The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit

For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. | Important Questions   | Answers   | Why This Matters:  |  |
|---|---|--|--|
| What is the overall<br><u>deductible</u> ?                                  | \$5,300 individual / \$10,600 family.   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount<br>before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each<br>family member must meet their own individual <u>deductible</u> until the total amount of<br><u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |  |
| Are there services<br>covered before you<br>meet your <u>deductible</u> ?   | Yes. <u>Preventive care</u> services, primary care,<br><u>specialist</u> and <u>urgent care</u> office visits, children's<br>eye exam and glasses, lab-work, generic and<br>preferred brand drugs are covered before you<br>meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u><br>amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers<br>certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your<br><u>deductible</u> . See a list of covered <u>preventive services</u> at<br><u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .  |  |
| Are there other<br>deductibles for<br>specific services?                    | No.   | You don't have to meet <u>deductibles</u> for specific services.   |  |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this<br><u>plan</u> ? | For <u>network providers</u> : \$6,500 individual / \$13,000 family. Not applicable for <u>out-of-network providers</u> .   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |  |
| What is not included<br>in the <u>out-of-pocket</u><br>limit?               | Premiums, balance-billing charges, and health care this plan doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .  |  |
| Will you pay less if<br>you use a <u>network</u><br><u>provider</u> ?       | Yes. See <u>https://ambettermeridian.com/findadoc</u> or call 1-833-993-2426 (TTY/TDD Relay 711) for a list of <u>network providers</u> .   | This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |  |
| Do you need a <u>referral</u><br>to see a <u>specialist</u> ?               | Yes.  | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .   |  |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
