|---|---|---|
| **What is the overall deductible?** | Network providers: $0 Individual / $0 Family.<br>Out-of-network providers: $8,150 Individual / $16,300 Family. | See the Common Medical Events chart below for your cost for services this plan covers. |
| **Are there services covered before you meet your deductible?** | Yes. There is no in-network deductible (see additional information below). | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/. |
| **Are there other deductibles for specific services?** | No. | You don't have to meet deductibles for specific services. |
| **What is the out-of-pocket limit for this plan?** | For network providers: $3,050 Individual / $6,100 Family.<br>For out-of-network providers: $11,500 Individual / $23,000 Family. | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| **What is not included in the out-of-pocket limit?** | Premiums, balance-billing charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| **Will you pay less if you use a network provider?** | Yes. See https://ambetter.arhealthwellness.com/findadoc or call 1-877-617-0390 (TTY 1-877-617-0392) for a list of network providers. | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
