

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <https://ambetterhealth.com/en/ne/2026-brochures.html> or call 1-833-890-0329 (TTY 711). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. | What is the overall <a href="#">deductible</a> ?                                | \$7,500 individual / \$15,000 family.                                                                                                                                                                                                                                            | Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .                                                                                                                                                                                                            |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. <a href="#">Preventive care</a> services, primary care, <a href="#">specialist</a> , and <a href="#">urgent care</a> visits, and certain <a href="#">prescription drugs</a> are covered before you meet your <a href="#">deductible</a> (see additional information below). | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                                                                       |
| Are there other <a href="#">deductibles</a> for specific services?              | No.                                                                                                                                                                                                                                                                              | You don't have to meet <a href="#">deductibles</a> for specific services.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | For <a href="#">network providers</a> : \$10,000 individual / \$20,000 family. Not applicable for <a href="#">out-of-network providers</a> .                                                                                                                                     | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.                                                                                                                                                                                                                                                                                                                                                             |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | <a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, penalties for failure to obtain <a href="#">preauthorization</a> for services, and health care this <a href="#">plan</a> doesn't cover.                                                                      | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="https://ambetterhealth.com/en/ne/fi/ndadoc">https://ambetterhealth.com/en/ne/fi/ndadoc</a> or call 1-833-890-0329 (TTY 711) for a list of <a href="#">network providers</a> .                                                                                  | This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |

## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost-sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.
