals* and *grievance* requirements. *You* may request an explanation of the basis for the plan's asserting that its actions meet this standard.

Expedited external review for experimental and/or investigational treatment: *You* may request an *external review* of an *adverse benefit determination* based on the conclusion that a requested healthcare service is *experimental* or *investigational*, except when the requested healthcare service is explicitly listed as an excluded benefit under the terms of the health benefit plan.

To be eligible for an *external review* under this provision, *your* treating *physician* shall certify that one of the following situations is applicable:

- (1) Standard healthcare services have not been effective in improving *your* condition;
- (2) Standard healthcare services are not medically appropriate for *you*; or
- (3) There is no available standard healthcare service covered by the health plan issuer that is more beneficial than requested healthcare service.

The request for an expedited *external review* under this provision may be requested orally or electronically. For Expedited/Urgent requests, *your healthcare provider* can orally make the request on *your* behalf.

If the plan reverses its decision: If the plan decides to reverse its adverse determination before or during the *external review*, the plan will notify *you*, the *IRO*, and the superintendent of insurance within one business day of the decision.

After receipt of healthcare services: No expedited review is available for *adverse benefit determinations* made after receipt of the healthcare service or services in question.

Emergency medical services: If the plan denies coverage for an emergency medical service, the plan will also advise at the time of denial that *you* can request an expedited internal and *external review* of the plan's decision.

Review by the Department of Insurance: If the plan has made an *adverse benefit determination* based on a contractual issue (e.g. whether a service or services are covered under *your contract* of insurance), *you* may request an *external review* by the department of insurance.

If the IRO and DOI uphold the plan's decision, *you* may have a right to file a lawsuit in any court having jurisdiction.

A *grievance* or *complaint* is an expression of dissatisfaction regarding *our* products or services. *You* or *your* designee may submit a *grievance* verbally or in writing. A *grievance* may be filed for issues including quality of care, *physician* behavior, waiting time for services, and involuntary disenrollment. *You* have up to 180 calendar days to file a *grievance*. The 180 calendar days start on the date of the situation *you* are not satisfied with. Depending on the nature of the *grievance* and whether or not a response is requested, *we* will respond verbally and/or in writing within thirty (30) business days following receipt of the *grievance*, or should a *member's* medical condition necessitate an expedited review and decision within 48 hours.

The time period may be extended for an additional 14 calendar days, making the maximum time for the entire *grievance* process 44 calendar days if *we* provide *you* or *your authorized representative*, if applicable, written notification of the following within 30 calendar days:

- a. That *we* have not resolved the *grievance*;
