| Important Questions  | Answers   | Why This Matters:   |
|--|---|---|
| What is the overall deductible?                                      | \$7,500 individual / \$15,000 family.   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?          | Yes. Preventive care services, primary care, specialist, and urgent care visits, and certain prescription drugs are covered before you meet your deductible (see additional information below).             | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| Are there other deductibles for specific services?                   | No.   | You don't have to meet deductibles for specific services.   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | For <u>network providers</u> : \$9,200 individual / \$18,400 family. Not applicable for <u>out-of-network providers</u> .   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limits</u> has been met.  |
| What is not included in the <u>out-of-pocket limit?</u>              | <u>Premiums</u> , <u>balance-billing</u> charges, penalties for failure to obtain <u>preauthorization</u> for services, and health care this <u>plan</u> doesn't cover.                                     | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .   |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <a href="https://ambettermeridian.com/findadoc">https://ambettermeridian.com/findadoc</a> or call 1-833-993-2426 (TTY Relay 711) for a list of <a href="metwork providers">network providers</a> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a referral to see a specialist?                          | No.   | You can see the specialist you choose without a referral.   |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
