The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. | Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall<br><u>deductible</u> ?                              | \$0 at Indian Health Care <u>Provider</u><br>(IHCP) or with IHCP <u>referral</u> at non-<br>IHCP; or \$7,200 individual / \$14,400<br>family  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your <u>deductible</u> ?     | Yes. <u>Preventive care</u> services,<br>primary care and <u>urgent care</u> office<br>visits, children's eye exam and<br>glasses, and generic drugs are<br>covered before you meet your<br><u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u><br>amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain<br><u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of<br>covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-<br/>benefits/</u> .   |
| Are there other <u>deductibles</u> for specific services?               | No.   | You don't have to meet deductibles for specific services.   |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ? | For <u>network providers</u> : \$8,400<br>individual / \$16,800 family. Not<br>applicable for <u>out-of-network</u><br><u>providers</u> .   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the<br>out-of-pocket limit?                     | Premiums, balance-billing charges,<br>and health care this <u>plan</u> doesn't<br>cover.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use<br>a <u>network provider</u> ?             | Yes. See<br>https://ambetter.superiorhealthplan.c<br>om/findadoc or call 1-877-687-1196<br>(Relay Texas/TTY 1-800-735-2989)<br>for a list of <u>network providers</u> .   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network</u> <u>provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?              | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
