The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <a href="https://ambetteroftennessee.com/2023-brochures.html">https://ambetteroftennessee.com/2023-brochures.html</a>, or call 1-833-709-4735 (Relay 711). | Important Questions   | Answers   | Why This Matters:  |
|---|---|--|
| What is the overall <u>deductible</u> ?                                   | \$0 individual / \$0 family.  | See the Common Medical Events chart below for your cost for services this plan covers.   |
| Are there services covered<br>before you meet your<br><u>deductible</u> ? | There is no <u>deductible</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there other <u>deductibles</u> for specific services?                 | No.   | You don't have to meet deductibles for specific services.  |
| What is the <u>out-of-pocket limit</u><br>for this <u>plan</u> ?          | For <u>network providers</u> : \$2,900 individual / \$5,800 family. Not applicable for <u>out-of-network providers</u> .              | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the<br>out-of-pocket limit?                       | Premiums, balance-billing charges and health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the <u>out-of-</u><br><u>pocket limit</u> .  |
| Will you pay less if you use a <u>network provider</u> ?                  | Yes. See<br>https://ambetteroftennessee.com/findadoc or call<br>1-833-709-4735 (Relay 711) for a list of <u>network</u><br>providers. | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in<br>the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network</u><br><u>provider</u> , and you might receive a bill from a <u>provider</u> for the difference<br>between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ).<br>Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for<br>some services (such as lab work). Check with your <u>provider</u> before you get<br>services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                | No.   | You can see the specialist you choose without a referral.  |
