| Important Questions   | Answers  | Why This Matters:   |
|---|--|---|
| What is the overall<br><u>deductible</u> ?                                | \$6,450 individual / \$12,900 family.  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services<br>covered before you meet<br>your <u>deductible</u> ? | Yes. <u>Preventive care</u> services,<br>primary care and <u>urgent care</u><br>office visits, children's eye exam<br>and glasses, lab-work, generic<br>and preferred brand drugs are<br>covered before you meet your<br><u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there other<br>deductibles<br>services?                               | No.  | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ?   | For <u>network providers</u> : \$8,200<br>individual / \$16,400 family. Not<br>applicable for <u>out-of-network</u><br><u>providers</u> .  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the <u>out-of-pocket limit</u> ?                  | Premiums, balance-billing<br>charges, and health care this <u>plan</u><br>doesn't cover.   | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you<br>use a <u>network provider</u> ?               | Yes. See<br>https://ambetter.pahealthwellness.<br>com/findadoc or call 1-833-510-<br>4727 (Relay 711) for a list of<br>network providers.  | This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> .<br>You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
