| Important Questions   | Answers  | Why This Matters:   |
|---|--|---|
| What is the overall<br><u>deductible</u> ?                                | \$0 at Indian Health Care <u>Provider</u><br>(IHCP) or with IHCP <u>referral</u> at<br>non-IHCP; or \$7,000 individual /<br>\$14,000 family.   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services<br>covered before you meet<br>your <u>deductible</u> ? | Yes, <u>Preventive care</u> services,<br>primary care, <u>specialist</u> , <u>urgent</u><br><u>care</u> office visits and generic and<br>preferred brand drugs are covered<br>before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there other<br>deductibles<br>for specific<br>services?               | No.  | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ?   | For <u>network providers</u> \$8,550<br>individual / \$17,100 family; Not<br>applicable for <u>out-of-network</u><br><u>providers</u> .  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the <u>out-of-pocket limit</u> ?                  | Premiums, balance-billing<br>charges, and health care this plan<br>doesn't cover.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you<br>use a <u>network provider</u> ?               | Yes. See<br>https://ambetter.homestatehealth.<br>com/findadoc or call 1-855-650-<br>3789 (TTY 711) for a list of<br>network providers.   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> .<br>You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                | No   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

| All <u>copayn</u>         | All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies. |  |   |  |   |

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
