| Important Questions | Answers | Why This Matters: |
| :---: | :---: | :---: |
| What is the overall deductible? | \$0 individual / \$0 family. | See the Common Medical Events chart below for your cost for services this plan covers. |
| Are there services covered before you meet your deductible? | Yes, except for Preferred Brand (Tier 2), Non-Preferred Brand (Tier 3), and Specialty drugs (Tier 4). | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/. |
| Are there other deductibles for specific services? | Yes, $\$ 1,500$ individual / \$3,000 family for prescription drug coverage. There are no other specific deductibles. | You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services. |
| What is the out-of-pocket limit for this plan? | For network providers: $\$ 6,750$ individual / \$13,500 family. Not applicable for out-of-network providers. | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit? | Premiums, balance-billing charges and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| Will you pay less if you use a network provider? | Yes. See https://ambetter.pshpgeorgia.com/ findadoc or call 1-877-687-1180 (TTY/TDD 1-877-941-9231) for a list of network providers. | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist? | No. | You can see the specialist you choose without a referral. |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
