The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit https://ambetterofoklahoma.com/2024-brochures.html, or call 1-833-492-0679 (TTY 711). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 1-833-492-0679 (TTY 711) to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network providers: $0 Individual / $0 Family. Out-of-network providers: $500 Individual / $1,000 Family.	See the Common Medical Events chart below for your cost for services this plan covers.
Are there services covered before you meet your deductible?	Yes. Preventive care services, urgent care office visits, children's eye exam and glasses, generic and preferred brand drugs are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without costsharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	Yes, $3,800 individual / $7,600 family for prescription drug coverage. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	For network providers: $9,250 Individual / $18,500 Family. For out-of-network providers: Not applicable Individual / Not applicable Family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, penalties for failure to obtain preauthorization for services, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider?	Yes. See https://ambetterofoklahoma.com/findadoc or call 1-833-492-0679 (TTY 711) for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
