| What is the overall<br><u>deductible</u> ?                                  | \$6,000 individual/\$12,000 family.                                                                                                                                                                                      | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .                                                                                                                                                                         |
| Are there services<br>covered before you<br>meet your <u>deductible</u> ?   | Yes. <u>Preventive care services</u> ,<br>primary care, <u>specialist</u> , and <u>urgent</u><br><u>care</u> office visits, generic and<br>preferred brand drugs are covered<br>before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But<br>a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u><br><u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered<br><u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .                                                                                                           |
| Are there other<br><u>deductibles</u> for specific<br>services?             | No.                                                                                                                                                                                                                      | You don't have to meet <u>deductibles</u> for specific services.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this<br><u>plan</u> ? | For <u>network providers</u> : \$7,900<br>individual/\$15,800 family. No, for<br>non- <u>network providers</u> .                                                                                                         | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.                                                                                                                                                                                                                                                                                               |
| What is not included in the <u>out-of-pocket limit</u> ?                    | <u>Premiums, balance-billing</u><br>charges, and health care this <u>plan</u><br>doesn't cover.                                                                                                                          | Even though you pay these expenses, they don't count toward the <u>out–of–pocket limit</u> .                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Will you pay less if you<br>use a <u>network provider</u> ?                 | Yes. ### About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage
