| Important Questions  | Answers  | Why This Matters:   |
|--|--|---|
| What is the overall deductible?  | \$3,000 individual/\$6,000 family.   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your <u>deductible</u> ?        | Yes. Preventive care services, primary care, specialist, and urgent care office visits, generic and preferred brand drugs are covered before you meet your deductible. | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                                     |
| Are there other deductibles for specific services?                         | No.  | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this<br><u>plan?</u> | For network providers: \$6,750 individual/\$13,500 family. No, for non-network providers.  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                           | Premiums and health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use a <u>network provider</u> ?                   | Yes. See <u>Find a Provider</u> or call 1-855-745-5507 for a list of <u>network</u> <u>providers</u> .   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                 | No.  | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |
