Important Questions	Answers	Why This Matters:
What is the overall deductible ?	Network providers : \$0 Individual / \$0 Family. Out-of-network providers : \$500 Individual / \$1,000 Family.	See the Common Medical Events chart below for your cost for services this plan covers.
Are there services covered before you meet your deductible ?	Yes. There is no in- network deductible (see additional information below).	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	For network providers : \$3,500 Individual / \$7,000 Family. For out-of-network providers : Not applicable Individual / Not applicable Family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Premiums , balance-billing charges, penalties for failure to obtain preauthorization for services, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See https://ambetterhealth.com/en/ok/findadoc or call 1-833-492-0679 (TTY 711) for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.

Important Questions	Answers	Why This Matters:

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
