Ambetter Balanced Care 4 + Vision + Adult Dental

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. Important Questions	Answers	Why This Matters:		
What is the overall deductible?	\$0 at Indian Health Care <u>Provider</u> (IHCP) or with IHCP <u>referral</u> at non-IHCP; or \$7,200 individual / \$14,400 family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .		
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> services, primary care, <u>specialist</u> , and <u>urgent care</u> office visits, children's eye exam and glasses, generic and preferred brand drugs are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .		
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.		
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For <u>network providers</u> : \$7,200 individual / \$14,400 family. Not applicable for <u>out-of-network</u> <u>providers</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.		
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, and health care this plan does not cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.		
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://ambetter.silversummitheal thplan.com/findadoc or call 1- 866-263-8134 (TTY/TDD 1-855- 868-4945) for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.		

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
