Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$7,500 individual / \$15,000 family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care services, primary care, specialist, and urgent care visits, and certain prescription drugs are covered before you meet your deductible (see additional information below).	But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u>
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For <u>network providers</u> : \$10,000 individual / \$20,000 family. Not applicable for <u>out-of-network providers</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, penalties for failure to obtain preauthorization for services, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="https://ambetterhealth.com/en/de/findadoc">https://ambetterhealth.com/en/de/findadoc</a> or call 1-833-919-3214 (TTY 711) for a list of <a href="network">network</a> <a href="providers.">providers.</a>	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Important Questions	Answers	Why This Matters:
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
