| Important Questions   | Answers  | Why This Matters:   |
|---|--|---|
| What is the overall<br><u>deductible</u> ?                                  | \$6,500 individual/\$13,000 family.<br>Non- <u>network</u> : \$13,500<br>individual/\$27,000 family.                         | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services<br>covered before you<br>meet your <u>deductible</u> ?   | Yes. <u>Preventive care</u> and generic drugs are covered before you meet your <u>deductible</u> .                           | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there other<br><u>deductibles</u> for specific<br>services?             | No.  | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this<br><u>plan</u> ? | For <u>network</u> \$6,800<br>individual/\$13,600 family. For non-<br><u>network</u> \$25,000 individual/\$50,000<br>family. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the <u>out-of-pocket limit</u> ?                    | Premiums, <u>balance-billing</u><br>charges, and health care this <u>plan</u><br>doesn't cover.                              | Even though you pay these expenses, they don't count toward the <u>out–of–pocket limit</u> .  |
| Will you pay less if you<br>use a <u>network provider</u> ?                 | Yes. See <u>Find a Provider</u> or call 1-<br>877-687-1169 for a list of <u>network</u><br><u>providers</u> .                | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> .<br>You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u><br>to see a <u>specialist</u> ?               | No, you don't need a referral to see a specialist.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
